

## Uppsala Sweden Mighty Message of the Lord—13 Aug 2010

### The Mighty End-Time Prophet of the LORD GOD ALMIGHTY

HALLELUIYA! What a blessing to be here today. Let us pray in the Mighty Name of JESUS. Precious FATHER in the Name of JESUS, the Name—the Mighty Name above all names, FATHER today I give you honor and GLORY, the authority and the power. The Creator of the universe, the GOD of Israel, the Mighty GOD of Abraham, the GOD of Isaac and Jacob, today look we are gathered in the Name of JESUS in this nation of Sweden at this time JEHOVAH. Give this place your favor that they may hear what you are saying. Open their spiritual ears and their spiritual eyes that they may hear and see this and prepare for the coming of the MESSIAH in the Name of JESUS, the Mighty Name of JESUS, AMEN.

Thank you so much. Let us clap to the LORD. HALLELUIYA! I know that you; what I'm going to discuss here today is absolutely very critical to this nation, also unto the eternity of the church in this land. If you can write today you can write today as much as you can. If you can record make sure you record as much as you can. But what I'm going to say is absolutely eternal in value and it's important that it remains in your hearts and in this land. HALLELUIYA!

First of all I would like to begin by thanking the LORD for bringing us here safe and also for a long time I've been praying for Europe that this revival that is now beginning to consume the corners of the earth that it may be able to also reach Europe. We're seeing a big revival in Africa now specifically in Kenya where literally millions of people are returning to the LORD, receiving the LORD and the Heaven is open and the cripples are walking, the blind are seeing, the deaf can hear, the mute can talk; the cripples are walking, and the blind can see, the deaf can hear, the mute are speaking now, tumors are dissolving—tumors are dissolving, dissolving, spinal cord injuries are healed and they can walk again—without paying a penny; without a single penny paid down; for free. The Heaven is open and the LORD has sent me here to let you know as a nation that look we have entered into the dispensation of open Heavens and so if your hearts will be willing then the LORD will open Heaven over this land also that there may be an outflow of the HOLY SPIRIT.

Now I want to talk about something very, very, very critical. Why has the LORD sent me to Sweden? Why have I come? We were in Australia Brisbane; before then we were in South Korea—Seoul and Busan and all other cities in South Korea; we were in Venezuela, everywhere. Why has the LORD sent me to Sweden? Listen to me precious people. The LORD, the FATHER of our LORD JESUS CHRIST, He has spoken with me about the coming of the MESSIAH. Again let me repeat this. GOD the FATHER, He has spoken with me about the coming of the MESSIAH. So when the LORD spoke with me about the coming of the MESSIAH, what did the LORD say? That is where I want to begin today. And this message is absolute gravity to the church—the church of CHRIST in Sweden. This one here touches the eternity of this nation. That's why at times I wonder the ways of GOD.

I wonder, "Why are there so few here if the message is this important? Why wasn't it in a stadium like some of the countries we go to? Why are there only a few in a small hall?" Listen. The disciples came to JESUS and they said, "You are preaching a difficult GOSPEL. Why do you speak to them in parables? They don't understand you. You think they understand but they

don't. To us you speak very clearly. But to them you speak in parables. Why?" And when JESUS answered, listen to what He said. "It is meant to be hidden." But only to those that will seek—those that will seek Him, only to them shall it be revealed.

So I understand why this is not the whole Sweden. But anyhow what did GOD the FATHER tell me to come and tell you about the coming of the MESSIAH? I'm going to begin from this conversation. Record it; write it down because I have a few conversations. Tomorrow I will not get to this. Write, record, do everything, tomorrow there're many conversations. There is this first conversation of the Wedding Rings the LORD presented in the sky.

There's the next conversation when the LORD opened Heaven and showed me the Clock in Heaven and many other conversations. So I am not coming back to this. When I do this it is done. So what did the LORD say about the coming of the MESSIAH? Let me describe this. Again listen very carefully: November 1, 2006 at 3 a.m. in the morning; November 1, 2006 3 a.m. in the morning what did the LORD say?

In that mighty vision of the LORD, the LORD He opened Heaven in the sky and when He opened Heaven in the sky, I saw the GLORY of the LORD beginning to descend from Heaven into the sky. The sky was very, very dark—*oscuro* and when the GLORY began to descend, it began to change the countenance of the sky. It changed the appearance of the sky and then now it was changing from darkness to light. And when it began changing from darkness to light more GLORY began to come out. And when I looked I saw; when I looked I saw Heaven standing open still and the GLORY was coming in clusters.

It was in clusters coming out of Heaven. I could see inside Heaven and the GLORY coming. And the light of the GLORY was now reaching the earth. Now listen to this. Within a short time then when I looked inside Heaven I saw within the splendor of the GLORY of GOD, within the brilliance of the GLORY of GOD, I saw something golden; something golden. And so I was shocked. I could see the GLORY and now I saw something golden also and the more I looked at it, the more I realized it is moving; the more I realized it is not static. It is moving; that golden thing inside the GLORY of GOD in Heaven it is moving.

Listen precious people of Sweden. Then the more it moved the larger it became and then in a moment it came up to the entrance that was open into the sky. And when I looked at it I realized they were actually 2 golden Wedding Rings placed at the entrance to Heaven. Listen precious people. When He placed them at the entrance that was open, then He began to tilt them. And so when they were tilting, I could now see all the sides.

I could see all the sides of the Wedding Rings; so I could see all the sides. He was tilting like this and it is amazing that He wanted me to see every side of the 2 Wedding Rings including the design, including the effort put in, the time—the amount of time the LORD had put in to design the Rings. Let me share with you a little bit here about the 2 Wedding Rings the LORD presented in the sky. This is so important.

You who are seated here you are really a blessed people. At the end of this you can literally make your way into the KINGDOM of GOD. Listen precious people and very carefully. So when He began to tilt the Wedding Rings, very quickly I realized that actually the 2 Wedding Rings they are mirror images of one another. They are very identical; extremely similar. When you put a mirror here, you see the other one. And then let me share a little bit more.

When it comes to the side that shows when you wear a wedding ring—this part; first of all the Rings were round but when it comes to that part it is a mere flat top; round and then

mere flat top and there He put decorations. The gold that was used on the Rings is rich reddish-brown gold. But the gold that was put at this place is even richer. It is diamond like gold because it was glittering and shinier. And then the surface of the Rings He made me know that the way He finished it He put drops of gold like this, like this on the surface. There are dots and dots, dots, dots that finished it beautifully.

And He made me know that if you touched it you could feel some traction and tilting them like this. And then after that then finally the Voice spoke from Heaven. What did the Voice say? Listen the people of Sweden. The Voice of the LORD that spoke from inside Heaven and the Voice said, "From today on, all authority in Heaven and the authority of the earth has been given to CHRIST JESUS."

Ha, ha! And then the tilting continued. Now in the vision I could now, I was beginning to understand now what the Wedding Rings were all about. And then finally the Voice spoke again. What did the Voice say? He said, "Look and see who is seated on the White Horse?" And I remember so well that when I looked slightly above the 2 Wedding Rings, within the threshold of Heaven, then I saw the mighty most powerful, most glorious White Horse.

Let me repeat this. I saw the mighty most powerful, most glorious White Horse. And when I looked at the Horse the message that the Horse was supposed to give me was this one: Look everybody. When I looked at the Horse, then I understood the message the LORD wanted me to receive and bring to you. Listen to this. The way the Horse was behaving, he was behaving as though any minute now he must go; he's going to be released.

He was lifting the front legs like this and wagging the tail like this and he was doing *chi chi chi chi chi* any moment he wants to go. The neighing of the Horse; the neighing of the Horse; in English they say neighing of the Horse. In English they say the Horse is neighing; the neighing of the Horse when it's about to be; when it's about to be released— the neighing of the Horse. And then after that when I looked above to see who was seated on the White Horse then I saw the GLORY of the Son of Man on the White most powerful, most glorious Horse. After that the silence consumed Heaven again and the Wedding Rings were still tilting. And then finally the Voice spoke. And then the Voice said, "Go tell these people to prepare for the coming of the LORD." That is where I want to begin from. I remember when I woke up from that vision I was very shocked because now I understood. Listen precious people.

Then I realized time is also over! But let me begin step—baby steps with you. What is the message? What is the message? What is the message that the LORD has sent me with to the nation of Sweden? What is the message in that vision of GOD that JEHOVAH has sent me to give to you the nation of Sweden? Listen and precious very carefully.

Number 1: I want to begin at the most basic place. Number 1: Every time JEHOVAH speaks; every time the LORD speaks, you people of Sweden, you must find it in the BIBLE. Ha, ha, ha you didn't hear me. **Every time the LORD speaks, you MUST find it in the BIBLE. In fact if you don't find it in the BIBLE, then the LORD has not spoken.** I want us to begin at the most common denominator because of the state of the church. Because of the condition of the church I must begin from the most basic place that every time the LORD speaks you must find it in the BIBLE. So today we are going to see quite a bit of BIBLE.

Number 2: Every time the LORD He speaks, what does He say? **Every time the LORD speaks, He must always centralize the holiness of GOD in the church.** Every time the LORD

speaks, He MUST always centralize the holiness of GOD in your lives. I am beginning from basics before I tell you what this message is, so we can all be on the same page.

Number 3: **every time JEHOVAH speaks, He must always rebuke sin in the church.** HALLELUIYA! He must always rebuke sin in your lives because He loves you. So do you understand? Every time the LORD speaks, He must always rebuke sin because He loves you because the BIBLE says, "For without holiness no man will see the LORD." So if He loves you, He will always tell you about sin that you may repent and then enter one day. HALLELUIYA!

**Every time the LORD speaks, He will always point at the coming MESSIAH.** Ha, ha, ha, ha! HALLELUIYA! He will always point at the coming MESSIAH.

Number 5 I think; right? **Every time JEHOVAH speaks, He will always build the KINGDOM of GOD in the church, not the kingdom of man in the church.** We are getting to the same page now, so I may release the message, so I may give you the revelation of the Wedding Rings in the sky. There has been a lot of confusion in the church. That's why the LORD sent me. He said, "Go tell them to repent." And that's why you see it comes with so much power. I have seen; like yesterday He spoke with me about an earthquake coming to Sweden. You invited me. I come in the Name of the LORD. I have seen a heavy shaking here. I see a massive earthquake coming to strike the nation of Sweden. And don't be careless with this.

Haiti was careless. They did not listen. I was preaching. They were walking around chewing gum; everything was happening and the LORD saw; they were playing with children outside. GOD is jealous. And I will tell you why these earthquakes. Why? Every nation I go to He causes me to prophesy an earthquake. He tells me, "Go tell them there'll be an earthquake here." I will handle it very carefully for you that you may understand.

This one comes with the authority of the LORD. This is not for entertaining people in the church. This is for the coming of the MESSIAH. Precious people every time the LORD speaks, He must always build the KINGDOM Of GOD in the church and not the kingdom of man. That's why for this one even an offering I don't take; even one penny I don't take. This one is too holy. This one is separated from money; that one of money that is something else. This one has the lives of the nations; the lives of the people like this. You cannot mix it with money; the one of money that is something else. I'm talking about the coming of the MESSIAH.

Again let me repeat this: I have seen a horrific earthquake coming to Sweden. And this morning; I don't know whether you know how the LORD speaks with His Prophets. Let me speak to you. Let me share this with you. He normally will take me and put me inside the earthquake. So I have already felt the earthquake. I have already seen how people will be running. He takes you so you live that day; you live it and you feel the pain also, so you can describe to them accurately how they will feel if they don't repent. Now that I have come here whether there are only few like this, the impact will be national.

He is going to shake Sweden by the way very violently because He wants the nation to repent. But anyhow, so having come to the same denominator; same place then what is the message GOD ALMIGHTY has sent me with to the nation of Sweden in that vision of the Wedding Rings? Precious people every time there is going to be a wedding; every time a wedding is going to take place, there must be wedding rings.

Number 2: Number 2: There must be a wedding gown. Again I repeat. There must be wedding rings and the wedding gown. And every time the wedding rings are ready that means the preparation for that wedding has been completed.

Now you understand why I'm here; not for tourism. I know I love you with the love of CHRIST, all of you. But there's something more serious here—that every time there's going to be a wedding, there must be wedding rings and the wedding garment. And every time the wedding rings are ready, then that means the preparations for that wedding have been finalized. Ha, ha! Listen very carefully.

The Wedding of the LAMB of GOD; the Wedding of the LAMB of GOD there is a day that GOD ALMIGHTY has set up; a day He has decreed; a day that He has marked on the calendar and that day is called the day of the Wedding of the LAMB of GOD. And because of the state of the church, I am going to go to the finest levels to describe to you what is that day; how is it different from the day of the LORD.

Precious people let us go to the BIBLE. There's a lot of Scriptures because when I leave you can depend on those. This kind of message you will not get on Christian television. You will not get it on Christian radio. This only comes from the THRONE of GOD. So blessed are the ears that can hear this. This is key! Let us go to the BIBLE so we may understand what the LORD is saying. The BIBLE is our reference.

The Book of 1 Thessalonians I begin from basics; 1 Thessalonians chapter 4. Make sure you write down the Scriptures so when I leave you will never forget this. 1 Thessalonians chapter 4 verses 16 and 17. Once you are there say AMEN together. I read. *"For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God."* He says, *"For the Lord himself will come down from heaven,"* and he says, *"with a loud command,"*—the voice of the archangel, the loud command, the trumpet call of GOD, *"and the dead in Christ will rise first."* You see the chronology of rapture? You see the chronology of the day of the Wedding of the LAMB?

There will be a loud command, the voice of the archangel and the trumpet call of GOD. Then the dead in CHRIST will raise first and I'll explain to you who those dead in CHRIST are. Verse 17 then he said, *"After that, we who are still alive and are still left will be caught up together with them in the clouds to meet the Lord in the air."* HALLELUIYA! You might wonder why is he on fire like that? It is the gravity of this message that burns my bones.

He said there will be the resurrection of the dead, the dead in CHRIST. Which dead; which dead in CHRIST? All Christians who have died? No! In fact I will share with you. I have seen also the rapture of the dead. I have seen how they will resurrect on that day—only the holy dead; only those at the point of death they were living holy. And he said there will be the resurrection of the dead; the dead holy Christians and then there will be the translation of the living Christians; translation. Which living Christians?—only the holy Christians! We are beginning to talk slowly, not much.

You can already begin to figure out in your minds why the LORD has sent me here. You know Sweden, Sweden is a country that is known globally. I knew that in 1970 Sweden was already the most developed country on the earth; in the 70s already. I also knew that Sweden has the best train technology on the earth. United States, many nations they borrowed from here. The quality of life is too high—very high.

They're environmentally sensitive, conscious. But there's one thing that has been lacking. After everything else you have, how about the KINGDOM of GOD? Ha, ha, ha! That is what I have brought. I brought what was left that if you will catch this one here, you will live

well on the earth and also go to Heaven. But if you will miss this one, what is the point living well on the earth and finally going to Hell?

Do you understand the gravity of my being here? Listen precious people. That is the mechanism of rapture that there will be the resurrection of the dead and then the translation of the living and the LORD will come down to take that church and Heaven will open and they will enter into the Wedding Feast of the LAMB of GOD. HALLELUIYA! Let us move to the next level that you may understand the message.

Right now I'm just talking about the basics that you may get the message. Now having said so what is the message in the Wedding Rings? Why have I come all the way from Kenya in a hurry? Turn with me to the Book of Revelation precious people. And this will be very deep today. As I enter this day your life has changed forever. That's why I say this one cannot be mixed with money. This one is separated from **money (46:10)**.

This one is about eternity. I know many people have come looking for your offering. That is something else. For me I am cheap—the cost of just an email, then I will come myself. I'll pay for myself, come myself. This one is cheap ministry because there is a KING involved and His KINGDOM. We the slaves must do the work of the ground. The slaves work for the KING. Revelation chapter 19 what is the message?

Again Revelation chapter 19 if you are writing; Revelation chapter 19 verses 6 to verse 9; and those who are recording on cell phones make sure you continue recording. I'm reading Revelation chapter 19 verses 6 to verse 9 that you may understand what JEHOVAH is saying at this hour in the church of CHRIST. You don't know how joyful I am that finally I have gotten to Sweden because when I finish then I will wash my hands. Then I will tell the LORD, "That is another country I have finished with. Now they know. They can choose for themselves if they want to enter or not."

Revelation 19 verse 6 to 9, "*Then I heard what sounded like a great multitude, like the roar of rushing waters and like loud peals of thunder, shouting: 'HALLELUIYA! For our Lord God Almighty reigns.'*" He heard what sounded like 3 things; 3—like a great multitude, like the rushing waters, like loud peals of thunder—a tremendous jubilation; a tremendous felicitation; a tremendous celebration consumed Heaven. And what were they saying?

They were saying, "*HALLELUIYA! For our LORD GOD ALMIGHTY reigns.*" It is as though that is the day, the day of realization, the day when they finally realized that, "Ah, ha for our LORD GOD reigns" because of this day. Listen to what he says. 7; verse 7, "*Let us rejoice and be glad and give him glory! For the wedding of the Lamb has come, and his bride has made herself ready.*" I know in Sweden they say, "You know you have to control a lot of noise."

I cannot control myself. Please you have to accept this. The FIRE that the LORD has put in this message I cannot control me because I'm shocked that finally we are the generation that sees this announcement. He says, "*Therefore let us be glad; let us rejoice; let us give him glory! For the wedding of the Lamb has come, and his bride she is ready.*" Now you understand why Heaven celebrated.

That means ha, ha that in the calendar of GOD in Heaven, this is the most significant day; this is the most powerful day. He says when the day of the Wedding of GOD—the Wedding of the LAMB of GOD arrives, the whole Heaven comes to a stop. When that day arrives the entire Heaven stops and they begin to celebrate, felicitation, jubilation. Why?—because the Wedding of the LAMB has arrived. And why?

They say because “And His Bride is now ready.” That is the reason they celebrate. The church; the church is the Bride of CHRIST. Now you are beginning to understand why JEHOVAH has sent me here. Ha, ha! Now you begin to understand why the LORD has sent me here. The Wedding Rings are **hid (53:25)** in the sky. That means the preparations have been finalized. But there is a Bride; is the Bride of CHRIST in Sweden ready? Ah! I’m telling you. The church is CHRIST in Sweden is very **pompous (54:00)**. There’s a lot I have not shared. There’s a lot. I have seen so much. There’s a lot—how I prophesied the Global Economic Crisis. I want to begin with basics.

Precious people why the earthquake; earthquake; earthquake; earthquake; every country I go to literally there MUST be an earthquake? When I get to Matthew 24 not now then you will understand. Tomorrow I will cover the Olivet Prophecy—Olivet. But for now you begin to understand the message what GOD is saying to Sweden right now. He’s telling Sweden, and Netherlands and Belgium, He’s telling them, “Look according to the calendar of GOD ALMIGHTY, the day of the Wedding of the LAMB is the most important day. It is the most important in the heart of GOD; how about you? How about Sweden? How about Belgium? How about Holland is that day also important to you?”

And He says that the reason there will be a celebration is because the Bride of CHRIST is finally ready. So is the Bride of CHRIST in Sweden ready? Is the Bride of CHRIST in Sweden ready? Now how does GOD know that the church, the Bride of CHRIST is ready? How does He know? How does the pastor or the Christian know that she is ready?

Verse 8 he says, “*Fine linen, bright and clean, was given her to wear.*’ (*Fine linen stands for the righteous acts of the saints.*)” You are beginning to understand why I am here; not for tourism. We are in such a hurry. I said, “LORD, I am heading to Sweden because there is a Bride there and she MUST enter.” There’s a Bride there and the LORD wants; He wants her to enter. And He said that the only way you know that the Bride of CHRIST is ready is when she’s wearing fine linen, bright and clean. Ha, ha! That’s why this kind of message you cannot get on popular global Christian TV—popular. Not this kind; that Global entertainment that entertainment—no, not this kind.

This one is to purify the church that she may enter into the KINGDOM of GOD. This is not the gospel how to live wealthy and healthy on the earth—No! On the earth, no! This is for the KINGDOM of GOD! And be careful. JESUS said, “But when this GOSPEL of the KINGDOM will reach the ends of the earth then the end comes.” I was shocked. Why Australia very far down there; when we were going to South Korea I did not know that it was after China; I did not know because we were so busy I didn’t look at the map. But I did not know that we had to cross China at the end!

Today I was being told by my assistant here that you know that Sweden is one of the countries north of .....**(59:50)** I’m yet to see the map. But I think you are north. When I went to Chile I went to Concepción. Concepción is closer to nocturnal that is North Antarctica; Concepción, nocturnal—dark even the flights going there they are going nocturnal the darkness is more than the day time.

When you look at South America those are the places cheaper to go to. “When this GOSPEL of the KINGDOM of GOD reaches the ends of the earth then I will come;” not the gospel of prosperity—the GOSPEL of the KINGDOM of GOD! You see? And He said when the

Bride of CHRIST is wearing fine linen, bright and clean then you know she's ready. And He said but fine linen, stands for righteousness in the church.

Then my question to this nation of Sweden, this precious nation, my question to you is this—"Are you wearing the fine linen, bright and clean?" Now you can understand why I have come. Are you wearing the righteousness of GOD? And the answer is definitely no! GOD has spoken with me about your nation in fact to the extent that He said, "Tell them to repent there's an earthquake coming." This is of gravity.

When I warned Haiti I said, I see even your children building the ..... (1:02:35) the children. They said, "What is this man talking about?" They were used to evangelists coming to preach prosperity, wealth and health; how to live well on the earth. When I came there and I told them "The MESSIAH is coming; the FATHER has asked me to tell you to prepare the way." And I told them "I see sexual sin in the church."

How can the church be a deliverer when she's not yet delivered? To be a deliverer you must have been delivered. The church is still struggling with sexual sin in Sweden! Is that church wearing fine linen? I said when there are wedding rings there must be wedding gown and now you can see the wedding Gown. The Wedding Gown is supposed to be the holiness of GOD in the church! But if you look at the church of CHRIST in Europe, you cry; you weep and you ask the LORD, "LORD what happened here? Which BIBLE are they reading?" Sexual sin in the church! Ah, ah, I'm jumping ahead of myself.

Let me explain to you basics: When JESUS died on the Cross, He purchased the church. When He died on the Cross He shed His Blood to sanctify the church, to consecrate the church, consecration that the church may walk in righteousness that you may walk in holiness. Can we read BIBLE today? Can we read Scriptures? That's why I'm here right? Because when I finish I wash my hands and leave.

Read with me Isaiah 54 that you may understand this. Ha, ha, HALLELUIYA! HALLELUIYA Sweden! Sweden I don't hear you. HALLELUIYA! Now I hear you. I come to love you Sweden. This is a lot of love that a man may walk in here and tell you that, "Excuse me Sweden. I have seen the MESSIAH coming" that "Sweden prepare the way in your hearts. The KING is coming. The KING is coming." And yet the BIBLE is clear He comes like a thief. You will see.

So that is a lot of love that somebody may come to warn you that "Look, look, I have seen Him coming." Isaiah chapter 54 verse 7; verse 5 to 7 He says, "*For your Maker is your husband—the LORD Almighty is his name—the Holy One of Israel is your Redeemer; he is called the God of all the earth.*" Are you seeing the relationship? That is Israel. He was talking to Israel. He said, "Look Israel you are the wife of JEHOVAH. Did you know?"

But the church, you are the Bride of CHRIST. I am touching every basic to make sure when I leave I have done it right for the KING so nobody can say, "But LORD you know I never understood what he said." This is puny (1:09:00) meeting; you can come and you don't have to pay. I think in some conferences you pay a fee. Right? They charge you to enter. But here it is free of charge. Is that not right? No offering also; just catch this.

The biggest offering is that you may prepare for the suffering KING. The biggest offering is your heart to the KING. I knew that a moment will come when this money, money, money, money, money, money, in the church will come to an end. I knew it. I knew that the moment of truth would one day dawn. "*The LORD will call you back as if you were a wife deserted and distressed in spirit*" You see the relationship?

This is just basic. *"For a brief moment I abandoned you, but with deep compassion I will bring you back."* You begin to understand this. There is a lot at stake. If the church in Sweden will not prepare there is going to be shame. The devil will laugh. The devil laughed at the Cross at Calvary. And ever since JESUS resurrected and went up, sitting at the right hand side of the FATHER, waiting for the fruits of the Cross you are the fruit of the Cross.

If you don't enter there will be no compensation. In Spanish they say *recompensar*. There will be no compensation to JESUS. Your salvation and your entry into the KINGDOM of GOD is so critical to JESUS. That's why I am here. He says righteousness; that the day when the church will begin to walk in righteousness, when the church will begin to walk in holiness that church will be ready. Then in Isaiah 53 we are going to read later; just focus on me.

Isaiah 53 verse 1 to 12; Isaiah 52 verses 13 to 15 you see the consecration of the church; the cleansing of the church by the Blood of JESUS. That essentially marks the purchase of the Wedding Gown. That is the day the LORD purchased for you fine linen that you may also walk in the righteousness of GOD. We are going to read it. Don't worry. Focus here for now. That means that as a Christian in Sweden, in Belgium and Netherlands the day that you received salvation, ha, ha when you received JESUS as LORD and Savior, on that day you are given a free passport with a visa stamped.

Again, you receive a free passport with a visa—an entry visa stamped, "Ready for entry into the KINGDOM of GOD;" for free—free of charge. And He says that is the fine linen. That is the requirement that you can also now wear the righteousness of GOD. So tell me Sweden; focus on me now. Focus on me Sweden. Listen: Ever since you received the fine linen—gratis; free of charge, listen; ever since you received the fine linen of GOD that JESUS purchased at a very high price at Calvary, the question is, "Have you kept it bright and clean?" Have you kept it bright and clean?

Oh let me share for you the tragedy of Sweden and Europe. If you look at the Wedding Gown she's wearing in Europe, there are many stains—*muchas manchas*; many stains. One of the biggest stains is sexual sin to the extent that even homosexuality is now accepted in the church; to the extent that in Europe you now find churches that say "Look we are gay friendly." My question to you is one: What GOD are you worshiping?

The One I worship, JEHOVAH, He is Holy. Excuse me! The One I worship is the GOD of Israel. He's holy. He is not mixed with sin—separated from sin. My question to Europe is this; let me be specific to Sweden, "What BIBLE are you reading?" Because my BIBLE tells me that without holiness no one will see the LORD. Romans chapter 1 verse 21 onwards don't read it. We are not there. Just focus on me.

There must be repentance in Sweden. Now that I have come it MUST happen. Otherwise I have seen an earthquake. I say don't be careless with this. The nations that were careless they saw. It was bad, even China. Even the first tsunami, everything; there's so much, even Katrina to New Orleans. And I came and warned in a very similar way like this. But little did they know that "Look, this person is just a vessel; this person that is not his message. That is the message of the KING." And we cannot even bargain about it. If you look at the Wedding Gown that the church in Sweden is wearing there is a stain.

One of the stains is false prophets—false prophets in the church. They come from everywhere, from the United States, Britain, Australia, Canada, Nigeria, Ghana, name it. That's why I began by first telling you, "How do you know when the LORD has spoken?" That's why I

began like that. How do you know when the LORD has spoken? And I said look the LORD is holy. Every time He speaks He loves you. And because He loves you He will make sure that when you have gone astray He brings you back to His paths—HOLY, Righteous, separated from sin! False prophets in the church, they lie to you. They take your offering.

Another stain; another stain in the fine linen is the gospel of prosperity; the gospel of prosperity! GOD has sent me to crash it—the gospel that lacks holiness; that is a gospel without deliverance. Because the LORD is coming for a mature Bride—the BIBLE says that the Bride of CHRIST is holy; she will be righteous; she will be glorious, mature to the full stature of CHRIST. That maturity is spiritual maturity.

When you go to a pediatrician, a doctor, a doctor of the babies—pediatrician they will tell you the diet you need to feed your baby that your baby may grow. And many times when you come to the clinic they weigh the baby and they ask, “Why is it that your baby is not gaining weight? Why is your baby not growing? Are you really feeding the baby on this food I told you about?” Only holiness; only holiness can grow the church. Nothing else!

Without holiness we will not see Him; nobody will see JESUS. HALLELUIYA! Let’s move on. Precious people so you see the LORD has sent me with a message that bestows responsibility on the church. The LORD is saying that the church of CHRIST in Sweden MUST now prepare and when she prepares the hallmark of her Christian walk; hallmark, the mark, the hallmark of her Christian walk will be righteousness, holiness.

But unfortunately all over the globe today that is the thing that is lacking most in the church. So the church is not ready. That’s why He sent me with a message of responsibility, a message of purity that Sweden may also repent. And let the mountains in your hearts be brought down! Let us prepare a way for the coming of the MESSIAH in your heart, Sweden. He loves you. That’s why He sent me to come.

He said, “If you will know what those sins are, then you can repent and turn away from them.” Sexual sin in Sweden! Remember that is the same sexual sin I saw in Haiti before the earthquake. The love of money in the church; it is the same gospel of prosperity He sent me to warn the people of Haiti about; the gospel of prosperity that He sent me to warn them over. The gospel that says, “You can sow a seed and you can get away with holiness;” the gospel of bribery; the gospel of corruption; the gospel that says, “We can corrupt GOD a little bit with money and then whether we are not holy it’s ok;” the gospel that lacks holiness that gospel does not belong to the LORD.

The GOSPEL that the LORD gave us is the GOSPEL of the BLOOD and the CROSS at Calvary; the GOSPEL of the BLOOD, why have you abandoned it in Sweden? That GOSPEL is holy; the old rugged CROSS; the dirty CROSS at Cavalry, why have we abandoned it? You are quickly running to a sweeter gospel. But the GOSPEL of the BLOOD and the dirty CROSS that is a painful GOSPEL; it is a bitter GOSPEL.

It is not a sweet GOSPEL. It is the GOSPEL that says “Look, the KINGDOM of GOD is near. Look, there MUST be a price when you sin; that the wages of sin is death.” That is the GOSPEL of GOD. Why are you quickly running forgetting the CROSS and the BLOOD and now you have what we call motivational speakers in the churches? The LORD speaks to me in dreams about literally all the big preachers you see on the earth; literally all that I remember some of them; what the LORD does He makes me sit in the room in the dream then he brings that evangelist

also to sit next to me. And then the hand of the LORD gave me a BIBLE and He told me “Please give him this BIBLE.”

We have become motivational speakers. The preachers in the church they have become motivational speakers; sensational speakers preaching a gospel that is itching and sweet and tickling the flesh; a gospel that makes people happy, happy. That is not why the LORD has sent me here. He has sent me here that you may remember the suffering of the MESSIAH; that you may honor GOD with your Christian life; honor; honor—that you may honor GOD with your Christian life that JESUS may be honored out of the work at Calvary. Precious people this is a GOSPEL of purity; purification; repentance.

Do you know what repentance means? Kenya; I like talking about the story of Kenya because Kenya is very interesting. When the LORD was sending me to Kenya, oh men you should have listened to Kenyans how they talk. Ha, ha, ha, you cry for the church. They said, “No the GOSPEL he’s bringing to us is too bitter. We don’t want it. It is too much holy. We are not CHRIST. Why is he forcing us to be holy?” And I found false prophets in Kenya.

They used to prophesy the things of the earth and yet we know that when GOD sends one, he MUST focus the church on the KINGDOM of GOD. The bishops in Kenya, they ganged up against me and they went on TV and they held their hands and they said, “We are inviting our prophet of good hope from America.” Again let me repeat in English then you translate. They held their hands on TV and they said, “We are inviting our prophet of good hope from America.” And they brought the lady and then I was busy. I was busy doing repentance meetings to make the nation repent because 2004 I had seen the blood coming to flow in Kenya. And when I told them, blood is coming to flow they laughed.

They said, “But Kenya is an island of peace in a sea of turbulence.” They said, “The Somalis come here as refugees; the Sudanese come here as refugees. Everybody comes here. The Somalis come to Kenya; the Sudanese come to Kenya in refugee camps; the DR Congo, everybody, Rwanda, what, Burundi they come here. What are you talking about?” Because I said that “I see you Kenyans walking in large columns. You are carrying things on your heads with your children.” And I said, “I see you checking in to refugee camps inside the country.” And I said, “You are going to be refugees in your own country.”

They laughed until their teeth became white—very white. They said, “Which type of prophecy is that?” And I said an earthquake is coming to Nairobi, they now laughed even more. They said, “But we are not in an earthquake zone what are you talking about?” So I was trying to organize repentance that the nation may begin to repent. Then they said, “No, we are inviting another prophet to counter his message.”

They said, “Our prophet of good hope.” So I was in a place called Marigat doing big meeting of repentance when the LORD told me, “Look the person they have invited is not my prophet. I don’t even speak with her.” But what amazed me, many people send me SMSs, “Excuse me is that person coming a prophet of GOD because that person asked for 20 million shillings first.” She said, “You must put it in my account first before I come to Kenya.”

Then I asked myself when the LORD spoke with Jeremiah and sent Jeremiah did Jeremiah send his agents early to get 20 million? When the LORD sent Isaiah did Isaiah send his agents earlier to get some money? Then I said, “What is wrong? Which BIBLE are you reading?” You don’t have to be a rocket scientist. You don’t have to be a brain surgeon to know when the LORD has spoken and when the LORD has not spoken.

They handled it carelessly. And I said; one day I used to have a TV program every Sunday in Kenya. And one day I lifted up the BIBLE like this in the program and I read from Isaiah chapter 20 verses 1 to 3 don't go there. And I said, "Kenya if you don't repent, the LORD is going to expose your nakedness to the nations of the earth." I said, the way the LORD stripped Isaiah naked and told Isaiah to walk naked in front of Israel; the way the LORD stripped Isaiah naked in the eyes of Israel for 3 years and Isaiah walked naked before the nation of Israel—the Prophet of the LORD Isaiah and the LORD was using that to tell Israel, "Look I am going to ashame you, to expose you naked to the nations of the earth if you don't repent."

I read that Scripture and I told Kenya, "He's going to expose you also naked before the nations of the earth because of the pride; the church in Kenya is proud; the bishops are proud." But boy, the day that prophecy was fulfilled, ha, ha, until today there are people living in refugee camps in Kenya—until today. When the blood began to flow, every word I said was fulfilled. I said that "I see parts of human bodies cut—the head, the leg." I published it March, 2005 in the press in the streets. I published in the newspapers of the streets; 2007 that prophecy was fulfilled and Kenya was exposed naked in the eyes of the nations of the earth.

Every living room even in the islands they saw the nakedness of Kenya because of failing to repent. Now I am in Sweden. And the LORD spoke with me yesterday here in Uppsala, in Uppsala here at night and I saw a tremendous earthquake shake the nation; God is asking for repentance. Someone like me does not come for money. I am just *esclavo*, a slave. You cannot contest. The LORD wants Sweden to repent.

That is love because the nations He loves He speaks to. The nations He does not love He does not speak to. That's why He spoke to Israel all the time because He loves. Sweden, I bring the message of love that the KINGDOM of GOD is near. What will matter on that day is not how many years you have been a Christian; is not how many churches you have gone to; is not how many churches you have planted; is not how many people you have led to JESUS; is not how many, it does not matter. What matters that day is that you will be found when He comes you will be found holy. I want to move on.

Precious people turn with me to Isaiah chapter 61 what are the responsibilities of this message I bring? 61 Isaiah verses 10 to 11 I bring a message of responsibility; a message of the KINGDOM of GOD. Isaiah 61 verse 10 to 11 and He says, "*I delight greatly in the LORD; my soul rejoices in my God. For he has clothed me with garments of salvation and arrayed me in a robe of righteousness, as a bridegroom adorns his head like a priest, and as a bride adorns herself with her jewels. For as the soil makes the sprout come up and a garden causes seeds to grow, so the Sovereign LORD will make righteousness and praise spring up before all the nations.*"

Do you see the responsibility there? What is the LORD saying? He's saying that if you will catch this message and choose to walk in righteousness then your righteousness will shine the light of GOD to the dark world that the nations of the earth may also see righteousness. What is the meaning of that? That means your righteous salvation is the instrument for GOD's revival. There is responsibility. It's not just for you.

You need to go to the streets with the salvation of righteousness and lead them to the LORD. Let your light shine. Let your righteousness shine that they too may bring up praises unto GOD your FATHER. I want to emphasize the gravity of the message I have brought. I want now to give you the gravity of this message of preparing for His coming.

Everybody turn to [Zechariah chapter 3](#); [Zechariah chapter 3](#); [Zechariah chapter 3](#); [Zechariah chapter 3](#) the gravity of this message; I call it the glorious Wedding Gown. If you follow what I'm saying here; if you listen in the spirit you find that what the LORD is saying here is that there needs to be a glorious Wedding Gown; glorious; GLORY, *resplandeciente*; right, for the Spanish. [Zechariah chapter 3](#) let's me get there first; yeah there you go [verses 1](#) onwards. And He says, *"Then he showed me Joshua the high priest standing before the angel of the LORD, and Satan standing at his right hand side to accuse him."* Look here everybody.

Joshua appeared before the LORD and the accuser stands next to him to accuse him. [Verse 2](#), *"The LORD said unto Satan, 'The LORD rebuke you, Satan! The LORD, who has chosen Jerusalem, rebuke you! Is not this man a burning stick snatched from the fire?' Now Joshua was dressed in filthy clothes as he stood before the angel. The angel said to those who were standing before him, 'Take off his filthy clothes.' Then he said to Joshua, 'See, I have taken away your sin, and I have put rich garments on you.' Then I said, 'Put a clean turban on his head.' So they put a clean turban on his head and clothed him, while the angel of the LORD stood by. The angel of the LORD gave this charge to Joshua: 'This is what the LORD Almighty says: 'If you will walk in my ways and keep my requirements, then you will govern my house and you'll have charge of my courts, and I will give you a place among these ones standing here.'"*

What is the message to you? What is the message to the church of CHRIST in Sweden in that conversation? Listen to this. Joshua here represents Israel; in fact the priesthood. Israel was created as a nation of priests. And the BIBLE says, "Standing before the LORD" that means worshiping the LORD; ministering to the LORD. Joshua standing before the LORD means he appeared to worship the LORD; to minister to the LORD.

The LORD raised Israel such that He wanted when Israel worships perfectly other nations would see and they would also worship JEHOVAH because they would see that the LORD loves Israel; because they would see Israel worship and the GLORY comes down; because they would see that the enemy of Israel is the enemy of GOD; because they would see that whoever blesses Israel, JEHOVAH blesses.

So they would envy Israel and they would want to worship the GOD of Israel. He raised Israel as a priesthood nation. But when Israel fell and Israel filthified the priestly garment; let me teach you this. This is very deep. Listen to me this is deep. Let me teach you this. Focus on me. The priestly garment that Israel was given, Israel made it filthy. How did Israel do it? Israel took up the identity markers of the enemy.

Sexual sin entered the sanctuary. The gospel of prosperity entered the House of JEHOVAH. The false prophets entered. The false apostles started saying, "Run with money to the feet of the apostles." The false apostles began to say, "Run with money to the feet of the apostles." And then the devil when he saw Israel, Joshua appearing before the LORD the devil also appeared claiming right over Israel saying "No, he's mine. He's mine. She's mine." And the LORD said, "What do you think she's yours?" When you belong to Sweden, the nation of Sweden you have a passport. That passport is the identity marker of the citizenship in Sweden.

Every Swedish person has that passport. If you are in another country let's say something bad happens to you—they robbed you and you have no money to pay the hotel and the embassy is called, the government of Sweden will say, "No that one is ours. Bring her. We are going to pay the bills. That one is our citizen. Don't hurt that person. That one is our citizen. Don't hurt that person"—because of this thing called passport, the authenticity of the citizenry.

It is the same for every Swedish; the same thing with the KINGDOM of GOD. Satan, he put his marks on Joshua's priestly garment and then he began to claim rights.

"No, he's mine. You see he has sexual sin mark on the back. That's my identity. He's mine. He is mine look he has false prophets and deception. That is my identity. He is mine." And the LORD rebuked Satan. "Isn't this man a burning stick snatched from the fire?" In other words, "Didn't I put a glorious vision in these man's eyes." Listen to this. Then He told the angel; you know. Oh, let me teach this. The angel of the LORD and the others standing by those were the angels. He instructed them to remove his filthy gown, even the filthy turban. The turban is the symbol of priesthood.

That instruction means removing him from the priestly office—to remove him from the priestly office. Why would the LORD remove him from the office of the priest?—because that was a defiled priesthood. Then He instructed richer garment, fresh garment, new garment, glorious garment to be put on him. Look at this. In the BIBLE ever since He put that rich garment on him, never again in the BIBLE do you hear that the devil claimed right over him; the rich garment! Even in the church today, the church is wearing the identity of the world. The church is wearing the identity of the world.

The church is wearing the identity of the world. And so the devil is claiming right over the church. And the LORD is saying that you are a chosen people just like He chose Israel, He chose the church that you may worship Him and lead the other nations to Him. Precious people today GOD is saying that you need to repent and turn away from sin that you may glorify JESUS with your salvation that the light of your salvation may reach the perishing in the world.

There are many people in drug addiction and they are waiting for the church. But the church she is not yet ready. There are many daughters of GOD in the streets in prostitution; many daughters of the LORD in prostitution. They are tired of that. But they are waiting for the church. There are many sons of GOD in alcoholism and pornography. They are chained up. They are tired. They want out! But they don't know how to get out.

They are waiting for the church. The church is the instrument of GOD. That's why GOD has sent me to the church in Sweden. The church is the rod of GOD to bring correction that you may turn away from homosexuality here; that you may return to the righteousness of JEHOVAH. Time is over. The church; the church has withheld revival. That's why when the church in Kenya repented ha, ha, ha—the end revival is beautiful. Don't miss the end revival.

Many times the Hindus stop me when I am beginning to preach. They say, "Please stop him. Tell him there are 4 Hindu families here. They have been watching what JEHOVAH is doing here. They have carried their gods in their hands. Tell him we want him to lead us to that GOD he's preaching." And I have to stop the meeting and invite the Hindus to the Altar and they receive the LORD. Don't miss the end time revival.

Don't miss the end revival. The same thing with the Muslims; I was shocked in the last meeting when this Muslim family—Amina; Amina; Amina when she said, "Stop him. Tell him I want to receive the LORD just before he preaches." Listen to me. Listen. Listen. And when she came up I was surprised because she said, "I heard that you were coming to this city. And I said to myself, 'Let me go with my family so we may receive that GOD he preaches before it is too late; before the LORD comes back.'" Don't miss the end revival. It is beautiful, Sweden. You will see millions of Swedish returning to the MESSIAH.

The LORD created the Swedish. The LORD created Sweden. He loves Sweden; that's why I am here and He wants Sweden to see revival. He wants to open Heaven here. I am decreeing today that because of this meeting here GOD ALMIGHTY will open Heaven over Sweden. There will be repentance. There will be revival. Your sons and daughters will come back to the LORD. He's the same GOD who created Sweden.

There is no heart that is too hard for Him. What He needs is a vessel—the church. I am amazed one last thing—not last, one thing I want to say which is very critical—the pastor who invited me to go and announce me the coming of the Haiti earthquake; to give the prophecy of the Haiti earthquake, when I invited him to Kenya to see what end revival looks like, he said something that touched my heart. He went to the stadium, to the field the day before the meeting; the night before the meeting. And when he went there what he saw when he saw he fell down and cried. And he was asked, “Why are you crying?”

Women with babies sitting like this in their hundreds of thousands! And you ask them, “What have you carried to come with? Have you carried a back pack, sandwiches and juices?” They say, “No, I just came to the meeting.” With a young baby; maybe the baby was blind. It's amazing when the LORD heals the baby maybe on a Sunday afternoon; but anyhow when he saw the way people were standing in the largest numbers, sitting, what, with babies and in their millions, he said what touched my heart. He said, “I have now seen.” He said, “I have now seen and now I know. The nation that does not see this will not enter.”

I was very shocked when I heard that. That means the end time revival is a MUST because the end-time revival prepares the way, prepares the church, prepares the Robe. How will you enter with a dirty robe? Matthew 22; HALLELUIYA! This is Sweden. The LORD is loving Sweden. Many have come, “Oh, bring money here. You get what here.” They have said what; they have preached anything and everything under the sun.

This is about the KINGDOM of GOD ALMIGHTY. Matthew 22 I am reading from verse 1, “Jesus spoke to them again in parables, saying: ‘The kingdom of heaven is like a king who prepared a wedding banquet for his son. He sent his servants to those who had been invited to the banquet to tell them to come, but they refused to come. ‘Then he sent some more servants and said, ‘Tell those who have been invited that I have prepared my dinner: My oxen and fattened cattle have been butchered, and everything is ready. Come to the wedding banquet.’” Verse 5, “‘But they paid no attention and went off—one to his field, another to his business.”

I jump to verse 8, “Then he said to his servants, ‘The wedding banquet is ready, but those I invited do not deserve.’” Now He changed His language. Now He says, “Do not deserve.” Then He says; He says, “Do not deserve to come.” He says, “But those I invited do not deserve to come. Go to the street corners and invite to the banquet anyone you find there.’ So the servants went out into the streets and gathered all the people they could find, both good and bad, and the wedding hall was filled with guests.” Verse 11 is for Sweden, “‘But when the king came in to see the guests, he noticed a man there who was not wearing wedding clothes.”

Ha, He noticed a man there who was not wearing Wedding Clothes. He was not wearing Wedding Clothes. And then He says, “‘Friend,’ he asked,”—Mon Ami, Amigo, Friend; “‘Friend,’ he asked, ‘how did you get in here without wedding clothes?’ The man was speechless.” And then JEHOVAH, He ordered that the man be seized, be arrested, tied and thrown out where there is the gnashing of teeth and Hell. What is the message here?

The gravity of preparing the glorious Wedding Garment! This glorious Wedding Gown that I am telling you to prepare it is life and death. Listen. He sent a messenger to tell the church, ha, ha! Are we beginning to talk now? He sent a messenger to speak to the church, "Those for whom the Wedding was prepared." That is the church. That is the church. Even in Sweden that is the church in Sweden. But when the message came that, "Look the KING is coming; the Wedding is ready prepare." The church was too busy for the LORD. No wonder I'm seeing only few people; cannot fill a hall.

You know I know we do big meetings with millions of people. When I do pastors conference it is in the stadium. We always do in the stadium. But the times the LORD sends me and I see few people like this, I feel so much honored. That is when I really feel honored because that's when I know, this must be the way of the LORD because He says, "The church was too busy for the announcement. The church was too busy to come, to prepare and enter into the Wedding Banquet." They went off—one to his business, another to his field; **they did not enter (2:13:55)**, until GOD was angry, then He changed His language.

He said, "Those I invited do not deserve." You **say but I see** only few have come and yet the LORD has sent me to announce the coming of the MESSIAH. That is the reason the Swedish Christians became Christians. That is the reason the BIBLE was ever written that one day you might read; and then you might know when His coming is near and you might prepare and you might enter and you might glorify the LORD.

Listen: Then He said go to the streets. And He; oh the streets is funny. I love the streets. I know the LORD raised me as a village preacher. But I used to preach by the bus stop. When people are waiting for their bus that's the time I give them the WORD. November 24<sup>th</sup> 2004 when I was prophesying the coming of the first Asian tsunami, one month before it happened on December 26<sup>th</sup> 2004, I was in the street corners.

I said, "Prepare the way. The tsunami is coming. There's an earthquake coming to hit the Indian Ocean." I said, "There's a nasty earthquake coming to split the Indian Ocean and it's going to be the beginning of birth pains." I am going to handle that tomorrow. But listen to this. He sent the messenger to the streets. I like the streets. Do you know what the streets are?—the streets? Do you know the people of the streets?

"Hey, hey, tell him to stop. We want him to lead us to the LORD first before he preaches." Those are the street people. They are the Hindus and the Muslims. And when they came here, she said, "I heard; I heard that the LORD was sending you here and I said let me come with my family so we can receive the LORD and prepare before it's too late." But when I looked at who was talking, a Muslim, I was shocked!

The people of the streets, ha, ha—the people of the streets; right now they are worshiping another god but if you look at the way they are working with that god; they don't know the LORD JESUS. But if you look at the way they are worshiping their idol, they are walking so faithful to that god. They are dressing so faithful, holy to that god. They are walking holy. They are faithful, long dresses, they are what, they are observant.

They are paying attention to reverence. And yet they don't know JESUS. .... **(2:18:15)** How about when they have now encountered JEHOVAH? Ha, ha, they'll enter. I love the streets. "Hey, hey tell him there are 3 Hindu families here. We want him to lead us to GOD first." They don't have protocol. Normally they shut me down; I stop. When they come they say, "We have brought these Hindu gods here. We want you to burn them. Burn them for us. Please lead us to

your GOD.” The people for whom the Wedding was prepared do not deserve to come. What amazed me when the LORD came; when JEHOVAH came to see those who were invited, He will meet somebody there and He says, “*Mon Ami; Mi Amigo; My Friend*, how did you enter here without Wedding Clothes?” There are few places where the LORD says “my friend.” The Book of Matthew 26 verse 50 it was Judas.

Judas was sitting next to JESUS. He was one of the disciples. He came and when he came to betray Him, when the hour had come He said, “My friend do what has brought you.” Let’s read it. Matthew 26 verse 50 HALLELUIYA! This is it. Tomorrow I’m going to discuss the golden Clock of GOD when on that May 3<sup>rd</sup> at 5:38 a.m. in the morning in that vision the LORD opened Heaven again and then He lowered the golden Clock like this and I saw the time.

I’m going to share with you tomorrow. Then you’ll be shocked. But today let us look at the Wedding Rings. What is the message in the Wedding of the LAMB? How should you prepare? Matthew 26 verse 50 I need to get there. I need to get there; He says, “*Jesus replied, ‘Friend, do what you came for.’” “Friend, do what you came for.”* And the time of the Wedding also He says, “Friend, how did you come in here with Wedding Clothes?” When the people of the streets; when the people of the streets ran and gathered that friend also realized, “Hey, I might miss, sneaked in;” all of a sudden the friend realized, “Hey that thing is serious. Let me run in.”

But when the FATHER came, He was checking the people. He said, “Ah, friend ohhh friend you are here. How did you come in here without Wedding Clothes?” Who is the friend of GOD? Who is the friend of GOD?—the church! Only the church can be the friend of GOD. Be careful. My worry is that in my BIBLE that prophecy JESUS gave regarding the rapture it is in red which means if the church fools around; if the church fools around; which means that if the church will fool around she will miss the Wedding of the LAMB. My worry is that this prophecy MUST be fulfilled. Oh, HALLELUIYA! My worry is that this prophecy MUST be fulfilled.

The BIBLE says the friend of GOD is the church of CHRIST. The BIBLE says like it was during the time of Noah, so will it be at the coming of the MESSIAH. In the time of Noah, everybody hated righteousness. They said, “That GOSPEL is too bitter. It is too strong. We want something soft and good.” Precious people be careful. The friend of GOD is the church. It will not matter for how long you’ve been friends with GOD.

The holiness of the LORD that is the benchmark of GOD; that is the standard of rapture; that is the yardstick for entering the KINGDOM of GOD—that is the yardstick! If GOD does not use that yardstick of holiness, you will accuse HIM. You will say, “Look GOD you are a liar. You promised that without holiness nobody enters. Now look we are not holy but we have entered.” This WORD will not change.

The holiness of the LORD that is the only thing that has never changed from eternity and we don’t know where eternity begins. And it will never change into eternity. We don’t know where eternity ends. It surely never ends. That means there is no modern GOD. Listen to me the people of Europe—the modern Europe; modern Sweden listen to me. There is no modern JEHOVAH! There is only one GOD—the holy GOD of Israel.

Listen to me the modern Sweden. There is no modern Christian. The only thing that there will be in Heaven is a holy Christian. There will not be a modern Christian in the KINGDOM of GOD. GOD ALMIGHTY does not understand post-modernism in the church. He does not. So you cannot say, “Look GOD me I like to dress like this because we are modern people. No, GOD

you know me, I like drinking wine with friends and beer on Fridays and pizza, watching football because you know we are modern people. You know you have set us free. Those who are born-again have been liberated; there's liberty;" beer and wine, drinking beer and wine and eating pizza and we as Christians and you are getting drunk! And then you say "But you know this, LORD we are not legalistic. We are in the grace." Be careful! There's no modern Christian. But there's a holy Christian. So re-examine your salvation.

For me I don't care. I would want the whole Sweden to go to Heaven. But even if I get only you people here to prepare and enter, I know that my LORD will have a smile on His face because He says, "Oh somebody has documented Sweden. So we have a Bride in Sweden." Be careful. "Friend, how did you enter here without Wedding Clothes?" And the Wedding Clothes are the righteousness of GOD. Listen to me Sweden.

The glorious Wedding Gown is not the righteousness of GOD hidden in us. It is the righteousness of GOD revealed in us. Let people see the righteousness of GOD in this church; otherwise they will laugh at the church. I know today the enemy is laughing at the church. The enemy is laughing at the church when they see the way she's dressed before the LORD; when they hear her phone calls, she's talking to men, lusting at men. When they hear her lying—she's calls it "white lies;" when they hear all kinds of evils going on in the church, the pregnancies in the church, the abortions in the church, the enemy is laughing.

We cannot abuse the grace of GOD. We cannot abuse the grace of GOD. Hebrews chapter 6 that's why I said for me please keep your money aside. Don't worry about me. The LORD will take care of me. But for you, catch this thing. If you catch this thing, I will have a smile because I know you will enter. But if you don't catch it, there is a problem because I know there's going to be an earthquake in Sweden; because I know the MESSIAH is coming.

I have seen Him coming. I've not shared with you a lot of deeper things. I said Hebrews right? Hebrews chapter 6 verses 4 to 6 He says, "*It is impossible for those who have once been enlightened, who have tasted the heavenly gift, who have shared in the Holy Spirit, who have tasted the goodness of the word of God and the powers of the coming age, if they fall away, to be brought back to repentance, because to their loss they are crucifying the Son of God all over again and subjecting him to public shame*"—public disgrace. You see that? You cannot abuse the grace.

You cannot say, "You know we are in the period of the grace. This man, you are legalistic. Why are you bringing us to the Old Testament?—legalistic! Allow us to dress the way we want in the church." No, but I'm saying please be careful. Matthew chapter 5 verse 27 to 28 He says, "Whoever looks at a woman and lusts at her with his eyes that person has committed adultery with that woman in his heart."

Be careful Sweden. I am just loving you. I'm just a vessel, a slave, touring on the road, a lone ranger; I'm a lone ranger—a lone soldier. I'm just a slave of the KING. And this is what the KING says. Be careful. Without holiness nobody will see the LORD. Whoever looks at a woman and lusts at her, he has committed adultery with that woman in his heart; which means he has backslidden. Be careful Sweden. You need the HOLY SPIRIT. Be careful the way you walk as a Christian. You cannot be complacent with sin. You cannot say, "But look the LORD will understand. We have been a modern country. Look He knows us. He knows we love Him. He knows. He knows those things." But when it comes to Holiness He will not know.

2 Peter chapter 3 as we finish this. 2 Peter chapter 3 verses 13 and 14 and he says, “But in keeping with his promise we are looking forward to a new heaven and a new earth, the home of the righteous.” “But we are looking forward to a new heaven and a new earth, the home of the righteous” not anyone enters; only the righteous will enter! And he says, “So then, dear friends, since you are looking forward to this, make every effort to be found spotless, blameless and at peace with him”—spotless and blameless and reconciled with Him; the message I bring to Sweden is a message of reconciliation between the nation and the LORD.

Ok, the message I bring to Sweden is a message of reconciliation between the nation and the LORD—reconciliation between the Swedish church and the LORD GOD ALMIGHTY that you may be found blameless, spotless. But there is something more interesting here. The Book of James chapter 1; James 1 precious people, HALLELUIYA; verse 21 to verse 27 very beautiful Scripture; beautiful, beautiful; He says, James chapter 1 verse 21 to 27 he says from 21, “Therefore, get rid of all moral filth and the evil that is so prevalent and humbly accept the word planted in you, which can save you.”

Verse 22, “Do not merely listen to the word, and so deceive yourselves. Do what it says. Anyone who listens to the word but does not do what it says is like a man who looks at his face in a mirror and, after looking at himself, he goes away and immediately forgets what he looks like. But the man who looks intently into the perfect law that gives freedom, and continues to do this, not forgetting what he has heard, but doing it—he” HALLELUIYA! “he will be blessed in what he does.” When the LORD called me from Israel; I went to Israel to study for my Doctorate to teach in the university and I wanted **to do my life. (2:39:30)**

But I did not know that the LORD took me to Israel so He may call me. I thought it was for me, me, me, me, me. That’s what the church is full of today—me, me, me, me, me. But anyhow my friends when they were wedding once the bride has been told you are going to wed; she has been told you are going to wed, there are some bureaucracies—parents meet, whatever. And the girl from that day on, she spends a lot of time in the mirror until the mother has to fight with her and say, “Stop it! Stop it! You cannot continue. It’s time to go eat. Food is ready. You are still by the mirror since morning”—always by the mirror especially when she has bought the gown. Every day she’s looking.

“Mum, why is it that I see as if it’s not so white as I thought? Why is it that it’s no longer white where I used to look at it in the beginning? I thought it was so white. But I feel it is not so clean;”—by the mirror 24-7 checking for any spots, any wrinkles and she needs to take to the dry cleaner to iron; any spots to take to go clean out that spot. If there is a spot she cannot sleep. Tomorrow she has to rush to the dry cleaner, “Please remove this spot.”

That was Israel; how about the church? How much more should you be standing by the mirror? And the mirror of the church the BIBLE; is this WORD. This is the mirror. And he says “Whoever looks at himself through this law—this perfect law and forgets what he looks like he is cursed.” How much more should the church in this time; by the way tomorrow when I tell you about the vision of the Clock you’ll be stunned at how close the LORD’s coming is.

But if you are wise in the spirit you can already tell because how can I walk into the country and say, “An earthquake is coming” and it takes 2 weeks and the earthquake hits the country? That means there’s a prophetic acceleration. There’s an increased velocity in fulfillment. There’s a spiritual urgency. He said the WORD; the perfect WORD; the perfect law that is the mirror for the church.

Now that the Wedding Rings have been announced they say, “Look I have seen the Wedding Rings; they are now ready;” then how much more should you be by the mirror 24-7? And if you look at yourselves, the people of Sweden—if you look at yourselves through this mirror of the BIBLE you’ll be able to see the spots. You’ll be able to see the stains and then you’ll rush to clean them.

Only the BLOOD of JESUS can cleanse the gross spots however horrific they are. I know some people in Sweden have been struggling for a very long time with a certain stain. And you are trying to get it clean and you are saying to yourself that “Maybe some stains are just difficult to remove.” You know what it is. You are struggling to clean it and you see tomorrow it surfaces again—maybe it’s abortion; maybe it’s the way you treated a baby, an orphaned child; you treated your wife badly or the way you treated your husband or the way you left church and you quit and threw everything away and for a long time you’ve been asking yourself, “When will I forget these things?”

You try to clean it tomorrow that’s the first thing that flashes in your mind. And you say to yourself, “Maybe some stains they are just difficult to remove.” But I want you to know that the LORD is saying to the church in Sweden that “I have been standing here and watching; watching the way you have been dressed, the way you are struggling with that stain every morning, depression, anxiety.” He says, “Now you can come. Just come as you are yourself and leave those difficult stains for me. My Blood, the Blood on the Cross is the only detergent that can remove these stains.”

The LORD is asking His church to come enter in and surrender to Him. There’s no fear. There is no need for fear. Just submit yourselves to the LORD that you may have revival—revival in your heart. Maybe some pastors have been crying saying, “LORD, I remember the days I had zeal for you. I used to preach so hard.” Or maybe the LORD gave you a dream and you saw yourself preaching hard and then you started preaching so hard. Then this woman entered your life and you rebelled and since then you’ve been crying for ..... (2:48:55) saying “LORD, please forgive me.” You’ve been trying to get right, but you don’t know why you cannot. You’ve been trying to get right, but you don’t know how to repent.

I don’t know what it is in your life that may have broken the..... May be it’s one thing that you tried only 1 night and it brought you completely off the LORD. The LORD GOD ALMIGHTY is saying that “Now, now Heaven is open. Now you can come to me and I will wash your stains.” Isaiah chapter 1 verse 18, and He says; Isaiah 1:18 He says, “Come now, let us reason together,” says the LORD. ‘Though your sins are like scarlet, they shall be as white as snow; though they are red as crimson, they shall be like wool.’ He says, “Come now listen to me to get that stain removed from your life.”

Precious people I have seen the MESSIAH coming for the church. I remember the first time the LORD came to talk to me about the rapture, it was a mighty vision. I still remember May 17<sup>th</sup> 2004. And in that vision on the right hand side of the sky, the trumpet sounded and then I heard the voice of the archangel. In fact I know every word, or every letter, every word that the archangel will say on the day of CHRIST return—every letter. And then when Heaven opened in that vision look what happened. He came out with tremendous GLORY. Let me share a little deeper. Even the red cloth that runs from His left shoulder down like this; anyway when He came out and the first thing He showed me was this from the sky He did like this. He showed

me the nail pierce; where the nail pierced Him. That was the first thing He did.....  
(2:53:30)

And I remember when He walked across the sky there, then every footprint I could see wherever He had stepped from where He started GLORY, GLORY, GLORY, GLORY, I could see all the footprints every place He stepped GLORY, GLORY, GLORY, GLORY, GLORY up to the end of the sky. And when He reached the other end He turned again and faced me and this time used the right hand and He did this and He prepared the glorious Crown and turned; then He showed me the Rings. Then Heaven opened and He entered and the cloud covered Him. He is so satisfied; He is so proud of what He did on the Cross. When He looks at Himself open see the scars. Many, many there is no human body with greater scars than that; there is no body with greater scars than the Body of CHRIST the person. He looks on the scars; He sees them. And He says to Himself; it is like somebody let me tell you.

It is like somebody you went through a bad episode; you were tortured by your friends—a gang of your friends tortured you and you have come from the hospital you are now healing at home. And when you now look at your body alone at home; alone; alone in the house and then you say, “Eh;” you say, “Eh, these people almost killed me. These people really hated me. They really hated me.....” (2:56:00)

When the MESSIAH looks at the scars on His Body, He says to Himself, “These people really hated me. I healed them. Their paralytics stood up and walked here. I fed them in thousands; they ate. I delivered them. I raised their dead.” But when He looks at the scars He says, “Eh, they really must have hated me.” And then He asks, “The scars I see, but where is the church for which I paid such a heavy price? Where is the church? The scars I see. The price I see. Where is the church? The stripes I see. But where is the church?” Precious people remember the price. In Sweden, remember the price.

Return to the LORD; return to righteousness. The Swedish people they are known for doing things perfectly; the technology perfectly; environmental protection perfectly; universities perfectly. But now the LORD is saying, “.....please perfectly.” Do it perfectly because He is perfect and He died perfectly and saved the church perfectly and He’s seated on the right hand side of the FATHER perfectly.

When He returns He will take the perfect church perfectly into the KINGDOM. Please come to Him. Those who want to renew their relationship with the LORD the Altar is open before I step out. The Altar is open before I step out. If you know the things that have not been right, the Altar is open precious people. Let’s stand up. If you know that you are not right with the LORD and you want, only if you want please run here I have one and a half minutes to step out. Thank you so much my precious daughter. Thank you my daughter. If you know that things are not right just come to the LORD.....

Thank you for coming. He is coming for the church and you are the church. I see people coming. You are welcome. Don’t be left out. He says that those who were invited did not deserve it. You may be a pastor and things are not right in your ministries this is the moment; pride is the only thing that can stop man from entering the KINGDOM of GOD; pride—this thing called pride. Those who have come repeat this prayer. Say:

“Precious JESUS;” let us say in 2 languages English and then Swedish, say “Precious LORD JESUS I come before you tonight in fear and trembling and I surrender my entire life to you. My Redeemer, my Savior, my GOD, please forgive my sins and cover me completely with

your precious Blood. Sanctify my life and establish your WORD in my life and fill me with the HOLY SPIRIT in the Mighty Name of JESUS tonight I am born-again.”

Let me pray for all of you that have come here. “FATHER in the precious and Mighty Name of JESUS, these ones have come at your feet. They have come before you JEHOVAH to seek you that you may transform their lives. I decree now with my prophetic tongue in the Mighty Name of JESUS that you are going to touch each and every life assembled in before here and restore them and prepare them for greater works into the KINGDOM of GOD. Where there was pain, be it disease, depression, anxiety, whether it was unemployment, poverty, I break it tonight in the Mighty Name of JESUS, AMEN.”

Let us clap. What a beautiful nation. Thank you so much. .....so much. A new beginning has come tonight; a beginning with power, transformation, restoration. Your walk has changed in the Name of JESUS. AMEN.
