## When Heaven Opened & Beheld His Garment

### AND HEAVEN RECEDED . . .

#### The Vision

**W**hen Christ came to redeem fallen man from the wounds of sin and the corrupting enticements of this dark world, He ensured that His heavenly bearing remained totally unblemished. That is the only way He could win for mankind a heavenly heritage into the much anticipated marriage of the Lamb. It was thus because Christ took upon Himself the infirmities of degenerate humanity, that He finally purchased for them a heavenly garment that would imbibe their sin and iniquity, into glory. It will finally be the decree that only they who shall put on the garment, shall sit at the dinner table in heaven. Nowhere does the reality of Christ's triumph over sin manifest, than on that April 4, 2011, when I saw the vision of the LORD regarding the glorious heavenly garment. In that vision, I saw heaven recede in both directions, and the glory of GOD presented. As heaven receded in both directions, it only did so to the extent that an elaborate opening was ultimately displayed. With heaven now standing open, I then saw what looked like a cloth displayed at the entrance to heaven. In its initial appearance, this heavenly cloth that the LORD GOD Almighty displayed at the entrance to heaven, was beclouded with the tremendous glory of heaven. Nonetheless, the more I continued observing this heavenly event that was now unfolding right before my eyes, the more I quickly realized that a historic event beheld. As a matter of fact, it turned out to be a monumental event in which GOD Almighty had allowed Christ Jesus the Messiah to display a small but significant section of His heavenly garment, right before the church. It was a white glorious cloth

that could only befit the heavenly wedding of the Lamb. That is when it all dawned on me that an occurrence of epic proportion was indeed unravelling. The section of the garment that the LORD Jesus revealed, was that of the region between His wrist and the elbow. It however also arrayed a little bit of the portion above the elbow. This was a most stunning vision of the LORD, especially coming at this critical hour in the count-down to rapture.

#### Clarion call

**B**y heaven receding in that April 4, 2011 vision, the LORD resounded an unmistakable message on the dispensation of open heavens that now abides. It is a clarion call that was meant to drive home the greatest awakening across all the nations of the earth. Just where the ruin began, the work of our redemption must begin. Upon the fall of man, in the garden of Eden, the gates of heaven were slammed shut as the Cherubim of glory blockaded man's access to the elements of life; and so would the restoration of mankind begin with the receding of the gates of heaven upon the face of man. The display of His glorious garment at the gateway to heaven, can only permute to the end that only through this glorious garment will mankind gain access into the eternal kingdom of GOD. It is very clear from the LORD's language in this vision, that He intended to use this visitation in order to summon-up the minds of men to the fact

that this dispensation designates the mighty glorious hour of THE GARMENT. Moreover, GOD Almighty is further underscoring in this visitation that this generation indeed bears the marks of that coveted generation that prepares the glorious garment. And because GOD Almighty beheld that glorious garment within the threshold of heaven, He unmistakably wanted to make it clear in no uncertain terms that heaven is the home of the glorious garment. In other words, all its citizenry must conform to this glorious garment, without which no creation will ever see the LORD.

#### Fine Linen

**B**y a strict sustenance of the brilliance of the light of the world that He bore, only thus could the LORD Jesus rescue mankind from the lowest depth of degeneration. Because Adam had been assailed by the temptor, the LORD's Perfect spiritual Stature indeed demanded that none of the effects of sin befell Him. This is what propelled Him to stand in perfect vigor of mind in order to accomplish the bloodstained mission for which heaven discharged Him. GOD's glory was sustained around Him as a testament to his daily communion with the heavenly Being. It is this incontrovertible distinction that enabled Christ Jesus to connect mankind into the heavenly kingdom of GOD. When Jesus accessed the wilderness, He was shut-in by the LORD's glory and lifted above human weakness. It is a triumph that still beckons man

from the open windows of heaven, todate. GOD Almighty is now using this vision of the garment to exalt Christ Jesus the Messiah as the Chief Guest during the glorious wedding feast of the Lamb. On that April 4th day there came to the earth the wisdom that validated righteousness as the bedrock of man's salvation. Considering that the ultimate goal of christian salvation is, that most desired final entry into the kingdom of GOD, then by arraying that glorious heavenly garment at the gates of heaven, the LORD indeed affirmed the heavenly benchmark of righteousness, which all men must score on THE DAY OF THE GARMENT (rapture).

#### Dignity & honour

**T**here is no better place at which to underscore the milestone that this April 4th vision registers in heaven, other than at the dawn of man's fall. How artfully GOD Almighty approached this matter on the glorious coming of our Lord Jesus, especially after the disgraceful fall, degeneration, and degradation of today's church of Christ. When apostasy had consumed big in the body of Christ, and all seemed to have been lost, then came this little twinkle of hope from beyond the horizons through the opening in heaven on April 4th, 2011. The church must now suddenly wake up to the putrefying shame and debasement of sin that has ruined the spiritual elegance that the present day body of Christ ought to have adorned. We are reminded here of when in Eden, the fall of man was so bad to the extent that Adam improvised for himself fig leaves to cover his shame, a desperation that had indeed stolen away his spiritual inheritance. Today's body of Christ having witnessed her greatest fall from grace, appears to have

improvised for herself too some *fig leaves*. That *the garment* is very central in GOD's rescue plan for mankind, is well evidenced in the bible:

<sup>21</sup> The LORD GOD made garments of skin for Adam and his wife and clothed them (Genesis 3:21).

The love of GOD Almighty that took humanity with all its liabilities, is without a doubt, well evidenced in the skilfulness with which the LORD employed *THE GARMENT* to *salvage* humanity from *death* and *decay*. The LORD graciously provided for man with a more effective *clothing* in order to cover his *shame*. Man's earlier self effort to cover himself with *fig leaves* had resulted into a zero-sum game. Until the LORD Himself *sacrificed* an animal and covered man with the skin of that animal. The direct import from this initial encounter is none other than; that our *feeble* attempts to hide the *shame* of sin will always arrive at futility. It emerged very clearly that only until GOD Almighty had covered them with the skin of an animal, were they then able to *encounter* the LORD. So it is in this last hour, when perpetual sin has not only eroded the *authority* of the church, but also *humiliated* the body of Christ in a most *dispiriting* way. Thus in that April 4th vision, the Holy Spirit brought to bare the unparalleled significance of the blood of Jesus as the ultimate *glorious garment* for this hour. And that sinful man can now wear the garment of the Blood of Jesus and get their sins totally wiped out in readiness for His glorious *coming*. Only the blood of Jesus when worn, can literally transform sin into *righteousness* and *transfigure* man's countenance to become worthy and *attractive* before the LORD.

## Priestly Garment

**B**y clothing in GOD's garment glorious, it seems as though man's appearance becomes much more likable in the sight of the Creator. When Moses was commanded to call Aaron, he was instructed to also draw Aaron's sons into that calling. Chief among the requirements that

Aaron had to meet, was that for him to take up the priestly office, it was imperative that he be clothed in the glorious *priestly garment*.

<sup>2</sup> Make sacred garments for your brother Aaron to give him *DIGNITY* and

*HONOUR* (Exodus 28:2).

From a shameful place, it becomes absolutely apparent that the *sacred garment* of the LORD indeed bestows upon His subjects *dignity* and *honor*. If these were the requirements for the occupants of the priestly office, then it is possible to transduce that this same *yardstick* must have applied in GOD's mind at the calling of the spiritual *priesthood* of Christ. Indeed we see in 1 Peter 2:4-5 that christian salvation surely amounts to a noble priestly calling, especially that all who confess must offer spiritual sacrifices acceptable to GOD The Father through Christ Jesus.

<sup>4</sup> As you come to him, the living Stone—rejected by humans but chosen by GOD and precious to him—<sup>5</sup> you also, like living stones, are being built into a spiritual house to be a holy priesthood, offering spiritual sacrifices acceptable to GOD through Jesus Christ (1 Peter 2:4-5).

With such a calling placed upon the salvation of the cross, then we can best understand why all those who are called by His Name are required to cloth themselves with Christ Jesus. Moreover, we can now see that the *priestly garment* ordained by the LORD was as a matter of fact geared towards bestowing *dignity* and *honor* upon the church. Entrusting *dignity* upon the church of Christ literally implies appraising her *self-respect*, *seriousness*, *respectfulness*, *formality*, and into the condition of being *worthy of respect* and *esteem*. It can only imply that when the LORD on that April 4th, 2011, presented a *receding* heaven, and displayed the *glorious garment*, He must have been communicating to the church on the greater *dignity* with which He longs to see her walk. GOD Almighty by this vision, expressed the disposition of His heart towards honoring the church, the esteemed *bride* of Christ. Considering that mankind

is at now moving from a 1 state of darkness whereby perpetual sin has defined his *trademark*, into the glorious white *transfiguration* of heavenly splendour; then for sure in that vision the LORD intended as *renovation* and *rehabilitation* of the church's condition. It goes without saying that the *dignity* with which GOD longs to see the church walk, at this hour, can only imply a *high rank* with which spiritual *nobility* and *elevation* of character would define the church as the *dignitary* of GOD. No wonder, biblical inscription has it that on the day when the *garment* clad *elect* of the LORD will step foot into the *marriage feast* of the Lamb, a huge celebration will throbb the entire expanse of heaven.

## Holiness

Most iconic though about this intended appraisal that the LORD was announcing in that April 4th vision, is the *worthiness* with which He esteems the church. Well, *worthy* to the LORD, directly points at *holiness*. This is what particularly transmits a new message from that *glorious*

*garment* that the LORD presented as *heaven receded*, on that April 4th 2011. By placing that *glorious cloth* at the entrance to heaven, the LORD directly implied that the wedding of the Lamb has drawn nigh and the dispensation of the *garment* now *beholds*.

<sup>8</sup> Fine linen, bright and clean, was given her to wear." (Fine linen stands for the righteous acts of GOD's holy people. (Rev 19:8).

*Spiritually Weak*, *deprived*, *withered* and *emaciated* from spiritual hunger and yet also *haggard* from the extreme mental *agony* of sin, today's church must have been looked upon with pity by God Almighty, when HE decided to recede heaven to unveil the novelty His *glorious garment*. By this, the church is now being formally invited into the refreshing *renourishment* of the Holy Spirit to *prepare* her for *rapture*. Such nourishment that can revive a dilapidated church condition is none other than the

flourishing *righteousness* of the LORD about HIS Holy Spirit. Only *righteousness* has the capability to *garb* the church in the *finest of linen* for this last hour. This vision of the *garment* sought to instill into the hearts of men the divine truth that GOD would do as He had promised; to *rapture* only those that are *clothed* in the finest of the heavenly *linen of righteousness*.

<sup>15</sup> "Look, I come like a thief! Blessed is the one who stays awake and remains clothed, so as not to go naked and be shamefully exposed." (Rev 16:15).

By revealing the glorious heavenly *garment*, GOD Almighty made known to me, in my heart that this historic vision was all about the *rapture* of the church. In the tones of this vision, is the greater urge that JEHOVAH is laying upon the body of Christ to stay awake and remain *clothed* in order not to be exposed naked, as were Adam and Eve in that most ugly hour of the earth. I

could almost hear in that vision the LORD Saying to the church; "Look this is my *garment*, how about your *garment*, Is it white? Is it glorious?" Likewise, I could almost perceive the quest in His heart to ask the present-day church, "Look the hour of the *garment* has come, are you clothed?" "Look, Calvary was all about the *garment* at Calvary, are you *aware*? Look, the kingdom up here is all about the *garment*, are you *garmented*?"

<sup>11</sup> "But when the king came in to see the guests, he noticed a man there who was not wearing WEDDING CLOTHES. <sup>12</sup> He asked, 'How did you get in here without WEDDING CLOTHES, friend?' The man was speechless (Matthew 22:11-12).

# FOCUS ON THE GLORIOUS GARMENT

## Follow-up Vision

**O**n Friday May 6th, 2011, the LORD again presented to me another vision of *THE GARMENT*. It was on that Friday afternoon while writing this article on *the garment*, that I suddenly fell asleep at the chair next to the computer. And then I immediately saw the vision of the LORD in which He presented a huge roll of *cloth*. The roll of *cloth* I saw, was that of a very glorious snow white *garment* whose radiance was so great that it literally shone on my face as the sun would. The only difference being that the glowing radiance of that cloth was pure startling white. Then all of a sudden in that vision, I realized that there was someone whose face I could not see, standing by, next to the roll of that *glorious garment*. The One that stood next to the roll of that white *glorious garment*, then began to unroll the *rolled garment* and cut it into portions sufficient for one *cloth* at a time. Suddenly then, I saw His glowing Hands nicely fold the glorious piece of cut *cloth*, and He gave it to me in my hands. He also made me know that each cut piece of that glorious *cloth*, was sufficient for one person's *garment*. When His brilliant Hand placed the glorious piece of folded *garment* on my hands, it was so radiant that its glory shone right on my face. He then instructed me to give the piece of *garment* to those who were standing nearby. And immediately after I had given the first *garment* to the first person next to me, I saw that person move away, to give way to the next one in line. That is when HE instantly placed another piece of *garment* on my hand as I gave to the next person. And this process continued on and on, as the *One Who Stood* near the roll of *garment* continued to cut sizable pieces and place them on my hand. Then I finally woke up from that vision only to realize that I was

seated next to the computer.

## Highlight

**O**ften the LORD comes to mankind as He came to Adam in the garden of Eden, arraying before us the *splendor* of heaven that defines the *accolade* of a *righteous* living. So is the case in these two visions of the *glorious garment* from heaven, at which the LORD largely displayed the beauty of the heavenly *inheritance* awaiting those faithful elect that will partake of *rapture*. When GOD Almighty presents a specific cut piece of HIS glorious *garment* for the believers to cover their shame with, then it becomes the most significant moment of revival in the sanctuary. In other words, JEHOVAH is pointing to the turning of man's sin, however red as crimson they may be, into His glory. Only this kind of unfailing *grace* of our LORD has the capability of facilitating the entry of *weak* and *feeble* souls into the kingdom of GOD. By presenting the glorious wedding gown, GOD Almighty is indeed *absolving* the church of her sins, and bestowing upon her the *splendor* of spiritual *dignity* and *honor* of heaven. While on November 1, 2006, the LORD presented the vision of the two glorious golden *wedding rings*, today He presents the finest glorious *garment* for the wedding of the *Messiah*. That can only imply that time is now *ripe* for the wedding of the Lamb of GOD to take place. It is definitely common knowledge that at every wedding there must be golden *wedding rings* and a brilliant *white gown*. The process of preparing for a wedding normally entails the preparation of the *wedding rings* and *wedding gown*. To the extent that the entire

waiting process rests upon the acquisition of these two major elements, then their attainment thereof in readiness, assuredly defines the moment at which that wedding is ready and must take place. Therefore, when the LORD GOD Almighty presented this tremendous vision of the glorious wedding *garment* in heaven, He in real terms, alluded to the fact that all the preparations for the wedding of the Lamb of GOD have been finalized in heaven. Coupled with the vision of the *golden clock* that displayed one minute to midnight, and the writing across the sky that said, "JESUS IS COMING," it is abundantly clear that the wedding of the Lamb of GOD will happen anytime from now, without any delay. GOD is saying that this is the moment to be wearing the *finest linen bright and clean*, that makes a *righteous* heart. The kind of *glorious garment* that the LORD was presenting in my hand as I distributed, definitely speaks appraisal to the church of Christ. In this way, the Omnipotent intends to *dignify* and *honor* the remnant holy saints who choose to *obey* every ordinance of HIS WORD. To them is advanced this noble promise from heaven;

**<sup>15</sup>Those who walk righteously and speak what is right, who reject gain from extortion and keep their hands from accepting bribes, who stop their ears against plots of murder and shut their eyes against contemplating evil—<sup>16</sup> they are the ones who will dwell on the heights, whose refuge will be the mountain fortress. Their bread will be supplied, and water will not fail them.**

This portrays GOD's gracious intention to *honor* the obedient christians, to the extent that they would not even lack. However, to be *honored* by the LORD assuredly

means to *honor* GOD Almighty, in the first place. And for the LORD to relay the same message on the glorious finest *garment*, in two separate but closely placed visions, undoubtedly points to the urgency and level of importance He attaches to this matter of the *glorious garment*. In the May 11, 2009 vision of the *written note*, the message was well relayed as it possibly could. The LORD in that Hand-written note Said,

**"I am Coming"**

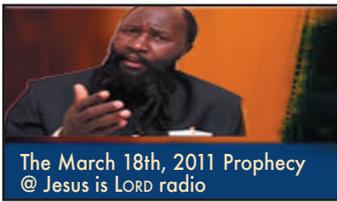

Then came the November 14, 2010 vision of another *written note* on which the LORD wrote 'MELCHIZEDEK'S DAY IS KNOWN AS THE DAY OF LIGHT'. All these pointers explicitly elaborate the urgency and gravity with which the church must now prepare in earnest, for the wedding of the Lamb. Many a time, the church's *wedding garment* has been stained with the sin of this corrupting world. Hence, by the LORD's presentation of that *glorious garment* as heaven receded, He must have hinted at this being a dispensation of *repentance* and *holiness*. It is a *holiness* revival that the LORD announced on that April 4th, 2011, especially considering that today's church is miles away from that *glorious garment* of *holiness*. Even so, because the *glorious garment* that beheld the threshold of heaven, is a spiritual *wedding linen*, then its apparent that JEHOVAH was also hinting to the church on the fact that this is the hour of the Holy Spirit in the church; without *Whom* no one can ever prepare adequately enough to score the *benchmark* of heavenly *righteousness*. The LORD is at this hour longing to cover man's *nakedness* with the precious glorious *garment* of the Blood of Jesus. GOD the Father in heaven indeed intends to remove mankind from the shame of sin and exalt him as a distinguished *dignitary* of heaven who is *worthy* of the invitation to attend the ceremonial heavenly wedding dinner of the *Messiah*.

The kind of glorious garment that the LORD was presenting in my hand as I distributed definitely speaks appraisal to the church of Christ.

## A Shocking Prophecy & Its Accurate Fulfilment

The March 18th, 2011 Prophecy  
© Jesus is LORD radio

### The Vision

When the scriptures said that, “behold, the LORD GOD will help me; who is he that shall condemn me?”; there would be no better place at which to adduce its fulfilment than His protection over the nation of Israel. In this context, it was on March 18th, 2011 when the LORD Spoke with me in the visions of night, regarding the nation of Israel. In that vision, the LORD GOD Almighty lifted me up in the Spirit and took me to Israel. Then the voice of the GOD of Israel Said, “Look and see what is about to happen here.” It was then that JEHOVAH took me around the entire land of Israel, and I saw things that were just about to befall that promised land and its blessed people.

### Great Unrest

In that vision, the LORD showed me a great unrest and violent protests that were coming to consume the borders of Israel, as many stone throwing youth would surge towards Israel’s boundaries. It was a fearful thing to witness the *tempest* and *mayhem* that would result when Israel’s borders would be attacked from all directions. Moreover, I also saw a clash along the slopes of the green hills that could have only befitted the landscape of the contentious Golan Heights. In the same vision, I saw the youth throwing themselves dangerously across the fences that demarcate Israel’s boundaries, and a serious clash ensued between the protesters and the Israeli security forces. In that vision, I also witnessed lots of tail lights from vehicles that had responded to the distressed scene. At that point the voice of the LORD Spoke

and Said, “Pray for Israel”.

### The Prophecy

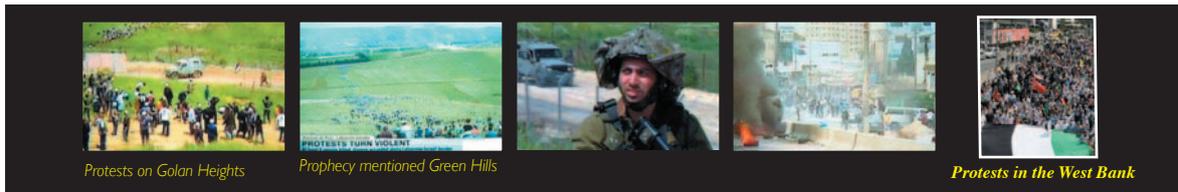

Upon waking up from that vision, it occurred to me that, not only had the LORD Spoken about an event that was on-coming to Israel, but also the urgency of it all. I then went live on our global Jesus is LORD radio and pronounced that a huge unrest would befall Israel. In that prophecy, I also came out clearly that such an unrest would simulate an *intifada* whose semblance would try to parallel from the ongoing uprising in the Arab world. Come April 27th, I also gave that prophecy online, warning of a

covenant people, Israel. Coupled with the recent announcement of a reconciliation deal in Cairo between Hamas, Fatah and other Palestinian factions, this May 15th violence appears to be far-fetched. As this attack upon Israel’s borders went on, rallies were being mobilized in Cairo to storm the Israeli Embassy in Egypt. It then dawned on the global community that this attack on Israel was as a matter of fact widescale and escalating.

### Prophetic Significance

Israel has always been the most important centre piece in bible prophecy, especially as it appertains to the endtime events. During the creation of the

bible as its center, unto the ends of the earth. Likewise, when GOD told those who had been saved to go out into “all the world”, with this endless gospel witnessing Christ, it literally meant global evangelization of the gospel from Jerusalem, into Judea and Samaria, and to the known wide world. Given that the Holy Spirit was outpoured in Jerusalem, then the accomplishment of GOD’s work of grace would have been well served by disseminating the gospel right from the spiritual epicentre at which GOD’s Power had been unleashed, to the areas of scarcity. So it is with the endtime bible prophecy. GOD Almighty has placed Israel at the spiritual core centre

Protests on Golan Heights

Prophecy mentioned Green Hills

Protests in the West Bank

unique unrest that would come Israel’s way. Nevertheless, key in that proclamation was the mighty call to pray for Israel.

### May 15th

Come May 15th, the nation of Israel woke up to a horrific episode of riots and violent protests that rocked her borders. All the boundaries of Israel, including the ceasefire lines were put to test when an uncommon *copy-cat* like mayhem manifested. Violence erupted almost all around Israel’s borders in a manner that all could perceive was intended to instigate a ripple-effect from the Arab uprising. People from the neighbouring countries set out unprecedented assemblies around the Golan Heights, border with South Lebanon, in West Bank and Gaza. On that day, it truly became evident that from Camp David, and Madrid Accord all the way to Oslo Accord, none other than JEHOVAH GOD Himself could ever guarantee the safety of GOD’s

planet earth, GOD Almighty indeed intimated that Israel not only sit at the spiritual *center* of the earth, but also its physical and geographical *focal point*.

*“To take a spoil, and to take a prey; to turn thine hand upon the desolate places that are now inhabited, and upon the people that are gathered out of the nations, which have gotten cattle and goods, that dwell in the midst of the land (Ezekiel 38:12).”*

That *“midst of the land”* has today been clearly and positively identified to transduce into Jerusalem, the *navel* of the earth. Various scriptural references regarding “the four corners of the earth,” have also unmistakably affirmed Israel, and more so Jerusalem as the epicenter of the earth (Isaiah 11:12; Rev. 7:1; Rev. 20:8). Invariably, in scripture, Jerusalem is identified as the focal point, from which all directions are globally measured. When God instructed those who had been saved from Noah’s floods, to go fill the earth, that directive essentially commanded a historical diaspora of dispersion from the land of the

on the fulfilment of bible prophecy, especially as relates to the coming of the *Messiah*. That the LORD has now began to Speak regarding prophecy of events in and around Israel, and promptly fulfilling them, is a matter that cannot be taken for granted at this most critical hour in the church. In the big wind-down and zero-countdown of this momentous age, for the LORD to foretell on imminent attacks that are to be launched upon the borders of Israel, a lot is left to be learnt as it relates to the zero-count down in the prophetic timeline. And if the most recent March 18th, 2011 prophecy is anything to go by, then in itself that event qualifies as a foreshadowing of events to come. Considering the detailed description that the LORD accorded regarding how the most recent attacks on Israel’s borders would manifest, to its finest details, then one is left with no option but wonder what this bespeaks in the spiritual realm. Without a doubt,

Israel is the apple of God's eye and hence His detailed description of how the attacks would be levied on Israel's borders, coupled with the vocal directive that commanded me to pray for Israel, go a long way to re-emphasize God's concern for Israel. For instance, when I mentioned in that prophecy that there was going to be a clash by the green hills, and specifically advanced the name Golan Heights, in the natural, this would not have made much sense. This would be particularly true because when a ceasefire was drawn following the 1973 war, that Golan Heights border was declared a ceasefire line whose integrity has remained peaceful from then to date. And shockingly enough, come May 15th, 2011, when the border clashes and protests ensued, a serious mayhem realized on the Golan Heights border. Notwithstanding, in that prophecy the LORD also permitted me to specify that young men and women would dangerously throw themselves across the fence. And to the stun of all, indeed groups of young men breached that security fence on May 15th, 2011 for the first time ever since the ceasefire line was drawn in 1974. The border with Lebanon was not left out in this recent attacks, let alone Gaza, West Bank and East Jerusalem. Nonetheless, we can clearly see that this most recent attack on Israel is indeed a foreshadowing of events to come.

<sup>5</sup> Persia, Cush and Put will be with them, all with shields and helmets, <sup>6</sup> also Gomer with all its troops, and Beth Togarmah from the far north with all its troops—the many nations with you. <sup>7</sup> “Get ready; be prepared, you and all the hordes gathered about you, and take command of them. <sup>8</sup> After many days you will be called to arms. In future years you will invade a land that has recovered from war, whose people were gathered from many nations to the mountains of Israel, which had long been desolate. They had been brought out from the nations, and now all of them live in safety. <sup>9</sup> You and

all your troops and the many nations with you will go up, advancing like a storm; you will be like a cloud covering the land.<sup>10</sup> “This is what the Sovereign LORD says: On that day thoughts will come into your mind and you will devise an evil scheme (Ezekiel 38:5-10).

With Syria allowing its citizens to attack Israel from the Golan Heights, and the Egyptians attempting to storm the Israeli Embassy in Cairo, and Palestinians attacking from Gaza and West Bank, the Arab uprising appears to have recruited the Arab world against the nation of Israel. Pray for Israel!

### Why The LORD Spoke About The Borders

When the GOD of Israel revealed to me on that March 18th, 2011, regarding an on-coming border conflict, He in that vision indeed pointed to the fact that the future conflict in the promised land is now going to revolve and centralize around the contentious issues of Israel's borders. GOD Almighty was in essence expressing concern over the porousness of the wall that protects His covenant people, Israel. No where does this well reflect than the huge *spark* the US President Barack Obama ignited on May 19th, 2011 when he gave the US Policy and Plan for the resumption of the Middle-east peace talks, and Israel's Prime Minister Benjamin Netanyahu's instantaneous response. Israeli Prime Minister Binyamin Netanyahu was quick on the draw Thursday in voicing clear displeasure with President Barack Obama's Middle-east policy speech. And this is how Israeli National News reported it; Prime Minister Benjamin

Netanyahu said, “Israel appreciates President Obama's commitment to peace.” He further went on to say, “Israel believes that for peace to endure between Israelis and Palestinians, the viability of a Palestinian state cannot come at the expense of the viability of the one and only Jewish state.” “That is why Prime Minister Netanyahu

And The Two Leaders Differed Openly On The Issue Of Israeli Borders. In That March 18, 2011 Prophecy, The LORD Had Said That The Issue Of Israel's Borders Would Draw A Sharp Conflict.

over the Palestinian Authority's decision to embrace Hamas, a terror organization committed to Israel's destruction, as well as over

Mahmoud Abbas's recently expressed views which grossly distort history and make clear that Abbas seeks a Palestinian state in order to continue the conflict with Israel rather than end it.”

expects to hear a reaffirmation from President Obama of U.S. Commitments made to Israel in 2004, which were overwhelmingly supported by both Houses of Congress.” “Among other things,” Netanyahu reminded Obama, “those commitments relate to Israel not having to withdraw to the 1967 lines which are both indefensible and which would leave major Israeli population centers in Judea and Samaria beyond those lines.” “Those commitments also ensure Israel's well-being as a Jewish state by making clear that Palestinian refugees will settle in a future Palestinian state rather than in Israel.” “Without a solution to the Palestinian refugee problem outside the borders of Israel, no territorial concession will bring peace.” “Equally, the Palestinians, and not just the United States, must recognize Israel as the nation state of the Jewish people, and any peace agreement with them must end all claims against Israel.” “Prime Minister Netanyahu will make clear that the defence of Israel requires an Israeli military presence along the Jordan River.” “Prime Minister Netanyahu will also express his disappointment

### False peace

The bible clearly states that in the last days a heated conflict would ensue between Israel and her Arab neighbours based on claims to territorial rights. And in that conflict a great desperation would then realize across, not only the region but more specifically Israel. It is that particular desperation that the bible projects as a catalyst that will *portend* for a peaceful settlement of sorts in order to avert a disastrous culmination, a nuclear crisis inclusive. Today's generation is the most blessed and extraordinarily positioned, since our LORD Jesus walked in Jerusalem centuries ago. This generation can verily testify to more prophecies fulfilled in their lifetime than in all the generations leading up to the 1948 formation of the state of Israel. It is critical to mention that, at the dawn of the formation of the nation of Israel, the wheels of the endtime prophetic clock began to spin towards a zero-countdown. With the fig tree *resprouted* and Israel born at midnight of that May 15th, 1948, the church of Christ began to *asterick* one passing day

after the other, in her prophetic calendar towards the return of the Messiah and the final establishment of the kingdom of God Almighty throughout the entire earth. In the past years Israel and her Palestinian neighbours have attempted to sign various 'peace accords' in a process that was aimed at ending the decades of hostilities. The late Israeli Prime Minister Yitzhak Rabin and Palestinian leader Yasser Arafat signed what was supposed to have been a historic 'Peace Treaty' between their two peoples. Following that 'Peace Treaty' the Israeli Defence Forces (IDF) rapidly withdrew from Gaza and major parts of the West Bank, including even the biblical ancient city Jericho. However, that so-called 'Peace Treaty' turned out to be more elusive than real, on the ground to date. President Barack Obama's May 19th, 2011, policy initiatives were aimed at initiating the peace process again. Even the most believing of observers and critics are still left with no choice but wonder whether this would mean true peace this time around. With the current Arab Uprising at its peak, and the rebirth of Arab nationalism in the offing, it would appear that temperatures are currently overheating in the expression of sentiments towards the Israeli-Palestinian conflict. This can only imply that all these ineffective Peace Deals that Israel has been signing with the Palestinians, were just but foretelling a form of the on-coming of the Grand False Peace deals that Israel will eventually sign with the antichrist. The institution of that false 'Peace Treaty' with Israel will inexorably lead to the invasion of Israel. In his most recent celebrated one of a kind press briefing, the Russian President Medvedev came out in sharp contrast to the US and Israeli policies towards the Middle-East, when he said that Russia would not use its UN Security Council vote to rebuke the current massacre of civilians in Syria, however horrendous it got. Coupled with the most recent arrest and expulsion of one of Israel's diplomats in the

Israeli Embassy in Moscow on May 19th, 2011, on allegations of spying, one can clearly see that not only has Russia taken a hostile stand against Israel, but also embraced the Arab sentiments and position regarding Israel. This is a significant development at this hour since Russia and the Arab states constitute the Gog and Magog that were prophesied as coming to storm Israel. Several Palestinian groups have continued to fire missiles into Israel even unto the present day, a testament to their declaration of a long-term strategy to eliminate Israel all together. Central to this struggle has been their intent to take over Jerusalem, the capital city of Israel. One of the reasons why the Israeli-Palestinian Conflict will not end soon, is because of the Arab belief that any piece of property they ever occupied, must hence be recovered by 'Jihad,' or holy war. Furthermore, some of the Arab states refuse to relinquish their goals to destroy the

Jewish

state. This call to delete Israel from the map of the world has also come from the Persian state of Iran.

### Coming conflict

**T**he LORD long foresaw the ongoing peace negotiations between Israel and the Palestinians. The bible clearly foretells of a huge confederacy of Arab nations under the leadership of Russia, that would in the last days join forces to attack the Jewish state of Israel. In that prophecy, the LORD also emphasized on the *Aliyah* in which Jews are returning from exile (Ezekiel chapter 38 & chapter 39). In her current state, the Russian Federation still sustains a huge bulk of KGB personnel and military generals who have

been reportedly absorbed from the former Military-Industrial Complex into the various sectors of government. The most recent espionage and infiltration of New York by the female Russian spy and their eventual discovery and arrest, testifies to the continued strength of the KGB. These represents hardliners whose ideology would indeed conform to a cold-war stance of a kind described in Ezekiel's confrontation.

**"I will go up against a land of unwalled villages; I will go to a peaceful people, who dwell safely, all of them dwelling without walls, and having neither bars nor gates" (Ezekiel 38:11).**

With Israel spending the largest proportion of its budget on the military than any other nation on the earth, one can only imagine that in the backdrop of the current rider of the Black Horse, and the global economic crisis; any peace treaty that off-loads a significant fraction of her resources from defence spending to economic growth would be a most welcome move in the Jewish state. However, the tragedy would then become the failure of such a peace accord if it turns out to be a false 'Peace Treaty'. The false 'Peace Accord' would be of great interest to the Arab world especially that it would disengage Israel's significant investment into the military and defence of its borders. This is what would act as an impetus for the Arab states to attack compromised Israel. Blessedly though, that most revered battle over Israel would be won by God's spectacular intervention with such a huge supernatural force that would obliterate the Russian and Arab armies. Therefore, the current developments in Israel are indeed meant to signal to the church of Christ to prepare the way for the glorious coming of our LORD Jesus in the rapture. This calls for a holy and righteous living in anticipation of our most blessed deliverance.

**<sup>28</sup>And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh (Luke 21:28).**

### Why The LORD Spoke About Golan Heights

**I**t is critical to perceive why the LORD in that March 18th, 2011 vision, categorically spoke about the eminent threat that was looming over the green hills of the Golan Heights. This is because the Golan Heights represent a position of great strategic military importance for the survival of the state of Israel. From the Golan Heights one can oversee the entire land of Israel thereby presenting her greatest security vulnerability. Secondly, most of the water resources that sustain livelihood in Israel originate from the green hills of the Golan Heights. Transferring custodianship of the Golan Heights to the Syrians, or the Arabs for that matter, would present a national military strategic suicide and a greater risk of poisoning the entire water resources of Israel. Notwithstanding, one must be cognizant of the close proximity and ties that Syria shares with Iran a well confessed arch enemy of Israel. The compromise on the Israeli-Syrian border at the Golan Heights would give Iran a foothold from which to launch her evil schemes aimed at deleting Israel from the map of the world. Indeed that is the reason that God Almighty greatly highlighted in that vision, the danger that was looming as the enemies of Israel planned to attack the Golan Heights.

**<sup>8</sup>But thou, Israel, art my servant, Jacob whom I have chosen, the seed of Abraham my friend. <sup>9</sup>Thou whom I have taken from the ends of the earth, and called thee from the chief men thereof, and said unto thee, Thou art my servant; I have chosen thee, and not cast thee away. <sup>10</sup>Fear thou not; for I am with thee; be not dismayed; for I am thy GOD: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness (Isaiah 41:8-10).**

# The Beginning Of Birthpains Smites The Nations

## The Stunning July 11, 2005 Prophecy that violently Shook & shattered the entire earth to this Day ...

Watch Prophecy on Youtube @  
[www.repentandpreparetheway.org](http://www.repentandpreparetheway.org)

For hundreds of years, the Scriptures had been translated into a mellow accent that caramelized the word, then widely preached throughout the world in hot pursuit of physical comfort on earthly wealth and health. Owing to that culpability in the Sanctuary, many have since longed for a religion that could satisfy their now empty souls. While the light of the Truth seems to have departed from among today's christian believers, there is however a remnant of souls who are in genuine quest of that light, and hence today overtaken with bafflement and grief. They are indeed thirsting for the knowledge of the Mighty God of Israel Whom they had once known, and seeking at least some assurance of a life beyond the tombs. Yet, it is not the same again, with today's church. The church of this present age should have recognized that Jesus did not begin His ministry by some great work before the Pharisees of Jerusalem. It was rather in a household gathering in a little Galilee village called Cana, that His Power was put forth to add to the joy of a wedding. So it is today that the LORD indeed seeks a church that will simply be available to Him in order to add to the joy of the oncoming wedding. Today, the church's appearance has changed to the extent that it bears the traces of her conflict with the righteousness of GOD. And yet the LORD is right now in pursuit of a new expression of dignity and power in the church, as evidence of HIS heavenly mission on the earth.

The creation waits in eager expectation for the sons of GOD to be

revealed (Romans 8:19).

Because Christ came to utter words of Truth which should be clearly and definitely well understood, He as the Author of Truth, must have intended to sieve that Truth from the corrupting chaff of man's utterances. On account of this decay in church, it one day came to pass that the hour beheld for GOD Almighty to finally reveal His standard benchmark on Christ's return. This is what ultimately compelled the LORD to unveil the secrets of heaven in a stunning vision, regarding events that were just about to befall the planet earth.

### Stunning vision

Beyond the night of July 10, 2005, into the wee morning hours of July 11, 2005, the LORD GOD Almighty visited with me in the most unusual manner yet. In that grand visitation, everything that the LORD Spoke about, directly pointed at a crucial season, which would unfold upon the face of the earth. That late night/early morning superlative visitation of the LORD encompassed an enormous prophecy of things that were oncoming, and that would smite the entire face of the earth, in a manner never ever witnessed before. While caught up in that superfluous vision, the Spirit of the LORD lifted me up from the surface of the earth and I found myself instantaneously standing right before the Throne Of GOD Almighty in heaven. It was then that the Holy Spirit enabled me to hear the stern deliberations that were on-going at the Throne of GOD, regarding the judgment of

the LORD that was about to come upon the entire face of the earth. Through this landmark vision, it was evident to me that GOD had now called the attention of the nations to the unfolding of the beginning of birthpains. I could clearly derive that when the fullness of time would realize, through the impact of this critical apocalyptic vision,

The 2005 Prophecy: When The Nations Of The Earth Were Severely Warned On The Upcoming Wrath!

GOD would compel the awareness of the peoples of the earth, and direct the attention of their minds to the prophecies concerning the Messiah. This is what would cause an awakening of the souls of men to the great event of His glorious advent. It was clearly perceivable that beneath the violent guise of the tumult that would highlight the fulfilment of this ominous prophecy, mankind would ultimately recognize the presence of Divinity. While standing before the Mighty that was on-coming, by means of the revival of souls.

Throne of GOD, I heard the Voice from within the glory say,

“The LORD knows that His Altar in the four corners of the earth is totally defiled”  
 “I have no Dwelling Place.”

Immediately after that, the LORD made me aware that His heart had expressed a lot of wrath, anger, pain, and profound sadness at the fact that HE had No Dwelling among men. In that vision, the Spirit of the LORD made me aware that JEHOVAH's heart was pensive and heavily distressed about the condition of His Altar across the different nations of the earth. Following that lamentation that I was privileged to hear in heaven, the Spirit of the LORD then further opened my eyes to see the Lamb of GOD break the seals on the Scroll of GOD. At that particular juncture in this vision, the Spirit of the LORD immediately whisked me back to the earth. It was whilst back on earth, that I then noticed the countenance of the earth having suddenly transformed into a dark green appearance like there was a storm coming its way. Following that, the Almighty bestowed upon me an even greater divine understanding. I was then able to see the future of the earth, and that with the righteous remnant from this heathen world, the LORD would supply the means for the believer's journey through the sojourn of darkness of an astonishing phenomenon. In that vision, I saw heaven open and behold two heavenly hosts departed from heaven and began to head towards the earth. The more they descended towards the earth, the more I attained clarity of their Being. Watching from the

## When The Angel Of The LORD Came Flying Down From Heaven

When the object of this grandeur vision in heaven was accomplished, then came the second segment as the Spirit of the LORD lifted me back to the earth. In this vision, as I looked up from the earth towards heaven, I witnessed the unfolding

of an astonishing phenomenon. In that vision, I saw heaven open and behold two heavenly hosts departed from heaven and began to head towards the earth. The more they descended towards the earth, the more I attained clarity of their Being. Watching from the

earth, I quickly realized that these two heavenly hosts were actually angels coming down from heaven, towards the earth. (Other features of the appearance that these heavenly

a message from HE that sits on the Throne, Whose Name is JEHOVAH the GOD of Israel. It was at that particular moment, while standing in his overwhelming presence,

in his right-hand, was as a matter of fact the Scroll of GOD Almighty. To my surprise, when I just glanced at that Scroll, it became vividly evident that the Seals of the Scroll had already been broken. This is what enabled that angel on my left-hand side to show me the inside inscriptions of the Scroll of GOD Almighty in heaven. This Mighty angel on my left-hand side then further concluded that;

These sentiments recount to the nations what I had seen and heard at this visitation. At that point in this austere vision, I felt more like a concluding declaration was being drawn in my heart with a strong urge that I had found Him, of Whom Moses in the Law, and the prophets, did write (John 1:45). No sooner had the fear of standing in His presence began to grip me, than the angel on my left-hand side said in a loud voice;

Horrific Haiti Earthquake

Horrific Haiti Earthquake

Historic Chile Earthquake

Horrific China Earthquake

Deadly New Zealand Quake

Deadly New Zealand Quake

hosts bore, have been purposely withheld from this article). What became most stunning was that these two angels came down flying, with their powerful wings spread out. This was however my first time to witness the angel of the LORD literally flying on his wings, and swiftly gliding across the clouds. It is indeed a shocking sight to behold! Then instantaneously, when these two heavenly hosts arrived on the earth, they remarkably stood right in front of me. Landing right before me, these angels of the GOD of Israel, presented such a Majesty as no words can ever express. The angel that stood on my left-hand side, immediately began to Speak to me about the most holy Words

that I quickly realized that this conversation was one way, as this stunning messenger of GOD, conveyed to me what the GOD of heaven and earth had decided. And that such a decision had been reached owing to the condition of man's heart. The more I continued to listen to the angel of JEHOVAH GOD, the more I became convinced that as a matter of fact HIS words were heavily constituted by what had already been deliberated on, in the heavenly council of God. When this specific angel on my left-hand side began to talk with me on what God Almighty in heaven had

**"Because Of The Defiled Altar of the LORD, The Judgment Of The LORD Is Coming Upon The Entire Face Of The Earth."**

### The Second Angel

Thus with those stern words, it was unmistakable that the angel on my left, did not show his sympathy with men, and hence his desire to minister to the repugnance of their apostasy, became well manifest. That is when I began to pay particular attention to the Next Angel on my right-hand side, who had remained virtually quiet throughout the entire conversation. However, contrary to the presentation of the Angel on my left-hand side,

**"Now you can see what is about to happen to the earth."**

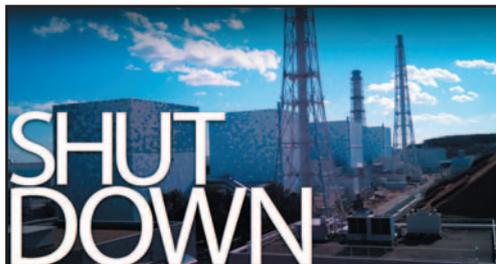

The LORD and His angel then immediately left towards the ends of the earth, in a rush that undoubtedly depicted the urgency of this word. As I watched on, the Spirit of the LORD further opened my eyes, enabling me to see them as they flew across the nations of the earth. One nation after the other was visited.

### Debris on Earth

One thing that struck and stunned me in this visitation, was the manner in which the angel of the LORD flew across the face of the earth. It was the amount of ravaging destruction that the angel of the LORD left behind as he flew past every nation, that indeed underscored the gravity and impact of this prophecy. From a distance, the angel of the LORD then said with a loud voice;

**"DESTRUCTION COMING TO THE EARTH"**

With these words out of his mouth, I saw mayhem, tempest, confusion, and wanton destruction befall the planet earth, in a manner never ever witnessed before. Immediately debris covered the earth, especially trailing the nations that the angel of the LORD had visited. The mayhem came about as a result of the most historic Earthquakes and Tsunamis which had now come upon the face of the earth, in that vision. The Earthquakes that the LORD showed me as coming, were so historic as has never happened on the face of the earth. They

of God Almighty in heaven. This mighty heavenly host relayed to me

resolved, it right away dawned on me that the object he was holding

The Angel on my right-hand side nevertheless beheld so much glory, around Himself, that I could hardly stare in HIS direction. It was at that specific instant in the vision, that it finally dawned on me that my fears were right. I trembled in this vision when I came face to face with the fact that This Angel on my right-hand side, whose glory bestowed the entire place with overwhelming radiance, was as a matter of fact, the LORD HIMSELF. His stunning Glory, Authority and Majesty assured me that He could be no other than the Son of Man HIMSELF. In that vision, my eyes followed Him with reverence, and the desire to call Him Master.

were accompanied by the most horrific and historic *Floods* ever recorded since the day of *inception* of mother earth. Even as the angel of the LORD went away, it appeared as though he flew in the direction of the sunset. This is owing to the glowing reddish orange rays that I could see ahead of him, as he continued on with his mission. This could have implied that he came from the direction of the East and was headed west. It also imputes to the fact that when the onset of all these events comes to pass, it would be at sundowner. Similarly, the sunset-like rays upon the angel of the LORD could also have been the flames that would be lit up, upon the arrival of these earthquakes and tsunamis. They would then have to be earthquake-ignited fires. One could not rule out either flames that would be induced by *mayhem*, *riots* and *protests* in those nations. Then came the stunning heaps upon heaps, of humongous quantities of mangled *debris* upon the face of the earth as she had been *smitten*. As the intensity of *Earthquakes* beheld the nations, electric transformers also blew up, setting up huge fires upon large quantities of property. Untold levels of *destruction* devastated the

earth, to the extent that *Tsunamis*, *Floods*, *Fires*, *Civil wars*, resulted into huge quantities of mangled *debris*.

### Devastation . . .

**T**he *mutilating* force of destruction that I saw come upon the earth, was so enormous that it *smashed* and totally *disfigured* property, civil structures, roads, rails, and human civilization beyond recognition. To say the least, *debris* littered the path of these unforgiving quakes, *storms*, *floods*, *wars* and human

Debris: Tornado aftermath, Joplin USA,

Volcanic Eruption in Iceland

*unrest!* It was upon witnessing this level of upcoming *wanton* destruction, that I finally realized how in this vision, my witnessing had been reduced into wandering glances regarding the testimony the earth was about to bear. It was a state of helplessness! I observed as the earthly populace succumbed in a state of utter terror! It was the

most vulnerable posture I have seen the earth assume. Furthermore, in that vision, The Spirit of the LORD enabled me to observe the vastness of *debris* that would cover the faces of the nations, and the consequent aftermath of attempting to clean up. To the inhabitants of the earth, it became an *insurmountable* task to accomplish. I watched on further as the *mundane* chore of cleaning up bogged down the inhabitants of the earth into complete *dysfunction* and *frailty*. The *destruction* that the LORD permitted me to witness,

seemed to occur at different *levels* of *intensities*, and at different *times* and *seasons*. It was as though the lesson of the *old testament* must be fully set before men. Then I woke up in total shock at what the LORD had just *alluded* to me, as coming to *smite* mankind.

### Discerning

**D**iscerning the exact impact of this vision required a stringent *adherence* to the *word* of God. It demanded a detailed understanding of the times

that the nations of the earth have *encroached* into. By *providence*, the *light* of GOD is ever shining amidst the *darkness* of this world. Hence, relaying the right *conception* from this *milestone* vision, required a careful study that seeks to *fathom* the mysteries hidden in the bright path of *light* that Jesus brought, than *implicitly intuiting*. I knew it too well that this is what would behold the glory of the Creator, in the midst of such an *ominous* prophecy that was promising an unforgiving *demolition* of earthly civilization. As the world sets forth its best wine first, and afterwards, that which is worse, so does it with its gifts of *post-modernism* (John 2:1-11). That which may offer as *enticing* to the eye, and *enthraling* to the world, later proves to be *ungratifying*. It is as though in this prophecy the LORD was saying that the wine of disobedience that this world offers easily turns to *bitterness*, with its *jauntiness* quickly turning to *gloom*. That is the only plausible explanation as to why all such a 'sweet' post-modernism and civilization of man, could suddenly turn unbelievably *perishable*.

## The Stunning Prophecy That Shook The Earth & Shattered Debris All Over

**U**pon waking up from that most astonishing *apocalyptic* visitation of the LORD, the *fate* of the nations in this *post-modern* world, eminently became precariously *lamentable*. Following this *horrid* vision, the Spirit of the LORD right away led me to begin prophesying in that August 2005. In those *unyielding* utterances, I said; "Because of the defiled Altar of the LORD across the nations of the earth, I see the judgment of JEHOVAH coming upon the nations of the earth." To quote in *verbatim*, in that historic prophecy, I further went on to say; "I see destruction coming to the earth, and many nations shall indeed be afflicted. The Judgment of the LORD is coming upon the

face of the earth. The Judgment of the LORD is indeed upon the face of the earth, I see debris scattered all over the earth." As the Spirit of the LORD continued to lead me into making these pronouncements, He compelled me to speak to the four corners of the earth to *repent* and turn away from all form of *sin* and *iniquity*. The words of this prophecy to the nations, undoubtedly expressed the law of God's dealing with disobedient man. *Sexual sin*, *lust*, *immorality*, *falsehood*, *lies*, *witchcraft*, *worldliness*, were among the key objects of this wrathful *communique* from the LORD to the inhabitants of the earth. The LORD likewise commanded the eastern religions to turn away from *idol worship* that He may *restore* them

to himself. As the LORD led me to hand down these pronouncements, I could almost hear Him say that when all these things come to pass, the word

of Christ alone could impart to that mayhem a *life-giving* virtue. In other words, I knew it too well that when all these things became fulfilled, a horrid *confusion* would reign such that only through the power of Christ, would mankind retain the *efficacy* to *renourish* the depraved *soul*. Owing to this, the *sorrow* of the audiences at which these *pronouncements* were made,

Debris/Haiti Quake

Debris/Haiti Quake

Debris following the Historic Japan Earthquake & Tsunami

was comforted with at least, the *promise* of Christ's glorious return.

### Historic Floods

**D**uring a nationally televised weekly TV program on the Kenya Broadcasting Corporation (KBC) television network that was aired on the 7th of August 2005, I began to proclaim the coming of historic

Foreword . . .

tsunamis and floods upon the face of the earth. In that well publicized television program, I once again reiterated that historic *Earthquakes* like never seen before, would have to strike the planet earth, in the event that the nations failed to *repent* and turn away from *sin*. In *verbatim*, that prophecy said; 'The LORD is going to shake half the planet earth. Half of the earth will shake tremendously because of this judgment, so that the dwellers of the earth may know, that when this happens, it is God who has caused it to happen. 'What else have I seen viewers?' I asked, 'I have seen debris and destruction again, let me tell you this . . .' In that 8am television program, I then further said, 'I have seen tremendous Earthquakes coming to the earth! Very tremendous.' 'Who tells the ocean where to stop?' 'I have seen monumental floods coming to hit the earth again, another level of floods. And then the Spirit of the LORD led me to further say that, 'I have seen tremendous death coming to the earth.' Through it all, it emerged vividly obvious that this prophecy handed down to me by the angel of the LORD, was directly meant to reprove *self-indulgence* in all its forms. It is a prophecy that accepts the *hospitality* of all classes by paying a visit to all households, both the *rich* and *poor*, *learned* and the *ignorant*, as it *shakes* and *sieves* the people's of the earth for the kingdom of GOD. Beneath this humongous prophecy was the luminous light of GOD in His Total Majesty of *righteousness*. For those who hearken onto *righteousness*, they would see the *compassionate* Redeemer in this historic shake-up. <sup>7</sup>When the morning stars sang together, and all the sons of God shouted for joy? <sup>8</sup>Or who shut up the sea with doors, when it brake forth, as if it had issued out of the womb? (Job 38:7-8). . . .when I said, 'This far you may come and no farther; here is where your proud waves halt?' (Job 38:11). This is what essentially graduated the prophecy when I saw the historic floods of that vision and fearfully exclaimed to the nations; 'Who tells the ocean where to stop?'

DOUBLE-EDGED SWORD

It was during the same period, while in Dodoma, Tanzania, that the LORD again Spoke with me regarding this most horrific judgment that was coming to befall the nations of the earth. In a Pastors' Conference held in July 2005, in Dodoma, the LORD visited with me that night in a follow-up vision to that of July 11. In that vision, God Almighty Spoke

Bloodbath in Mexico

Dead bodies in Libya

Massacre in Yemen

with me in yet another stern conversation, at night. At the core of that vision, was the *conviction* that the *gravitational* centre of man's relationship with the LORD rested on *holiness*. Going by that vision, I well understood it that in God's view, *human understanding*, *trust*, *hope*, *service* and *worship*, all indeed rested on the bedrock of *morality*. And a crisis in the latter spelt doom. What equally projected out clearly was the fact that GOD Almighty, Yahweh, is the Great King over all the heaven and the earth, and One to Whom all things must be subject.

The Cup of GOD

During that vision, heaven opened, and I saw the Person of the Holy Spirit descend all the way from heaven, down towards the earth. When HE came from heaven, and had reached closer to me, I noticed that HE was carrying a *cup* in His HANDS. The *cup* that the Person of the Holy Spirit carried in that vision, was a stunning *white glorious cup*. Then all of a sudden, I saw

the Person of the Holy Spirit turn that *cup* that was already full, and poured its contents upon the face of the earth. It was then that The Holy Spirit came back again, and HE handed me down a *SWORD* from heaven. The *SWORD* that GOD the Holy Spirit placed in my hands, was a shocking most glittering *SWORD*, whose sharpness was razor-thin. After which HE asked me, 'What do you see happening with this *SWORD*?' With a great longing to know, I looked at the

*SWORD* that the LORD had handed me, and realized that it was a unique *SWORD* with two blades. As I held the *SWORD* of the LORD, I saw that it had four sharp edges that all converged at the handle. Then the Person of the Holy Spirit came and touched the same spot on the handle, from where I held

the *SWORD*. And then HE asked in a loud voice, 'What do you see now?' As I looked at the *SWORD* again, then the Holy Spirit Spoke and said, 'Now the Judgment of the LORD is coming to the nations of the earth, to the next level.'

His Wrath

Because HE alone is the Sovereign GOD, waking up from that tremendous vision, I realized that all the universe, the nations included, are indeed governed by HIS HAND. I then went ahead to say in a Sunday August 2005 television broadcast, 'What do I see viewers, what do I see coming to you. You must understand that GOD is now going to bring destruction upon the face of the earth.' And I said, 'I have seen historic war coming to the planet earth.' 'I have seen tremendous quakes, floods tsunamis wars and death coming to the planet earth.' In that television program I proceeded the viewership, 'Why is the Father showing me the wrath of HIS anger?' 'HIS wrath

is coming against the nations of the earth, because the Altar of the LORD is broken and defiled.' While the future of the godly into the kingdom of GOD was seemingly far rated by this prophecy, their *protection* thereof by the LORD is nevertheless guaranteed by the Holy Spirit.

Dwelling place

The LORD then again appeared to me in a mighty visitation two days later. In that visitation of the LORD, the voice of JEHOVAH Spoke and Said, 'Look I have no a dwelling place. I am looking for a home and a dwelling place.' That whole night the LORD Talked to me about a *Dwelling Place*. I still remember that when I woke up and was very sad, I indeed felt the way the LORD HIMSELF had felt. He was very sad looking for a *Dwelling Place*. And that only meant that no one could be able to say to themselves that this is the Temple of the LORD, for surely it was not the Temple of the LORD any more, because it was *defiled*. In the subsequent television programmes, I was then compelled by the Holy Spirit to say, 'When the LORD looks at Australia, HE sees sexual sin, yet when HE looks at Africa HE sees sexual sin and witchcraft sweeping the continent of Africa. Heavy duty witchcraft upon the Altar of the LORD. Asia bears the eastern religion of yoga, hinduism, buddhist, etc, etc. During those proclamations, it became very easy to recognize man's total *dependence* upon JEHOVAH, HE who opposes the proud who rely on their own resources, that they have *contrived*. Contrarily, it immediately struck me that the *humble*, the *poor* and *needy*, who acknowledge their *dependence* on the LORD on all things, are the ones in whom GOD *delights*, hence would *endear* HIS *protection* upon. This kind of *ominous* prophecy attests to the fact that *pride* yields *disobedience* and even though the *proud* may seem to prosper, GOD will bring them down to *death*, their final end. The post-modern earth and its inhabitants have been so proud to the LORD due to their *civilization* and *modernization*.

Foreword . . .

The show casing of the tower of Babel! Alternatively, the *humble* who delight in the *fear* of the LORD, *trusting* in HIM, and *obeying* HIS requirements, are indeed the *wise* before the LORD. The LORD in this prophecy portrays clearly that those who embrace the *fear* of the LORD will inherit the kingdom of GOD and that, not even *death* can hinder their seeing the face of GOD.

**Why the Distress:  
The condition of man's heart**

**T**his most *portentous* July 11, 2005 visitation, presents what the post-modern world would term an *affront* to *prosperity* and *human civilization*. It is as though GOD Almighty was determined to demolish the big *leap* that man had scored in

pronouncements, vividly paints a clear picture that *reason* had failed, but there was now left the *resolve* to godly *force*,<sup>18</sup> "Come now, let us settle the matter," says the LORD. "Though your sins are like scarlet, they shall be as white as snow; though they are red as crimson, they shall be like wool."<sup>19</sup> If you are *willing and obedient*, you will eat the *good things of the land* (Isaiah 1:18-19). With such pronouncements of a horrendous judgment in the horizon, it appeared that GOD Almighty had now decided to make an *example* of rebellious mankind! And they that were the *haughty* residents of this planet earth should now see what they might expect in their attempt to place earthly *prosperity* and *immortality* on the Throne. In what might serve as a perfect replay of tragedy, when Israel had similarly attempted to adorn a *golden calf* and place at His Altar, it became a lasting *controversy*

that saw many millions lose their lives, from the wilderness even unto this day. The present-day church of Christ too,

*technological* and *infrastructural* frameworks for comfortable and safe living in this day and age. Many may ask, "Why then would a loving GOD turn against mankind to such an order?" The *truth* however is that JEHOVAH GOD in Heaven had impatiently awaited the *return* of mankind (Jeremiah 8:4-8). As time passed by, and mankind did not appear, His suspicions were *roused*. The *unwillingness* of the shepherds to clearly point out on the matter of the *Messiah's* glorious *return*, seemed to indicate that they had *penetrated* GOD's design and had purposely avoided preparing for the coming of the LORD. The mere thought that His own creation could attempt to avoid the most momentous *celebration* of the Cross at the *Marriage Supper of the Lamb*, undoubtedly *maddened* GOD. Hence, by sending this July 11, 2005 angel to make such *ominous*

has fallen into this same *tragedy*, by attempting to *enthron*e that same earthly *prosperity* and *promiscuity* of this age, at His holy Altar in the Sanctuary. The LORD GOD Almighty, was indeed on this July 11th day,

determined to send home the most important *message*, that at this hour, only the *Messiah* must be *enthroned* in the hearts of men. This *calamity* that the angel of the LORD was now decreeing on that July 11, 2005, mankind had brought it upon themselves. If only they had

been walking in *meek faithfulness* and *humility* before the LORD, He would have, in a historic manner made the wrath of His endtime virtue literally *harmless* to them. But they had separated themselves from GOD by their sin and they had rejected the Holy Spirit *Who* was their *Only Shield* and *Defender*. Even the christians did not well perceive that it was their *supercilious boast* that the *Messiah* was to come as King to *conquer*. Hence, if the current global *calamity* and *tragedy* were anything to go by, then one can only imagine for themselves the level of *destruction* that the King of Kings will unleash upon the *disobedient* and *proud*

enemies of GOD (Heb 10:26-31; Heb 6:4-6). They had not studied the scriptures with the desire to conform their lives to the will of GOD. Yet they have instead today searched for scriptures which could be interpreted to *exalt* and surround them with the *intoxicating* and *promiscuous* prosperity of this evil world.

Through their gross misinterpretation of the word for *selfish* gain, GOD Almighty finally purposed to compass the *destruction* of their *rising tower* of Babel, which today we can clearly see, has turned upon

their own heads. And this is the condition of men's heart that has caused unbearable *agony* in heaven. GOD Almighty is today speaking using the *cruelty* of these beginning of birthpains to *affirm* to mankind that if we have given our hearts to Jesus, then we should also bring our

gifts of holy *worship* unto Him. Put in *perspective*, the holy church of Christ, is today being *bidden* by this overwhelming angel of the LORD in this vision. The night is nearly over and the church must now prepare in earnest that she might fulfil that which has been spoken of her by the prophets. Right now, the present-day christian faces an *indomitable* challenge to summound in order to live a *holy* and *separated* life. This is owing to the *admixture* of spiritual '*foreigner*' that have dwelt with the church in a *compromising* christian lifestyle. Through this *monumental* July 11, 2005 vision, GOD's grief at man's *apostasy* is unquestionably well evidenced. In this day and age,

the Almighty Creator is seeking those christians who can fully submit their lives unto the overruling authority of the Holy Spirit. The example of Christ in linking Himself with the interests of humanity would then be faithfully adhered to, for purposes of bringing the

gospel of His *grace* to the perishing souls. As disciples of Christ, JEHOVAH GOD expects the church at this hour to have *separated* herself from mingling with the world for mere love of *pleasure*. Instead the *Omnipotent* expects that all christian believer should become witnesses for Christ, by allowing the Holy Spirit to *sanctify* their social power using the *grace* of Christ in order to win *souls* into the kingdom. This is what will shine the *light* of Christ and withdraw christian *salvation* from being viewed as an exacting *religion*. GOD Almighty indeed initially intended that mankind should present as partakers of HIS holy divine nature. The departure from this *blueprint* is unmistakably the root cause of this July 11, 2005 pronouncement of a *controversy* between the *Creator* and the *creation*. Being a last-minute ditch to *reprove* the church and the nations, this landmark prophecy can in essence be termed GOD's last call of *love*.

# The Crippled Got Up & Walked Away

After 24 Years of being crippled, God Almighty touched her.

**2**4-year old Margaret Atieno was born crippled and lived all her life in a little humble village called Usenge, by Lake Victoria, in Western Kenya. In her condition, she was literally incapacitated since she could not walk, let alone getting up by herself. Margaret had already resigned to her condition knowing too well that nothing else could medically redeem her. However, when the meeting of the LORD was announced for Nyeri in Central Province of Kenya, precious Margaret saw a humongous

opportunity to present her case before the LORD and try to see if the LORD could remember her. She made sure that she arrived at the Nyeri meeting promptly very early. Then come that Saturday April 16th, 2011 when the Prophet of the LORD walked into the stadium of the Meeting and decreed that the cripples would get up and walk away that day. The Power of GOD hit Atieno and slayed her to the ground; as she puts it in her own

words, "Nilishtuka tu ninatembea" translated as When I woke up, I just got shocked that I could now get up and walk." The entire

stadium went wild in Jubilation for their GOD JEHOVAH had visited.

## Crippled for 60 yrs

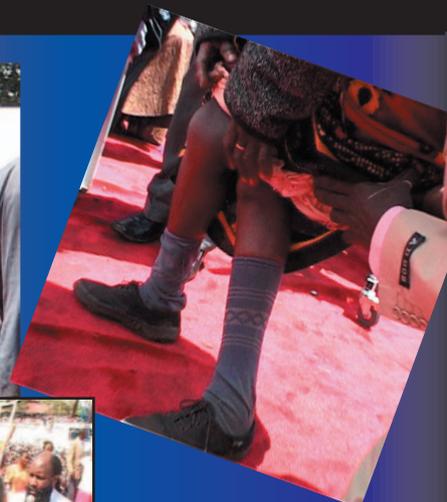

**B**orn crippled, this man spent all the 60 years of his life on the floor, without ever being able to get up, let alone walking. However, when the Power of the LORD descended at the Mighty Nakuru Revival Meeting, this man was touched very heavily and when he woke up, he discovered that his crippled legs had been strengthened and that he could now get up alone and learnt to walk for the first time in his life. It was big drama as this man gloriously stretched his first 'baby steps' in life. Glory to GOD in the Highest!

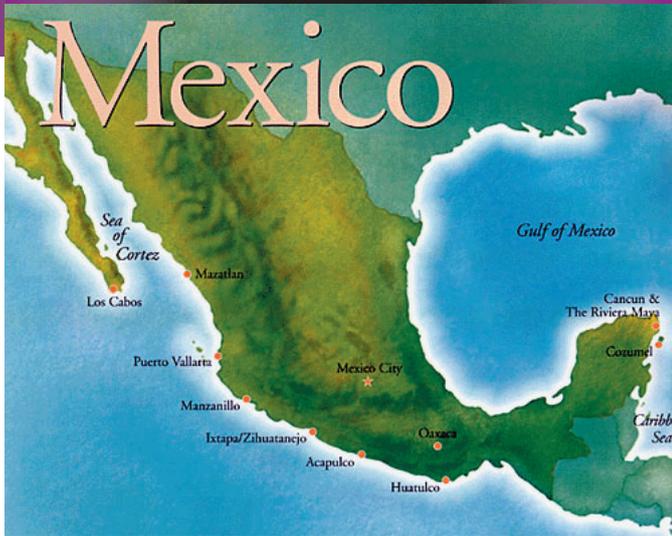

## Drama as very old Crippled woman walks

**T**here was absolute stun in the stadium as this very old crippled woman was touched by the LORD and totally slayed. The people that had brought her were absolutely very shocked to see her get up with her weak crippled legs and attempt to walk. To the stun of the entire stadium, she indeed managed to walk with her very deformed legs. Only later did everyone realize

that her weak deformed legs had actually been strengthened by the Power of the LORD that descended into the Ruringu Stadium in Nyeri. The multitude shouted Halleluhia to the Glory of the LORD, for what they had seen, was a good thing to the eyes of men. The LORD had visited them.

# Mayhem in Mexico

## Unveiling the 2004 Forewarning

For a long time now, the precious people of Mexico had become so credulous to believe that a life spent in catholicism, idol worship, sexual immorality and the witchcraft of brugeria/chiseria, could secure them a joyous and stable future. Moreover, the soaring phenomenon that has over the years excited the keenest of global interest on Mexico, has been none other than the stunning tourist beaches she spots on both the Atlantic and Pacific coasts. With all the awe of their beauties, these tourist resorts have unfortunately paid homage to a precipitous form of sexual immorality ever witnessed. Coupled with a tradition of an

agnostic form of secularism, these aspects of the Mexican society have not only defined the texture of that nation, but also outlined its unique characteristic. Considering another yet most disturbing spectacle of human sacrifice that Mexico is involved in, all these aspects of sexual sin, witchcraft, and

atheism, have simply presented as a mere harbinger that indicates the level of decay in that land. The Pyramid of Cholula, popularly known as Pyramid de Cholula, has over the years prided herself as a focal point of convergence at which various witches congregate to observe an annual festival known as dia de san miguel. Such a day always fell on September 29th of every year, commonly referred to as St. Michael's day. The mauling indifference with which the church in Mexico turned to her own practices, in the midst of such a heinous sin, is what could have even enraged the jealousy of the most wicked of ad hoc witches! Their act in the catholic church of Mexico, indeed must have called forth no expression of joy at all in

the heart of the LORD, but rather surprise, shock, mingled with utter unquenchable rage. The abomination that one runs into in some of the well established Mexican cathedrals, is such a detestable act that must have definitely wrenched God's heart to tatters. The placing of a huge monumental statue of an

eagle with two heads, is in itself a monumental act that undoubtedly cannot portray the worshipping of JEHOVAH. Such statues only befit the adoration of an evil monster at the altar of the LORD, whichever way one looks at it. How about the burial of priests and bishops at the altar of the LORD, where the children of JEHOVAH kneel down before the LORD and kiss those glass encasing of dried and immortalized corpses! While all this goes on, the Pentecostal and Evangelical churches that should have been the light in the nation of Mexico, have

a priceless endowment. This is what has rendered the nation of Mexico a repugnant form of heathenism and caused the catholic church to get away with littering the land with huge statues right inside and on the roof tops of their churches. These are the large statues that have been moulded to depict human appearance, and named after the celestial beings, to look like angels. With all this happening in Mexico, the land literally transformed herself into a regional hub of idol and satanic worship. Thus it became impossible for

Mexico's Detestable Idols Enraged God:  
Some of the Idols that litter and becloud Mexico's countenance before the LORD. The LORD had warned that HE would severely judge them for worshipping these detestable Idols

men to appreciate things of eternal worth. The uncontrolled indulgence and consequent disease and degradation that consumed Mexico, was

instead fallen to the temptations of the gospel of prosperity. With its appetites and worldly passions, this money-oriented preaching has largely appealed to the physical nature, and hence most effectual in corrupting and degrading worship in the sanctuary of JEHOVAH, at the expense of acting the role of the rod of God in Mexico Through its beguiling intemperance, the rampant gospel of prosperity in Mexico Pentecostal church has destroyed the mental and moral powers of the gospel of the blood and the cross that God gave man in that land, as

with such intensity of evil, that could only be equitable with Sodom and Gomorrah before the floods. Every imagination of the thoughts and the hearts of the people became evil to the extent that an inexpressible anguish consumed those who feared that the wrath of GOD could one day befall. Out of the complacency of the church, satan made the people of Mexico believe that they must sacrifice their conscientious convictions for idols and immorality, instead of a strict adherence to JEHOVAH their Creator and HIS righteous

laws. If they had learned the *power* of God's word, they would have followed the requirements of the LORD, and would not have followed the suggestions of satan in order to obtain food or save their lives. Only one question would have mattered, 'What are the righteous requirements of the LORD?' A contradiction would hence have never developed between the LORD GOD and Mexico.

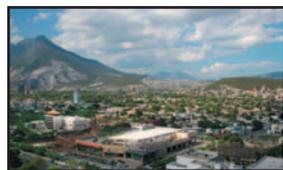

### Why God Almighty Shaved my Head

**W**hen GOD Almighty saw that their *return* was not forthcoming, He decided to hold *dominion* over the state of *worship* in Mexico. That meant that he would now have to hold the people of Mexico to responsibility on *worship*. Considering that Christ Jesus had earlier come to *disapprove* satan's claim over *worship*, in order that man may stand *loyal* to GOD, then this demonic *adoration* that was now *thriving* in that land, is totally uncalled for. In this way, the Son of Man had indeed scored a landmark *victory* that achieved an unparalleled *milestone* status in the life of man, that they may now worship JEHOVAH blamelessly. Owing to this, GOD Almighty saw no reason whatsoever for man's *loathsomeness* in worshipping *satan* and *idols* again, as was now occurring in Mexico. This is the sole reason as to why the LORD sent me to Mexico in that 2004, to *awaken* their souls on the fact that they had grossly *misrepresented* GOD, and very much *misinterpreted* His *rites* of worship. The LORD in

that mission, did not want His wrath to come upon them, without a prior warning, lest men be led to *fear* GOD as one Who delights in their *destruction*.

### Vision of Satanic Rituals in Monterrey

**U**pon arriving in the city of Monterrey, the LORD led me to proclaim the need for a national *repentance* in Mexico, and especially within the church. The LORD JEHOVAH then began to Speak to me in mighty visions, and by His voice, about the horrid state of *sin* and *defilement* in Mexico. It was then that I once got the opportunity to visit a suburb of Monterrey called Guadalupe. While at Guadalupe, the LORD vividly Spoke to me in a *radical* vision that would later change the entire state of the affair in Mexico. In that vision, I saw the communities that inhabited the mountains of Monterrey. As I observed further on, the Spirit of the LORD highlighted the kind of worship that was ongoing on the mountain slopes. Key among the

Mountains of Monterrey

events that grieved the LORD in that vision, was the slaughtering of white dogs as sacrifice to the devil. In that vision, the LORD specifically emphasized on how those communities gathered themselves to partake of that evil worship

sacrifice as dogs were slaughtered. The LORD equally showed me the stones that were being laid down in building the altars for satanic worship. It was a blood sacrifice at which some portions were cremated as burnt offering.

### The White Stones

**F**ollowing this disturbing vision of satanic worship on the mountain slopes, the GOD of heaven led me to proclaim the first warning on Mexico. At a Sunday service in a church known as Iglesia Cristiana Agua Viva, I proclaimed to the people of Monterrey on the need for Mexico to repent for *defiling* the altar of the LORD and the land set before them. However, that admonition did not come without the consequences of the failure to *repent*. The LORD clearly asserted at that Sunday service that a failure to *repent* would elicit His wrath upon the mountain slopes at which *satanic* blood *sacrifices* were being offered. In that Sunday service, I said that a failure to *repent* would cause the mountain slopes to shake violently, with huge boulders of white ice-like rocks rolling down from top to the bottom. And in that declaration, the LORD said,

**'If you don't repent and turn away from the satanic blood sacrifices and idol worship, tomorrow by this time, there will be a severe quake shake those defiled mountain slopes and white stones will roll down.'**

What became particularly most shocking that it took everyone by surprised especially that they were accustomed to the mellow preachings of *prosperity* and *wellness*. At that time no one in the church perceived the gravity of this

prophecy at all. However, come the next day Monday, the LORD indeed made good of His threat to shake the mountain slopes of Monterrey at which they had raised high places for devil worship. It was so severe that huge boulders of rock began to roll from the mountain slopes coming down and striking homes in the process. Such a phenomenon had never been witnessed in Monterrey, especially that the rocks were snow-white boulders. The news outlets were saturated with reportages on this unusual occurrence. Those that had listened to the prophecy being delivered 24-hours before its final fulfilments were shocked and dumbfounded at this act of God. This probably marked the beginning of what would later turn out to be a long-running controversy between the LORD GOD Almighty and the people of Mexico. It was a controversy that centered around the act of *repentance*. GOD had desired that the people of Mexico repent and be restored by His precious Holy Spirit. Such a restoration the LORD intended to ignite from the church.

### Vision of Leopard

**W**hile those satanic rituals and abominable sacrifices went on, the LORD discerned a symbol of communion between wicked man and the devil. It became very apparent that the enemy had worked to *blind* the people of Mexico to these rites, that they may reject Christ at His glorious and most anticipated coming. It was about the same time while still at the suburb of Guadalupe, that the Word of the LORD again came to me in a second vision. It was such a *monumental* vision to the extent that the Spirit of the LORD literally lifted me up, and took me onto a mountain top, and all across Mexico. It was while still in this vision, that I witnessed the most stunning episode of the *conflict* between good and evil. It developed into one of the most bruising conflicts I ever witnessed

yet. Little did I know then in January 2004, that this would become the prophecy of the national *tragedy* that would later befall the nation of Mexico. At this mountain top, the LORD showed me a *ferocious* leopard that was *scouting* around as people went about their normal business. However, what particularly turned *calamitous* in this vision, was the fact that all of a sudden, the atmosphere on that mountain top became very cloudy and terrifying. It presented more like a storm was on-coming. The *ferocious* leopard in that vision instantly attacked the people on that Mexican mountain top and began to *devour* them in the most *ferocious* manner ever witnessed. As the leopard *devoured* the people of that land, things got so bad when many other little leopards appeared in that vision. These evil beasts *mauled* the people to the extent that the entire land was covered with body parts and lots of bloodshed all over the land. The body parts I saw in this vision, were *strewn* all over the land after which I woke up from that conversation with the LORD.

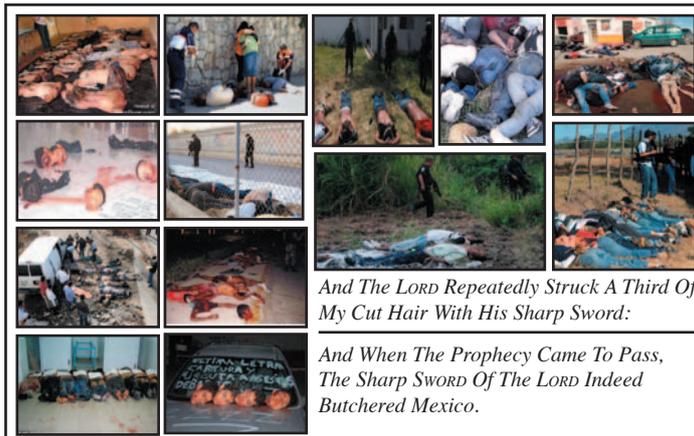

### GOD'S Hand Shaves My Head & Beard

**M**any times, the LORD GOD Almighty pleads with nations on their need for *repentance* and a *holier* lifestyle. Such was the case that surfaced on Mexico, in that 2004 when the LORD intended to *consecrate* their lives. During my visit to the Monterrey suburb of Guadalupe, the LORD sternly Spoke with me a final time, on this very need for the people of Mexico to turn away from *sin* and the heinous act of *sacrificing* to the devil. In that final conversation, it appeared as though the LORD was aware of the *hard-heartedness* with which the message of *repentance* would be confronted. It was a vision in which by voice the LORD Spoke to me saying,

**'Go South.'**

And immediately in that vision, the LORD showed me a southern town at which He had placed two people to receive me. However, right in

the middle of that vision, I saw the tremendous mighty HAND of GOD come from heaven, towards me. Right away, I realized that the tremendous mighty HAND of GOD carried a blade. It was then that to my stun, I realized that the LORD was shaving my head in that shocking vision. As the LORD shaved my head, He also placed a mirror right in front of me. In that way, I saw it all, in the way His mighty HAND shaved my head

And The LORD Repeatedly Struck A Third Of My Cut Hair With His Sharp Sword:

And When The Prophecy Came To Pass, The Sharp SWORD Of The LORD Indeed Butchered Mexico.

clean. However, what was even more *baffling*, is that in that vision the LORD collected every piece of my hair that He had just *shaved* into His left HAND and poured it into my hands. Every little piece of my hair, the LORD collected. It was then that I saw myself in that vision, walking outside facing the mountain at which there was *satanic blood sacrifice*. Immediately, I stood face to face with those mountain slopes, I saw myself in that vision *blowing away* and *scattering* every piece of my hair that the LORD had just shaved. As I blew my hair in that vision, I saw the wind of the LORD blow it further away to cover the whole nation of Mexico from the Atlantic coast to the Pacific coast. It was a most stunning vision to behold! The voice of the LORD said,

**'This is what will happen to this land.'**

Towards the end of this astonishing vision, the LORD again showed me myself travelling all across Mexico and warning of the dire consequences of a failure to *REPENT* and turn away from all sin including *satanic blood sacrifices*. I heard

myself in that vision, telling them to repent and prepare the way for the Coming of the *Messiah*, otherwise His wrath would consume them. And then I woke up from that vision of the LORD. Right away, I understood that GOD Almighty was extremely angry that satan had taken advantage of the weakness of humanity at this most critical hour in the zero-countdown to *rapture*.

and repeatedly as GOD had now commanded.

### And Burnt My Hair in the City Centre

**W**ith the *third batch* of my *shaved hair*, the LORD allowed me to travel from north to south all across Mexico, from Monterrey to Tapachula and back to Puebla. In that journey, I constantly decreed that the nation of Mexico will for sure know that the LORD GOD Almighty has Spoken. Upon reaching Tapachula, I again headed north with the third batch of my *shaved hair* till I got to Veracruz and Ciudad de Puebla. It was then at Puebla that the LORD allowed me to pitch tent as I continued forewarning the Pentecostal and catholic churches to repent from their sin of complacency, and then lead the entire Mexico into a national *repentance* for the great abomination they have committed before JEHOVAH. Among the members of churches that responded to this *call for repentance* were pastors, doctors, lawyers, dentists, widows, simple lay people, orphans, etc. It was then on one Friday afternoon, when I requested one of the doctors to drive me and show the exact city square in Puebla. He drove with me till the centre of the city, parked at a distance and said as he pointed, 'This is the city square.' Disembarking from the car, I went right into the city square and took the last one third of my shaved hair and set it ablaze with a newspaper page at the dead centre of the city of Puebla. Many onlookers including the doctor that had just led me there, were very stunned at what act this could be. I then took the last few strands of that third batch of hair and placed between my belt and the trouser. This I did while

### Prophecy of Bloodshed

**W**aking up from that very *astounding* vision of the LORD, I immediately obeyed the LORD and *shaved* all the *hair* on my head in front of a bathroom mirror, as commanded. I then divided my *shaved hair* into three portions and separated them. With the first portion of hair in my hands, I walked out of the house and then did as the LORD had decreed in that vision. While outside the house and facing the mountains of Monterrey, I *blew away* every piece and strand of the first batch of my *shaved hair* and the wind indeed *scattered* them all *across that land* of Mexico. At that moment, this is what I pronounced on the land and the people of Mexico, as I did so;

**'And you shall know that the LORD GOD Almighty has Spoken.'**

Although I continued to hold onto the *second* and the *third batches* of my *shaved hair*, nevertheless, with the second batch, I got a sharp knife and began to stab it severally

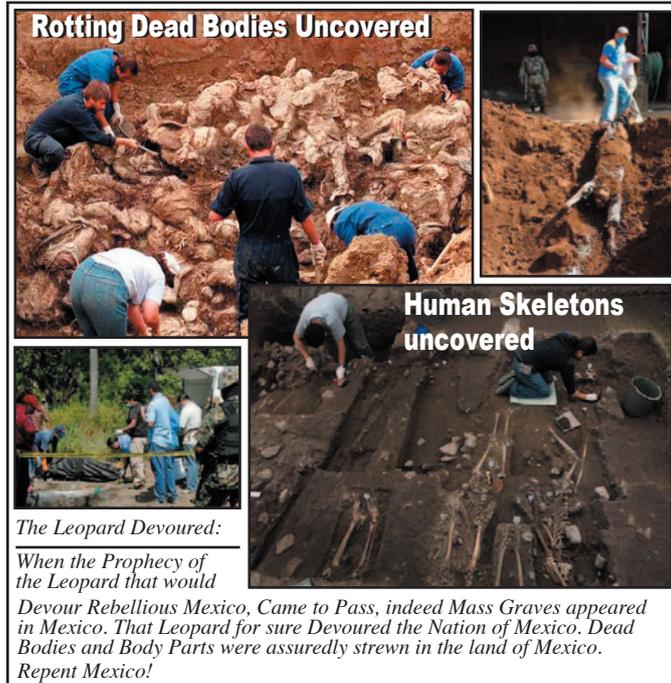

pronouncing the following words;  
**‘And this nation shall for sure know that the LORD GOD Almighty has Spoken and that I am His Servant.’**

At that point, I then knew that I had accomplished the will of GOD for this land of Mexico, and that their *repentance* would have to be a must because the LORD had Spoken. The *hair* of my head that the LORD had *shaved* in Monterrey had finally then gone the full circle across the major cities of Mexico including Ciudad Mexico, Puebla, Guadalajara, Oaxaca, Guerrero, Cancun, Acapulco, Xlaxcala, Monterrey, Veracruz, Villa Hermosa, Cholula, including the little rural resorts by the Pacific Ocean.

## Spotlight

**I**t must have surely been in the time of their greatest weakness, that Mexico was assailed by the *fiercest* of temptations in worship. That is the only way in which they could have turned into *devil worship*, *idol worship*, and the *blood sacrifice* of dogs, right in the eyes of JEHOVAH, without anyone in that nation raising a finger. By the time the LORD GOD Almighty had now decided to *shave* my head in that vision, heaven had for sure foreseen that the *petrous* hearts of Mexicans would not easily yield to *repentance*. By causing me to *shave* my head in Monterrey, and blow away the *first batch*, the LORD was essentially Speaking to the nation of Mexico an *ominous* prophecy. In that act, the LORD was saying that in the same way I blew the *shaved hair* of my head, so would He scatter the people of Mexico, in the event that they failed to heed the call to *repentance*. In the same *timbre*, and relating to the *second batch* of my *shaved hair*, that JEHOVAH commanded me to severally and repeatedly stab using a sharp knife, there was much *beheld*. It was as a matter of fact, a very *classic* historic act in which the LORD Spoke a most awful message of *bloodshed* that was coming to Mexico. In that shocking act of *stabbing* my *hair* severally and repeatedly with a sharp knife, the LORD was

virtually implying that in the failure of *repentance* and the continuation of *idol* and *devil worship*, He would be left with no choice, but to butcher the nation of Mexico, and pursue them with His sharp *sword*. The LORD JEHOVAH was essentially handing down a stern *warning* on the horrendous *bloodshed* that would soak the land of Mexico.

*The Leopard Devoured:*  
 When the Prophecy of the Leopard that would Devour Rebellious Mexico, Came to Pass, indeed Mass Graves appeared in Mexico. That Leopard for sure Devoured the Nation of Mexico. Dead Bodies and Body Parts were assuredly strewn in the land of Mexico. Repent Mexico!

As for the *third consignment* of my *shaved hair*, which was subjected to burning at the city square in Puebla, the LORD fundamentally bespoke a *forewarning* on His fire that would set *ablaze* the cities of Mexico. The *smoke* that *smouldered* out of my burning *hair* in the centre of Puebla city, basically *foretold* of the great *smoke* that would *fume* from the cities of Mexico, when the day of His *wrath* finally arrived.

## Perspective

**T**he exact meaning of God *shaving* my head and blowing the *hair* away, in a tremendous *scatter*, could only be perceived by making reference to biblical scriptural *motifs* that touch on that *bizarre deed*. In ancient times, GOD’s covenant people had too suffered such a decay as was now afflicting Mexico. When Israel’s strength was *waning* away, and their *will power* weakened, their faith ceased to *repose* in GOD, in a situation that caused those who

had stood for the covenant, to be totally *overwhelmed*. The whole nation of Israel then fell to *sin*, in a situation that caused enormous *grief* in the heart of the LORD. They were taken into captivity from where the LORD Spoke to His Servant Ezekiel. In one such conversation, the LORD commanded the Prophet Ezekiel to take a blade, *shave* his

head, and blow away his *shaved hair*. It became a *masterpiece* event that *foretold* of the great *mayhem* and *scattering* that the LORD would bring upon the *house of Jacob*. And just as JEHOVAH had portrayed in that prophetic act, so did He bring *mayhem* into Israel and *scatter* the Israelites all over the globe. It became the most horrific episode of GOD’s Judgment yet, by virtue of its greatness in size and scope.

**‘NOW, SON OF MAN, TAKE A SHARP SWORD AND USE IT AS A BARBER’S RAZOR TO SHAVE YOUR HEAD AND YOUR BEARD. Then take a set of scales and divide up the hair. When the days of your siege come to an end, burn A THIRD OF THE HAIR WITH FIRE INSIDE THE CITY. TAKE A THIRD AND STRIKE IT WITH THE SWORD ALL AROUND THE CITY. AND SCATTER A THIRD TO THE WIND. FOR I WILL PURSUE THEM WITH DRAWN SWORD. But take a few strands of hair and tuck them away in the folds of your garment. Again, take a few of these and throw them into the fire and burn them**

up. A fire will spread from there to the whole house of Israel.’ **‘This is what the Sovereign LORD Says: This is Jerusalem, which I have set in the centre of the nations, with countries all around her. Yet in her wickedness, she has rebelled against my laws and decrees more than the nations and countries around her. SHE HAS REJECTED MY LAWS AND HAS NOT FOLLOWED MY DECREES.’** **‘Therefore this is what the Sovereign LORD says: You have been more unruly than the nations around you and have not followed my decrees or kept my laws. You have not even conformed to the standards of the nations around you.’** **‘Therefore this is what the Sovereign LORD says: I myself am against you, Jerusalem, and I WILL INFLICT PUNISHMENT UPON YOU IN THE SIGHT OF THE NATIONS. BECAUSE OF ALL YOUR DETESTABLE IDOLS, I WILL DO TO YOU WHAT I HAVE NEVER DONE BEFORE AND WILL NEVER DO AGAIN. Therefore in your midst fathers will eat their children and children will eat their fathers. I will inflict punishment on you and WILL SCATTER ALL YOUR SURVIVORS TO THE WINDS. Therefore, as surely as I live, declares the Sovereign LORD, because YOU HAVE DEFILED MY SANCTUARY WITH ALL YOUR VILE IMAGES AND DETESTABLE PRACTICES, I myself will withdraw my favour; I will not look on you with pity or spare you. A third of your people will die of the plague or perish by famine inside you; A THIRD WILL FALL BY THE SWORD OUTSIDE YOUR WALL; and a third I will scatter to the winds AND PURSUE WITH DRAWN SWORDS.’** **‘Then my anger will cease and my wrath against them will subside and I will be avenged. And when I have spent my wrath upon them, they will know that I the LORD have Spoken in my ZEL. ‘I will make you a ruin and a reproach among the nations around you, in the sight of all who pass by. YOU WILL BE A REPROACH AND A TAUNT, A WARNING AND AN OBJECT OF**

HORROR TO THE NATIONS AROUND YOU when I inflict punishment on you in anger and in wrath and with stinging rebuke. I the LORD have Spoken. When I shoot at you with my deadly and destructive arrows of famine, I will shoot to destroy you. I will bring more and more famine upon you and cut off your supply of food. I will send famine and wild beasts against you, and they will leave you childless. Plague and BLOODSHED will sweep through you, and I will bring THE SWORD against you. I the LORD have Spoken.' (Ezekiel 5:1-17).

### Engaging Pastors

**O**bstinate clergy in the house of the LORD can prove to be such a liability unto the whole nation. Nevertheless, following the action of shaving my head and beard, I immediately talked with the pastors in Monterrey, and nullified all the preaching engagements I had earlier committed to, in that city. I recounted to them that the LORD the GOD of heaven had Spoken about the land of Mexico, in *definitive* terms. I then left as commanded by the LORD, towards the Southern city of San Luis Potosi, at which the LORD had shown me in a dream, that He would prepare two people to receive me. This, to the LORD was considered very instrumental since my Spaniol was still very raw. And sure enough, when I took a bus from Monterrey and 'went south' as I had been duly commanded, upon arrival at the bus station in San Luis Potosi, I indeed met the two people I had seen in the dream, and who could speak both Spaniol and English. Upon encountering them, these two asked me, 'how can we help you?' It was then that they assisted me to purchase the next ticket that took me all the way to Veracruz until Chiappas and Tapachula. At every station, I announced that the LORD had now Spoken and the nation of Mexico now needed to *repent*. Upon hearing this kind of utterance, many pastors began to converge around me asking, 'What kind of sayings are these?' In response,

I asserted to them that indeed the LORD had now Spoken to the nation of Mexico and commanded *repentance* from all sin including the most abhorrible worship of *satanic blood sacrifices*. This most critical message and forewarning of Mexico was delivered in every church that the LORD brought me into, including Baptist, Presbyterian and Pentecostal churches. No one can claim *ignorance* on this *forewarning*. The Spirit of the LORD then led me to leave, but this time around the voice said,

**'Go north'**

Little did I know that the LORD GOD was indeed causing me to criss-cross the entire nation of Mexico all the way into the city of Puebla, Acapulco, Cancun, Gurrerero, Oaxaca, Puerto Escondido, Ciudad Mexico, Acapulco, Tlaxcala, Via Hermosa, among other cities.

did the LORD *stay* the *judgment* of mankind when Christ Jesus was offered on the cross at *Calvary*. This became the biggest *feat* and mystery of *repentance* that *eternally* set mankind *free* from the *gallows* of death. It also opened up the biggest *portal* from heaven, ever availed to the church for her entry into the *marriage supper* of the Lamb. Such a gesture has now become the biggest *channel* through which the Holy Spirit of GOD can visit the church. By this accord, the LORD used this platform to send me to Puebla to take the message of *repentance* that they may turn away from *sin* and *prepare the way* for the coming of the *Messiah*. Once in Puebla, then the LORD began to Speak to me in mighty visions about the spiritual condition of that city and its environs. As I checked into one of the guest houses in Puebla,

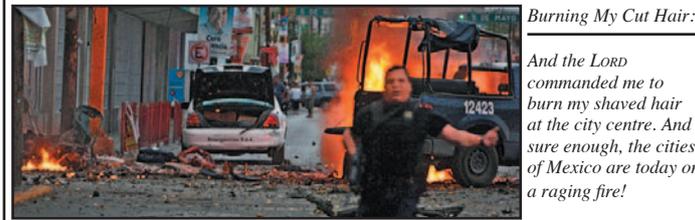

being worshipped. Central and most *grievous* in that conversation, was the fact that these *statues* were being worshipped by multitudes of Mexicans, of all walks of life, rich and poor, learned and ignorant. If there was any place at which it can be rightly put, that *parleying* with the enemy accords him *entrenchment* into every fibre of our livelihood, then this was it. This is due to the fact that the loading of churches with overbearing *statues* without anyone daring to raise a *hue and cry*, indeed serves as a great *indictment* to the manner in which the devil was given leeway into the Mexican lifestyle.

### Detestable Idols of Mexico

**I**n that vision on my first night in Puebla, the Spirit of the LORD lifted me up and gave me a quick tour of the spiritual condition of Puebla. The LORD took me at once in that vision, and I suddenly found myself walking along the main street of Puebla city. As I continued walking down the main street, I realized that the road slopped a bit and then climbed up on a little hill. It was then that I noticed that right before me was a huge catholic Cathedral. That Cathedral was so classic that it actually became the landmark in town. Once JEHOVAH the GOD of Israel was rest assured that He had gotten my full focus and attention on that Cathedral, then all of a sudden, the mighty *unparalleled* Voice of the LORD GOD ALMIGHTY Spoke up in this vision Saying,

**'Look up there.'**

In a flash of a moment, I found myself looking up towards the Cathedral, and right up above the Cathedral, I saw a humongous *statue* that stood on the roof. The *statue* I saw was that of what looked like a woman, sculptured and moulded to build a huge structure. The painting on that statue was dirty darkish brown in colour, as it stood right on top of the roof of that Cathedral. It was while I was caught up in the scrutiny of this landmark statue, on the roof, that all of a sudden again, the overwhelming Voice of

Burning My Cut Hair:

And the LORD commanded me to burn my shaved hair at the city centre. And sure enough, the cities of Mexico are today on a raging fire!

### City of Puebla: Sacrificing Dogs

**W**hen GOD Almighty sent an angel to *halt* the hand of Abraham from *sacrificing* his *promise* son Isaac, so

the LORD Spoke with me that night regarding the heavy and *gory* *idolatry* in that city. Despite the fact that in that guest house, we were clumped six persons per room, the LORD faithfully visited with me and Spoke to me very mightily about the heavy *statues* that not only crowded Puebla, but were also

the LORD Spoke with a wrathful rage saying,

**“Aha! Repent Repent  
Aha! Repent Repent.”**

Then I was very shocked at these holy sayings of the LORD. For a moment, I was very confused as to why the LORD Said **“Aha!”**, as He commanded for *repentance*. The LORD then took me all across Mexico and showed me how churches were littered with abominable *statues*, thereby *defiling* the whole land with *idol worship*. After that, the LORD showed me the great *sexual sin* that Puebla sunk in, including *homosexuality, lesbianism, prostitution*, name it. Nevertheless, strengthened with the memory of the voice of the LORD that Said **“Aha!”**, I began to realize that in saying **“Aha!”**, it was as though the LORD was implying that He had been watching the Mexicans in their most defiling *idol worship* and was simply waiting for an opportunity to catch them in the act. It is common practice to see churches in Mexico highlighted by statues of a virgin that is worshipped. That virgin whose statue and image is highly worshipped is called *Guadalupe*. It is a widescale form of *idol worship* to the extent that even on the hills and mountains the statues of that Mexican woman are well adorned. In this way, *idol worship* in Mexico took on a new height since they

worship a Mexican virgin. In the bible, when the LORD used the phrase **“Aha!”**, it was in a moment at which He expressed utmost disgust over the idol worship in Israel. Israel had raised for herself high places on the mountain tops, and mountain slopes. Therefore, when the LORD Said **“Aha!”**, to Israel, it was in reference to the high places which had been raised on the mountain tops. Essentially, it represented an admonition on the

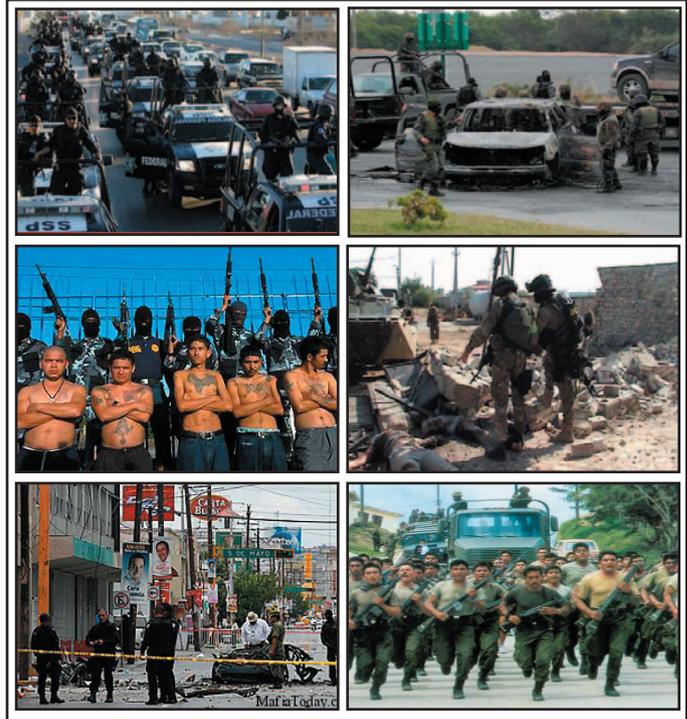

mountains of Israel and a prophecy against them.

“Son of man, prophesy to the mountains of Israel and say, ‘Mountains of Israel, hear the word of the LORD. <sup>2</sup>This is what the Sovereign LORD says: The enemy said of you, **“Aha!”** The ancient heights have become our possession.’” <sup>3</sup>Therefore prophesy and say, ‘This is what the Sovereign LORD says: Because they ravaged and crushed you from every side so that you became the possession of the rest of the nations and the object of people’s malicious talk and slander, <sup>4</sup>therefore, mountains of Israel, hear the word of the Sovereign LORD: This is what the Sovereign LORD says to the mountains and hills, to the ravines and valleys, to the desolate ruins and the deserted towns that have been plundered and ridiculed by the rest of the nations around you (Ezekiel 36:1-4).

Likewise in Mexico, when the LORD said **Aha!** He indeed came up against all the high places that have been raised on the mountains of Mexico. It was a prophecy on the sword of GOD coming against the mountains on which *Guadalupe* and satan were being worshipped.

**Vision of blood Sacrifices Under The Cathedral**

**N**ot without a struggle could the LORD Jesus listen in silence to the arch deceiver in the wilderness, when that old liar wanted the Son of GOD to prove His Divinity (*Matthew 4:1-11*). In the same way, the LORD GOD Almighty in heaven must have painstakingly decided to present to me a horrific vision of *blood sacrifices* offered in some of the Mexican churches. In that *wilderness* of prayer and fasting, the LORD Jesus did not concede to satan, to explain the reason for His fasting and travail. Contrarily by conceding to the demands of the devil in offering *blood sacrifices* in the sanctuary of the LORD, nothing

for the good of man or the glory of GOD would be gained in that form of Mexican worship. When the churches in Mexico complied with the suggestion of the enemy, satan indeed turned their christian evidence to worthlessness. In that vision, the LORD took me into one of the main Cathedrals in the city of Puebla, and showed me the basement chambers. While there, the Voice of the LORD Said,

**‘Come And See The Detestable Thing These People Do.’**

While at the basement of that Cathedral, I witnessed a major blood sacrifice that was ongoing, as the worship went on above, inside the Cathedral. The kind of blood sacrifice that was underway was that of white dogs that were being slaughtered as an offering to the devil! I then saw the priests of that sacrifice touch the hair of the slaughtered dogs as they said words that I could not hear in that vision. As all these went on, worship was peaking in the church. I saw that the worship team were wearing long purple robes with white flappy collars. I then immediately woke up to the reality of a great shock! It suddenly dawned on me that in some of Mexico’s major Cathedrals, the worshipping of JEHOVAH has been

mingled with *satanic blood sacrifices* of dogs. What an abomination! I then began to ask Mexico to repent from those detestable acts, and prepare the way for the coming of the *Messiah*.

**THE CASE OF KENYA:  
The LORD Shaves My Head & Beard Again**

**W**ith the words, “This is My beloved Son, in whom I am well pleased”, the LORD Jesus baptized the nations of the earth into the heavenly kingdom of His Father. It is a sacred *baptism* that required of man a strict adherence to the narrow pathway of *righteousness*, that their lives may be *pleasing* to GOD Almighty. A failure to observe this love that the Jordan *baptism* decreed can only attract the *wrath* of GOD. So has been the case with the nation of Kenya, when the LORD was finally provoked to send me there. The church in Kenya had for a long time *wallowed* in the mud of *sin* in a manner that portrayed the outright insinuation of *distrust* on GOD. *Sexual sin* became rampant, as the gospel of prosperity spread its defiling tentacles across the hearts of the believers. False prophecy and open public lying became the order of their messages at the pulpit. Witchcraft and *ad hoc*

sexual immorality had in practical sense pervaded *worship* in the sanctuary. This is what caused the LORD to finally send me to Kenya in the year 2004. It was while on that Kenya mission that the LORD Spoke with me in a mighty vision. In that vision, I saw the mighty Outstretched Hand of the LORD *shave* my head and beard, and collect all the hair including the smallest of strands. Further to that, I saw the LORD placing all the *shaved* hair into my hands. It was then that He blew a portion of my *shaved* hair all across Kenya. Upon waking up from that mighty and dreadful vision of the LORD, I immediately realized that JEHOVAH had Spoken a very stern *warning* on Kenya. I then

proceeded as instructed and cut all the *hair* off my head and beard. I proceeded on to plead with the LORD to bring revival in the land of Kenya, and give them a chance to *repent* before the wrath. I collected all the hair that I *shaved*

in Kenya and tied it using a specific piece of cloth and kept it to me. In the process, I pleaded with the LORD to bring *revival* to Kenya. That is what has sustained this nation since then. The LORD eventually unleashed a fierce *revival* over the land of Kenya with literally millions upon millions *repenting* from their sins and *returning* to the LORD. It sparked off the most historic *revival* in recorded history. I did not *blow* my *hair* to the winds, and neither did I *stab* it with a sharp knife, nor did I set it on *fire* at the city centre in Nairobi. Until now, all my cut hair has been kept away. The question then becomes, will the LORD ever *relent*

and totally *forgive* Kenya, without the observance of an all out 3-day national *repentance*? Will the LORD ever ask me to retrieve my *shaved* hair and do with it according to Ezekiel 5:1-17? The answer to all these questions are beheld in the hearts of the Kenyans, to *repent* or not to repent. But as for now, the global community has witnessed millions upon millions of Kenyans *repenting* and *returning* to Jesus Christ of Nazareth as LORD and Saviour. In fact, Kenya stands out as one single country that has branched out on a big national mission to *prepare the way* for the Coming of the *Messiah*.

## Human Sacrifice in Cholula

### WHY THE LORD SENT ME THERE

**C**holula is a very unique neighbourhood that is adjacent to the city of Puebla in Mexico. This community thrives from its tourist attraction that purely centres on the Pyramid that was constructed at that site many centuries ago. However, in her quest for *uniqueness*, this Cholula community has also come to be known for its blatant practice of open raw *witchcraft* and nasty *blood sacrifices*. In the course of time, the Cholula Pyramids have turned into a major attraction of witches of all sorts and kinds, in their *satanic worship*. This was hence crowned with one major day in a year, at which the chief witches would gather and perform their *satanic rituals* in the eyes of huge multitudes. That particular day was commemorated as a holiday in that community and setting. But the *highlight* of the Cholula *satanic worship* festival have always been that moment at which *human sacrifices* would be offered at the altar.

*Human sacrifice* has been practised for many centuries in Mexico, and persists on, especially in traditional

communities such as Cholula. However, it is particularly this Cholula sacrifice that has really taken this ritual to new heights in Mexico. By some accounts, it is estimated that over the years, thousands of people have been *offered* to the devil in this *heinous* act of *human sacrifice*. Even though

**GUADALUPE:** The detestable idol worshipped in Mexico. This is what provoked the current rage and wrath of God over Mexico.

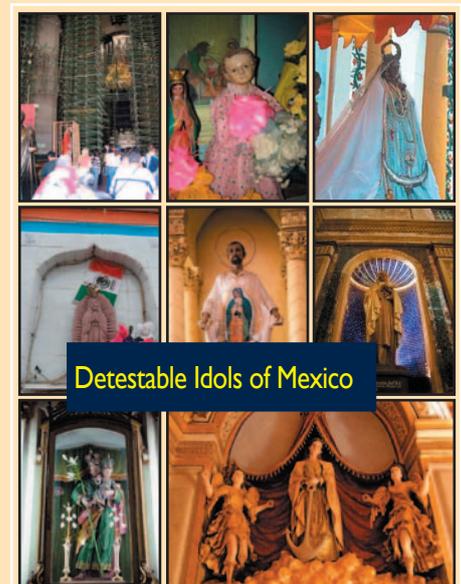

in the past, the numbers of humans offered per year were outrageously high in Mexico, the mere fact that till today that ritual persists, constitutes a very *grievous* abomination before the LORD GOD Almighty.

**HUMAN SACRIFICE:** A Gory Ritual That Persists On Todate In Mexico

### Highlight

The history of *human sacrifice* at the Cholula Pyramid has it that, an 18-month cycle was observed every year, with each cycle claiming its own ceremony of that *satanic* ritual of *human sacrifice*. One aspect of this *human sacrifice* ritual that has not changed over the years though, is the fact that even todote, the victim has to be painted as a part of the *ritual*, then placed on a slab. Once laid on the slab, the victims' hearts are always removed

**Detestable Idols of Mexico**

**The Abominable Idols That Provoked The Extreme Wrath Of JEHOVAH GOD In Heaven, Against The Nation Of Mexico.**

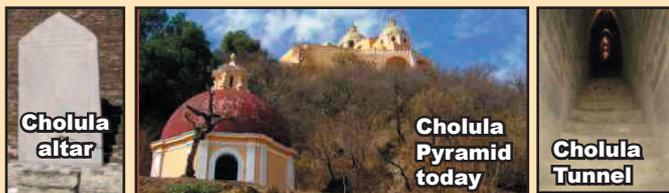

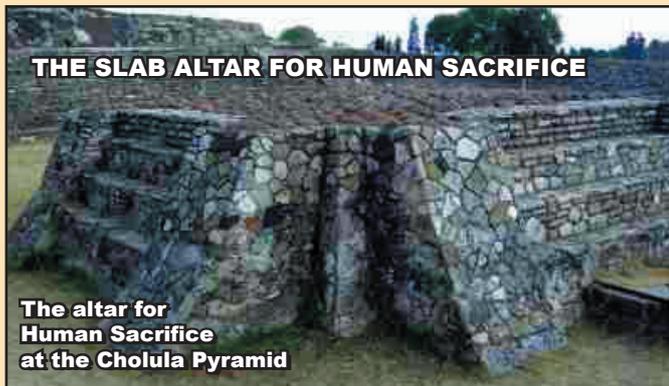

PROSTITUTION IN THE HOUSE - VILE IDOLS INSIDE MEXICAN CHURCH;  
Mexico at the Height Her Prostitution, This Is How She Worshipped. And By Placing Such Abominable Statues & Images In The Sanctuary Of The LORD, She Provoked The UnQuenchable Wrath Of God Almighty. How On Earth Can The Church Place Statues! Some Horizontal & Other Vertical, & Then Call It The Worshipping Of JEHOVAH?

and held up to the sun. However, the only point of departure from the practice of old, is the fact that whereas the bodies of victims would be thrown down the stairs of that monster pyramid, today the bodies are set on fire as burnt offering to satan. This burning of the victims' bodies are often done while they

## Repentance

It is most disturbing to learn that this cruel and evil ritual of human sacrifice did not only involve adult victims, but also saw children being sacrificed to satan. It is an event that pathetically always attracted multitudes of people from all

still lie on the altar of sacrifice. In as much as this act is today proscribed by the authorities in Mexico, it still exists as a major spiritual expediency. Across Mexico, there are other ways in which humans are still being sacrificed in a ritual to the devil. Nonetheless, across the communities that still practice this despicable ritual of human sacrifice, the object and driving force in that society, still remains the fact that this people must be offered as food to their gods.

walks of life in the Mexican society. However, when the fullness of time came for the LORD GOD Almighty to prepare the way for the coming of the Messiah, He began to demand responsibility over man's actions. That is the reason the LORD sent me to Cholula, in order to proclaim a massive national repentance from sins, and especially that of human sacrifice. It is as though GOD's requirements over man's conduct took a definitive quantum leap, as He reproves the land.

<sup>30</sup>In the past God overlooked such ignorance, but now he commands all people everywhere to repent. <sup>31</sup>For he has set a day when he will judge the world with justice by the man he has appointed. He has given proof of this to everyone by raising him from the dead." (Acts 17:30-31).

By every word that proceeded out of His Mouth, the LORD eventually led me into the Cholula community in Mexico. While there, JEHOVAH decreed the need for the Cholula community to repent and turn away from the wickedness that had pervaded every structure of their lifestyle. Among the wicked acts that the people in Cholula had engaged in, was the heinous practice of raw witchcraft for purposes of bewitching and even ruining people's life unto death. Witchcraft in Cholula developed to the extent that every other household required some evil spirits in order to sustain their existential needs. When people fell sick, witches were consulted and witchcraft was practised. The profanity of it all, was well evidenced in the fact that ultimately witchcraft failed to not only offer a solution to their livelihood, but also offer any improvement to their lifestyle, whatsoever. As goes the saying, 'birds of the same feathers flock together', so it was in Cholula when the practise of witchcraft indeed exacerbated a dispiriting form of sexual immorality. What particularly stood out during that Cholula mission is that the LORD demanded a total clean-up of witchcraft from their homes. Accompanied by my host pastor, I then began a mighty clean-up program called, 'Limpia tu Casa', which in Spanish means 'clean up your homes'. It is a program that saw hundreds of households bring out their witchcraft paraphernalia and surrender them at one central location. I then set the concoction of witchcraft on fire in an event that should have marked the onset of a total Cholula clean up, had GOD

gotten a committed partner in Mexico. Oaxaca state in Mexico equally suffered the horrendous wounds of witchcraft and sexual immorality. Chiappas too wasn't left behind in the quest to anchor witchcraft as a source of man's livelihood and protection. And the list goes on and on. This narrative of the state of the affair in Mexico, can only help to emphasize on the reason as to why a bitter row developed between that land and JEHOVAH GOD. While trotting across the entire Mexico, one phrase for sure never departed my lips, 'Repent Mexico, and prepare the way for the coming of the Messiah.' While making this pronouncement, the Spirit of the LORD did not fall short of perpetually reminding me to assert to Mexico that a failure to repent would indeed attract the wrathful sword of God. That became the prophecy of the bloodshed that was to come on Mexico. The tragedy of rejecting repentance then became Mexico's calamity and undoing that the nations so reproach todate on her countenance. And the sharp sword of GOD Almighty indeed butchered the land of Mexico. Blood has since then soaked the soil of Mexico as the majority of people flee to other nations across the earth. The situation in Mexico has since then gotten so bad that the authorities are in a state of near-defeat. As were my uttered words in that meeting at the Puebla gymnasium, so was it when all hell broke loose in Mexico. I had earnestly promised Mexico that when this prophecy of the sword of GOD would come to pass, and begin to butcher the land, then they would for sure know that the Prophet of the LORD had walked among them. And today, Mexico knows it too well that the Prophet of the LORD, indeed walked that land.

**"Look, I come like a thief! Blessed is the one who stays awake and remains clothed, so as not to go naked and be shamefully exposed." (Rev 16:15)**

# Pale Horse Released In Egypt

**THE MIGHTY JULY 29th, 2009 VISION:**  
Its Shocking Fulfilment In The **Full Glare Of Global Media**

## JULY 29th, 2009 VISION FULFILLED

In the hope of arriving at an *awakened* church, GOD Almighty in heaven dispatched to the earth a *deputation* of *horsemen* that would stir up the bases of humanity's lifestyle, and cause them to rethink their course. Since this delegation of well prophesied first, second and third apocalyptic *horsemen* approached the earth, they have indeed shaken the life of mankind to the core. In doing so, these first three *horsemen* of the apocalypse, namely white (the first *horseman*), red (the second *horseman*), and black (the third *horsemen*), expressed an air of profound authority that was not designed to impress mankind, but to command the difference between GOD's requirements and man's *haughtiness*. Yet their preaching to the inhabitants of the earth has now become the direct biblical announcement of the Coming *Messiah!* It was in this very context that on July 29, 2009, while at the airport in Johannesburg in South Africa, The LORD of Hosts Spoke with me regarding the coming of the *pale horse*. It was on that day, as I awaited the trans-atlantic connecting flight, that I fell asleep on the airport floor and within the milieu of its busyness, I saw the vision of the LORD concerning the Rider of the *pale horse*. In that Tremendous vision, the Voice of The LORD Spoke from heaven saying,

"Look and See  
WHO is Coming."

Already shaken by the enormity of The Voice Of The LORD in that vision, in a great panic I immediately turned left and saw a *humongous, gigantum* horse that was coming with such a ferocious wrath towards the earth. The impunity of his advent

was very obvious as it was well demonstrated in the most revered *rage* of his *pacing*. Firstly, it was his sheer size that stunned me beyond description in that vision. And secondly, it was the cruelty of his mean appearance and demeanour that struck me speechless, with a deathly awe. At this point in that vision, I was already beginning to well perceive that indeed this is the fiercest of the four *horsemen*. Within that vision, it was already becoming a very serious issue on how to maintain my composure,

Tunisia Riots

and yet still be able to tap on this most crucial message the LORD was conveying to the earth. It was in that *nick* of time that finally the LORD drew the *pale horse* with his rider very close to me. With the

Protests in Egypt, Tahrir Square. The Pale Horse of the apocalypse was shockingly released at the height of these protests here in Cairo. The

Pale Horseman stunned the nations of the earth when he, all of a sudden, appeared right at the centre of global news television cameras. This appears to have been a deliberate move by JEHOVAH GOD to ensure that everyone across the earth lays sight on him. In that way, the nations will be aware

movement of respect and almost of fear, I stood on his way causing him to come to a complete stop right in front of me.

## Radiant Face

The magnitude of this gravity though did not dawn until that very moment when the LORD of Hosts commanded me to touch his face (the *pale horse*). In placing my hand on his face I noticed two major features that conspicuously stood out. Primarily, he, the *pale horse*, and his rider, presented like the great ancestral men, in their rich robes, in the pride of their ranks and the powers of their reign, as when they stood to provoke the awe that they indeed held. Moreover, it would have been more difficult to lose sight of the great radiance of the glory that was about his face. This fourth *horseman* of the apocalypse sported splendid patches of brilliant glory that directly radiated from his *vicious* face onto his surrounding domain. It was with such command that he without a doubt, took charge of the area of his jurisdiction. In that monumental vision, as I continued to touch his over-bearing and totally domineering face, it was then that

I realized that the glorious patches on his face were as a matter of fact in round clusters that totally *engrossed* and lit up the fury of his *visage*. Still totally caught up in this grand standing and impediment with this *horseman* in the vision, I then began to clearly see his eyes lighting through that over-powering glory of his face. It was the scrutiny of the *keenness* with which I noticed that he eyed me, that caused me to now perceive the enormity of his sending. The super courageousness that this *pale horse* exuberantly exuded was greatly enhanced by the adorning glory that consequently lit up the straight long hair of his cheeks. In this vision, I then realized that this is when heaven indeed bore witness to his discharge.

## His Long Mane

In what clearly displayed a *hardened* and *darkened* heart, the rider of the *pale horse* in this mighty prophetic vision,

orchestrated his horse to display a unique feature that is out of this planet concerning horses as we know them. This fourth *horseman* of the apocalypse caused his horse to display its long outstretched *mane* right in front of me. The act of stretching this long unique *mane* appears to have been a great demonstration of his supernatural might, and power. It equally relayed

Riots in Tunisia

a message of his accumulated thrust that would eventually have to be unleashed upon his flash release, one day. The *mane* I saw in this stunning vision was assuredly and extremely glorious, therefore forming a very distinctive feature of this apocalyptic horse. What particularly became most baffling is the *accordion* role that the *mane* seemed to play in synchrony with the discharge of this *horseman's* appointed duties. The long mane that the *pale horse* spotted unmistakably articulately underscores the thriftiness and swiftness with which he is meant to operate, both in the physical and spiritual *realm*. In his appointed role, this *angel of Death* appears to have been delegated with speed and precision, both of which functions the mane reserves key role. In this vision, I could not help but notice the duo functional role that the mane critically plays. It emerged very clearly that in the most threshold moments right before dispatch, the *pale horse* would charge up his mane causing him to accumulate both a *mechanical advantage* and *momentum* with which to thrust out at a supernatural pace. This I witnessed as the mane became very crucial in generating a muscular strength and push by working the air around the horse in order to create a positive pressure that *catapulted* his velocity. In the spiritual realm, this implies that his awful effects of death upon the earth, is supposed to be achievable in the shortest possible time. Secondly, in that perplexing July vision, it became vividly clear that the outstretched

mane essentially derived its structural support from the gigantic shoulder muscles of this enormous apocalyptic *pale horse*. In that way, the mane also functionally denoted the wings of this shocking horse of the endtime. I could then easily envisage how at high velocities this *mane* practically can help the *horseman* to fly over rivers and get to its target territory. The spiritual message therefrom, becomes the added supernatural ability with which this fierce *horseman* can gain more ground on the earth, and do greater exploits within a relatively very short time span.

Venezuela, Puerto Ordaz:  
The Servant of the LORD demonstrating the mane of the pale horse at a Pastors' Conference.

## His Furious Rider

With the ears of the *pale horse* straightened and raised up, the Spirit of The LORD then led me to pay particular attention to the rider of this *ferocious* heavenly beast. Suddenly, as the glance of this fourth *horseman's* eyes swept over me, his glare kindled an incredible form of evil that eyes had never been turned to, nor had ears even listened to. Such was the impunity with which he would come to encounter mankind, upon the fullness of his time. A severe prophetic utterance was at this time *beholding!* Of particular interest though were the sharpness of his eyes and the fact that they presented such an unmatched scrutiny that swept through like a *searchlight*. A total scan of his face is what would send agonizing chills down ones spine. This look of *terror* owed its sting from the bizarre tear-like bloody strips of markings that ran down his cheeks in a near vampire or ghostly presentation. While with these *bizarre* observations, one would easily run into a state of near

denial, but that the countenance of the rider of this *pale horse* had deeper meaning on death oncoming, is an argument no one can ever easily *gainsay*. During the moments that followed, when the privilege availed in this vision, the LORD GOD then permitted me the grace with which to look slightly above his most dreadful eyes. It was at that very instance that I was hence able to observe the manner in which the rider of this apocalyptic *horse* had well covered, and fully-draped himself with a *shawl*. The *shawl* with which the rider of this *pale horse* covered himself terminated at his forehead as it was held in position by two well rolled strings of knit cloth. Each knitting was carefully consigned to ring around his head, thereby exposing only a minimal area of his face. This in the vision, alluded to his desire to maintain a bizarre obscurity towards mankind. Probably, this attribute of this fourth *horseman* of revelation can be directly linked to the fact that he does not well relate with the realm of the living, being entirely confined to the agency of the dead. His name is *DEATH* and he takes away the living into the dominion of the *DEAD* (hell). The *shawl* that this deadly fourth *horseman* adorned, appeared to have been deliberately designed in such a way that it was well tucked in between the two rings of light bundles, to the extent that this rider of the *pale horse* in earnest portrayed his great eager of *readiness* to encounter the earth's *headwinds* at *take-off*. It is the length and breadth of this heavenly conversation with the LORD that spoke it all on the gravity of the *pale horseman* and his

Brisbane, Australia:  
The Prophet of the LORD brought the message of the pale horse.

consequent coming. At this place in the vision, a moment came when the LORD intended that the rider of the *pale horse* enact the process of his release in a manner that would convey extreme urgency to this prophecy. Then the Spirit of The LORD swiftly lifted me back to the earth in a flash second, and I found myself standing. All this happened while I was still in that shocking vision of GOD Almighty. It was then that, while still in this vision, I saw the rider of this *pale horse* of the apocalypse, this time pacing his way towards the earth. As he swiftly galloped down the sky, this nasty fourth *horseman* moved with lightning speed to the extent that I, all of a sudden realized

Primarily, the pale horse, and his rider, presented like the great ancestral men, in their rich robes, in the pride of their ranks and the powers of their reign, as when they stood to provoke the awe that they indeed beheld.

Bhusan, South Korea:  
The Prophet of the LORD took the noble message of the pale horse.

the prominence of his arrival on the earth. It was upon the cruelty of his advent on the earth, that I quickly noticed his overwhelming impact upon humanity, even as he galloped from one rooftop to another. At that time, I saw the *fear* and *terror* of his visitation grip the entire humanity. Considering his *conscripted* tomblike countenance of some portions of his face in putrefied decay, it then indeed became an utmost stern event to behold.

## Church Sighted Inside Heaven

As all these spiritually hefty events unfolded right before the Throne of God in heaven, a totally new scenario was again beginning to rapidly roll out. After witnessing the entire course of the actions of this deathly *pale horseman*, the Spirit of the

LORD took me back into heaven in this apocalyptic vision. This time around, I found myself again standing right before the Mighty Throne of GOD Almighty in heaven. It was then that the LORD *graced* my eyes further to witness the church

In Mombasa, Kenya:  
The Man of God taught at depth on the coming of the Pale Horse.

of Christ just at the instance of her entry into the kingdom of God. They had just been *raptured* into the kingdom of GOD Almighty as the cloud of His glory lifted them off the surface of the earth, and closed the entrance into heaven. This presented an indescribable spectacular moment of all lifetime combined. Following this startling observation in heaven, I must say that the Saviour's presence was indeed on that day revealed through eternal *peace, joy, comfort, courage* and everlasting  *blessings*.

Charter Hall, Nairobi, Kenya:  
Again the Servant of the LORD described the mane of the pale horse.

With awe and wonder I gazed upon that church of Christ who had just been *raptured* into the kingdom of GOD, with such *adoration* and *sense* of heavenly purpose. One awesome thing that clearly towered high in this endtime vision of the gathered saints, was that being taken up into heaven by the LORD had seen their countenance totally *transfigured* into the *light* of heaven. In their glamorous dressing and bearing, there was indeed nothing at all that *betokened* sin on that day. However, it became evident that this heavenly bride had just taken her rightful *appanage* in the kingdom of God.

The most distinguished sight and melody then followed, and totally consumed the entire expanse of heaven, when those *raptured* saints began to *effervently* worship the Lamb of God and HE that Sat on the Mighty Throne. To say the least, the amount of joy that animated among the *raptured* church on that day, directly apportioned to the gospel having successfully achieved its desired end by victoriously bringing down every mountain and hill, and exalting every valley of their hearts. Imaginations and every high thing that had earlier exalted itself above the *wisdom* of God's grace, had indeed on that day been cast down with their every thought being brought into the directly captivity of solemn *obedience* to Christ. This state of affair was extensively happening among these heavenly saints. The holy church that I was privileged to observe at the *wedding feast* of the Lamb, astoundingly exhibited an enormous glory upon their being and gowns. This caused the *reading* of the glory from the gowns of these precious saints, to unmistakably radiate the exuberance of holy flashes of *light* in all directions. Put together, sweet unparalleled worship of melody, continued to saturate the expanse of God's heaven. When I looked there, I saw that the Lamb of God was on that day being glorified by the minute. As that historic worship peaked, it developed into a high worship of historic adoration, with such an ambience of extreme *joy* that *throbbed* their hearts, in a true *sign* and *wonder* of this momentous

age. Such a *sign* and *wonder* of *joy* unspeakable, consumed the saints in heaven, particularly owing to their eminent defeat of death. It was a process that had just been shortly realized over their lives, at *rapture*. One could not escape noticing the sense of accomplishment with which this glorious worship before the Lamb of God, *healed* the sighing of their hearts. In this vision, I further realized that as this beloved heavenly church continued to worship, it vividly emerged that they *endeared* lifting up their holy hands, in a synchronized *crescendo*

the heart of God. Moreover, with every occasion that this group had to worship the Lamb, they seemed to effortlessly sway from one direction to another, with their hearts permanently glued to the Lamb that is seated on the Throne. It presented as though the long awaited dispensation at which no further distraction would steal their hearts away from their Redeemer,

of light, as though myriads of lightning was abound. The nearest synthesis of this heavenly phenomenon into our physical realm could be just to the meagre fraction equitable to thousands of camera flashes splashing in tandem at one go. It was such a *blinding* and *glamorous* happening that heaven beheld upon the church on that honorable day. In their heart of hearts, the true *revelation* of being created in the image and likeness of God Almighty in heaven, had on that day finally come for this precious saints (Gen 1:26). It was hence at the tail-end of this magnificent segment of that July 29, 2009 vision, when I got awe-struck at how two distinctively very different and opposite events could occur together in one vision. Upon waking up, I realized that I had been at the airport in Johannesburg, and that these two extremely antagonistic endtime events in one vision, was very revealing. Prudence has it that the presentation of these two extremely antagonistic events in one vision, directly points to their being very related in the timing of their occurrence. Verily, Verily, on that day, God Almighty clearly presented unto mankind the choice between life and death, joy and suffering, worship and yelling, comfort and terror, and ultimately heaven and hell.

Prudence has it that the presentation of these two extremely antagonistic events in one vision, directly points to their being very related in the timing of their occurrence.

that befitted their feat. It greatly bespoke a unison of faithful purpose that highly registered in

had finally dawned. However, with every sway, I saw their glorious gowns emit marvellous flashes

# The Horseman of Death

## Three seals prepare his way

### Introduction

2And Pharaoh said, Who is the LORD, that I should obey his voice to let Israel go? I know not the LORD, neither will I let Israel go (Ex 5:2)

**W**hen the king of Egypt chose to engage in a bitter *contestation* with Moses regarding Israel's freedom, never did the slightest of thought *wink* his mind that Egypt would in her *sunset* days, come to symbolize the endtime *wrath* of God. And never was it ever envisaged of, the horrific form that God's

*wrath* would assume in the last days, upon the face of this aging earth. In spite of possessing the highest technology then, ancient Egypt had to come *face to face* with the full-blown *wrath* of God owing to their profane *secularism* and *idol worship*. That Egypt was not spared the fullness of the fury of JEHOVAH, indeed goes a long way to underscore just how much heaven cannot tolerate the *heathenism* of man's *heedlessness* and *lawlessness*. Today we can, with certainty, say that when JEHOVAH struck the land of Egypt in those ancient of days, it certainly registered the *catalogue* of God's

most revered *fury*. Courtesy of the August 19, 2008 vision of the discharge of the black *horseman*, the corresponding fulfilment of that prophecy on global economic *melt-down*, is what remarkably shook the earth's core. Upon his release, this third *horseman* from heaven literary crashed the global financial order from west to east, and north to south. When the first spiritual *horseman* of the apocalypse prided himself as '*bent on conquest*', it was very stunning to witness this third *horseman* do the actual conquering of the entire global financial systems.

## Black horseman Prepares his way

Humanity had never well perceived that in the *post-modern* world, it would eventually be the events *trailing* the 2008 release of the black horseman, that would paint the *true picture* of God's endtime *wrath* against *sin*. As the third *seal* was broken in heaven, the black horseman galloped from heaven across the ends of the earth, bringing in its wake a historic dispensation of global financial *crunch*. This awful unfolding totally gripped the four ends of the earth with the fear of the *unknown*. It is a situation that quickly grew *ominous* in the west to the extent that unemployment *catapulted* beyond the reach of fiscal planning. Austerity measures then took centre stage worldwide, causing such a *dreadful* sting whose *contagion* swept across the EU, including France, UK, and the US, among other developed economies. However, Greece and Ireland today designate those nations that were not fortunate enough to escape the wrathful *vengeance* of this shrewd horseman, hence succumbing. As the *perils* of the global financial *downturn* persisted on by deeply entrenching themselves into national budgets, credit lines were virtually rendered frozen. In this way, the third horseman of the apocalypse appeared to have had his way in demolishing man's economic defences, a culmination that clearly portrayed his *field day*. Undoubtedly, this is what thoroughly shook humanity from a state of *complacency*, *comfort*, and *slumber*. This awakening did not spare the church either. With such an economic *meltdown* reigning its full *course* upon the major economies, all speculated that the Arab world with its enormous *petrol-dollars*, might escape this menacing *peril*. Nonetheless, it is the *misgivings* with which the Arab world maintained a suspicious tranquillity at the height of such a historic economic turbulence, that drew global interest onto just how far their *resilience* would hold. Even so, when the real moment of reckoning manifested, the whole world was very stunned to realize that it had just been a matter of time before the harsh economic *melancholy* would weigh

down on the Arab world. Hence, the initial attempts by the Arab economies to pronounce immunity was now quickly *dissipating* away, more like a *lull* before the *storm*. As the economic stability across North Africa began *waning* and *dwindling* away, all knew it too well that things were headed south; though no one could envisage the exact manner and form it would take. Aware that he was coming in as the most immediate forerunner to the *fourth horseman* of death, the rider of the *black horse* of the *apocalypse* sustained relentless pressure upon these Arab economies, causing things to finally break loose. This was for all intent and purpose meant to demolish the *backbone* of those nations. To pave way for the coming of the *pale horse* of death, the *black horseman* ensured that the structures which held those nations

To pave way for the coming of the pale horse of death, the black horseman ensured that the structures which held those nations together, were totally demolished. This rendered every household spiritually marked, so that when the angel of death came on his mission of death, he might unleash tragedy.

did not read the *mystery* beyond this economic distress that was now sweeping North Africa. Day after day, people poured into the streets to protest corruption, and gross economic mismanagement. By registering their mighty presence in the streets, the peoples of the Arab nations were essentially enrolling their attestation to the demolishing of the foundations of those economies. This is how the nation of Tunisia finally succumbed to pressure and everything broke loose. Tunisia then became the first casualty of the 'one quart for a day's wages' as the *black horseman* of the apocalypse charged on. The collapse of Tunisia immediately catalysed a *domino-effect* of historic uprising that swept across the entire Arab world. Egypt in her former and present day *supremacy* in that part of the world could not escape the wrath of this *third horseman*. When things began to fall apart, it had been long

*tirade* that had not been experienced in Cairo before. Such a *reformation* as was now shaping, had not been witnessed in the land of Egypt at all. However, this did not come without a price. As a matter of fact, a heavy price was paid to the extent that live gun-fire was the order of the day in Tahrir Square.

## The Angel of Death Released in Egypt

As the protests in Cairo gathered *momentum*, multitudes of relentless Egyptian youth and adults began flocking into the Tahrir Square to *vent* their *anger*, in their millions. With crowds already *charged-up*, things immediately turned more *sour*, causing a *violent* form of bloodshed to visit the streets of Cairo. This *violence* quickly picked up, rapidly transforming itself into a more *hideous* and *ugly* kind, when pro and anti-Mubarak protesters began to engage each other using *petro-bombs* and live *gun-fire* day and night. It was at the height of such *violence* in Cairo that the LORD stunned the entire world in a manner never ever witnessed before. As *petro-bombs* were being hurled from all possible directions by pro-Mubarak supporters, the unemployed despondent protesters equally stepped-up their *rock-throwing* in the Tahrir Square. A heavy pressure had now mounted to the extent that a massive *blood-spilling* profusely covered the streets of Cairo. As this *bloodshed* peaked, with dead bodies of victims littering the streets of Cairo, and the sound of *gun-fire* rumbling across the skies, surely the LORD GOD couldn't have found a better moment to capture the attention of the entire globe. In the fear of re-living the Tianamen Square incident live, almost the entire earth was glued to their television screens watching the events as they unfolded in Egypt. People across the globe wondered whether a special *red-brigade* would be unleashed on the Tahrir Square to cause a most gruesome *massacre* of this age. Of sorts was the anxiety that mounted globally. As all viewers paid attentive scrutiny to the events rolling out of Egypt that night, the

The pale horseman all of a sudden appeared right in front of the global network news cameras, in the midst of Egypt riots, at the Tahrir Square.

together, were totally demolished. This rendered every household spiritually marked, so that when the *angel of death* came on his mission of death, he might unleash tragedy. 'What meaning then, is attached to these protests? Such must have been the question lingering in people's minds as they watched in disbelief, the sudden turn that the global economic distress was taking in the Arab world. But because the nations did not see through the *veil*; they

since Egypt had witnessed an open public *rumpus* of the magnitude that was now shaping up, against the establishment. However, the can of worms did not open until multitudes of unemployed youth who had spent countless hours on *facebook* and *twitter*, began to co-ordinate protests at the Tahrir Square. The *hue and cry* finally exploded resultant from the harsh economic truth of the day. Many people began to pour into the streets with a form of *rage* and

# Crippled boy stuns multitude as he gets up & walks away

Nyeri 2011 Revival

**T**his little boy called Tipis ole Silange was born in the most debilitating form one can ever find themselves in. He was born totally crippled and could not walk for all the 6 years of his life on this planet earth. He could never be able to sit let alone stand up. Since his birth, his parents had surrendered to the fact that their son would never be able to play with other children or grow up normally. However, when the Prophet of the LORD commanded the crippled legs to be strengthened, and that the crippled get

up and walk away at the Mighty Nyeri Revival Meeting; the LORD indeed changed the destiny of ole Silange. JEHOVAH did not only strengthen Ole Silange's weak and crippled legs, but also restored the strength of his waist and back. Little Silange stunned everybody at that Ruringu Stadium when he managed to get up on his own and walk away. To the shock of his parents, Tipis could also stand with one leg and hold it for a very long time! This is the email that stunned and shocked ole Silange's father sent to the Prophet of the LORD, a month plus after his son's historic healing.

*And the Man Of God told him, "Come". And the crippled boy got up and walked towards the Prophet Of The LORD*

GLORY TO GOD IN THE HIGHEST!

AND SILANGE'S FATHER WROTE A THANK YOU EMAIL TO THE MAN OF GOD

**Fri. HEALING THANKSGIVING** Sunday, May 1, 2011

From: "jesuslord fmradio" <jesuslord.fmradio@gmail.com>  
To: "Dr. Oweor" <repentkenya@yahoo.com>

Name: Jack Silange  
Email: jsilange4@yahoo.com  
Message: Thanksgiving

Praise the Lord Prophet of the LORD, I am the father of the boy that God healed at Nyeri who was crippled since birth and I have been assessing my child's healing and I realise that that My Lord had healed him completely. Even More surprising is that, he can lift his leg up as if to kick the ball. He can balance with one leg up! Also he had a severe cough and we were worried that he had TB but since then he is well in the Lord. I still thank God for allowing me & my wife to afford happiness about our son after 6 years and 9 month of crying. And Surely God practically wiped on the altar wiped tears of mama Tipis and me the father with his own garment.

FEATURE STORY

*"What do you want me to do for you?" Jesus asked him (Mark 10:51).*

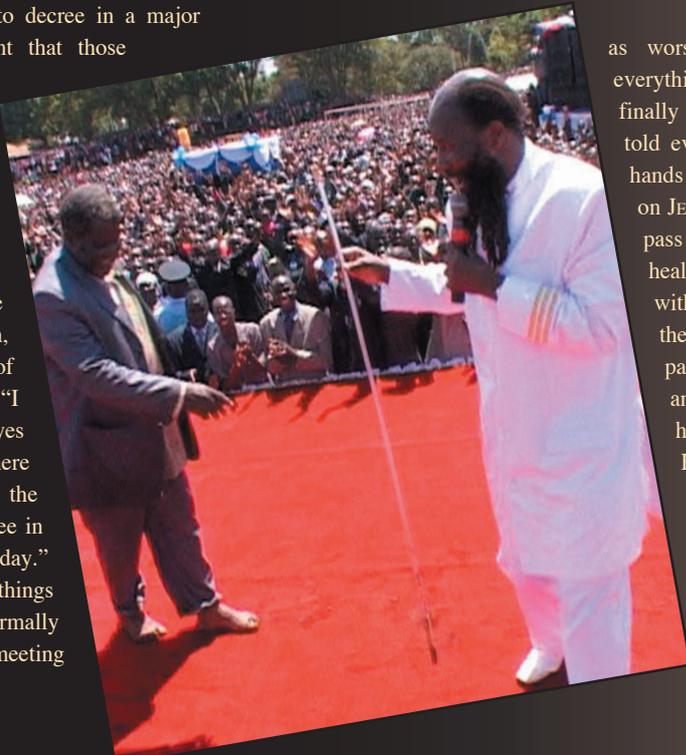

# Totally Blind for 24-yrs Evans Mukanda's Eyes Opened

**T**otally blind for 24-years, Mr. Evans Mukanda had suffered the full course of what it takes to live one's life without sight. In all his life's needs, Evans had to be assisted, be it to take a bath, or to visit the rest-room, or even to get out of his house to any place. Unfortunately, the pain of living without sight can at times take a toll on people's perception of life. It was not until the Prophet of the LORD announced the Nyeri Revival Meeting, that Evans Mukanda perceived a little window of hope. He had faith that what the medical world could not achieve in him, one day the GOD of heaven who created him, might accomplish. Armed with this monumental *faith*, Mr. Mukanda was led using his white cane for the blind, to the Nyeri Stadium, Ruringu. He waited with so much patience for the Man of GOD to arrive into the meeting, and finally he heard that the Prophet of the LORD had walked into the meeting. It was then that the Man of

GOD began to decree in a major announcement that those brought into the stadium totally blind would see on that day. To quote him verbatim, the Man of GOD said, "I see blind eyes opening here today; and the blind must see in this place today." After that, things went on normally in the meeting

**And The Man Of God told the blind man, "Take this," and his eyes saw the microphone, & he took it from the Prophet Of God**

as worship peaked. However, everything turned around and finally the Prophet of the LORD told everybody to lift up their hands for he was going to call on JEHOVAH GOD His Friend to pass by the stadium and bring healing. This was greeted with utter shock when indeed the Power of the LORD passed through the stadium and slayed thousands having touched them with His fire. It was then that the Man of GOD made a mighty announcement by saying, "I command all the blind eyes to open now, in the name of

Jesus." That is when all of a sudden, Mr. Evans Mukanda was shocked when his eyes popped open. This is the Glory that has stunned and turned Mr. Evans Mukanda up-side down to date. At the altar, he could follow the Man of GOD as he wept for unspeakable joy. At home, the entire village awaited his arrival and celebrated the visitation of GOD in a very mighty way. Today, people continue to flock into Evans Mukanda's home to just see this man that was totally blind but now can see, and very clearly. Glory to GOD in the Highest.

sound of *gun-fire* climaxed and the global viewership was treated to *shock* and *horror* as they watched live *gun-shots* take out lives one by one. It was like watching a movie, though this time around actual human beings were being slain by the assassins' bullets. It was then that the LORD decided to release an astonishing *heavenly beast* right in front of the global television news network cameras. The *perplexity* and *stun* that greeted the appearance of this heavenly beast is what indeed defined the shock of the day. *Pale* in colour, and riding a similarly *pale* beast, it quickly became apparent that this was the *pale horseman*. Just prior to this episode, an event of extraordinary importance took place that changed the course of human history. Mankind enters into the earth by *life*, and here comes one to take away that very *life*. While trying to get his momentum, it became vividly clear that by sheer size

of Revelation chapter 6. With all due respect to humanity, one could not escape prescribing to the notion that today's *sophisticated* lifestyle of *intellectualism* and *liberalism*, would have most easily led many to decipher a *spooky* phenomenon of this magnitude, with *ridicule*, *mockery*, and a total *rejection*. It was most shocking though, to realize that the majority of those who watched this heavenly beast released, voluntarily submitted to his biblical prescription. This is what in essence merited the first sign and wonder, even before delving into the person of the horseman. The million-dollar question then becomes, how could such a *post-modern* generation, from whom the *Shekinah* had departed, even decipher such things of spiritual depth, about which the angels of heaven bow before the LORD? Even for the most secular unbeliever, but though they attempted to neither see value, nor respond to this

with most saying, 'a *ghost horseman has been caught live on camera?*' While some referred to this heavenly beast as a *phantom* horse, others instead were quick to read scripture and discover his name. Millions rushed into reading the scripture out the book of Revelation, that says;

**<sup>7</sup>And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see. <sup>8</sup>And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth (Rev 6:7-8; KJV).**

opportunity availed itself making it possible for the first time in the entire biblical history, for mankind to capture a birds-eye-view of a very serious heavenly event, that would in the normal case never manifest in the physical realm. This is the flash 6-sec *motif* window upon which the peoples of the earth employed every opportunity in order to closely examine this spiritual heavenly beast. However, it was absolutely shocking to realize that this *fourth horseman* of the *apocalypse* as a matter of fact sat on his *pale horse* facing *backwards*. Moreover, as he faced *backwards* on the *pale horse*, he appeared holding the strings with which horses are ridden (*reins*). Such a *bizarre* picture, was quite disturbing though, because one would have expected the rider of a *horse* to hold the strings facing in the same direction as that in which the *horse* is riding.

Chronology of the release of the pale horseman as captured by global news television cameras.

alone this was indeed a gigantic *horse* of unparalleled proportion. And the *long hair* that sported his face presented a true *beast* of heavenly magnitude. By this, GOD Almighty assuredly intended to arrest the *hearts* of men and cause the entire globe to live a *biblical moment*. JEHOVAH deemed it right to fulfil His revelation prophecy by releasing this most deadly rider of the *pale horse*.

## Weird Horseman

**S**piritual things demand spiritual *discernment*. With all the *secularism* and the excessive *indulgence* that this post-modern world has to offer, it became most baffling to realize that nearly all who watched the *pale beast* released in Egypt, quickly recited the holy bible in the book

unfolding, GOD's act in releasing this *horseman* to the world was still indeed acknowledged. GOD Almighty in His infinite wisdom, perfectly timed that most critical moment when all eyes were glued on television, and then released the rider of the *pale horse* of the *apocalypse* right in the eyes of television cameras. Unusual uproar of exclamation then ensued, rippling across the globe, and resonating to the four ends of the earth, as millions could be heard asking the horseman; 'who art thou?' Because it was He who declared Himself to Moses as the Great I AM, and it is He who was in the pillar of cloud and of fire that had been the guide of Israel, then this time around also it is He who has sent this *heavenly host* to guide mankind on the dispensation of the endtime. A massive historical global conversation then consumed

## Facing backwards

**P**ondering on the broader and far-reaching implications of the arrival of this *pale horseman*, millions across the globe began to watch, and re-watch that stunning roughly 6-sec news clip. It was however upon the repeated *scrutiny* of that news clip featuring the *pale horseman*, that his *weird* demeanour came to bear. First and foremost, his *eerie* appearance bespoke that indeed human *apostasy* had now appeared in its most *heinous* form. Secondly, the LORD seems to have deliberately intended that the whole global viewership catch a proper *glimpse* of him at that most critical moment. And that is the reason why upon his release from heaven, this *horseman of death* stood still in front of television cameras for close to 3 seconds. In that way, a rare snap

## Skillfulness

**A**nother *odd* countenance of this *horseman*, arose from the position at which he sat on the back of that peculiar *horse*. The *pale horseman* the LORD presented, particularly sat far-off at the back of the *horse* and very close to the tail-end of his terrifying *heavenly beast*. Whilst one may have thought that a near state of *jeopardy* almost befell when this *pale horse* took off, then one were shocked to learn that, that backward *jerking* of this *horseman* was in fact, a clear demonstration of *weathered skill*. It however wasn't over yet, with this *horseman's* display of competence, until he finally had the privilege of exhibiting the *aptness* with which he has mastered horse-riding. This he did by instantly turning to face

forward, as the *horse* raced on. It was like a mid-air event as *DEATH* turned from facing *backwards* to facing *forward*. His evidence did not begin until he commenced to work the strings of the *reins* in his hands, and this giant *pale horse* instantly responded to the command. What especially stole ones breath away was the reality that dawned owing to the presence of this real heavenly spiritual being, now working the strings of this horse, with the movements of his arms vividly clear to the ordinary human eye. One could almost feel the human spirit within the viewship, *agonizing* in a *struggle* to understand this *unfathomable* heavenly phenomenon. It is as though in watching this weird *horseman* of *DEATH*, most people must have asked, that if surely GOD Almighty holds the whole world in His Hands, and He is truly good, how then can He allow such an *outrage*. And *outrageous*, it was indeed, to see this *strange horseman* work the strings of his ride while facing *backwards*. And the GOD to whom the sufferers were accustomed to turning to in moments of need, Himself now became the overwhelming *enigma* on that night. The release of this *horseman* of *DEATH* in the public has thence become a shock upon which *humanity* now agonizes over the crisis of *faith*. Many who read the book of Revelation chapter 6 after watching that 6-second clip, demanded to be persuaded as to why GOD would release that *monster* of death on them. Meanwhile, incapable of contending with just standing still, the *pale horseman* began to *whack* this sturdy horse by pulling the *reins* back and forth, in an event that surely fired up the *horse*. The *pale horse* then broke out of the tight logical mode in which he had been for the past 3-seconds, and began to violently flap his long *mane*. That became the moment of revelation as his radiant *mane* showered the vicinity with such a tremendous magnitude of glory. Coupled with its startling *magnificence*, the sheer length of this *mane*, from the shoulders across his entire length, is what served to disqualify this beast from being earthly. By repeatedly fiering-up his long glorious *mane*, the *pale horse* of the *apocalypse*

got himself fully charged-up in readiness for what would be nothing less than a flight. The *horseman* then portrayed his boldest and most radical move when he all of a sudden officially left for his earthly mission, upon instruction. That is when his rider called *DEATH*, still facing *backwards*, was violently  *jerked backwards* as they took off for the mission.

## His Disorder

**T**he central *theme* of this *horseman's ways* appear to have been well-gearred at openly proclaiming the institution of *DEATH*; and to keep alive the *cunning* elements that behold the dominion of the *DEAD*. While the *calculus* of his *habits* may have seemed easily *discernable*, nonetheless, the truth of the matter is that one may never know what else remained totally concealed to human eyes in this physical realm and lifetime.

For instance, we may just never know what he could have been communicating to *Hades* as he *faced backwards*. It is a well-established truth that this *pale horseman* does not come alone, but maintains a tightly knit association with *HELL*, who as a matter of fact closely follows him. Nevertheless, his act of facing *backwards* is in great regard to the dispensation of *reverse order* which he brings upon the *life* on earth. It can be advanced that the *backward ways* of this *adversary* of *life* undoubtedly portend to the state of disorder that he *reigns-in* on human *life*. Observing this *ghostlike* evil creature take special delight in *sinister* craftiness to assail mankind, directly translates into such an *abomination* that has not been witnessed in recorded history. It is as though GOD's major purpose in disclosing this *pale horseman* of *DEATH*, was assuredly aimed at causing the whole global community

to long for a worship that could sanctify their *hearts* again. The LORD Jesus in his most noble capacity as the Redeemer, wilfully *condescended* into the agony of

this sneaky *horseman's* dominion, thereby pronouncing, that one day His lowly lesson might teach the humble at heart to evade the sinister *wickedness* of this age. Considering the orthodox faithfulness of the *pale horseman* to his commissioning instruction, it is clear that he comes to destroy those *disobedient* ones who have rejected *Christ*. The reason being that if GOD Almighty would only let this most wicked *pale horseman* to massacre the righteous, then it would expose all the holy saints as a *fraud*.

## Midst of death

**S**elf-evident and *unassailable* is the reality of the *anomaly* that pervades the location of the release of this *angel of Death*.

Tahrir Square, Cairo.

Adding to the pain and inner turmoil of suffering that went on in the streets of Cairo that night, the LORD found it fit to discharge the *pale horseman* of *DEATH* right in the midst of a *spine-chilling* bloodshed. The *sights* and *sounds* of live gun-fire and eminent death that had began in a *sporadic* way, finally *eclipsed* life in the streets of Egypt that night. Whilst people of all walks of life got caught up in a desperate attempt to salvage the bodies of those who had been shot dead, GOD Almighty was on the hand set to tip the scale on the endtime clock.

With loved ones at a daring gun-fire to reach their fallen colleagues, more were indeed felled by the spewing gun-barrels. A *grisly* picture hence *beheld* with young men seen pulling the dead bodies of their colleagues that had been *brought-down* by live fire. As this went on, the sounds of gun-fire continued to rumble, blasting the skies of Egypt

with pure *terror*. Coupled with their deadly lightening flashes of the bullets, a state of horror hung over Egypt from the sky. With people pulling those who had been shot dead on the tarmac, a massive trail of blood marked the streets of Cairo. It became the signature print that attested to *DEATH* that had now crept into the land of Egypt. It is the combination of all these dreadful unfoldings that indeed ripened-up the historic land of Egypt as the place at which *JEHOVAH* was just about to release the *pale horseman* of *DEATH*. In that fullness of time, then GOD Almighty released the rider of the *pale horse* right in the midst of gun-fire, petrol-bombs, wailing, mourning, weeping, and the relentless gnashing of teeth. Whereas in many places the impact of the *pale horseman* may be difficult to translate into our daily lives, one thing however remains plainly clear. Because he was released in the midst of a deep agony of *mourning* and *tears*, it then becomes true that his advent on the earth must bring forth a very deep agony of *mourning* and non-stop *tears*.

The LORD appears to have deliberately set out to have the fourth *seal* on the *scroll* of GOD broken in heaven at the most conducive environment for the mission of this horseman. His name is *DEATH* and he is released at a place and time that is synonymous with the wrathful vengeance of GOD against sin. This suffering as was now consuming the streets of Egypt provided an ample occasion like none other that the LORD may release this deathly *pale horseman* when tears had covered the faces of men. If the environment in which the rider of the *pale horse* was released were anything to go by, then surely *'the writing is on the wall.'* The release of this *pale horseman* only rubs salt in the wounds and creates a stumbling-block to faith owing to the suffering he brings to the face of the earth. While the world may have thought that the release of this *pale horseman* is intended to be a contribution to an ongoing high-level discussion regarding *apocalyptic horsemen*, to say the least he comes to summarize their act in that zero-countdown to *rapture*. This is a *wisdom* no one

Bread riots, Yemen

has rational arguments to *marshal*. Appearing in a flash of 6-seconds and receiving an entire global attention, GOD Almighty intended that mankind now appreciate what a flash of a second in the *twinkling-of-an-eye* can accomplish. Likewise, the *rapture* of the church will verily take place in a *flash* of a second. Big lesson to learn from!

## His pale color

This generation has paid host to a *progression* of most *adverse* and *calamitous* situations that have today *dissipated* upon the face of the *earth*. This is because the heavenly *horsemen* of the *apocalypse* have continued to *debouch-on* forward totally unimpeded. This *tenor* will continue on because of the critical endtime *era* that the nations have now *stumbled* into, towards the most *momentous* coming of the LORD, the *Messiah*. Estimating from the style with which both the *heathen* and the *believers* have scripturally responded to this strange *pale* *horseman*, it appears as though the *abeyance* of their *souls* has now been awakened. Surprisingly, following that *auspicious* release of the *fourth horseman*, humanity has somehow instantly perceived greater *wisdom* to the fact that in the day of the final judgment, every *lost soul* will understand the nature of their own *rejection* of the *TRUTH*. And they all seem to now well *concede* that the *cross* will be presented as the standard *yardstick*, with its real bearing on each individual life being seen by every mind that has been blinded by *iniquity* and *transgression*. It is the only acceptable *rationale* as to why such a *post-modern* humanity would cite Revelation chapter 6 after watching such an *odd* and entirely *spooky* heavenly being in their newsflash. Chief among the features of this *horseman* is his *pale color*. The key identity of this *fourth horseman* comes from none other than the fact that, he is the only one out of the four *horsemen* of the *apocalypse*, whose real name is given in the bible. His name is *DEATH* and *HADES* follows him very *closeby*. However, the main symbol that this fourth

*horseman* carries around on his mission is the color *pale*. Arising from the deleterious *squelch* his hooves unleash upon the face of the earth, this fourth *horseman* is essentially referred to as *ashen* in color. The *pale ashy* appearance of this *fourth horseman* is what marks the unfortunate characteristic of the *DEAD* that he carries. It has been common practice to hear people referring to those who are very ill as having gone *pale*. This is owing to a condition in which they experience a limited blood-flow to the surface of their skin. The *pale color* has hence served as a good indicator of a *deathly* appearance. In the Greek nomenclature, the color *pale* is employed in reference to green leaves. When a leaf has no defect or blemish, it is normally known to bear the *dark green* color. This caused the Greek to associate the healthy green leaf color with the *healthiness* of man. However, on many occasions, when the healthy leaves are infected or lack nutrients or are struck by *environmental insults*, they often will present a condition known as *chlorosis*. It is interesting to highlight that *chlorosis* fundamentally refers to the *yellowing* or *whitening* of plant leaves and stems caused by a lack of the green pigment, *chlorophyll*. Moreover, in humans, severe iron-deficiency causing a condition known as *anaemia*, is also responsible for the *greenish tint* in the skin. This condition has also been referred to as *greensickness*. This *iron* deficiency has been well catalogued in medical encyclopedias as the cause of *anaemia* in young women and mostly characterized by weakness and a *green* color to the skin. A diet lacking in *iron* or loss of *iron* as a result of chronic bleeding have also been known to cause the *greensickness*. The *pale horseman* hence bears the *pale green* color as a testimony that his mission brings death to the earth by taking away human life. This he does by engaging all the weapons

previously employed by the first *three horsemen* of the *apocalypse*. Such weapons include deceptions, wars, rumours of wars, famines, floods, pests, earthquakes, disease, and the wild beasts of the earth.

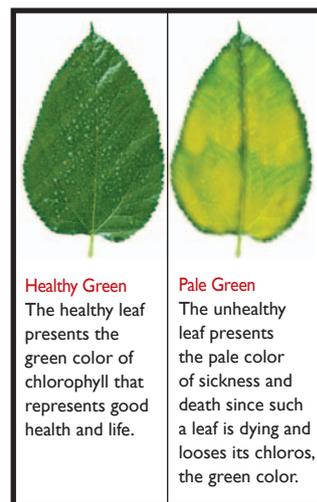

## Milestone...

The breaking of the *seven seals* on the scroll of GOD in heaven earmark a very critical hour on the earth. The bible chronicles the *seven seals* on the scroll of GOD as seven systematic steps that were meant to ripen the earth for GOD's order. However, among the *seven seals* on the scroll, it is the first four *seals* that designate the prophetic timeline of GOD towards the *rapture* of the church. While the breaking of the first of the *seven seals* spells a consignment of *deception* upon the face of the earth, the breaking of the second seal defines bloodshed. The third seal on the other hand catalyses all instruments of economic breakdown and collapse,

prescribes an *apocalyptic* timeline. Perhaps even more indicative are the idealized heavenly depictions of each *horseman* with a particular countenance that bespeaks his mission. These *horsemen* are like royal servants of the LORD whose reign promotes *godliness* and covenant *faithfulness* to only the imperishable realm. This is because they appear to have been sent to devastate man's over-reliance on earthly *prosperity*. However, as the first three *horsemen* pride themselves in the excellence of their *aptitude* for achieving victory, they all seem to have been a *prelude precursor* and forerunner entourage for this fourth most deadly *horseman*. While the first three *horsemen* are skilful in transforming post-modern world into a despicable *gaunt*, the *fourth horseman* comes to directly swallow the dead into eternal hell. The accession of the rider of the *pale horse* without any competition or detracting incidence is what most baffles mankind. The LORD ensured that his release would be in the public place, and ever since that February 2, 2011 discharge, he has quickly laid the ground work for the accomplishment of his task. Being immediately available, the nation of Libya became his first real mission field.

The release of the *pale horseman* on television news screens highlights a great milestone in the fulfilment of biblical prophecy. This *pale horseman*, together with his heavenly beast, clearly testifies to humanity that the bible is the true living Word of GOD Almighty. So alive that the fulfilment of its predictions are displayed in the public place at the viewing of all. Such a dramatic prophetic *junction* not only portrays the bible as the true *Living Word* of JEHOVAH, but also that its entire content regarding the coming of the *Messiah* is *trustworthy* and must also be fulfilled, soon. The eternal value of biblical legacy as the only faithful *truth* is hereby highlighted by these *horsemen*, in the fulfilment of their prophecies. In writing their account of human reign, these *horsemen* demonstrate just how sin always brings judgment in the form of disasters. Either illness or defeat in war or poverty

As that historic worship peaked in heaven, it developed into a high worship of historic adoration, with such an ambience of extreme joy that throbbled their hearts, in a true sign and wonder of this momentous age.

and entrenches global poverty through famine, unemployment, market meltdown, etc. With the prophecies regarding the breaking of each one of the first three *seals* now well fulfilled across the globe, then came the most important and last seal on the scroll of GOD. Each one of the four *seals* on the heavenly scroll of GOD clearly

and famine, whereas *repentance, righteousness, holiness, obedience* and *trust* will always yield *peace, safety, victory* and *eternity*. In this hour, the *pale horseman* has come to do nothing else, but to *destroy* and *kill* disobedient mankind, whom also, GOD created. Armed with such a *galactic* crusade at his heart, this *awful* fourth *horseman*, has been granted *raw* and virtually unchecked *powers* to summarily take away life, of upto to a whole one quarter of the earth. This is absolutely evident in the way he is going about initiating his mission in Libya, Morocco, Yemen, Egypt, Algeria, Bahrain, etc., and Japan.

## Concomitance with rapture

**A**t the very centre of the release of these four troubling apocalyptic *horsemen*, and especially the rider of the *pale horse*, is the supreme *gift* of GOD to mankind through the *Messianic* covenant. That gift is the *Marriage Supper* of the Lamb of GOD. For that reason, biblical account of the reign of the four *horsemen* is largely devoted to the church's *preparation* and *rebuilding* of the temple for the coming *Messiah*. While not portrayed as flawless, the holy church that constitutes the heavenly bride is biblically presented as the prime example of the *Messianic* ideal, i.e., as the *royal bride* whose presence on the earth promoted *godliness* and covenant *truthfulness*. Thus they served in the sanctuary as *types, foreshadowing* the *Messiah* to come, of whom the Prophets have spoken, and their remembrance of him is what nurtured *hope* in the face of a much discouraging world. As matter of fact, the restored *holy* church is at this hour, viewed as the remnant of the LORD, both north and south of the equator, and east and west of the *Greenwich Meridian*. It is for that reason that in the July 29, 2009 vision depicting the release of the *pale horseman*, his dispatch remarkably coincided with when the holy church of Christ was taken up in the *rapture*. Owing to the enormity of the global distress generated by the release of this *pale*

*horseman*, it is prudent that the holy christians focus on GOD's word that expresses his view *succinctly* saying; 'Have faith in the LORD your GOD and you will be upheld.' To have faith in the LORD at this perilous hour essentially implies compliance with the Holy Spirit.

The pale horseman brings to the earth the pale color implying death upon the face of the earth.

It is the Holy Spirit alone, whose continued presence on the earth is able to *ward-off* the *holocaust* instigated by this *pale horseman*. This protection the Holy Spirit will faithfully offer on the account of his reign on the earth which is devoted wholly to the building of a *radiant* mature *bride* for Christ. Therefore, the antagonistic *schism* that appeared in that July 29, 2009 vision of the *concomitant* release of the *pale horse* and *rapture*, is in itself a resounding message to the nations of the earth. The LORD is asserting here that there is a temporal (time related) aspect to the two events featuring concurrently. The appearance of the *pale horse* directly correlates to the closeness with which the earth has drawn towards *rapture*.

## Radiant gown

**T**here is a little conclusive evidence aboard the July 29 vision, that holds the golden *key* on this matter of the *pale horseman*. This is the point at which the church was sighted in heaven during that visitation. In the official courts of heaven, the church presented herself as a *radiant bride* whose countenance had been totally transfigured by the glorious word in which she had *imbibed* herself. That celebratory church at the *Marriage Supper* of the Lamb clearly implies in reference to the remnant *holy* and righteous *clique*

of believers. These must be the radical followers of Christ. It is also questionable whether the official courts of heaven would have been readily accessible to the modern worldly church of this day. Since the saints in heaven worshipped with their glorious *gowns* emitting such a splendor of heavenly *radiance*, then without a doubt there is a message for today's christians. Reflection on their *radiance* clearly reveals that the LORD selected and arranged this vision in a manner that provides *sequel* to the requisite standard of the *righteousness* in heaven. The Holy Spirit must have been showing that the annotations of GOD's writings in heaven regarding His *righteousness* are eternal, and must be met. What a clear call to *repentance*! And hence anything in the church's being that might *tarnish* her *image* as the *royal bride* must now be urgently omitted in worship (**Gen 1:26**). The subsequent difficulties that the

This *pale horseman*, together with his heavenly beast, clearly testifies to humanity that the bible is the true Living Word of GOD Almighty. So alive that the fulfilment of its predictions are displayed in the public place at the viewing of all. Such a dramatic prophetic *junction*, not only portrays the bible as the true Living Word of JEHOVAH, but also that its entire content regarding the coming of the *Messiah* is trustworthy and must also be fulfilled, soon.

*pale horseman* of death may plot against the inhabitants of this earth, will be greatly diminished by the church's impending flight from the realm of the earth. Presumably, all must be aware that the Holy Spirit will not continue to *parry* and *thwart* the efforts of this evil *pale horseman* indefinitely, owing to the LORD's preset endtime clock. Because established scriptural consensus acknowledges the church as the principal *apportioning* of the Holy Spirit's *habitation*, then a lot is indeed at stake at this *perilous* hour.

***<sup>7</sup>Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready. <sup>8</sup>And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints (Rev 19:7-8; KJV).***

The burning issue has hence narrowed down to the desperate need for a rapid *reformation* in today's church. Such a *transformation* must *tersely* affirm the uncompromised return to *holiness* and *righteousness* in the lives of today's believers. And no room must be given to the chance of any other theological perspectives that have long entrenched the systems of *heathenism, lawlessness, heedlessness* and *godlessness* in the lives of today's christians. The *pale horseman* of death would then be categorized as a blessing in disguise because he presents to the world two clear choices; i) to either be *righteous* and get counted as the *priestly bride* of Christ, or ii) reject Christ and be his *client*. This is fitting since he is referred to as a merchant of *DEATH* or prince of *DEATH*, and his co-associate *HELL* is his corporate accomplice in that trade.

All the clients of this *horseman* of *DEATH* are swallowed up by *HADES/HELL* which is the dominion of the DEAD. However, on the other hand it must be said that to be a *priestly bride* unto the high priest, is such a *tribute* that more often than not also presents a serious *challenge*. There are scripturally well defined *nascent* required *benchmarks* of GOD that must be achieved, and adherenced to in these last days of the *pale horse*.

## Like a thief...

Most of the events referred to in the release of the *pale horseman* in Egypt indeed caught mankind by surprise. Nevertheless, the LORD had earlier warned in His *infallible* Word, that sin would bring the captivity of death at the hands of the *lawless*. The visitation of this heavenly *envoy* of DEATH hence set the stage for the fulfilment of these biblical *predictions*. Although the final *judgment* of *disobedient* man will not take place until the breaking of the *7th seal* on the *day of damnation*, the LORD however had earlier foretold on the *restoration* of today's fallen church. Such a *reformation* was destined to accomplish in the days prior to that final *calamity*. It can only imply that, even with such a public outcry on this *pale horseman's* bearing, the church as at now can virtually undergo a radical *transformation* if she so wishes. A radical '*surgery*' of that nature is what would remove the *spiritual tumours* of sin as observed in today's body of Christ. And this is a process that must happen sooner than later, before it gets too late. GOD Almighty promised that he would redeem the believing church from *sin* and *DEATH* just as he rescued Israel from Egypt. Today's release of the *pale horseman* in the land of Egypt fundamentally unveils the full spectrum of GOD's judgment and salvation. This is especially in the *stealthy* manner with which he was discharged, *like a thief*. It vividly appeared that no one on the entire face of the earth had the slightest *foretaste* of that day on which the *pale horseman* was most *unexpectedly* released. Without any prior announcement whatsoever, GOD Almighty *unilaterally* deemed the time ripe to release the man of this deathly *pale horse*. This apportioned *credence* to the Almighty's *Sovereignty* by essentially *rewriting* a historic calibre of the *unassailable unilateralism* of His reign. JEHOVAH GOD hence needed not to consult with any man on the matter of this *pale horseman's* release.

## In six seconds...

Until the day of his showing unto the whole world, the *pale horseman* must have anxiously grown *weary* in waiting

Prophecy Of The Most Horrific Japan Earthquake and Tsunami, 2011 Given On February 19, 2011. The Prophet Of The LORD Said That There Would Be A Massive Earth Movement, And The Collapse Of Nuclear Towers Would Create The Highest Level Of Global Distress Ever.

for his appointed hour. He must have *waxed* strong in the spirit for that moment of *reckoning*. Nevertheless, that hour of his *manifestation* remained a highly-guarded *secret* and total preserve of the LORD GOD. More than any natural *endowment* upon the face of the earth, the *sudden* and *surprising* release of the *pale horseman* indeed registered very highly in the spiritual realm. Appearing on earth under such *absquatulate* and most suspicious circumstances, this rider of the *pale horse* surely stunned the earth. When the fullness of time for his showing had come, it was absolutely amazing to observe that in a *flash* of only 6 sec, GOD Almighty had fully accomplished presenting the *pale horseman* before the entire globe. It was incredible to witness what a *flash* of 6 sec can achieve in the physical realm. If this kind of humongous act is attainable in the physical, how much more influence then can 6 sec accomplish for *enduring-eternity*. Uninterrupted by the clamour of the multitude in the streets of Cairo, this *horseman* unquestionably *illuminated* the complete clarity on the perception of what a *flash* in the *twinkling of an eye* will achieve on the day of *rapture*.

<sup>51</sup>Listen, I tell you a mystery: We will not all sleep, but we will all be changed — <sup>52</sup>in a flash, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, the dead will be raised imperishable, and we will be changed (1 Cor 15:51-52).

And so will it be with the eminent return of Christ the *Messiah* at *rapture*. As the whole global community *veritably* focused on the *perilous pangs* of the *black horseman* and his economic *woes* across the Arab world, their whole attention was drawn to just how deadly that economic *meltdown* can get. Then all of a sudden, with no *announcement* whatsoever, the LORD caught the entire global community totally *off-guard* when he suddenly released the *pale horseman*, in a flash of 6 sec, *like a thief*. This has now become the grand *prefiguration* and *foreshadowing* of how the glorious day of *rapture* will *behold!* Going by this, one can now clearly see that the whole earth will be literally caught unaware, *like a thief*. The first test that the *pale horseman* occasions upon humanity *inescapably* involves the *aptitude* to spiritual *alertness*. The spiritual message from this *pale horseman*, once raised in the full glare of global media like this, cannot be ignored or silenced, not even destroyed. The LORD is using the release of this *horseman* to quicken man's heart about the goings-on in GOD's council *chamber*. Because the church belongs to a race of creation endowed with *wisdom*, *understanding*, and spiritual *insight*, GOD Almighty goes on to use this *fourth horseman* to Speak on how at *rapture*, He will only delight in those who are spiritually *alert* and hence *vindicate* their *godlikeness* (godliness; Gen 1:26).

<sup>42</sup>Watch therefore: for ye know not what hour your LORD doth come.

<sup>43</sup>But know this, that if the goodman of the house had known in what watch the thief would come, he would have watched, and would not have suffered his house to be broken up. <sup>44</sup>Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh (Matthew 24:42-44).

When the LORD *exclaimed* of Israel as a nation gone *blind* and *deaf* (Isaiah 6:9-10; 42:7), and a vineyard to be trampled upon (Isaiah 5:1-7), he principally *enjoined* in, all the nations that defy GOD and people

devoid of *justice* or *righteousness*. The present day body of Christ seems to have arrived at this very place of *heedlessness*, in this critical hour. The reason being the awful spiritual *deafness* with which today's church cannot even hear from the LORD. Since July 29, 2009, when the LORD confided in me that he would soon release the *pale horseman*, the global community together with the church, have acted as though they were spiritually very *deaf*. In this condition, she definitely needs a *healing miracle*. Then, when the LORD further led me to describe the *mane* that defines these *bizarre horses of the apocalypse*, it must have sounded to this post-modern generation, just like a man who *plays* an instrument well and *sings* a good song. That whole description was actually quite *spooky* that it was *unfathomable* in this day and age. By breaking the third *seal* on the heavenly *scroll*, GOD Almighty certainly intended to raise a *banner* to summon the nations to bring *worship* unto Him, yet unfortunately nobody seemed to pay any *attention*. The LORD purposed that the discharge of these four *horsemen* of the *apocalypse* would *preach* to the earth through the *impact* of their *tumult* upon *humanity*. Famines, earthquakes, wars, rumours of wars, bloodshed, are just but some of the *weapons* these *horsemen* wield, for purposes of shaking the earth. And their *communicate* is that, many of the children of GOD shall turn to the LORD their GOD by laying to absolute *vanity* the intoxicating *excesses* of this world. This sounds more like a heavenly *delegation* whose discharge should go before the face of the LORD to prepare his ways.

## Antidote of faith...

**L**ike a thief, these four *horsemen* of the *apocalypse* were sent with the goal of *appearing* and *destroying* anything that has lately *exalted* itself over and above Christ, here on the earth. In biblical scripture, the *faith* of Job during the height of evil, was purposed to teach this present-day church a great spiritual *truth*, a *truth* that many are so often slow to learn, and yet ready to quickly *forget*. Until the day that these *unforgiving* perils began to *befall* the earth, little attention had

otherwise been placed on Job's form of *endurance*.

<sup>9</sup>On the left hand, where he doth work, but I cannot behold him: he hideth himself on the right hand, that I cannot see him: <sup>10</sup>But he knoweth the way that I take: when he hath tried me, I shall come forth as gold. <sup>11</sup>My foot hath held his steps, his way have I kept, and not declined (Job 23:9-11).

Such *perseverance* amidst extreme *cruelty* has today become an asset in the christian walk especially considering the humongous destruction of property and life, that the earth is currently experiencing.

For those devout christians that shall successfully *prevail* through the cruel *commotion* of these unforgiving *horsemen*, these believers who dwell in their *quiet* and *holy* lives, the *light* of *faith* shall shine forth from them like

a *star* amidst the *darkness* of these evil days. To this godly lot was long promised the gift of *sonship* at the *marriage supper* of the Lamb. For they shall be great in the *sight* of the LORD and shall touch neither *sin* nor *iniquity* as they shall be filled with the Holy Ghost during these last *perilous* days. However, it is the extreme *cruelty* with which these four apocalyptic *horsemen* treat mankind, that can at times perplex one. Nonetheless, it is the *mayhem* which these *horsemen* unleash on earth, that hence essentially preaches the refiners *fire* upon *humanity*. This is a call for mankind to observe a lifestyle of complete *purity* and *separation* from the things of the world. What a contrast between *unbelief* and the sweet childlike *faith* of a godly believer! The manner in which the four apocalyptic *horsemen* are ravaging and demolishing the earth, is what particularly devastates all those that had trusted in the things of this earth. Japan earthquake and tsunami,

coupled with the Haiti and Chile earthquakes indeed have come to announce the fulfilment of biblical scripture about this dispensation. *Faith* and *righteousness* have indeed become the *antidote* for this hour of distress.

<sup>14</sup>And the fruits that thy soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all (Rev. 18:14).

It was as though the LORD was saying to Japan and Haiti that, 'because thou *believest* not my words, which shall be fulfilled in their season, then the words of Rev 18:14, shall behold your days.'

And assuredly, it is the *cruelty* of the *ruthlessness* with which the 2011 Japan earthquake and tsunami struck, that aligned Japan's current condition to Rev 18:14. With

all the *sophistication* of the top-notch electronic technology, electronic panels for aircraft manufacture, car manufacture, cell phone industry, medical industry, telecommunication, aerospace science, name it, the nation of Japan had indeed accumulated for herself all the *dainty* and *goodly* stuff for a comfortable earthly living. However, because the *mercy* of God seemed too far for them to credit, there then befell the humongous March 11, 2011 *earthquake* and *tsunami* that re-wrote the meaning of human *sorrow* and *suffering*. *Faith* in Christ Jesus has now been tested and approved as significantly more valuable than the earthly treasures whose *perishability* has truly been exposed.

Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal (Matthew 6:19).

Before the advent of the *pale*

*horseman*, a *righteous* and *holier* living was considered a way of beckoning public *ridicule* and open *mockery*. Coming forth then to torment mankind, the rider of the *pale horse* is now credited with causing people to begin to *fear* for the wounds of *wickedness*, for lest they be cut down by the *judgment* of God. But emerging forth from the holy place of God, with his *radiant* face shining with the glory, the *pale horseman* now causes mankind to further appreciate the *seriousness* and *gravity* with which JEHOVAH receives the *meek* and *righteous* of this age. Such are the neglected elect of GOD Almighty. It is the reason GOD Almighty decreed that these *horsemen* go out from heaven before him in the *spirit* and *power* of His *commissioning*. If no one was moved even when the global economies *crashed*, how then can the church and the nations claim *outrage* at the release of this *pale horseman* called *death*? The only hope now rests with the *promises* of God. The LORD pledged to make streams spring up in the deserts and to graciously lead His people home through the *highway of holiness*. Only this promise remains high as the last minute *optimism* for the church in these dying seconds. Such a *hopefulness* will however only throb in the church when it is channelled through the sufferings of the saints in this dark world, so that *salvation* in its fullest sense is attained.

You deceived me, LORD, and I was deceived; you overpowered me and prevailed. I am ridiculed all day long; everyone mocks me. (Jeremiah 20:7).

Such a meek *salvation* nevertheless, will only come unexpectedly *like a thief*, to the *faithful* ones. A new and more *insidious* threat that looms over mankind is a fact that at the moment of his release, the *warring* crowd in the streets of Cairo were totally oblivious of this *pale horseman's* presence. And so it will be with the coming of the *Messiah* when all will be fully engaged with their personal *chores* and *busyness* of fending for their lives, only to wake up one morning to realize later that the church has been snatched up by the LORD.

## The Interlude

The current interlude flanked by the release of this *fourth horseman* and the *awful* slaying of one quarter of the earth's population, is essentially one of *ferment* and *effervescence*. If events in Libya, the entire Arab world, New Zealand, and Japan are anything to go by, then for sure this is a session of real action. It also becomes the most critical period in the church's calendar since it offers the most prime spot for a complete *transformation* in the house of the LORD. Such a reformation would have to salvage today's body of Christ from the *defiled* church one sees now, into the *glorious* church at the *Marriage Supper* of the Lamb. With the *snatching* away of the righteous church, the Holy Spirit's regime will automatically come to a *cessation* on the earth. Because the church that is lifted up into heaven will have largely devoted themselves to personal *purity* and *preparation* for that final hour, they fundamentally represent the Holy Spirit habitation that is *vanished*. Approximately at that same time is when the *pale horseman* must make significant advances in the *massacre* of those attempting to maintain the testimony of the LORD. Of great importance then, is the *dissipation* of the dispensation of the *GRACE* as the earth ripens up for the great *tribulation* and *judgment* day. There is no compelling reason to doubt that the real *underpinnings* beyond the overwhelming *outrage* of the sighting of the *pale horseman* in the news, is indeed the tragedy that will befall those who will miss the *rapture*. Beyond the *rapture* is a composition of *calamity* and *DEATH*. It is totally *reprehensible* that the present day church should miss the *rapture* given that she has been preached to on the concurrence of the release of the *pale horseman* and the *sighting* of the church in heaven in that July 29, 2009 vision. Tragically, with the release of this *pale horseman*, and the way things are shaping across the globe; the church that is *smug* in her *sinful* stronghold will be humiliated because anytime now the *Marriage* of the Lamb will take place. Yet, as GOD's loyal *vassals*, the *zeal* with which these four *horsemen* have

ravaged the earth, only points at a serious *prophetic quickening* in heaven. The *edge* has now become those christians who are gifted with the powerful spiritual *intellect* and *capability* of grasping that upon the breaking of the fifth *seal*, testifying Christ equals *beheading*. This is what might allocate today's *interlude* as a prime spot for *evangelism* and preparing the way of the

Then all of a sudden, with no announcement whatsoever, the LORD caught the entire global community totally off-guard when he suddenly released the pale horseman, in a flash of 6 sec, like a thief. This has now become the grand prefiguration and foreshadowing of how the glorious day of rapture will behold!

L O R D .

Other than wait to witness how the christian faith will crumble under the blows of a resurgent evil of lawlessness, today's believers must now prepare their apparel for heaven. The time to plead for a righteous preparedness is now during this critical interlude before rapture. The message has much to do with the temple of GOD which is the church, and sacrifice of worship. For as long as the church is present here on earth, she will always be eligible to worship and testify Christ. This is owing to the fact that she is bound to offer priestly ministrations to the heathen. Heart-rending and hope-crushing mutilation of worship of the kind being foretold in the great tribulation, can therefore only imply a post-rapture session. These repetitions of warning have an unforgettable hammering effect that the fourth seal is the final and terminal one right before the Messiah takes the church away. The proposed suppression of worship of the kind that the great tribulation fronts, virtually constitute the practical taking away of the word. But that is also very consistent with the onset of the image that will be set up in the house to cause an abomination of the desolation. Zero worship signifies an utter desolation in the sanctuary of GOD. The mere presence of the church on the earth, is testimony unto Christ

Jesus as Saviour.

Therefore, it is no surprise that in this vision, the LORD presented the release of the rider of the pale horse concurrently with the gathering of the church, hence uniquely focusing on the close proximity of the two events, on the timeline. Central to this, is the unfolding of GOD's saving purposes in the entire history of the world—from the time in which He presented Christ on the Cross, to the culmination of this grand design of REDEMPTION.

### And Hades (Hell) Follows Closeby

The pale horseman's release on that February 2, 2011, only further deepened and formally crystalized the profound human creed in the existence of HELL, the dominion of the wicked DEAD. This is paramount owing to the lonely relationship that this angel of DEATH maintains with the ascetic gloom and doom of HADES.

<sup>8</sup>And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth (Rev 6:8).

In a nutshell, HADES without a doubt, presents the trepidation and manifestation of that dreaded dominion of solitude in HELL. Mankind can here be shrunk at the suspicion, unbelief, impurity, misery, impunity, despair, sadness, and dejection, that become well-nigh-all-pervading in this state of judgment that strikes the disobedient. Fire and worms have

indeed never ceased to designate HADES. By the burden of his mission therefore, this horseman of DEATH unmistakably affirms the immortality of the soul and the existence of life beyond the earthly realm. In closely relating to HADES, this angel of DEATH today trumpets a stern warning to the wicked since an eternal punishment awaits them in HELL. Whilst the bible decrees that 'no eye has seen, no ear has heard and no mind has imagined what GOD has prepared for those who love him,' this pale horseman of the apocalypse contrarily displays what awaits those who disobey GOD. Simply going by the tempest and mayhem of bloodbath, pain, agony and mourning that the pale horse has initiated today in Libya, Yemen, Syria, name it, it is possible to clearly envisage the agony that awaits the unrighteous in HELL. Likewise as HADES betokens the Hebrew word for sheol, sheol in itself is considered to be HELL. The release of this pale horseman of the apocalypse, verily confirms that a life of sin and iniquity inevitably makes HELL unavoidable. On the other hand, the absence of HELL in this evil duo would have served reckless injustice, because it would be to concede the same end for both the righteous who forgo the enjoyments and luxuries of this life, for the stern discipline of holiness, and the wicked. During his release, this angel of DEATH purely testified that even as the kingdom of heaven draws nearer, the faithful believer cannot however afford to forget that the underworld kingdom of darkness too, stands to realize (Num 16:30). If divine good presupposes forgiveness and conciliation, then by all standards, this pale horseman indeed acclaims the continuity and transposition of earthly vices and errors into the immortal realm, as the due consequence of an unrepentant heart. Although a repentant and holy life does not exempt from temptation, it however so far as possible closes every

avenue by which satan could enter and assail the soul. That is the only way by which righteous believers are counted foolproof to the deathly perils of this angel of DEATH. The inevitability of the BLOOD of the Lamb of GOD as the life-saving power at the door posts of the hearts of faithful believers, cannot be taken for granted anymore at this hour. Attesting to His wielding of this power, were the words 'I AM the resurrection and the life. Those who believe in me even though they die like everyone else, will live again. . . (John 11:25-26). With these words, the LORD Jesus Himself inscribed GOD's seal of victory over death, on the salvation of mankind.

<sup>19</sup>Thy dead men shall live, together with my dead body shall they arise. Awake and sing, ye that dwell in dust: for thy dew is as the dew of herbs, and the earth shall cast out the dead. <sup>20</sup>Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast. <sup>21</sup>For, behold, the LORD cometh out of his place to punish the inhabitants of the earth for their iniquity: the earth also shall disclose her blood, and shall no more cover her slain (Isaiah 26:19-21).

Dedicated to the LORD as a Nazarite from birth, christians make the vow of their own in a life-long consecration of holiness. Their dress is that of the ancient righteousness, and separated from the excesses of this world as the camel's hair that the voice in the wilderness wore. Just as the voice that clamoured for repentance in the wilderness eat locusts and wild honey, so does today's body of Christ require that original unadulterated spiritual locusts and honey. And because even the voice that proclaimed His way also required a drink of pure water from the hills, today's church too thirsts for that clear fresh Dew from the throne of GOD. This is the Dew of joy that turns the hearts of the fathers to the children, and the

*disobedient* to the *wisdom* of GOD to make ready a people prepared for the LORD. More than before, it is now evident that it is the fresh *morning Dew* of this hour that mitigates on the *evil* and *cruelty* of the *pale horseman* and his companion. There would be no better way to preach Christ Jesus as the *resurrection* and the *life*, than to release this *pale horseman* of *DEATH* into the earthly realm. The LORD Jesus himself spent quite a significant portion of His *ministration* dwelling on *hell* and *punishment* for *heedlessness*. Now that the agency of *DEATH* has been revealed right in the face of the human realm, then *inescapably* everyone on the earth is keenly watching the unfolding of events. For those *enlightened* by the fresh *Dew* of this hour, a *vision* indeed illuminates those *rooms* that Jesus went to *prepare* for them as the realistic alternative to these

*marauding HADES*. Embedded in the enlightenment of these *anointed* holy *elect*, is the grand gathering in the clouds that would deliver them into the *marriage supper* of the Lamb. The *righteous* believers of this hour do still experience *joy* unspeakable, even within the backdrop of the current *tempest* of the *trampling* of the nations by the *pale horseman*. With *awed* yet *exultant* spirit, these *holy* elect search in the prophetic *scrolls* of revelation on the *Messiah's* coming, and locate the promised *SEED* that *bruised* the *serpents* head, as their only *Peace-Giver* whose advent is *nigh!* This *angel of DEATH* is *echoing* that if *HELL* is following him closeby, then there must also be *heaven*, and the choice is in the *heart* of the beholder. The Almighty's *rapt* portrayals of this malevolent *horseman* were His study of the evil world and that judging with *equity* for the *meek* of

the earth, would serve a *covert*ness for those *righteous* saints. From time to time, this is how the Holy Spirit has always promised to safeguard GOD's elect from the *tempest* and *shadow* of this agency of *DEATH*. Having been rendered *desolate* by the world, the hearts of today's lonely *meek* believers must have been indeed filled with the glorious vision of *rapture*, and hope when they saw this *pale horseman* released. To them one thing rang out, that no longer would they be termed *forsaken* nor declared *desolate* by the world's standards anymore. And that this was a signal that their Redeemer's coming has now drawn much closer. As this *fourth horseman* beheld the *impunity* of his mission, GOD's delight must have rested on the fact that from that day on, nobody would ever again afford to ignore His message on the *momentous* return of Christ, and more critically

so, the signs of the times. Millions upon millions of the inhabitants of the earth, who witnessed this *fourth horseman* crystalize right within their news, were drawn to ask of him "*who art thou?*" This question became the great object of their hope, especially that every answer to *who art thou?* would directly point at the biblical signs of the coming *Messiah*. Upon being led to the holy bible on the matter of the identity of this *horseman*, then many nations were compelled to ask the second order question, "*Art thou then the ghost horseman of death?*" Emanating from this, a global discourse on Christ's return, has now ensued. The unfolding events in Libya, Yemen, Syria, Tunisia, Saudi Arabia, Bahrain, Morocco, Algeria, Egypt, Jordan, Cote D'ivoire, indeed attest to the *pale horseman's* squelch.

## GRUESOME TUMOUR ON THE HEAD COMPLETELY DISSOLVES

**T**his precious baby developed a most humongous tumour that weighed very heavy and was literally more than three-fold the size of her head. It was the most disturbing image any parent could ever behold of their baby. No amount of medical help could mitigate this condition. As a matter of fact, the doctors had already declared to her that the brain of the baby already mixed with the tumour and there was no way the baby could survive. Likewise, the Specialists declared, that any attempt to operate would terminate the life of the baby.

### KAKAMEGA REVIVAL:

However, when the parents heard that the Prophet of the LORD was going to hold a meeting in Bukhangu stadium, Kakamega, they brought the baby in a last ditch attempt. When the Man of GOD walked into the stadium and

decreed that all tumours would dissolve by the Power of the Blood of Jesus, this baby's tumour burst out and dissolved leaving an empty useless mass of flesh and skin. A lot of very stinky pus oozed out in a bizarre scenario. Today, the baby is healthy and that skin is no more

on her head. This is one of the signs and wonders of our time!

**5-MONTHS LATER, THIS IS WHAT THE BABY LOOKS LIKE. GLORY!**

# The Pale horseman's Squelch:

## LIBYAN BLOODSHED

The pale horseman's coming was long foretold in the book of Revelation. When mankind first heard the prophecy, they did not look forward for its speedy fulfilment owing to his promised wrathful vengeance. From the days of Noah, the promise on the coming of these perilous last days has been well repeated through patriarchs and the prophets, thereby keeping alive the fear of his appearing. However, the more mankind departed from GOD, the more their faith grew dim, and the hope for evading such perilous days has well-nigh ceased to illuminate the future of humanity. Such is the case of Libya, Yemen, Syria, Bahrain, Egypt, Tunisia, Jordan, Algeria, Cote d'Ivoire, Mexico, etc, in these last days. When the fullness of time was come, the LORD permitted the Lamb of GOD to break open the fourth seal of His scroll, in order to thoroughly shake them that were under the dominion of sin, that humanity might receive the wisdom of the hour. When the great clock of time pointed to that hour, the pale horseman was ultimately released in the land of Egypt. This marked a crucial turning point whose opening line would then turn to be the great massacre, butcher, slaughter, bombing, shelling, airstrikes and bloodshed upon the face of the earth. When movements in space, time and circumstance, all correspond in some way, a harmony results that both satisfies humanity's spiritual sense and helps open doors to understanding the dispensational aura that beholds. It all began on that February 2, 2011, when all hell broke loose, as the pale horseman took off and dissolved above the heads of the multitude of protesters in Cairo. Daniel's prophecy had earlier revealed the time of the advent of the Messiah, prior to which a historic distress that would visit the earth, was well spelt.

"... There will be a time of distress such as has not happened from the

UN Resolution 1973

Aircraft Carriers Responded to the Call

Tomahawk Cruise Missiles Fired

No Fly-zone Established

The Pale Horseman.

beginning of nations until then. But at that time your people—everyone whose name is found written in the book—will be delivered (Daniel 12: 1-3).

When the pale horseman began to gallop across the desert terrain of Libya, formally known as Put, the brutal squelch of his hooves

immediately struck that land like lightning. All mayhem then broke loose. This instantaneously implied that not all had rightly interpreted Daniel's message on the enormity of the season of distress. Century after century had passed away, but this which was about to unfold on Libya had not been anticipated.

### Toxic Neighbourhood

Following the fall of the regimes around Libya's neighbourhood, Tunisia and Egypt, violent protests against the four-decade rule of Muammar Gadhafi, ignited on February 15, 2011. When that day dawned on the Arab Republic of Libya, the hand of the oppressor became so heavy upon the people that many were

Muammar Gadhafi

millions of people fleeing to the borders of Tunisia and Egypt, to escape the deadly fighting. This immediately triggered off a massive gunfire and shelling of artillery, including airstrikes on the civilians. Benghazi quickly flashed-out the pro-Gadhafi forces and declared its unilateral autonomy as a rebel stronghold. Such a move is what exactly sparked off a massive civil war in Libya with the control of towns like Misrata, Ajdabiya, Brega, exchanging hands several times, between the Gadhafi and rebel forces. The ramifications of all these have been an unparalleled bloodshed, massacre, and death of both civilian and armed forces. An even more fierce and heinous confrontation broke out in the oil-rich town of Brega on the eastern coast. Rebel fighters battled pro-Gadhafi forces for the control of this strategic town. It led to a massive bloodbath with corpses strewn across the land. That relentless animosity is what finally triggered off a mass exodus of hundreds of thousands of people in a desperate attempt to escape death. To the masses of the people, much as the machine gunfire and shelling became the norm, death was however still a dreaded mystery because beyond it stood uncertainty and gloom. Owing to this, the Libyan borders were literally turned into refugee camps.

UN Resolution 1973

Benghazi, Libya.

### UN Resolution 1973

When the global community learnt of the intended storming of Benghazi, the UN immediately condemned such a move as reckless bloodletting that would be totally disastrous. However, against that word, all the powers of Gadhafi's

ready to exclaim, 'the days are prolonged and every hour feels like the travail of a woman in labour.' From a nation that had eloquently pronounced its absolute stability, under Muammar Gadhafi's iron-fist rule, all of a sudden, a horrendous bloodletting befell. Violent clashes began and rapidly spread out to various cities thereby sending

proud empire battled in vain. The U.N. Security Council right away declared the Libyan situation a serious *humanitarian emergency*, thereby urging the international community to help out in the crisis. This led the Security Council to enact the *UN Resolution 1973* which authorised the use of *military force* to scale down the widescale *bloodbath* and *massacre* of civilians in the land of Libya. Gadhafi had then promised that his loyal forces would move into Benghazi, from house to house, and from room to room, and would have *no mercy*, in the most historic *massacre* of our time. NATO allied bombings began almost immediately following the UN Resolution, with *tomahawk cruise missiles* raining on the land, as *smart bombs* from *stealth-fighters* detonated Gadhafi's tanks. A multitude of F16 fighters raided the airspace in Libya, thereby striking major installations. In each of this *sorties*, lives were lost. Death had now officially entered and well established in Libya, as *dead bodies* littered the land. Blood indeed *soaked* the land of Libya. It is the bitter *rhetoric* of animosity traded between Tripoli and Benghazi that made man very weary of cruelty and *bloodbath*. The words of the prophets, that were previously *uncomprehended*, finally came to *bear*.

### No-Fly Zone

NATO-Coalition forces set out to institute the UN Resolution and a *No-fly*

*Zone* was declared. Countless *airstrikes* ensued as the opposition forces urged for more NATO action against the *pro-Gadhafi* forces. Nevertheless, the western coalition gradually became split on Libya. The United States

suspended its participation in the operation, while the French air forces began to bear the brunt of the campaign. The *quagmire* deepened further when British forces prepared to join in the war, as this *conflict* gradually seemed to *mutate* into a ceaseless *bloodshed*. As the death toll continued to rise, a state of *confusion* further grew with Gadhafi not willing to *relinquish* power, while Russia launched the stiffest opposition yet, to the campaign. This is what has set a stage for a widescale massacre on both sides of the divide. With NATO contemplating the possibility of getting out of this unpleasant situation with minimum *losses* and maximum *dignity*, a way appears to have been paved for historic *bloodshed*. With Gaddafi neither agreeing to resign, and neither having his clan removed from power, self resignation is unlikely to be an option. Herein lies the *rub*. Additionally, because the rebel forces suffered such an awful *heterogeneity*, with bands of extremist Islamists literally ruling the roost, that Libyan *bloodshed* seemed to transform into a menacing war.

## THE MENTALLY INSANE DELIVERED & FULLY RESTORED

### CHARLES GITHAE

Charles Githae lost his sanity 10 years ago. He was brought to the Mighty Revival Meeting of the LORD in Nyeri under close watch. And as the Meeting proceeded on, the Prophet of the LORD requested that the Administration Police Band present a worship unto the LORD. It was at this particular moment that the Glory of the LORD touched Charles and slayed him. On waking up, the crowd was treated to extreme shock and stun when Githae got up and began to worship. All broke to jubilation and felicitation when they saw the Great Power of the

LORD manifest in their presence. What really surprised everyone, was that he could remember everything from when he lost his sanity 10 years ago. Charles narrated how he had a court case that was going on then. His mind and memory were totally restored. Glory to the LORD Most High.

### BETTY CHEBET

When Betty Chebet was brought to the Mighty Meeting of the LORD in Ruringu stadium, she could not remember anything or recognize anyone around her even her own child, let alone knowing what she was doing. She would remove her clothes and walk naked. The electric moment came when

the Prophet of the LORD walked into the stadium and commanded the restoration of insane people and Chebet was mightily slayed by the Power of the LORD. And the moment she got up, shouts of joy and jubilation broke out when Betty began to speak and worship the LORD. All had been restored and her memory came back. The land had been visited by JEHOVAH, The Creator of heaven and earth. Halleluhia!

## FEATURE STORY

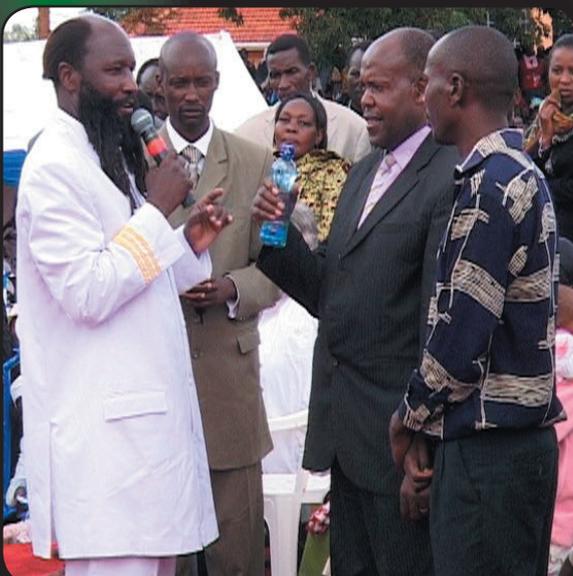

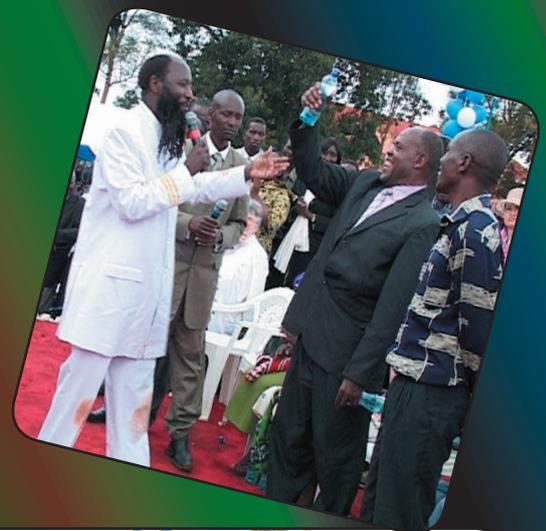

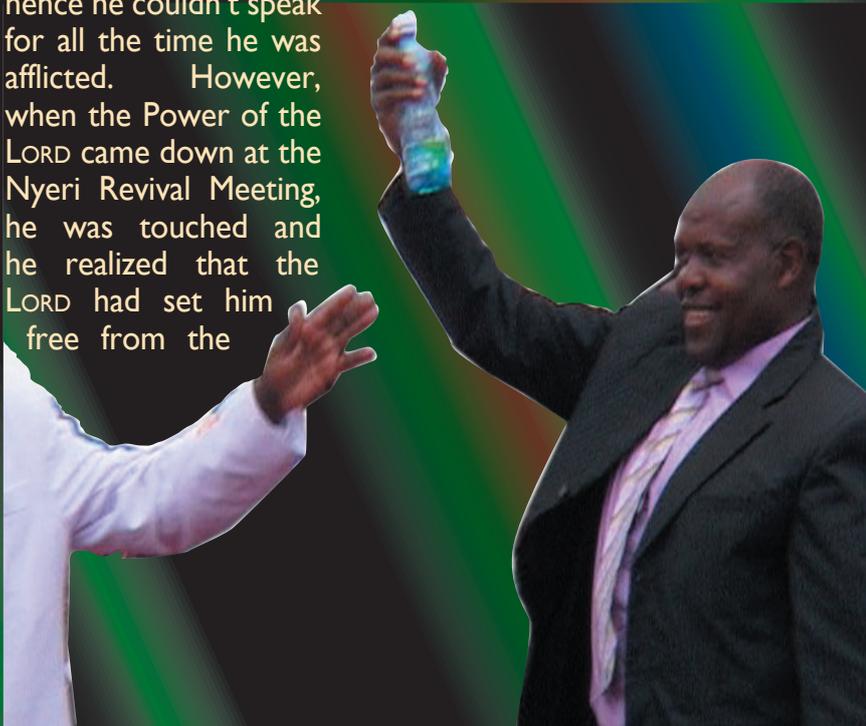

# Pentecostal Pastor and Overseer Healed From Debilitating Paralysis

The stroke led to the paralysis of his entire right hand side, and he could not even lift up his right hand. The paralysis also led to loss of speech hence he couldn't speak for all the time he was afflicted. However, when the Power of the LORD came down at the Nyeri Revival Meeting, he was touched and he realized that the LORD had set him free from the

horrendous suffering. It was joy unspeakable as this pastor and overseer of a large number of Pentecostal churches, finally received his healing and could lift

up his right hand again. Previously, he could not even hold anything with that paralysed right arm. But here, he was now able to even hold a bottle of mineral

drinking water. The LORD literally restored the testimony of the word this man preaches because now he can preach about the Jesus of Nazareth the Son of the Living GOD, Who is our Redeemer and Healer. His son that brought him to the meeting was rendered speechless as were other pastors who saw what the LORD had done to restore Pastor Kona.

## Vision of November 14, 2010

# Melchizedek's Day

### THE MIGHTY NOVEMBER 14, 2010 VISION OF THE LORD

**W**hen the King of glory stooped so low to take *humanity*, rude and forbidding were His earthly surroundings to the extent that the *majesty* of His *authority* became not an object of their attraction, but *resentment*. Worldly riches, earthly honour, and adoration of human greatness seemed to have totally consumed the hearts of men, to the extent that they literally shunned away all form of the inward display of Godly *righteousness* as was about the *Messiah*. The character of the *Messiah* had long been foretold in prophecy, and He desired that man accept Him principally based upon the testimony of the Word of GOD. Within that callous sting of *antipathy*, only the beauty of the heavenly truth was indeed intended to draw those who would follow Jesus. The wonderful significance of His mission had been well spread abroad by the appointed expositors of *sacred* oracles, and the *forerunner* ministers of GOD's house. In the same token, the *tidings* of His glorious return are today being relayed by the heavenly *Messenger*, the Holy Spirit. As then when Jerusalem was not preparing to welcome her Redeemer, yet now it is that the nations are too, not *bracing* to receive the King of Glory.

### THE VISION

**T**o generate a greater longing in the hearts of men to behold the unseen glory, on November 14th, 2010, the LORD GOD Almighty visited with me in a very mighty and unusual vision of an only kind. In that vision, it was

at about 3-4pm while seated on a chair, that the LORD suddenly took me up into the spiritual realm. It was during that spiritual *translation*, that the LORD Spoke with me in a very mighty and unusual way, about the glorious Coming of the *Messiah*. Within that *stringent* conversation, the LORD GOD Almighty presented to me a very significant heavenly *memo* whose content bore the gravity of this hour in the church. In that remarkably astounding *letter*, JEHOVAH GOD Himself wrote an *intricate* holy message on a white piece of paper, and presented it to me. The LORD's *multifarious* message that was presented in that vision consisted of a neatly typed and well printed set of writings which were on a white glorious piece of paper. The words were typed using a dark blue ink. It was then, that by His Own Hand, the LORD began to draw that divinely distinguished *note* closer and closer to me, in order to enable me clearly read its *novel* content. By all cadre of its presentation, this vision beheld an astonishment of highest place. In that extraordinary conversation of the LORD, when I immediately began to read that *celestial note* from left to right, this is what it read;

**Melchizedek's Day is known as the Day of Light.**

Upon waking up from this *superlatively* incredible vision, it right away dawned on me to the fact that heaven's *embassy* had again dispatched a spiritual *delegation* to mankind regarding the most awaited Coming of the *Messiah*. Astounding among the revelations that this heavenly message bore,

is that there now appears to be an *appointed day* in heaven, whose concern greatly relates to both man and GOD Almighty. And the weight of this earmarked divine appointment especially gravitates towards its *reknown*, as the DAY OF LIGHT. Going by this humongous visitation, it is now undoubtedly comprehensible that the heavenly nomenclature that JEHOVAH GOD assigns to the *rapture* of the church, is; **THE DAY OF LIGHT**. As we continue to marvel at the Saviour's sacrifice in exchanging the heavenly glory for the little manger in Bethlehem, nevertheless, we are now caught up in the companionship of His adoring love as the *Light* of the world. It is as though having been horrendously *crucified* on that rugged Calvary Cross, the LORD now spots the *crown* of the king of glory, whose brilliance today illuminates the light of GOD into the dark hearts of men. It is upon this premise of the *light* of the world, that the LORD is still extending an *invitation* to mankind that they too may partake of the final glory at *rapture*. By drawing Melchizedek into the *rapture* scene, the LORD has essentially revealed much to the church, in this vision. It principally communicates to the world, a sacred *truth* of the revelation on the person of Christ, and the magnificence of the *crowns* He beholds. It registers a *de novo* revelation that scores the final awakening of a most significant portion in the holy bible. The activation of such a *motif* at which some scriptures had otherwise gone *silent*, bespeaks the hour at hand. These portions of scripture that relate to the *nature* and *person* of Melchizedek have for some time acquired a *silent* mode with regard to His exact *genealogy*, *parentage*,

with virtually no records of reference to. What the word has specifically raised is His striking resemblance to the son of GOD, as He continues to be *priest* of GOD Most High without *interruption* and without *successor*. Such scripture whose *goingsforth* have been from old; from the days of eternity todate, gone *mute* on the person of Melchizedek, include;

**"without father or mother, without genealogy, without beginning of days or end of life, like son of GOD he remains priest forever" (Heb 7:3).**

The blessed *tidings* of the hidden secrets in the counsel of GOD, have today been revealed to mankind and hence beginning to trickle down into the *sanctuary* of people's hearts. Such good news arising from this refreshing vision also include revelation on the exact meaning of what the LORD Jesus implied when He said, *"I AM the Light of the world,"* and how it critically bears onto His most anticipated return at *rapture*. Notwithstanding, to best perceive the *inexplicable* decree that this November 14th, 2010 vision pronounces in the royal kingdom of GOD, it is suffice to *explore* and *mine* out humanity's first encounter with the *Divine Presence* of Melchizedek, Priest of GOD Most High. This is because in this vision, the LORD seems to greatly communicate with mankind regarding the actual *enrolment* of saints into His vast dominion at *rapture*. The key import that comes out of this beloved visitation is the fact that human *heathenism*, and its apostasy of *pride* and *complacency* in self sufficiency stand utterly *denounced*. A *communique* of this nature, is one in which GOD Almighty exhorts man on the

dangers of living in the *darkness* of this corrupt world. From this novel conversation, one could almost also feel the perils of over reliance on this highly perishable world of darkness. That admonition too, was indeed embedded in this conversation of *light*. This heavenly *note* pronounces GOD's final triumph in the last major conflict of the controversy with darkness. It virtually *illuminates* the ultimate path that will be followed by those who are *loyal* to GOD's command and refuse to break His law of *obedience*. In reminding the church on the nature and expectations of the day of rapture, this rare vision appears to be more of a stern *warning* on things to come. It would appear as though GOD Almighty has detected a perpetual darkness in the heart of the church, and hence chosen to caution them that His benchmark for entry into the kingdom of GOD still remains that ancient light of the world. It is by no means an appraisal of sorts, on the church. Boldly put, instead of showering a congratulatory message from heaven for a job well done, this spiritual *emissary* comes out as a last-minute caution whose object is to shed *light* on the *darkness* that today *beclouds* the future of the bride of Christ worldover. Most significantly though, the towering *elegance* of this beautiful message of the LORD derives its core essence from the fact that the church is in this case being spiritually *elated* as the most important agency for the fulfilment of GOD's purposes for that glorious *day of light*.

### The Light & Glory

**T**he kindest extract of this *note* of heavenly *light* bestows credence upon the followers of Christ that serve GOD Almighty on this planet, as indeed the *instruments* that also carry forward His eternal *enterprise* of *light* upon the face of this *perishing* world. In other words, one cannot allude to be the *vehicle* of this celebrated *light* unless they themselves have been thoroughly well *illuminated*. Such a spiritual *feat* will only be *achieved* and *fulfilled* on that glorious day of *rapture*. Of the lessons to be

learned from this novel spiritual *note*, none is more important than the fact that the bearing of GOD's *light* in the church cannot materialize in the absence of His own *glory*. Through this *note* then, it is possible to perceive GOD Almighty's Heart looking forward, and in His own written word expressing *exuberant* faith in the church as still bearing the one and only *mantle* of GOD's *illumination*. This imparts more of a Holy Ghost revival message than otherwise especially given that it comes at the *brink* of the *midnight hour*. The marauding darkness that consumes the earth today will be *valiantly* overtaken by the *brilliance* from GOD's *glory* on that day of Christ's return. And it will come to pass that during that glorious *advent*, those who had not sacrificed their conscious conviction on the luminous *righteousness* of GOD, will have their *hearts* reflect that same *light* that is about GOD's *glory* (Rev 19:8). However, because the scriptures deliberately celebrate the *Morning Dew*, and His unparalleled signature works in our hearts, then it is *plausible* that the *Spiritual Springs* that appear in advance to *prepare His way* for the *midnight hour*, undeniably score a central role for the day of *light*.

**<sup>19</sup>But your dead will live, LORD; their bodies will rise— let those who dwell in the dust wake up and shout for joy— your dew is like the dew of the morning; the earth will give birth to her dead. <sup>20</sup>Go, my people, enter your rooms and shut the doors behind you; hide yourselves for a little while until his wrath has passed by. <sup>21</sup>See, the LORD is coming out of his dwelling to punish the people of the earth for their sins. The earth will disclose the blood shed on it; the earth will conceal its slain no longer (Isaiah 26:19-21).**

Like *manna* that came from heaven, this typed heavenly *note* appears to have been meant to teach mankind a lasting lesson, that while they *trusted* in GOD and *walked* in His *righteous* ways, He would never *forsake* them no matter the depth

of *darkness* to which they had plunged. While the fall in the church may have been long foreseen by the LORD, He however tarried His wrath that the visitation of His Spirit may show up in advance, to *revive* their hearts. It is this latter visitation of the Holy Spirit that was intended to *illuminate* the dark chambers of GOD's sanctuary. The most important sanctuary of the LORD is the heart of the believer. In other words, this *written note* from GOD Almighty was duly intended to proclaim the Holy Ghost revival of this dispensation.

## MELCHIZEDEK The Heavenly Envoy

**H**owever, attaining a deeper understanding on what JEHOVAH requires of the church in order to meet Melchizedek's *standard* of *light*, it is absolutely critical to retrieve man's first encounter with the *King Of Righteousness*. Developing a sound understanding of the nature of the *light* that will crown Melchizedek's day, must then become a most central theme of salvation. This eleventh hour definitely places upon the body of Christ certain key requirements that must be met in order that she may partake of Melchizedek's *day of light*.

**<sup>17</sup>After Abram returned from defeating Kedorlaomer and the kings allied with him, the king of Sodom came out to meet him in the Valley of Shaveh (that is, the King's Valley). <sup>18</sup>Then Melchizedek king of Salem brought out bread and wine. He was priest of GOD Most High, <sup>19</sup>and he blessed Abram, saying, "Blessed be Abram by GOD Most High, Creator of heaven and earth. <sup>20</sup>And praise be to GOD Most High, who delivered your enemies into your hand." Then Abram gave him a tenth of everything (Gen 14:17-20).**

**G**oing by the trappings of this heavenly *note*, it is clearly perceivable that heaven and earth were no wider apart on that material day of

visitation, than when GOD used to walk with man in the garden of Eden, in the cool of the day. With the innumerable throng of angels that define the Majesty of His kingdom, GOD Almighty indeed deemed it fit to send Melchizedek the King of Salem, to *restore* the broken contact with fallen man. The unveiling of Melchizedek as the heavenly Messenger of the vineyard, testifies to GOD's solicitation of humanity from sin, into the splendour of *rapture*. For the righteous King of Salem to have deliberately chosen to encounter sinful man in this way, it must have implied that the higher courts of heaven above, had decreed in their Council that the moment for man's redemption had now come. This was a *restorative* act that GOD was putting in place in order to salvage His original *blueprint* for the church of Christ. And that being the only way in which believers would testify not only as the children of *light*, but also as GOD's hosts who attend to those who come in pursuit of His redeeming *grace*.

### Military Victory

**F**irstly, the name Melchizedek means "*king of righteousness*" while King of Salem on the other hand, entails the *King of Peace*. For a long time, the mystery surrounding the personality of Melchizedek has been difficult to unveil due to the *silent* portions of scripture. Nevertheless, over time mankind has fundamentally come to draw parallels between the *king of righteousness* and Christ the LORD. This is what eventually led to the conclusion that Melchizedek's appearance must have well indeed outlined Christ's first incarnation. Stunningly, in that first encounter with mankind, Melchizedek appeared to have nurtured an overwhelming interest in man's military *triumph*. It became an appeal that vividly expressed itself in a near-political style kind of enthusiasm, causing Him to participate in the victorious

celebration of Abram. It is one thing to walk into a celebration feast and partake of the event, while it is entirely another to get so much involved in such jubilation to the extent that one supplies the ingredients for *refreshments*. That facilitation that Melchizedek accorded Abram's victory festivity is what particularly underscores the depth of His appeal on Abram's triumph over the enemy. The King Of Salem literally *presented* the highly treasured refreshments of fresh *bread* and *wine*. It is this particular act of providing *freshly baked bread* and *new wine* that heavily scored in the *spiritual realm* as a *symbolism* of its own *cadre*. Knowing the order in which the ancient community of Abraham presented *bread* and *wine*, it can pass without contest that the *King of Righteousness* must have attached greater significance to this initial *encounter* with mankind. The tradition of presenting the best *wine* first was indeed well established all through into the Cana community of the New Testament. When all means of provision hence availed, the *symbolism* of Melchizedek's presentation of fresh *wine* at the height of *exhaustion* must not be taken lightly. Right from the onset, and without reading any further into it, it is so transparent that when all means humanly possible hit exhaustion, then the *refreshing* visitation of the LORD will always be available to those who are called and chosen into this *contriteness* of faith. We are reminded here that Abram further went on to be crowned the *Father of Faith* out of such a child-like heart. In that very brief, but highly profitable encounter between mankind and the Divine Envoy of heaven, one thing however comes out as significantly *undaunting*. This principally relates to the readings that the *bread* and *wine* avail in the spiritual realm. The *fresh bread* which Melchizedek endowed Abram's feast with, was an entirely iconic renourishment

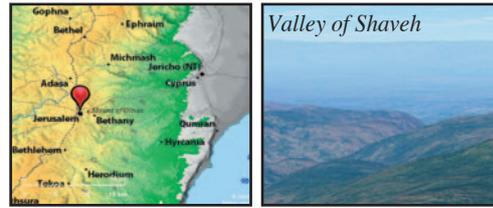

of the spiritual *fresh bread* that comes from heaven. It is such a wonder *bread* that when every weary man whose being has been weighed down by the sin of this world, and in their commune of it, their replenishment is assured. And that the fresh *wine* whose refreshing sip soothed off Abram's exhaustion thereby invigorating him in abundant joy, symbolizes the life replenishing Blood of Jesus is a statement no one can gainsay. We are then prompted to now perceive the quality of fellowship Melchizedek's first encounter with mankind yielded. It is as much a prophetic as it was a symbolic visitation. Notwithstanding, the exact baseline that this novel fellowship between heaven and earth presents, is highly suggestive of a greater emphasis that heaven lays on humanity's *triumph* over the king of this world. GOD Almighty at this place made a blessed statement to the tune that He loves when mankind does tremendous exploits for His heavenly kingdom.

### Valley of Shaveh

**T**he *indulgence* with which Melchizedek *treated* Abram in that visitation, was one of godly *temperance* that was deeply *ingrained* in *righteousness*. Though happening within the background of the catastrophic fall in the garden of Eden, the rare *merriment* that Melchizedek's visitation bestowed on humanity was highly marked by a priceless *endowment* of heavenly tribute to the church. One thing that now comes to light in that divine encounter, is undoubtedly the deeper *recognition* with which heaven seems to have already *earmarked* the church as the future *beneficiary* of its eternal kingdom. However, He about *Whom* all these things are mentioned, was most effectual in accomplishing His mission owing to the fact that He bore two highly regarded offices.

By virtue of His *endless* testimony, Melchizedek holds both the *kingly* and *priestly* offices which are the

Valley of Shaveh in Jerusalem

two most honourable *Crowns* in the kingdom of GOD Almighty. It was deeply symbolic that Melchizedek as the *king of righteousness* chose to meet Abram at the Valley of Shaveh, and not anywhere else. Firstly, the Valley of Shaveh represented the Valley of the kings. And in that depression, kings would meet and hammer out historic treaties and covenants for their respective jurisdictions. Such accords encompassed peace treaties that were signed during times of conflict and controversy between respective kingdoms. Likewise, certain market and trade treaties were equally endorsed at this Valley of the kings, between not only monarchs but also their respective merchants. Such welfare related agreements would permit preferential access to certain trade routes. For Melchizedek the *King of righteousness* to have also chosen such a venue of historic significance to fellowship with Abram, indelibly points at the *nature* of His *mission*. Considering that He appeared at that Valley of Shaveh, fully adorned in His Royal *Crown*, then undoubtedly, Melchizedek's communion with Abram greatly alluded to the church as GOD's choice over His kingly affairs. In order to surpass the impediment that the garden of Eden's *apostasy* had laid before humanity, it had then become significant that Melchizedek's interaction with man had a serious spiritual consequence. At this place of the meeting, it had now become obvious that the church was rapidly *transformed* into *heir apparent* of the kingdom of GOD. Such a *transfiguration* would definitely require that the church eventually be

enthroned in spiritual high places. By His *landmark* proclamations, the king of *righteousness* ensured that GOD's Sovereign appointment over mankind would assuredly be accomplished in the last days. Testament to those Valley of Shaveh

declarations arose this beautiful heavenly appanage;

*<sup>14</sup>The armies of heaven were following him, riding on white horses and dressed in fine linen, white and clean. <sup>15</sup>Coming out of his mouth is a sharp sword with which to strike down the nations. "He will rule them with an iron scepter." He treads the winepress of the fury of the wrath of God Almighty (Rev 19:14-15).*

In all His assertions, Melchizedek as the king of Salem, must have indeed exalted *righteousness* as the foundation upon which man's *eternity* was now to experience a *new dawn*.

*<sup>4</sup>I saw thrones on which were seated those who had been given authority to judge . . . (Rev. 20:4).*

### King of Salem

**E**ven though the demand for confession of sin seemed to be new and most startling aspects of Melchizedek's visit, the *bread* and *wine* though, bespoke this new *highway of repentance* that GOD Almighty was now *unveiling* to *humanity*. By *tithing* a tenth of the exploits, Abram consented to the kinship as *heir apparent*, in the kingdom of Salem. It became an act that significantly *transformed* their relationship from the *earthly* realm of Shaveh into the *heavenly* realm at which the *greater* finally blessed the *lesser*. Abraham's recognition of the King of Salem, principally laid a solid spiritual foundation for today's church as she aspires to inherit the kingdom of GOD. It then became well known that this new found *kinship* of *righteousness* that Melchizedek advanced, is what the church would soon be forced

to *sanction* as the benchmark for *enrolment* into the glorious *rapture*. This essentially set in motion the process of unveiling the roadmap for the eventual *redemption* of mankind. The *hallmark* that Melchizedek bore as both the king of *righteousness* and king of *Salem*, is what unravelled the objective of his mission. Very well knowing what was in his thoughts, we now see that as king of *Salem*, Melchizedek undeniably *embodied* the king of *peace*. This is what disclosed His *appeals* and *denunciations*, especially the interconnectedness between His *crown* of *righteousness* and the *peace* He had come to deliver upon *humanity*. By sitting at the helm of the dominion of *righteousness*, it is absolutely evident that Melchizedek's gifts of *bread* and *wine* were deliberately designed to relay the humble message of GOD's *sacrifice* unto mankind. He was making known that which He Himself had heard from the throne of GOD Almighty regarding the Cross that was oncoming. In which case the *bread* and *wine* that were presented at that table verily foretold of His body that would be broken on the *Cross* and the *blood* that would cleanse the sin of man. However, most intriguing is the fact that Melchizedek's manifestations proclaimed liberty to the captives given that His *crown* of *righteousness* unmistakably demanded a clear *repentance* from sin. It is this message of *repentance* that was in essence designed to return mankind into His dominion of *righteousness* and hence reconcile humanity with GOD. That became the historic place at which the LORD took upon himself *humanity's* weakness, by uniting His heavenly interests with those of fallen man, through the *divinity* of His righteous *crown*. By bringing this form of peace in the *heart* of *Jerusalem*, the king of *Salem* indeed brought *peace* into the *hearts* of men. It became the *peace* of GOD that surpasses all human *understanding* as this mighty heavenly Emissary began ascending into heaven, bearing the

*prayers* of the *needy* and distressed humanity to the Father above, and unveiling *blessings*, *hope*, *courage*, *help*, and *life eternal* to the children of men. And thus Melchizedek became the *medium* of *communication* between man and GOD, and of GOD with man. In this way, He indeed bore the *crown* as the king of *peace*, prince of *Salem*! Melchizedek's bearing of the *crown* of *king of peace* in essence *located* Him to the *Messianic* title of *Prince of Peace*.

### The Tent in Salem

**A**t the *promised land*, the LORD gave Israel ample time to get accustomed to His divine presence, with a *compassionate* regard for their *worship*. This is what defined their nationhood as a *covenant* people of GOD, because they knew JEHOVAH. In the Hebrew context, Salem then became synonymous with the *Dwelling Place* of the LORD to the extent that He was depicted by the name JEHOVAH Shalom. Nevertheless, locating and understanding the dominion of Salem at which Melchizedek reigns as Priest of GOD Most High, it becomes extremely *imperative* to extract its original *import*.

*<sup>1</sup>In Judah God is known; his name is great in Israel. <sup>2</sup>His tent is in Salem, His dwelling place in Zion (Ps 76:1-2).*

The ancient words that define *dwelling place* or *tent* often related very closely in reference to the *lion's den* or a *covert* location. *Astonishingly*, when Israel dared to describe JEHOVAH their GOD, together with His *marvellous* and *wondrous* acts, their joy could no longer be hidden when they relayed Him as a ferocious indomitable *Lion*, whose reign is *unchallengable*. That became the most remarkable *salutation* to the LORD's *unassailable authority* and *power* in the defence of Jerusalem, His royal city. That was the highest indication yet that the royal priesthood of Melchizedek was in fact the first *incarnation* of Christ the *Messiah*. This is because to the LORD Jesus *alone*, is the Name the

*Lion of the Tribe Judah* reserved. A case in reference relates closely to when the LORD *annihilated* Sennacherib's army when it threatened to wipe out Jerusalem with an obliterating attack.

*<sup>35</sup>That night the angel of the LORD went out and put to death a hundred and eighty-five thousand in the Assyrian camp. When the people got up the next morning—there were all the dead bodies!*

*<sup>36</sup>So Sennacherib king of Assyria broke camp and withdrew. He returned to Nineveh and stayed there.*

*<sup>37</sup>One day, while he was worshipping in the temple of his God Nisrok, his sons Adrammelek and Sharezer killed him with the sword, and they escaped to the land of Ararat. And Esarhaddon his son succeeded him as king (2 Kings 19:35; Isaiah 37:36-38).*

Upon their deliverance, Israel went into a relentless jubilation as they praised the mighty Name of the GOD of Abraham, Isaac and Jacob. It became the *monumental* intervention that *quietened* their *fears*, and *quickened* their *faith*, causing GOD to be well known in Judah and His Name to be Great in Israel. Departing from heaven with such an unspeakable joy, Melchizedek gladly blessed mankind in a manner that was highly suggestive of, "verily, verily, I say unto you, *hereafter* ye shall see heaven open and never be closed." At these words, this heavenly Messenger of GOD opened a new *portal* of *communication* with GOD. Since the *Eye* of the LORD rested upon Him, the king of Salem knew it too well that there was no greater *authority* beyond His, that could *bless* mankind. This *blessing* on Abraham would be necessary in order to establish and *chart* out the noble lineage of David through which He Himself would be *re-incarnated* as the *Messiah*, in order to *redeem* mankind from the *cruel* sting of *death*. Through this Valley of Shaveh *blessing*, Melchizedek gave to the world a unique example of a *sinless* life that initiated the process of *reconciliation* and *peace* between GOD and man. While He had often prayed for mankind in the *secluded* spot hidden in the *foliage*

of GOD's *glory*, this time around the king of Salem brought His sacrifice of worship into Jerusalem. By His *crown* of *righteousness*, *Melchizedek* thence decided to decree His eternal *peace* between *humanity* and GOD. Without waiting for a second *bidding*, this is what delivered mankind from what would have otherwise become the most *humiliating* eternal defeat. Out of this Valley of Shaveh communion, GOD Almighty would then permit Him to face life's *peril* like every human being, and to fight the *battle* as every child must, even unto the stake of *failure* and eternal *loss*. And of Him that came to encounter mankind at the Valley of Shaveh, this is what was said:

*He lies in wait like a lion in cover; he lies in wait to catch the helpless; he catches the helpless and drags them off in his net. His victims are crushed, they collapse; they fall under his strength (Psalm 10:9)*

Astoundingly, in Salem where JEHOVAH *dwells*, it emerged that Melchizedek reserves the royal *retreat* of eternal *dominion* of divine *jurisdiction* as the Priest of GOD Most High. As when the *Deliverer* had come to Israel's *rescue*, so it is that Melchizedek's covenant with man brought *power*, *exaltation* and *triumph* which are associated with His coming to *crush* the head of the serpent (Gen 3:15). This delivered the most powerful *payload* that terminally crushed the king of this world, with his allies.

### Priest of GOD Most High

**W**hilst still in the loins of his forefathers, Levi's priesthood had already been predetermined by the LORD, and the *abating* shortfall which would characterize that *Aaronic watch*. As a result, Melchizedek's meeting with Abraham, essentially triggered off the *inaugural* debut of a new *priestly* dispensation, in which the clergy at hand would now have to present a *supremacy* far and above the *Levitical* pulpit. To offer *sacrifice* in the *Levitical priesthood*, one was required to be a Hebrew from the tribe of Levi. It is a *constraint* that virtually curved

out the Gentile population. Such *conditionality* had been put in place by the LORD in order to serve a limited term, while securing the *custodianship* of the law, and its practice through the *protection*, and *interpretation* of GOD's *infallible* instruction. In this way, the *integrity* of the LORD's house was jealously *preserved*. Meanwhile, having lived its full term, there arose a need for a new order of *priesthood*, one that would not require the rigorous *benchmark* of annual sacrifice. The *shortcomings* of the *Levitical* *priesthood* had then come to bear owing to the temporary nature of their *sacrifice*. At the Valley of Shaveh presentation of *bread* and *wine*, JEHOVAH had already made His intentions known on the need to offer a perfect *sacrifice* whose *redemptive atonement* would endure for ever and ever. Likewise, the heart of GOD Almighty began to desperately *yearn* for the *ingrafting* of the Gentile church, to the extent that He looked into the face of the believers and *trembled* at the mere thought of their life's *peril*. Wherefore, the induction of a new *priesthood*, would have to well align with the new dispensation of *open heaven* that Melchizedek had now pronounced in Jerusalem. A transitioning was now underway in the heavenly council of GOD Almighty. After the order of Melchizedek would now emerge a new *clergy*, One about Whom Moses never even mention anything with regard to *priesthood*. This represented a major *fundamental* spiritual change at the altar of *sacrifice*, and an obvious *landmark* in the *salvation* of both the Gentile and Hebrew churches.

<sup>13</sup>For the One of Whom this things are said belonged not to the priestly line but to another tribe, no member of which has officiated at the altar. <sup>14</sup>For it is obvious that our LORD sprang from the tribe of Judah, and Moses mentioned nothing about priests in connection with that tribe. <sup>15</sup>And this becomes more plainly evident when another Priest arises who bears the likeness of Melchizedek. (Heb 10:13-15).

Because the LORD longed to *shield* His dear ones from the enemy's

power and avoid a bitter *conflict* in His own *law*, the tribe of *Judah* became not only the praise of the Lofty One, but also the grand platform upon which the Melchizedek *Pulpit* was launched. That the path of *light* might be made sure for both the Gentile and the Hebrew church, the *Lion of the Tribe* of Judah certainly had to first appear with the crown of the Melchizedek Priesthood, and bless His own path towards the final *redemption* of mankind.

<sup>2</sup>His tent is in Salem,  
His dwelling place in Zion  
(Psalm 76:2).

With these novel words the Israelites adored the LORD without knowing that their description of His *Majesty* directly pointed at Christ Jesus the *Messiah*, as Melchizedek the High Priest of GOD Most High. Such a change of guard as was now taking place at the *pulpit*, meant that there must have been a greater need to execute a change in the *law* from the *Aaronic* precepts into the new law of the *grace*. In contemplation to the advent of the Coming of the *Messiah*, this new *law of the grace* that Melchizedek ushered into the spiritual *landscape*, became extremely beneficial to the body of Christ because it *birthed* out the spiritual church and centralized Jesus as the eternal *Priest* of GOD MOST HIGH. He appeared with such a heredity to share with *penitent* sinners, so that in His *Supremacy* as the *Light* of the *world*, we too in our weakness of *humanity*, might be permitted to bear that *light* on Melchizedek's Day. That *light* is the *righteousness* around the fine *linen* of our hearts. The failure to uphold this wonderful *light* on that anticipated Melchizedek's day, becomes the greatest *risk* upon the face of humanity and the entire earth.

## The Foreshadow

When Abraham inadvertently stumbled upon Melchizedek in that blessed Valley of Shaveh, his will must have consented as *faithlessness* let go its hold upon him. He must have *refrained* from the slightest acceptance of any *doubt* in his *mind*. And yet in all this, mankind knew it not that this would actually

turn out to be the most consecrated unveiling of Christ's *incarnation*. And because the nations dealt in the *worship of idols*, without Abraham, they would have *beheld* indifference to Him whom GOD had sent to communicate to this dark world, the *light* of the sacred *truth*. None of the powers of earth or hell could *impede* Melchizedek the king of Salem, in the slightest degree, from accomplishing the *will* of the Father to bless humanity with the *salvation* of the Cross. Most revealing of Melchizedek's visitation though, was His *signalling* that declared the *insightful* glad news to the nations, on what was just about to happen on the front of mankind's *redemption*. And because Melchizedek found Abraham true to his *trust*, He developed a deeper and more zealous interest in Abraham's political *victory* over those *enemy* kings. Abraham had defeated those kings by literally *slaughtering* Kedorlaomer with his allies in that *dispensation* of *darkness*. This in essence compelled the *king of righteousness* to share in the joy of *heralding* the exploits and plunder because those evil kings had now been *crushed*, in a symbolic battle. This definitely asserts that every *trustful* desire we cherish in our hearts towards the LORD, without a doubt affords Him a major *foothold* into our lives. Abraham did not yield to the wicked pressure from those evil kings, but opted to do battle with them. In the backdrop of evil within which Abraham enjoyed a military victory, this further testifies to us that the *tempter* can definitely never compel mankind to do evil, and neither can the tempter's schemes control our minds unless they are voluntarily *yielded* to his wicked *influence*. Finding him virtually weary and unrecognized, Melchizedek the *king of righteousness* practically removed Abraham from a *vainly* extremity into a *joyous* and most *celebratory* place, that would later become iconic of the things to be. Beyond the hills of the Valley of Shaveh, the LORD was using Abraham's *celebratory* victory to foretell the dispensation when the *Messiah* would appear and *crush* the dominion of the kingdom of *darkness*, with all its allied kings of this world. This is what caused GOD Almighty in heaven to immediately

present Melchizedek in the presence of victorious Abraham, in a *depiction* that highlighted the coming days when the righteous church would be brighter with the glory of His *presence* at the *marriage supper* of the Lamb. The *exaltation* and *triumph* associated with Melchizedek's sudden appearance at Abraham's victory party, denoted the *exhilaration* that He as the LORD of the Armies would do at the fullness of time, to set His flock free from the reign of this *dark* world. He, about Whom these beautiful things were mentioned, was indeed already crowned in the *castles* of heaven as the *Promised Saviour*. When Abraham was at the point of *weariness* and *loneliness* following that protracted battle with the *kingdoms of darkness*, then the heavenly *envoy* is suddenly sent to comfort him from being *sore* and *frail*. The compassion of GOD Almighty was indeed well manifest at that Jerusalem valley. For GOD Almighty in heaven had then decisively intended that through this encounter, mankind would have to *fear not*, for behold *good news* had now come for all peoples. That unto them, a Saviour would have to be born, which is Christ the LORD. This first *incarnation* and *prefiguration* of what the LORD Jesus would do upon His advent as Christ the king, is what would also *decorate* Him as the LORD of the Armies. When the LORD Jesus appeared as Melchizedek, *costumed* with the *Crown* of Priest of GOD Most High, a lot must have been at stake especially considering the *disobedience* within which He would operate. In this way, He was very much aware that in that *incarnate* form, GOD Almighty in heaven would assuredly *interpose* to deliver Him whatever the circumstance. Melchizedek's abrupt appearance into the scene, certainly claimed the true test of the *fidelity* and the *obedience* of *steadfastness* to the Holy Spirit, with which He would *stoop* low to *redeem* mankind, as Christ Jesus. As all actions foreshadows a form of the future, so did the *vast* terrain of land that Abraham was given, stretching as far as his eyes could reach, fundamentally *foretell* of the *vastness* of the *dominion* of the upcoming boundless *reign* of Christ. Without a doubt, we can now clearly

see that Melchizedek's advent was a very mighty prophetic act that God was putting in place to greet sinful man with His *mercy*. No wonder it is said of Him, "expand your mighty sceptre", implying that He would indeed expand His reign in ever widening circles, until no *foe* is left to oppose His rule. In this context, it was clearly *setforth* before Him, that He would rule as the Great King, the LORD's anointed One over GOD's *victorious* kingdom in the world. Such a dispensation will realize during the *millennial* rule of Christ. In what appears to be the initial attempt to *quieten* the adversary, *sheathed* in this Valley of Shaveh, fellowship was the grand portrayal of the *swaddled* mighty *victory* with which Christ the *Messiah* would later *vanquish* the enemies of GOD at the Cross. This *feat* would be *unsheathed* at His royal footstool.

**"The LORD has sworn and will not change his mind: "You are a priest forever, in the order of Melchizedek." "The LORD is at your right hand; he will crush kings on the day of his wrath. "He will judge the nations, heaping up the dead and crushing the rulers of the whole earth (Psalm 110:4-6).**

One can only imagine the momentous joy that beheld heaven concerning that *prophetic visitation*. No longer could such a glory be held back by JEHOVAH hence causing heaven to send Melchizedek upon this otherwise *hushed* earth. The Valley of Shaveh dialogue therefore realized the true signal that in heaven the *veil of secrecy* which guarded man's *redemption* plan had now been lifted. This *birthed-out* the greatest advancement of *goodwill* towards man, now that the heavenly *ensorship* over He that would come soon, the *Messiah*, had just been lifted. Very much aware that any failure on the part of this great *prophetic* visitation would only give occasion for the adversary to further reproach Christ, Melchizedek decreed an everlasting *kinship* between himself and mankind. That eternal bond of *kinship* was *sealed* for both the Gentile and Hebrew churches as a lasting *ordinance* that saw

Abraham crowned *Father of faith*. This pronouncement radically transformed the life of Abraham to the extent that he became the *cover father* of all who believe in Melchizedek, the Christ.

**"And he received circumcision as a sign, a seal of the RIGHTEOUSNESS that he had by faith while he was still uncircumcised. So then, he is the father of all who believe but have not been circumcised, in order that RIGHTEOUSNESS might be credited to them (Romans 4:11).**

## Bread & The Cross

**W**hile it may be true that GOD *preserves* all who walk in His *righteous* path of *obedience*, on the other hand departing from it constitutes a wild *venture* into satan's dangerous *domain*. Hence, arising from this *fear* that those who are *ignorant* may be easily led *astray*, the LORD decided to keep mankind away from rushing *unbidden* down this road of danger, by sending Melchizedek king of Salem. This is what caused GOD's *resolve* to chart for mankind His secure *highway of holiness* (Isaiah 35:8-9). Appreciating this prophetic *significance* that Melchizedek brought into the body of Christ, comes from a greater degree of insight into the *revelation* of His righteous *mission* to a fallen earth. Owing to the fact that the LORD envisioned the beginning from the end, He already perceived the need to establish the institution of the Cross. And Melchizedek Priest of GOD Most High had been slated to realize this sacred undertaking. While on the day of *atonement* the *Levitical priesthood* would be expected to pass from the sight of the people into the Most Holy Place, annually; the placing of the *bread* before humanity on the other hand, unveiled an eternal priesthood whose *sacrifice* would be performed once for all. The slaughter animals for sacrifice, for *sin offering* and the transfer of blood behind the *curtain* in the Most Holy Place would have to come to an end since now a higher cadre of *sacrifice* had been allotted to befit the spiritual dispensation

that was at hand in that Valley of Shaveh. The priest's annual entry with the blood of an animal into the Most Holy Place would have to come to an end because Christ Jesus the High Priest of GOD, would now enter into the inner chambers of GOD's Temple in heaven, and sprinkle His own Blood on the cover of the Ark of the new covenant of GOD in heaven. That is the inner chamber act whose symbolism Melchizedek's new *wine* beheld at the Valley of Shaveh. The declaration of *kinship* that accrued during Melchizedek's visit is what foretold the anchoring of all the souls of men that would happen in the heavenly holy of holies, upon Christ's *crucifixion* and *resurrection*. Instead of the temporary *atonement* the Levitical priesthood achieved due to the *uncleanliness* and *rebellion* of the Israelites, the *bread* that presented in Melchizedek's visitation designated He Whose body would be *broken* once for all to eternally *atone* for the sins of man. The scripture has plainly put it that the

way that leads into the kingdom of GOD has to pass through the Cross. Thence, clad with the *crown* and *garment of righteousness*, Melchizedek indeed unveiled the *cross* at Calvary for the first time.

**For the bread of GOD is the bread that comes down from heaven and gives life to the world (John 6:33).**

As Melchizedek presented *bread* to Abraham, these are the words that came forth from his generosity. In other words, the king of *righteousness* said, "I bring life and life *eternal* unto this perishing world." As that Melchizedek's *bread* designated the Cross, then it is also factual that truly the Cross is what gives life *eternal* to mankind. Like it was with the Levitical *priesthood* whose service came to full term, thereby demanding a graduation of *worship* into the spiritual realm, so was it with the bread whose significance unveiled not only the dispensation of the *manna* from heaven, but also the coming of the True Bread that is the Son of Man.

## Melchizedek's Day The Light of Righteousness

**W**hen at the Valley of Shaveh, Melchizedek pointed to *humanity* that the Lamb of GOD would now become a new *light* shed upon this *dark* world. And that Christ the *Messiah* was already ordained at the throne of GOD as the suffering *sacrifice* and *conquering* King. By wearing the *Crown of righteousness*, Melchizedek indeed conveyed the message that the significance of His mission was deeper than that of priests and the people. When the GOD of heaven typed on that white piece of paper a message that said, "Melchizedek's Day is known as the Day of Light," it became a very serious awakening in the church of Christ. Having come to man, while fully *clad* with the crown of the king of *righteousness*, this *note* on Melchizedek's Day becomes highly expressive of an unutterable *grace* of GOD. However, in order to best comprehend what the *Day of Light* clearly implies, it is significant to

tap into the basic expectations that GOD has laid for that day of *rapture*. If that day belongs to the *Messiah*, then it is absolutely prudent to fully explore all the aspects of the *Messiah's* advent and His mission.

### Righteousness

**R**ight from the word go, the prophecies that foretold of His coming laid down a fundamental threshold that He would register in heaven.

**"Of the greatness of his government and peace there will be no end. He will reign on David's throne and over his kingdom, establishing and upholding it with justice and RIGHTEOUSNESS from that time on and forever. The zeal of the LORD Almighty will accomplish this (Isaiah 9:7).**

We see very clearly that the prophecies which charted His path towards the *redemption* of mankind, certainly highlighted the *righteousness* that He would come and *establish* forever. Therefore, if the Day of Melchizedek is *earmarked* as the *Day of Light*, then *invariably* that *light* must be the *righteousness* that the LORD was sent to bring upon the face of the earth. The *garment* of fine linen bright and clean that the LORD so craves the church to be clothed in on that auspicious day of *rapture*, is as a matter of fact the nurtured *righteousness* of the believers. And because the church has been called to walk after Christ the *Messiah* Himself, then consistently we can now understand the requirement that the November 14th, 2010 vision laid before mankind. If the *righteousness* with which the *Messiah* appeared on the earth is what caused the Redeemer to have the *zeal* of the LORD, then surely this *written note* summons the church to show forth *fruit* if the *zeal* of the LORD as the testament of the *righteousness* of their walk. JEHOVAH is in this day and age seeking a church that will be in confidence and eternal *peace* with Him. Such everlasting *peace* between the body of Christ and GOD Almighty arises from the *repentance* and turning away from sin that *righteousness* institutes in the hearts of the believers (Isaiah 32:17; Isaiah 11:3-5). Of all the attributes of *salvation* that Christ brought, heaven appears to uphold a greater degree of *reverence* on *righteousness*. Such is the popular enthusiasm on *righteousness*, to the extent that even when it came to discerning who among men genuinely seek GOD, heaven would be *obliged* to employ that same yardstick. A pursuit of *righteousness* directly translates into the seeking of the LORD. A *righteous* church would never in any way forsake the rock from which she were cut nor the quarry from where she was hewn. This particularly towers high especially at this last minute when the larger part of her body of Christ has forgotten about the rock of their *salvation* and embraced a compromised living (Isaiah 51:1-2). These invaluable attributes of *righteousness* are the ones that in

effect constitute the *radiance* of the light of the world that Christ is. This heavenly *written note* of GOD hence essentially proclaims to the church on the greater need to emit the radiance of this *light* at this moment, because this is the hour of *righteousness* in the church. And only the believer whose lamp of salvation will emit such a brilliance of *righteousness*, will partake of Melchizedek's *Day of light (rapture)*. By this November 14th vision of the typed *note* from heaven, it is obvious that heaven upholds a higher plane of admiration for a *righteous* church. This principally boils down to the fact that in the gospel that Jesus brought, the *righteousness* of GOD ought to be revealed. It is an indictment that raises a number of questions against the present-day body of Christ. In this vision, the LORD's eloquence in questioning why *righteousness* does not exude from today's church, is noticeable. If at all it can be true that the present-day church received this same gospel of Christ Jesus, then the daunting question becomes why haven't they emitted the *brilliance* of the *light* of *righteousness*! As a matter of fact *faith* must be sanctioned as the outcome of *righteousness*. GOD Almighty is not seeking the approval of man, but in essence warning that faith in the LORD Jesus must rest on the *BEDROCK* of *righteousness*, as its foundation. Only those that walk in *righteousness* indeed demonstrate their *faith* in JEHOVAH GOD, through Christ Jesus (Romans 1:17).

<sup>21</sup>For he hath made him to be sin for us, who knew no sin; that we might be made the *RIGHTHOUSNESS* of GOD in him (2 Cor 5:21).

The *humility* and *self-sacrificing* grace demonstrated in 2 Cor 5:21 was designed to impress on us the very core of the LORD's mission. It is a marvellous awakening to realize that on that Calvary Cross GOD sent Christ to bring mankind only one

treasure called *righteousness*. And if the path that leads to the kingdom of GOD is through this very Cross, then assuredly Melchizedek's Day is indeed the *Day of Righteousness*. This generation that receives *written notes* from GOD must surely be that most celebrated generation of *righteousness*. Are you part of this *righteousness*? From the days of old to date, when a *monarch* journeys through the lesser frequented part of his kingdom, an advance team is often sent ahead of the royal *entourage* to level the bumps, and fill-up the *potholes* that the king may travel safely and without any hindrances, whatsoever. So was the purpose of this heavenly *note* that the LORD posted ahead of the *Messiah's* entourage that is upcoming. Often when the populace detect a certain type of presidential crew preparing the roads, marking the lanes and sweeping the pathways, then the message is always clear; that shortly, the king will pass here. And definitely it is now evident that this levelling of spiritual bumps and exalting of potholes that we see happening through this instructive *note*, implies that a highway for our GOD is being built and that sooner than later the King will pass here. Many times when soldiers and police officers are assigned a task, they are often given bullet-proof jackets that protect the area above their chest and upper abdomen. That is usually intended to shield their vital organs during the combat. And when the fight gets quite brutal and messy, upon being rushed to hospital, the first things the doctors would check is what is dubbed, '*vital functions*.' Among the organs that are first examined is always the heart, to see if the heart function can still sustain life by pumping blood to the entire body. Today too, the present-day church of Christ is involved in a very bruising battle, and many times it is critical to examine her vital functions whether they have

not been damaged. We know it too well that when the LORD Jesus went to the Cross, he did so to save the one and only thing called the heart of men. GOD's fascination with *righteousness* can now be well understood, because the bible commands the body of Christ to stand firm having their loins girt about with truth, and having in place the breastplate of *righteousness* (Ephesians 6:14). That tells us that GOD's cry for the church to be *righteous* is without a doubt purposed to shield their *hearts* from the sharp arrows of the enemy, that their spiritual '*vital functions*' may remain sound in order to sustain their *salvation*. Many of those gathering at churches today do so *yearning* to one day be like Christ Jesus their Redeemer. Often the presence of salvation in our lives is directly derived from GOD's *blueprint* of man's creation at which He intended humanity to bear His image and likeness (Gen 1:26). However, what the majority of believers have not understood is that to bear the image and likeness of GOD, the body of Christ must walk in true *righteousness*. That is the very conversation Jesus had with Nicodemus on the subject of being born again. The new spiritual rebirth that is graced by the *salvation* of the gospel, irrefutably involves putting on a new self that is created to be like GOD in true *righteousness*. *Righteousness* of the church is the true *image* and *likeness* of GOD in the sanctuary. When GOD Almighty on that November 14th, 2010 sent me a well typed *note* that says, Melchizedek's day is known as the *Day of Light*, He conclusively decreed that the *light* of GOD that brings man into His *eternal* kingdom is incontrovertibly the '*righteousness* of their heart's.

<sup>13</sup>But in keeping with his promise we are looking forward to a new heaven and a new earth, where *righteousness* dwells (2 Pet 3:13).

# Black horse of the apocalypse

## Horseman traverses the Arab world with woes

### Dubbed 'the poorman's protest', The Black horseman Unleashes His Fierce Wrath

In that August 19, 2008 vision, as the LORD Spoke with me about the release of the rider of the black apocalyptic horse, I knew it too well that upon his arm, depended the *salvation* of fallen man, as he would reach out his hand to grasp their undivided attention on the coming of the *Messiah*. At the release of this black horse, the LORD Almighty well knew how sin had petrified the hearts of men and how difficult it would be for them to discern the *readings* of the *times*, in the absence of a significantly compelling distress.

<sup>54</sup>He said to the crowd: "When you see a cloud rising in the west, immediately you say, 'It's going to rain,' and it does. <sup>55</sup>And when the south wind blows, you say, 'It's going to be hot,' and it is. <sup>56</sup>Hypocrites! You know how to interpret the appearance of the earth and the sky. How is it that you don't know how to interpret this present time? (Luke 12:54-56).

It is for this matter that the rider of the third horse of the apocalypse was sent to cause man to be totally *enthralled* by the impunity of his power to break the *fetters* with which the global economic lifestyle of prosperity had *shackled* humanity. Operating under the tight instruction of GOD Most High, this rider of the black horse thrust himself onto the global scene with the one and only purpose of conquering and destroying man's unfortunate dependence on *bread* alone. To this end, his intent was well demonstrated by the weighing scale on his hand, with which

he would have to cut off and alienate mankind from their long-cherished prosperity and none-reliance on JEHOVAH. In that August 19th, 2008 night vision, as I saw the rider of this black horse leave heaven and traverse the entire face of the earth, I was able to recognize that his form was bathed in chaos that accordingly

Riots in Egypt, 2011

surrounded his downturned face as mankind had never before seen. Notwithstanding, I could almost feel the humiliation with which he was coming to encounter mankind in their fallen nature. Going by the third living creature around the throne of GOD, that released him, one could easily see that upon his visitation on the earth, that there would be no direct acquittance with mankind. The face of the third living creature that released this black horse from the throne of GOD, was most holy, brilliant, righteous, and glorious as never envisioned before. Furthermore, the purity of character on the face of the third living creature from GOD's throne, I recognized as one as I had never before perceived in any man of being. The very atmosphere of his presence by the throne of GOD, was very holy and awe-inspiring. In this astounding vision, the level of *holiness* presented by the third living creature from the throne indeed unveiled the shortcomings of man's condition. It is the *holiness*

that sharply contrasted and revealed of the human condition of dark tales of souls bowed down with the burden a myriad of sins. I, on that day, to a large extent began to understand how holy the requirements of JEHOVAH are, including the enormous task that lay ahead in order to bring the body of Christ into that heavenly stature. The *ferocity* about his demeanour spelt doom onto the global economy courtesy of the violent manner in which he swung the weighing scale on his arm as he traversed **c o u n t l e s s**  
**t e r r i t o r i e s**

one after the other. The *white glorious* mane that covered his shoulders indeed expressed the eloquence of his authentic origin from GOD's mighty throne, and I could almost immediately understand that upon his actions, mankind would have to run for his life. This relentless *horseman* of the apocalypse did not present as one who would have accorded humanity the slightest of a privilege to silent gazing. At that moment in the vision, I became gripped with fear for what would become of *humanity*, as the reality of his mission rolled out. I then woke up and searched in the bible only to land on the breaking of the third seal and the consequent release of the messenger of both famine and loathsome, and also an oil and wine revival (Rev 6:5-6). Astoundingly enough, it took less than two months from when the LORD permitted me to pronounce this phenomenal prophecy on the coming of the global economic crisis and this humongous prophecy became accurately fulfilled. The severity

of its fulfilment is yet rolling out in our eyes, by the day. It becomes the biggest prophecy ever unleashed in this present day, that has gripped all nations across the face of the earth.

### Woes & Pangs

Upon coming up out of the heavens, the rider of the black horse opens up a new and important era right before the eyes of mankind. With the momentous release from heaven of this *unforgiving* third *horseman* of the apocalypse, humanity was now, upon a wider stage, entering into an unrelenting *conflict* of his lifetime. Though this *horseman* comes from the throne of GOD in heaven, his appearance into the scene assuredly must be as the *unsheathing* of a sharp sword driven into the prosperity lifestyle of the nations. Now that they had tuned themselves to and gotten accustomed to perishable prosperity, the nations of the earth today find themselves at a loss on how to respond to the current economic tumult. Likewise, the kingdom of heaven for which this *horseman* has come to prepare the way, now appears to be the exact opposite of that which the nations had anticipated and indeed desired. It is as though the LORD who had been the foundation of man's *sacrifice* and *prosperity* of the earth, would now have to be looked upon as its *enemy* and *destroyer*. The awakening of this unrelenting *black horse* of the apocalypse is that, as man had well amalgamated his lifestyle with the economic prosperity of this world, he must now bear the burden of its *guilt* and *woe*, owing to his heavy reliance on the perishables. Even the United Nations had of late retorted at the onset of the global economic meltdown, that *bread* riots were just around the corner. By taking away *bread* from the table, this third *horseman* of the apocalypse indeed asserts a spiritual a spiritual agenda into the present-day lifestyle of men. This he does by silently but steadfastly imploding into the life of mankind, the scripture that says; "Man shall not live by

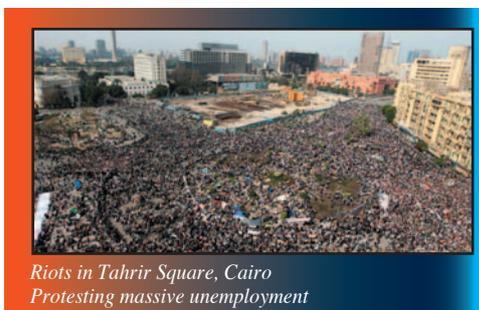

bread alone but on every word that proceedeth out of the mouth of the LORD.”

<sup>2</sup>And thou shalt remember all the way which the LORD thy GOD led thee these forty years in the wilderness, to humble thee, and to prove thee, to know what was in thine heart, whether thou wouldest keep his commandments, or no. <sup>3</sup>And he humbled thee, and suffered thee to hunger, and fed thee with manna, which thou knewest not, neither did thy fathers know; that he might make thee know that man doth not live by bread only, but by every word that proceedeth out of the mouth of the LORD doth man live (Deut 8:2-3).

Across the centuries, mankind has steadily drifted away from the *highway of holiness*, causing him to live a worldly lifestyle away from the ways of his Creator. In the backdrop of this kind of blatant *disobedience*, the sinful seemed to have gotten away with feeling the *shame* and *guilt* of sin. Little did they know that such a feeling would only last temporarily as long as the gates of heaven for *redress*, were yet to open. It is as though the established economic and prosperity systems of this dark world had dictated a strict adherence to their stringent requirements for survival. This obviously meant that the *righteous* must dwell with *strife*, and the *truth* must abide with *falsehood*, while *purity* would have to contend with *vileness*. It is this kind of entrenched *dysfunction* that the LORD intended to purge off from today’s christian life, when He discharged the rider of the black horse of the apocalypse. In their ordinary presentation, the nations, and indeed the church of Christ, appeared to have resigned to every form of sin, discord and every defiling lust that the pursuit for prosperity had brought, without any traces of the smallest of torture in their conscience. The failure of alignment with the will of God, with its consequent on over-dependence on bread alone, is what has now brought man to a state in which he must *tread* the path of pangs, while bearing the burden of heedlessness.

<sup>17</sup>And the work of *righteousness* shall be peace; and the effect of *righteousness* quietness and assurance for ever (Isaiah 32:17).

Had humanity embraced the fact that the LORD Jesus laid off His heavenly Glory in order to accept the weakness of their flesh, their peace at this hour would have come regardless of the *pangs* of the black horse. Owing to the redemption of the world that rests upon Him, the LORD Jesus brought *righteousness* as the steadfast pillar on which mankind can seek refuge in these perilous last days. Culminating from today’s clamour for economic prosperity, is the shameful decay that has fashioned today’s christianity

Riots in Tahrir Square, Cairo  
Protesting massive unemployment

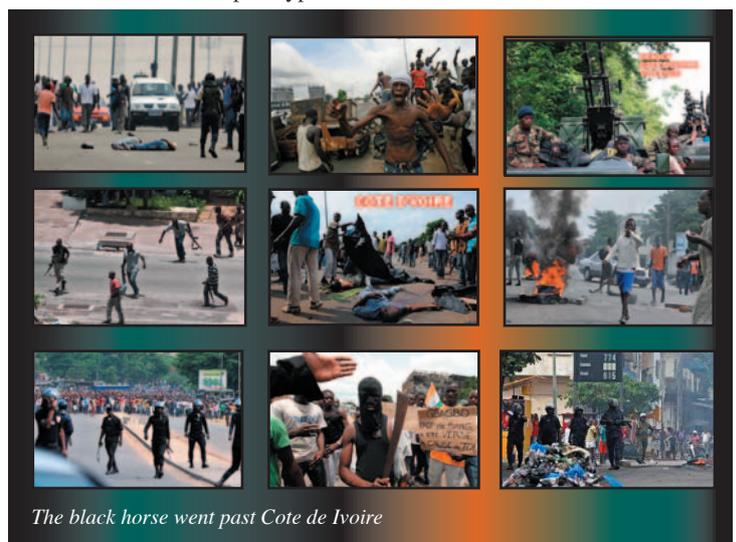

to the extent that she has shed her authority as the *light* of the nations. This is what has shrank the church from granting the request of many souls to know Jesus. With this kind of scenario many have now suffered it to be so now, that they worship the eastern GODs. With an *indictment* of this kind hanging over the church’s neck, how then will the body of Christ account for the eastern worship that Egypt and Tunisia find themselves in? How would one then explain to them, the exemplification of today’s economic *pangs*, as being a reflection of not only how horrific the tribulation *pangs* will be, but also on its spiritual *virtue* on the *Messiah*’s coming. The endtime clock of GOD whose ticking has now definitely realized in the streets of North Africa and the Arab world at large, indeed presents a vivid awakening whose intent is none other than to inspire *faith* in Christ Jesus, the Only Saviour. Among those Christian believers who today witness the scenes and the strength of the relentless riots

spurred by the black *horseman*, this act as a solid confirmation that the hour has drawn nigh. Of the vast throng of protesters that march on to the violent streets of the Arab world, none, not even the remnant christian believer indeed ever discerned the heavenly vision of its prophecy and significance.

<sup>30</sup> In the past GOD overlooked such ignorance, but now he commands all people everywhere to repent (Acts 17:30).

It is as though the *solemnity* of the revered *divine* presence of GOD Almighty now rests on the streets of nations. The above scripture couldn’t have better explained what is today being witnessed across North Africa and the Arab world. In the past, the LORD seems to have overlooked such ignorance that has for centuries beclouded man’s life with *Godlessness*, *heedlessness*, and *lawlessness*. But it is for that exact reason that the LORD has now encircled mankind with the *beginning of birthpains* so that they may recognize the token which He had promised upon sending Christ Jesus to the Cross. In Revelation chapter 6, the release of the black apocalyptic

19, 2008, the black horse has crushed the global economy with such a tremendous force that has yielded far reaching ramification onto the respective national economies. This single *horseman* has proved his divineness through his ability to exert so much pressure on the global economy, to the extent that things have cracked. The impact of this has manifested in the unfathomable rates of *unemployment*, *layoffs*, *discontent with leadership*, *loss of housing*, *mortgage crisis*, and the dishing out of huge governmental *financial bail-out* packages. The bottom-line of this crisis, as spelt out by the black *horseman*, is that the ability of man to place *bread* on the table has greatly dwindled and diminished. This is why the entire *riots* and *chaos* and *protests* that now spot the regions traversed by this black horse of the apocalypse, can all be summed up as “*bread riots*”. It is as though the LORD is shaking man’s safety nets and security systems into *fatality*, in order that He may catch their attention away from the worldliness of their livelihood. That which was the very reason of distraction from GOD, is today being taken away from men by this relentless *horseman*. There is no better place at which the LORD is using the current tumult to exhort

The black horse went past Cote de Ivoire

*horseman* is intended by the LORD, to usher in a dispensation of extreme economic hardship to the extent that governments would no longer be able to sustain such distresses. Ever since his release on that August

mankind on the need to store up their treasures in heaven where moths and rusts and thieves cannot plunder (Matt 19:21-22).

# ECONOMIC RIOTS ROCK TUNISIA

## Tunisian man sets himself alight

January 3, 2011 at 03:59am

Tunis - It started with a young man who acted out of desperation after police confiscated the fruits and vegetables he sold without a permit.

Bouaziz was a 26-year-old university graduate without a steady job, trying to support his family. His self-immolation - which left him in intensive care, wrapped from head to toe in white bandages - shocked the North African nation and sparked protests over unemployment that have led to at least three deaths.

## Frustrations of the Harsh Economic Realities Hit Tunisia

Upon his release from heaven, the rider of the *apocalyptic black horse* has been racing and crossing the Atlantic back and forth, while also reaching out to Asia across the Pacific. It is these trans-oceanic missions of the *black horse* that indeed knocked and tumbled down the world's most established major economies. As the stock-markets closed on every subsequent day following his release, the rider

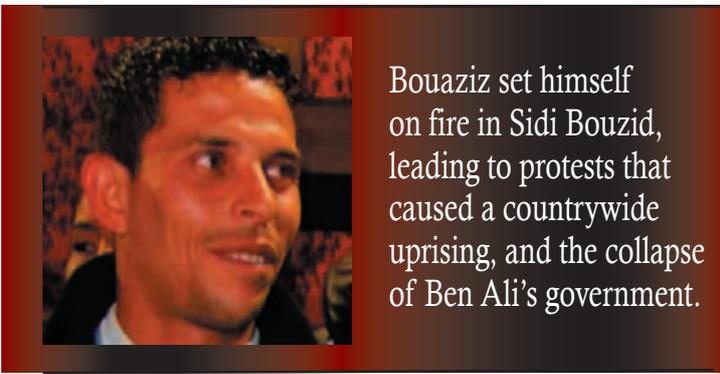

of the *black horse* ensured that the market fundamentals weakened significantly as lamentations could be heard on either sides of the Atlantic Ocean. The *contagion* of his ripple effect could not be held back by any human *mitigation*, be it stimulus packages or major lay-offs. Several Wall Street enlisted world class leading corporations such as Citigroup, AIG, Northern Rock, immediately attempted

to re-invent themselves in vain, as some of them had to file for bankruptcy. Federal governments had to come in, in self-violation of *Laissez-faire* rules of free market capitalism. With all this ongoing, it could be accurately said that nothing

less than a major paradigm shift presented in the global economic landscape. This is because the initial capitalist crusade against socialism could not hold water any more. The Chinese economy had shown a little resilience, but this too can

Furious UK student protesters smashed Prince Charles' car following the government's decision to cut spending on University subsidies. A similar out cry on economic distress later visits the Arab world.

Bouaziz set himself on fire in Sidi Bouzid, leading to protests that caused a countrywide uprising, and the collapse of Ben Ali's government.

only hold for a little while as this *horseman* makes his way into that giant land. Today China has also expressed concern over excessive inflationary pressures.

**H**owever, as this third *horseman* of the *apocalypse* continued to unleash his fierce wrath over the Eurozone, the world witnessed Greece, Ireland, UK, France, Portugal and Spain, take a significant hit in their economies. This heavenly messenger *enthralled* himself in provoking a historically huge public unrest and disquiet in France, to the extent that a national shut-down over the Senate approval of budget cuts would paralyse a nation. In the UK, huge budget cuts touching on the military and universities let to historic riots at which the royal family was not respected when Prince Charles and Camilla's royal entourage was smashed with rocks. In this act, the rider of the *black horse* ensured that he would not be far off from the Arab world, where he had *stayed* the rivers of his economic tumult in 2009/2010 until now that the appropriate opportunity had presented. Proverbially known as the oil-rich, when the rider of the *black horse* set foot into the Arab world, it was as though the armies of heaven had broken lose, and come out to topple the stronghold of that eastern worship and overthrow petrol-dollars, as we know it. Within the backdrop of the current distress, the memories of the

earlier events of economic prosperity, fully fledged employment and job security, was at this time being revived in the minds of Tunisians, and hence giving them a thrilling interest onto the *protest* agenda. With the continued shrinking of employment opportunities owing to the global economic distress, multitudes of young

men and women graduating from Tunisian universities, tertiary and middle-level colleges, soon found themselves idle and virtually redundantly unemployed. This national disquiet then self-mutated into a slowly simmering '*time-bomb*' as the frustrations of the harsh economic realities began to bite deep into the Tunisian society. Nonetheless, this '*bomb*' of the populational distress did not require much to go off except the extreme frustration of a young unemployed university graduate called *Bouaziz*. And because the crippling economic meltdown had taken so deep a hold on the nation of Tunisia, as to demand the attention of

the authorities, this 26-year-old *Bouaziz* ran into a head-on with the establishment. Having resigned to his situation, *Bouaziz* had literary given up on any form of formal employment, and resorted to the informal sector.

This laid a heavy toll on him as he had to begin a small outfit of vending little fruits and vegetables. The humiliation *Bouaziz* bore became so unbearable that he was literally languishing, on a daily basis at the mercies of public opinion. However,

the burden of taking the full responsibility over his family's livelihood, situation dictated that he couldn't afford the fees to secure a vendor's permit for little fruits and vegetables. Therefore, it was during one of those rounds of his at which he had to earnestly convince every single passer-by to purchase from his dilapidated stocks, that the police finally approached him. In that encounter, the man of the law requested to see his business permit

the real D-Day for Tunisia to bear the full brunt of the fierce wrath of the rider of the *Black Horse* did not arrive until the authorities encountered *Bouaziz* in his *disparaging* business outfit. And because this 26-year old Tunisian graduate had

that authorized him to vend fruits and vegetables. Finding that *Bouaziz* hadn't a permit

authorizing him to sell fruits and vegetables in Sidi Bouzid, they quickly roughed him up and confiscated all his fruits and vegetables. Talk about an instant obliteration of one's capital, then this was it for *Bouaziz*. It was as if his whole world had collapsed on him as even the smallest possible opening he had designed for

to commit suicide by setting himself ablaze. When the news of this act of desperation by *Bouaziz* hit the airwaves of the nation of Tunisia, it acted as a spark plug that literary triggered off an all-out national outrage, especially from the unemployed. Massive riots ensued as people found a way of venting their anger over the economic woes

daily thronged the streets of Tunis and other cities. This caused a popular uprising in which every gathering was now looked upon with suspicion by the government. With subsequent protests, riot police was released into the streets as violent clashes ensued. This resulted into the death of more than 219 people during the

Shops were shut down with government offices paralysed since the protesters did not recognize the authority of the rulers any more, hence not seeking their sanction to be in the streets. In order to vent their anger, the protesters reproved the corrupt rulers. It presented a most classical case when the rider of this *black horse* of the apocalypse eventually released his final wrath that hence toppled an entire government. Just to underscore that this was indeed an uprising of the harsh economic woes, the European Union immediately announced the freezing of the assets of the former Tunisian leader, Ben Ali. Owing to the severity of the protests, the Tunisian government ordered all schools and universities indefinitely closed. What is particularly most disturbing is that despite the change of leadership, Tunisia's economic woes have remained on. It is the self-perpetration and aggravation of the harsh economic doldrums brought about the rider of this *black apocalyptic horse*, that greatly speak about the ticking clock of God. It can only imply that what the world is experiencing today as the '*bread riots*', have indeed a finer reflection on the massive economic crisis of the great tribulation. The only remedy being salvation in Christ Jesus.

his survival was now shut. It is at this moment that *Bouaziz's* frustration hit the roof as his life hit rock bottom. *Bouaziz* then quickly opted not to ever live to see himself languishing in the humiliation of unemployment and poverty in that nick-of-a moment he then decided

that had weighed them down. This unleashed a historic frenzy of anger and discontent as the Tunisian society rushed into the streets to express their outrage at the harshness of the economic reality at hand. Such was the anger stirring through the hearts of the people who

protests that eventually toppled Tunisia's President Zine al-Abidine Ben Ali's government. Amid the violent protests widescale looting was reported to the extent that whatever pointed toward an uprising of the people indeed excited the fears of the establishment.

*“When the Lamb opened the third seal, I heard the third living creature say, “Come!” I looked, and there before me was a black horse! Its rider was holding a pair of scales in his hand. “Then I heard what sounded like a voice among the four living creatures, saying, “Two pounds of wheat for a day’s wages, and six pounds of barley for a day’s wages, and do not damage the oil and the wine!””*

# Focus on Nyeri Revival

Ruringu Stadium

April 16-17, 2011

**THE POLICE BAND WORSHIPPED THE LORD:**  
 If there was a classroom at which all the other nations of the earth should learn how to serve in their land, that classroom would be in Kenya. Blessed indeed, is the nation whose disciplined forces can participate in worshipping and honouring JEHOVAH the God of heaven and earth. The Kenyan police force indeed stands out as the most excellent in the whole wide world.

Born deaf, this girl was brought into the Nyeri Revival Meeting from the school of the deaf, with hope that perhaps GOD might remember her. When the Man of GOD commanded the deaf ears to pop open, her right ear literally popped open and she can now hear very well. Today, she is learning to live with hearing.

And the glory of the LORD descended with the mighty touch of holy ghost fire

And a mammoth gathering assembled.

And The Deaf Ears were Commanded To Pop Open & Indeed Many Obeyed

Many cripples and paralytics got up and walked for the first time.

# The Manila Conference 2011

Deaf Ears Opened
