

11. MOMBASA REVIVAL- MESSAGE OF THE LORD-26TH-FEBRUARY-2011

End Time Prophet of JEHOVAH

Listen precious people the love of God has been well demonstrated, well dramatized. Listen precious people, the other side they have heard and heard and heard it again and even on radio. They tune to the messages as they are being repeated. Listen precious people, the LORD the GOD of Heaven He has spoken with me. What has the LORD said? The LORD JEHOVAH, He has been speaking with me about the coming of the MESSIAH and this is the most treasured message in the entire history of the church that at one time GOD may now switch gears and stop talking about the earth, your blessings, your things, and start talking about your eternity.

The most anticipated return of the MESSIAH; there is no greater place for the church to sit other than this place. Yes, it is true. Everyday I receive emails from Pastors fellowships—in Panama, another one in Aruba, another in Ottawa, Canada and many nations, Argentina. They are crying. Somehow, they got to know that the LORD has spoken with somebody about the return of the MESSIAH. And that's why I am saying today there is no better place for the church to sit except at this place where finally GOD ALMIGHTY has spoken about the KINGDOM of GOD.

I call it the grand finale that you may do everything and anything else. But the race began—the relay, *zile za masaba mafupi na kupeana batuni*. The race began and the first apostles that Jesus left, the first church, they ran their race. And they passed the baton to this church, the church at this hour. And now, GOD has announced the grand finale that the finishing line is now there. And you are carrying the baton. What you do with this baton as a church at this hour can either shame the LORD or it can glorify the LORD.

If you are about to get to the finishing line, the Coming of the MESSIAH, the rapture of the church and you are about to get there and everybody is holding for you, and then you slide and fall, you have ashamed GOD. That's why you are very critical. Your moment has come to be redirected, to be counseled on how to run with this baton as in, "Look, the finishing line is now there."

Our salvation is now nearer than when we first believed. Listen to this now: On November 1, I'm going to run through the conversations of GOD at this hour in the church that you may understand what I've been saying here. November 1, 2006 at 3am in a MIGHTY vision of GOD, the LORD He showed me the dark night sky. And there was so much darkness in that vision as I looked up. And then all of a sudden Heaven opened into the sky. And when Heaven opened into the sky, the first thing that happened is that I saw the GLORY of GOD coming out into the dark sky and changing the darkness of the sky into light.

The second thing I saw is from inside Heaven there was something like a tinge; just a tinge was coming from inside Heaven and that tinge it was golden within the brilliance of the GLORY of GOD in Heaven; a little golden tinge. And then I realized that that Golden object was not static. It was actually moving. It was moving. It was not stationary. It was moving and the

more it came closer to the sky, the bigger it became until when it reached the entrance to Heaven *ambalo lilikua limefunguka mbinguni*. Then I realized that they were actually 2 Wedding Rings. *Kumbe zilikua Pete mbili za Harusi za dhahabu*. And the LORD placed the 2 Wedding Rings in the sky at the entrance to Heaven; between us and Heaven were the 2 Wedding Rings. Then the voice of GOD ALMIGHTY spoke from inside Heaven.

What did He say? He said, “From today on all authority in Heaven and authority on the earth has been given CHRIST JESUS.” I would clap right there. I would even finish there and go knowing that I have delivered the WORD. Even if I stop there and go now I have delivered the Message—that the Wedding Rings are in the sky and the Voice of GOD says that all authority has been handed over. I can even live now because the Message is clear. Number 1: no, no let me finish with the last part.

After a while then the Voice spoke again; the Voice of the LORD GOD ALMIGHTY inside Heaven in that vision. What did the LORD say? He said, “Look and see who is sitting on the White Horse?” And I remember when I looked slightly above the 2 Wedding Rings at the threshold of Heaven, then I saw the powerful White Horse and his rider. And I woke up. Let me summarize: I said I want to run through.

The people on the other side, they have heard these messages repeatedly over and over again. But today, I count myself blessed that I have had time to bring this message here. What is the message in that vision? Blessed are you that will listen to these words. Listen very carefully. What is the meaning of that vision? In other words, what has GOD sent me with to you? I know many liars have come to you and said, “O...God sent me. O...God said...God said.” This is different.

This is the turning point in your lives. Let me walk you carefully: By God presenting 2 Wedding Rings, in other words He is saying, “The Wedding of the LAMB of GOD.” Number 1: He is talking about the Wedding of the LAMB of GOD. Number 2: We know that every time, every time there is going to be a wedding and the wedding rings are ready; I want to repeat; that every time there is going to be a wedding and the wedding rings are now ready that means that the preparations for that wedding have been finalized—have finished.

Every time even when you come to your Pastor when you want to get married, he does counseling, “Go on VCT and check” and teaching you the Biblical basis of marriage. But when all that is finished and the announcements have been made in church, then the final thing he asks for, “Have you gotten the wedding rings?” And he says brings them here, the Sunday before; once he gets the wedding rings, that marriage must now take place. Nothing can stop it now. The announcements are over. The preparations are over. That wedding nobody can now stop. And that look, the Wedding Rings for the Wedding of the LAMB of GOD have been prepared.

The LORD is saying that since the Wedding Rings have been finalized, now nobody can stop this Wedding. That means this Wedding must now take place. In other words, any moment now, the Wedding of the LAMB of God will take place. The message is clear that any moment now the Wedding of the LAMB of GOD will take place because the BIBLE says that nobody knows the day or the hour, in [Matthew 24:36](#) but only the FATHER. And that means only the FATHER is delegated HIMSELF to prepare the Wedding Rings that is the only way only He can know the Day.

But the BIBLE says in the Book of [Revelation chapter 19](#), He talks from [verse 6 to verse 9](#); [Revelation 19 verses 6 to 9](#), He talks about the Wedding of the LAMB of GOD. He says, “Let

us rejoice and be glad and give Him Glory for the Wedding of the Lamb has come.” But before He said that He says he heard the way they were saying it, it was like loud peals of thunder; the roar of rushing waters. It was like multitudes of millions of angels and they were saying, “Let us rejoice and be glad and give Him Glory for the Wedding of the LAMB has now come.” But if you follow down and you say, “Why are they making so much noise in Heaven when that day has arrived?” Look at the reason—he says because “the Wedding of the LAMB has come and His Bride has made herself ready.”

That is the church that Heaven celebrates and comes to a stop and that means in the calendar of GOD there is no bigger day than the Day of the Wedding of the LAMB that when that day comes they now make noise and they celebrate because the Wedding of the LAMB has come. That means he is saying that in the calendar of GOD, the Day of the Wedding of the LAMB in the calendar of GOD that is the most important day in all Heaven. That’s why they come to a stop and they celebrate.

Let me take you further: If you investigate and begin to probe and interrogate, “Why are they really happy in Heaven on that Day?” Then you’ll find they said, “Not just because she is ready—the church; but also if you look at her—fine linen, bright and clean, she’s wearing.” That is the way GOD knows that this church I’m taking is ready. And He says in the same Scripture that the righteousness of the saints; the righteousness of the church; the righteousness of the saints that is the fine linen.

So you understand automatically why the LORD has sent me here today. I have come to announce that the Coming of the MESSIAH is now very near. This is a Global Television that the church in the world, all over the 4 corners of the earth; I have come to announce that I have seen the Wedding Rings in the sky. They are mighty; they are Golden; they are Glorious; they are Holy. And now the church, the LORD has sent me to you to announce to you that the moment has come for you to return to righteousness and holiness without which no man can see the LORD.

So my coming is love—a lot of love in your living room, wherever you are watching, in Australia, Europe, Canada, I know that Sweden is watching a group of Pastors, I know Toronto is watching and Ottawa. I know that Venezuela is watching, Argentina. But the LORD is saying that time is over. The Wedding Rings are now ready. The preparations for the Wedding of the LAMB have been finalized. And any moment now the Wedding of the LAMB must now take place. And I have come to you with a question, “Are you ready? Are you ready?” And that’s why I have brought this message of repentance.

Many times you have gone to church in Mombasa and you want some counseling with the Pastor, Pastor and you are a widow or a single lady who just wants to be married and the Pastor’s wisdom and counsel. And he has lusted at you; instead he wanted to sleep with you, in other words, I have come to announce that the time for immorality in the church is over; finished! That is the announcement.

Many times you’ve heard about the gospel of money. Look what the LORD did today. Today here, He has healed many people for free! There was no basket we passed here. The message therein is that look, the LORD wants to visit the church—to heal the suffering sheep; that, “Look, the time for money in the church is over!” That is the message. Precious people righteousness is a product of repentance for I bring repentance to the church in Mombasa.

In Mombasa we have heard how the prostitutes, they have come from the beaches and come to the Pastors, "Please pray for me that I may go out there to the beach and find a white man, a tourist and if I get money I will give you 10%." That message is well broadcast in Kenya. But here comes one who now says that the time to lead them to the beach is over! Let us lead them to the LORD. It is finished. I don't know where you have been but today is the turning point. There is nothing I need to prove.

The proof of the LORD is clear at the MIGHTY works He did here. All I need to say is Mombasa repent and prepare the way of the LORD in your hearts. Return to holiness, righteousness. I don't have time. I need to go to a second conversation. I told you, "Look at this. *Ninakimbia mbio sasa.*" And many times this message of the Wedding Rings takes me 2 days to give in a Pastors conference—in Australia wherever, all those countries, South Korea, 2 good days. Listen and yet here I'm giving you little by little as I move on *bila malipo*. This is good—*aaa hii ni nzuri.*

This one; second the Wedding Rings, they are Golden and because they are for the Wedding of the Darling of Heaven, the Son of the LIVING GOD, the MESSIAH, listen to me: They must be highly purified. And the 2 Wedding Rings were very identical. Look at me: One for CHRIST, the other for the Bride—the church. But look at me: That means 2 Corinthians chapter 6 verses 14 to 18 where he says, that wickedness and righteousness cannot mix together; where he says that darkness and light cannot fellowship together; where he says the KINGDOM of GOD and the worship of Baal, the worship of money and the gospel of prosperity cannot live together.

So I have come to tell Mombasa that the way the Wedding Rings are purified, you too, the LORD demands that you be purified that you may be fit, you can qualify to wear the Wedding Ring.

Number 3: The Wedding Rings in the sky, they are not physical Wedding Rings. They are spiritual and we know in the Book of Isaiah, Matthew chapter 3 when JESUS is baptized, Heaven opened and the Spirit descends on HIM. We know that the LORD, He is a Spirit filled man. He is full of the HOLY SPIRIT. In other words, the LORD is saying, "If you want to partake of this Wedding, you must be spiritual."

Today, you saw me call the LORD and I asked the Holy Spirit, my One and Only Friend to pass here and touch them. And in less than 1 minute, He faithfully passed here and touched people. Some of them 20 years could not walk. They said, "When you said touch the LORD touched me and I was slain. But when I woke up, I found that strength have entered this leg." That is speaking of the HOLY GHOST revival. The Wedding Rings are spiritual.

So I have come to announce the HOLY GHOST revival in the church; the HOLY GHOST He will bring the FIRE of the HOLY SPIRIT and He will burn the chaff when He meets HIV AIDS *atiichoma na kuponya*. When He meets *uzinzi*, when He meets immorality in the church, He will purify. When He will meet the Pastor struggling about rent, struggling for money, preaching money, He purifies and put the FIRE of the GOSPEL in the heart of the Pastor. When He meets the young girls wearing the miniskirts, showing their anatomy like this, showing their anatomy that when they go to church the girls are struggling, "Whom will the Pastor look at? *Atapenda nani?*" And they buy the red dress and short and they sit in the front row—immorality.

I have come to announce that that is dispensation is over and the dispensation of the HOLY GHOST has come! I have come to announce that the dispensation of repentance has

arrived. I have come to announce that the season for preaching the BLOOD of JESUS has arrived. The season for salvation has come. I have come to announce that the dispensation to go back to preach the CROSS has now come. Let us return; let us go back to the OLD CROSS and the BLOOD of JESUS. There, there is deliverance; there, there is healing; there, there is the latter GLORY. The KINGDOM of GOD is there at the CROSS. So when your Pastors, they say, "O.....Pastor's seminar" I mean, "Revival seminar in our church" and then they preach, "If you sow a seed you are going to be rich."

This time you have been given power to go back to the devil when he comes your way tell him, "Satan get to my back!" Ask them, "How about the KINGDOM of GOD? Who will lead me there? I see you are leading me to the wealth of the earth; how about the KINGDOM of GOD? How about righteousness? Who will lead me there?" Seek ye first the KINGDOM of GOD and His Holiness and His righteousness and everything else will be added unto you!

I don't have time for the Wedding Rings; the message of the Wedding Rings as you can see is a message of purification in the church that the LORD may now remove the decay and so the church may be revived. Revival means new life. Revived—you were dead now you are given new life. I don't have time.

1 Corinthians chapter 15; 1 Corinthians chapter 15 verses 50 to 56; it talks about the Wedding of the LAMB of GOD. And he says it happens like a flash; like a flash. Hallelujah! Like a flash! Like the twinkling of an eye! And he says *phia, phia* it happens. And he says the flesh and the blood will not inherit the KINGDOM of GOD. And he says the perishable—the flesh and blood cannot inherit the KINGDOM of GOD. And he gives the reason and he says it is because the perishable cannot inherit the imperishable; the mortal cannot inherit the immortal. And he says that your flesh and blood is perishable.

When you die today with this kind of warm weather, tomorrow people cannot come near you. It is perishable and will be rotting. For a long time, you have walked in the flesh and blood. Even the gospel preached in the churches in Mombasa, it is a perishable gospel that is sweet to the ears. But today, I have come to announce that the imperishable KINGDOM of GOD, the immortal KINGDOM of GOD is near and only the church that will focus on the imperishable will be taken up. In other words, righteousness is imperishable; holiness is forever.

Store up for yourselves treasures in Heaven where the moths and the rusts and the thieves cannot steal and destroy. *Panda mbegu* is perishable. Precious people the LORD has shown me how the dead Christians will be raptured, resurrected and raptured. And they will be resurrected in Glorious bodies; Holy bodies; Immortal bodies; Eternal bodies. They will be resurrected and caught up with the LORD.

Listen, who are these? They will be only those who died when they were walking in holiness, not all Christians. And then I will read for you Daniel chapter 12 how the LORD showed Daniel the same dream. And then I will go back to the Clock of GOD. GOD has shown me His Clock. Only God the FATHER knows the time on the Clock. He has shown me the time in the Clock in Heaven, the Golden Clock that He lowered in the sky.

Everybody in this field stand up on your 2 feet and if there is anybody here who knows that, "You know what, I have been listening to words being preached, but today I saw cripples walk with my eyes. And I saw the crippled babies doing the first steps; crippled mature men and I have also heard that we must return to righteousness." If you are ready to return to the LORD lift up your hands; 2 minutes and I go. I am living in 2 minutes, in 2 minutes I will be out of here.

I can see everybody wants to receive the LORD; let us first clap to the LORD. What a blessed people that you have chosen regardless whether I was born-again before, but it does not matter now. The announcement of the Coming of the MESSIAH has been placed here. Now I just want to begin a new. Lift up your hands and repeat very loud, very, very, very loud in 2 languages. Say, "MIGHTY JESUS I have heard your WORD that the Coming of the LORD is now near, very near. Today, I surrender into your hands and open my heart and receive you as my LORD and SAVIOR. Establish your WORD and righteousness in my life in the MIGHTY NAME of JESUS. Today, I am born-again!!!!!!!!!!!!!"

Vigelele, makofi kwa Yesu!!!! But now you have heard direct from GOD that the KINGDOM of GOD is near; that only righteousness will matter; righteousness is the benchmark; righteousness and holiness is the yardstick that the LORD will use to measure for rapture. Lift up your hands precious people:

MIGHTY FATHER, now you can fill them with the HOLY SPIRIT and bless them and keep them in Holiness and remove them from the wolves, the wolves that have devoured the sheep in the church and bring them to the oasis of clean, pure, cold, drinking water. Bless their homes, let their daughters come back home. Let their husbands come out of alcoholism and prostitution. LORD bless the unemployed. Let them shine JESUS at their workplaces. Protect them in the MIGHTY NAME of JESUS I have decreed. AMEN.
