

The Purification of the Church—Part 1

Prophet Dr. Owuor

What a tremendous time. This gospel must be preached, the devil likes it or not. The Book of Acts chapter 17 verse 30. He says, *“In the past God overlooked such ignorance, but now he commands all people everywhere to repent.”* The Coming of the Lord is near. He has set forth a Date of Judgment. The Coming of the Lord is near. That means the Clock in Heaven has changed. The time in the church has changed. *“In the past God overlooked such ignorance, but now God commands”* everybody, everywhere—Muslims, Hindus, everybody *“Go back to Jesus; the church repent in Christ Jesus.”*

What a tremendous time to purify the church. I’m going to speak about the purification of the church today and I will also share with you a little bit. I had just arrived in Jakarta, Indonesia, the flight that took us arrived there on the 4th which was a Saturday—4th August, that is a Saturday, and the big meetings began on Sunday. And it’s such a packed program. We had 3 big meetings on Sunday—5th of August. And all of a sudden they were surprised when I told them, *“There is a massive earthquake coming to hit you Jakarta and Indonesia if you don’t repent and turn away from Islam and turn away from the eastern religions and turn away from sexual sin and turn away from the gospel of prosperity that came from the west and turn away from the false prophets that have come from the western world including from Nigeria. Turn away from all forms of wickedness and leave sin and repent and prepare the way in holiness.”* And they said, *“No.”* I did not know Jakarta had not been shaken by earthquakes at all in many, many years.

Indonesia is such a big country made of about 13,000 islands. And the earthquakes were taking place very far in a place called Banda Sea. That is where the tsunami took place. But I told them, *“This time Jakarta will see a heavy earthquake hit you”*—preached on August 5th in the morning on the 3 big meetings the whole day. And then on Tuesday the 6th of August I preached it again and then on the 8th. I was preaching in a big meeting at a place called Bogor and I told them in Bogor that the earthquake is coming, but remember one thing that every time the midnight hour comes the Judgment of the Lord comes.

And then I remember coming back to where I was staying at about 10:35pm, exactly 4 minutes past midnight, one of the biggest earthquakes in that region hit Indonesia. The Lord has shown me in a dream that I will also run with them; He will make me run with them in the process because on that day they are going to see the fulfillment of that prophecy in record time. So when I was saying at midnight the Judgment of the Lord comes, they did not understand they were going to run that midnight. A massive earthquake was hitting the land.

I'm telling you it was 7.5—the magnitude of this earthquake. A lot of SMS's, emails from pastors—I even have one here. This is from Pastor **Guthom** at about midnight. And this is what he says, "Just earthquake happened at 12am we ran out of houses because my brother shouted, 'Your prophecy just fulfilled!'" And so they did not know that that earthquake was coming immediately. So why has the LORD switched gears that now He does not tolerate sin and He's using a lot of power to speak the word of repentance?

I read again from the Book of Acts 17 verse 30 where He said, "*In the past God overlooked such ignorance, but now he*" has commanded all men, all people everywhere to repent in Christ Jesus. And listen to what He says in Isaiah 26, I'm reading from verse 3. He said, "*You will keep in perfect peace him whose mind is steadfast, because he trusts in you. Trust in the LORD forever, for the LORD, the LORD, is the Rock eternal. He humbles those who dwell on high, he lays the lofty city low; he levels it to the ground and casts it down to the dust.*"—He casts it down to the dust! "*Feet trample on it ...—the feet of the oppressed, the footsteps of the poor.*" Isaiah 26 verse 7, "*The path of the righteous is level; O upright One, you make the way of the righteous smooth. Yes, LORD, walking in the ways of your laws, we wait for you; your name and renown are the desire of our hearts.*" Verse 9, "*My soul yearns for you in the night;*" and "*...in the morning my spirit longs for you. When your judgments come upon the earth, the people of the world learn the righteousness*" of the LORD.

There is nothing the LORD does that you don't see in the Bible. Even when Israel turned away from the ways of God, it took the power of God to push them to Babylon—the judgment of God. Even when Egypt refused to release them, it took the power of Jehovah for them to fear God to return to the ways of God for the people to learn the righteousness of the LORD. Hallelujah; what a tremendous time. This is the time to purify the church. It is the time that Christians should love because the moment of truth and I told them even in Indonesia and they were shocked. They began to understand that the Lord He has done a new thing on earth.

I want to talk a little bit on repentance. The revival of repentance is a mighty door for the church and that is a door that is open now. And for those of you that repent and walk in righteousness; those of you that will go back to righteousness: I'm talking about holiness; I'm talking about turning away from sexual sin in the church; I'm talking about turning away from lies and false prophets from Nigeria and whatever—America, all those countries where you picked them from; I'm talking about turning away from the love of money; I'm talking about the return to true worship in the Spirit; I'm talking about cleaning *dombolo ya Yesu* from the church; I'm talking about the women changing their dressing in the House of the Lord; I'm talking about pastors preaching holiness—turning away from *bahashas* and everything else; the removal of witchcraft from the Altar of Jehovah God; the restoration of the Holy Altar of Jehovah Adonai.

There's one standard of holiness in the Bible and no man can change it! And every time God speaks that Word will not go back void—MUST always accomplish the purpose of the LORD. And the Bible says that when the judgment of God comes to the earth, then the people learn the righteousness of the LORD. When the judgment of the LORD comes to the land, then the people will be able to learn the righteousness of the LORD. And you see the Bible says, the Book of 2 Timothy chapter 2 and verse 19, he says, *"The Lord knows those who are his,"* and His solid foundation stands firm. It is like a rubber stamp and it's written whoever, *"...confesses the name of the Lord must turn away from wickedness."* And he says, *"In the Father's house there are articles not only of gold and silver, but also of wood and clay; and some are for noble purposes and some for ignoble"* which means common use. As in Isaiah chapter 19 verse 19, "I will raise up a holy altar unto myself in those days in the heart of the land of Egypt. And from here he shall bring forth the light."

The continent of darkness that was Africa, now He turns it around to become the continent of light. No wonder everywhere He sends me to tell them about the Coming of the Lord Jesus, when we open up the radio and we start preaching. I start telling them about the Coming of the Messiah in the rapture, and telling them of the Wedding Rings, telling them of the Clock in the sky, the Golden Wedding Rings, the Golden Clock in the sky, the 1 minute to midnight; it is tremendous revival that hits the land.

They begin to call the radio stations. People tell us they have never seen anything of that nature. They have never seen such a response from a single message in their lives since they opened the radios. Most of the church in the world has been drinking sewage water. And I asked you today wherever you are, "Are you still drinking sewage water?"—*"Weka bahasha hapa uponywe hapa. Put your envelope 10,000 here, you will get a new car here."* Corruption in the church—Are you still sitting in the middle of that corruption drinking that sewage water with the false prophets from Nigeria coming and prophesying how good things are coming to you—the false prophets from all over the western world. I am asking you today, "Are you still drinking the sewage water?"

There is a fountain of living waters in the land. He has opened up a fountain and people are drinking. They are drinking from the well and they never thirst again. And they enter eternal life. It is important the church be purified. This is the most important moment in the history of the church. This is when He has finally come with power.

The Book of Deuteronomy; Deuteronomy chapter 18; what a tremendous time in the church of Christ; Deuteronomy chapter 18 this is what he says verse 15; He says, *"The LORD your God will raise up for you a prophet like me...among your own brothers."* Listen to what He says then, *"You must listen to him"* —not that you must argue with him and weigh him out. He didn't say you must test him because He knows it's very clear to you when a word has come

from God. Every person has been built with capacity to listen and to recognize the voice of the LORD.

Every time a voice comes to the land and says, “**Repent and turn away from evil and return to Christ Jesus and go back to holiness**”, there is no confusion about that voice. Every time the LORD sends a servant, he will always **lead the church to Christ**. He will not lead the church to anyone else even to himself. Every time He sends a servant, that servant will **always rebuke sin**. That is the only way you know He’s from the LORD. And so it’s very clear to you that everybody created by Jehovah has the capacity to recognize the voice of the LORD. And He says you must listen to him.

Verse 16, “*For this is what you asked the LORD your God at Horeb on the day of the assembly when you said, “Let us not hear the voice of the LORD our God nor see this great fire anymore, or we will die. The LORD said to me: What they say is good. I will raise up for them a prophet like you...among their brothers; I will put my words in his mouth, and he will tell you everything I command him.” Listen to verse 19, “If anyone does not listen to my words that the prophet speaks in my name,” He does not say I will send an angel, I will send people, He says, “I myself will call him to account.” “I myself—I myself” The Lord says, “I myself will call him to account.” But listen to verse 20, “But a prophet who presumes to speak in my name anything I have not commanded him to say, or a prophet who speaks in the name of the other gods, must be put to death.” He says, “...must be put to death” because He knows they are confusing the sheep.*

Verse 21, “*You may say to yourselves, ‘How can we know when a message has not been spoken by the LORD? If what a prophet proclaims in the name of the LORD does not take place or come true, that is a message the LORD has not spoken. That prophet has spoken presumptuously. Do not be afraid of him.’” I would change that for you today; if what a prophet proclaims in the Name of the LORD takes place and comes true, Hallelujah; if what the prophet proclaims and in the Name of the LORD does take place and comes true, then that prophet has not spoken presumptuously; which means the Lord has spoken and he says, “You must be afraid of him.”*

So every person has the capacity to recognize the voice of the LORD. What a beautiful time in the church for the LORD to purify the church—purifying the church into the Holy of Holies. And I’ll speak about the Wedding Rings and the Golden Clock, the Golden Clock in the sky. I will speak about the mighty revelation the LORD has given me on this message.

First of all I want to look at the purification of the church. I know there is a lot of revelation about the Wedding Rings in the sky. There’s a lot of revelation about the Golden Clock of the LORD in the sky and many other conversations. The LORD again spoke with me

about post-rapture and He showed me again the antichrist. This is something I've not revealed to anybody yet. The LORD has not allowed me to do this. Again I know exactly where the antichrist is living. He brought him again and after that the false prophet. And I know exactly where he is. And these are tremendous times and so you see according to the Clock of LORD, He is already speaking about the things, post-rapture. And there is a lot of fear in my heart that we need to reach many countries, and we are moving much slower than it should have been. And that's why now we are focusing on mass media radio and TV.

The LORD opened a Global TV Satellite program in Hawaii. I was very shocked by the ways of the LORD. Those countries too need to be cleaned thoroughly because there is one standard of holiness. You see homosexual churches being opened. You see the newspapers writing that "Look, the first homosexual bishop preached his first sermon in such and such a hotel in such a town." They are still opening—they are expanding territory. You drive through the streets and there are these women that are coming to beg you. You think they are beggars so probably you want to give them some money, when at the traffic lights the pastors are carrying you. You are from a meeting; you are going to another meeting. And then they say, "No these are not women; these are men. They are transsexuals. They've done surgery and changed themselves to look like women." And so they are squeezing their voice as they are talking because they have knocked down the Adam's Apple. They have gone surgery and they are on hormones. You would think they are women and you feel sorry for them. You want to give them, "Oh, why is this one in the street?" Ok, some lunch—give them some lunch or something. They are on drugs and hormones.

The land is thoroughly defiled. Even I was telling the pastors in all those countries, a lot of them make a lot of notes—they are writing as I preach because they realize that this kind of message you cannot get on Christian TBN, Christian TVs. You cannot get them on Christian radio. You get them only when there is a revelation from the Holy Spirit of the LORD. And so that's why some of them even say, "We want the LORD to rebuke us. We want Him to shake us. Its better He speaks to us by rebuke and correction than never to speak to us."

You know correction and rebuke is a lot of love because He's telling you which way to turn to. And you have heard that the church of Christ in the 4 corners of the earth has now entered into the wilderness of repentance. Remember in that wilderness is when worship can be purified. So when I'm talking about the LORD purifying the church, in other words, I'm talking about **the LORD purifying worship** because the church was created to worship the Lord Jesus.

The church was created to worship Jehovah Elohim. The church was created and the Bible was written that the church may worship Jehovah Eloheinu. The Bible was created that the church may worship El Shaddai. So in other words during this time in the wilderness when

He's pruning off some people, some flesh and things, He's purifying the worshipping of Jehovah El Shaddai. So today, I want to talk about purifying the church; the purification of the church into the Holy of Holies. And very soon you will realize that not until the church enters into the Holy of Holies, she cannot see the Glory of the LORD. She cannot see the LORD; she will not fellowship with the LORD because the LORD He is holy and He resides in the Holy of Holies. And Heaven and earth will come and go. The new Heaven and the new earth will be formed, but the Word of the LORD will not change. And the Word of the LORD says He is Holy.

Hebrews chapter 12 He says in verse 14, *"Make every effort to live in peace with all men and to be holy."* And he says, *"For without holiness, no man will see the Lord."*
