

## **Prophet Owuor in Gnarp Sweden—Meeting 1**

(What a blessing it is) for me to come to your blessed country and your blessed community and I want to begin by first of all thanking Pastor Peter and Pastor Anna and the people that have worked with him at this, to make this a reality. And I am going to go very slowly. You can catch up, yes; because I want you to give them exactly. Thank you so much; and I want to thank the people that have worked with Pastor Peter to allow us to be here at this time. As you will soon realize this is a very critical hour in the church and the events and the things I'm going to say here have a very deep implication to the church. And they are going to transform your lives forever.

I want also to thank I think there are some familiar people I have seen here. I think I remember this precious couple; you have come from very far right? Where have you come from? Yes, Uppsala yes. Thank you so much for coming all the way. Well, today I'm going to share with you something very critical for your Christian lives I know that we have only 2 days—today and tomorrow. But I will try to condense everything within the sessions for the 2 days. But as I speak it is my prayer that the Lord will open your spiritual eyes and ears to see further and further that you may get the bottom line of the message of what I am going to say and you'll hear that in several conversations; there are chairs in the front here; in front also, thank you so much; if you don't have a place. But you will see that the bottom line of many conversations between the Lord and the church is the Coming of the Messiah. And so even as I will share with you some of these very hidden revelation of God, at the end of it you will be able to understand that God is speaking about one and one thing—the Coming of the Messiah.

The first time I came to Sweden, I was in Uppsala and that's where we met some of the pastors here; Pastor Peter I met him there and I shared on what the Lord was saying even as at that time and ever since then many things have happened also and the Lord has spoken more and more. But for the sake of these people—the people of this place, I'm going to quickly summarize again from the first conversations that we may be on one page. There is a big revival going on in Kenya and now it is spreading to other parts of the world. And it's spreading to Latin America also and are these all the DVDs or just a few? Just a few; thank you so much, and so there are some of the DVDs here so I am going to distribute so you may know what the Lord is doing now.

And so it's a big revival; it is a revival of the Holy Ghost—the revival of repentance and holiness. I think I can recognize the 2 of you right? Thank you so much. Yes, it's a revival of repentance and the revival of holiness and very soon I will explain to you why it's a revival of repentance. It is so big that the Lord is essentially harvesting nations now. I am talking about the whole nation moving into one place and people receiving the Lord in millions. We know

that the Bible promised that there would be a time when the Lord would bring forth a revival and especially in these days we are living in. So I'm going to give some few DVDs. It may not reach all of you but you can make as many copies from each. Before we start, and so I'll give these DVDs.

"Is this the only DVD for the blind child? Only one? Ok, so I can keep this right? You are making copies now? O they are making copies thank you. This is a little baby that was born blind. Just this month on 17<sup>th</sup> of this month (September), we had a big meeting in a place called Kisii and the baby had been born blind but at this meeting the Lord opened the baby's eyes and free of charge, no offering, no penny was paid. Yes, so I think they are making some copies and not only him." There are several blind eyes that opened in that meeting. So they will make for you copies of this. This is very moving because when the Lord led me to talk, to pray for the blind, then I said 'mothers whose babies are blind, if your baby is blind, right now give the baby something they will take it now.' And those who had faith at that meeting, who listened and gave their blind babies something, the babies took it. You know? It was very big. It was very big in the Name of the Lord Jesus. "But I'll give the DVDs here so you can just pass it on as the Lord leads, so you can see what revival the Lord is doing. O yes, across thank you so much just pass it on. Take one and yes, you can distribute. Thank you so much, thank you and then there is another set; the mighty work that the Lord He is doing, I can put from the end there, right? Thank you. And so you will see what the Lord wants to do in Sweden also. That's why I'm distributing to you that you may know that the Lord wants to do that in Sweden also. Ok for I know most of you can read English but there are only a few copies, so you can pass it on. Thank you so much. Thank you. Thank you so much."

Now inside there you will see a very tremendous revival, a historic revival. But let us begin from here now. Why am I here? Why has the Lord sent me to your country now? And I was looking at your country as Pastor Peter took me from the airport. You have a very beautiful country—there is no doubt about that; very, very beautiful nation you have. The vegetation, the infrastructure, the people; we were standing, I was looking at the forest, the beautiful trees, the leaves are changing colors, you know. And you are known in the world, Sweden is known as a beautiful country in the world. In fact I remember so well that many, many, many years ago, Sweden was already a very developed country. We know that Sweden also helps out poor countries. It's known—like in Africa Sweden is known—your projects, your programs, so it's a beautiful country, and beautiful people.

But why am I here? Now listen precious people; the Lord, the God of our Lord Jesus Christ, the Father to our Lord Jesus Christ, He has spoken with me about the Coming of the Messiah. And I'm going to share some very key things in that conversation. I will pick some major parts of the conversation and bring it to you and based on that you will know already in

the spiritual realm where the church is regarding the Coming of the Lord. And the bottom line of what I'm going to share is that the Lord may quicken your heart, may put an urgency in your heart that you may begin to prepare for the Coming of the Messiah.

Hallelujah; so now among the conversations I want to share today, I want to begin with the basic conversation that took place at 3am in the morning. I know you are going to see a lot of the cripples walking, the blind, the deaf in those DVDs, tumors, tumors burst and burst, babies that tumors were strangling could not suckle when the tumor burst they begin to suckle; and crippled get up walking; babies that had broken spinal cords injured, they were laying, they were being fed laying; get up and walk now. You are going to see all these works of our Lord. But the underlying message in all that is what I'm going to say here.

All those things happen for a reason. There is a message the Lord is resonating from those things, those works, those miracles, those signs and that's why I'm going to share these. Now in 2006 that is November 1<sup>st</sup> 2006 at 3am in the morning the Lord, the Father of our Lord Jesus He spoke with me very mightily about the Coming of the Messiah and when He spoke with me about the Coming of the Messiah, there are certain key things in that conversation that you see bringing up this big revival, the DVDs I have given you. And I am crying to the Lord right now that this is going to be the beginning of a massive revival in Sweden.

Why? Because the Lord is now reviving nations; make sure you capture your hour of visitation—your moment because we are having another very big revival in Argentina when I come from here. Very big, they are doing very big; almost to, almost the whole nation really—very, very big. So this is the time God is reviving nations. So make sure we catch this so He may revive this beautiful nation and people. But anyhow 2006 at, on November 1 at 3am in the morning, in the night I saw the visions of the Lord and in that vision there was a dark sky—total darkness and in that darkness all of a sudden, I saw Heaven opening into the dark sky. And when Heaven opened unto the dark sky; I am describing every detail for a reason, specifically, purposefully. And when Heaven opened in that vision into the dark sky, then all of a sudden, I saw the Glory of the Lord coming from Heaven pouring into the dark sky.

And the more the Glory came, the more the darkness was changing to light in the sky. So the Glory actually lit up the sky; lit up the sky; light up. And after that in a short while I saw more Glory inside Heaven. And inside that Glory then I saw something that was coming. And it came very slowly towards the entrance that was opened in the sky. And when that thing became closer, and closer and closer to the sky, then I realized actually it was Golden; it was Golden; Gold; it was Golden. The more it came closer and closer and closer to the sky, the more I realized it was Gold—Golden; until when it reached at the entrance that was opened. Then I realized that they were 2 Wedding Rings—2 Wedding Rings. And the Wedding Rings that the Lord showed me in the sky, they were very Golden, made out of very rich Gold. I could sense

the, how costly, how rich that Gold is. And then they were very identical. If you put a mirror here you see the other one. They were sister twin rings—mirror images. And the more at the entrance where He put them, at the entrance, he began to tilt them. They were turning; they were turning like this in that vision. And then I was able to see the fine details even of the design of the rings. I realized that the inside part was very beautifully made—the part that holds the finger. And I also realized that the part that shows when you wear the ring, the part that shows here, they were round—everybody focus on me now. They were round rings, but when it came to that part it became mere flat as if flat top a little bit, flat. So they were round but that part was a little flat. And then they were a lot of decorations deposited on that part—the part that when you wear the rings shows, that part. The Gold that was used to make the Wedding Rings, I could see that the Gold was rich, reddish-brown Gold. It was a richer Gold and then on the surface when He finished, was finishing the work; the design then He put the droplets of Gold like this—so dots, dots on the surface. So it has a texture. Like you drop like this, like this on the surface.

In fact from where I was seeing the Wedding Rings it appeared as though you would think as though they are droplets of water on the rings and then the decoration at this place, it was shiny type of Gold. I would, you would almost think it's diamonds on the surface. And then immediately the voice spoke from inside Heaven. And the voice said, "From today on, all authority in Heaven and authority on the earth has been given to Christ Jesus." So that was now the voice that broke the silence when the rings were being shown. And then after that a little silence still showing the Wedding Rings—2 of them, the entrance to Heaven is open into the sky, the Glory has now colonized the sky, the 2 Wedding Rings are now at the entrance and they are being tilted, flipped like this, like this; and then after that the voice spoke again. What did the voice say? The voice said that "Look and see who is seated on the White Horse?" And I remember in that vision when I looked slightly above the 2 Wedding Rings that means in the threshold of Heaven, just inside Heaven, just a little bit then I saw the powerful White Glorious Horse. And it is the behavior of the horse that gave me the message to the church.

It is the way the horse behaved that made me understand what the Lord was sending me to tell the church because this powerful, mighty, White Glorious Horse was behaving as if any moment now, he is going to be released. And you could feel the neighing of the horse—in English they say neighing; what the horse did, they lift up their legs like this and they put down; they lift up and the wagging of the tail. So you could see the sense of urgency that any moment this horse is going to be released and then finally the voice said, "Go tell this people to prepare for the Coming of the Lord."

So precious people then I woke up. That time I was running some TV program in Kenya and that region, that region of Africa. And I went straight on to the program—the TV program

that we had and I made a title of the program. And I said, “Special announcement to the church; Special announcement to the church.” And I said, “The Messiah is Coming Prepare the Way.” But anyhow, right here in Sweden in the town called Gnarp, Gnarp what is the message from that conversation to you the church? So this is what I want to handle today. And if you will follow me very, very carefully at the end of this day, you will change everything about the way you walk with the Lord. You will in fact understand the urgency of preparing; the urgency of this message and you will also understand where the church is right now and where she is supposed to be right now. So what is the message to Sweden in that conversation? I know if you look at the DVDs that I have given you, you will see millions of people coming to choke a town, to choke a town in the big revival in Kenya to the extent that when they invite me—these days it is the leaders who invite me. The government leaders come and say, “Please we welcome you to our town. Can you come and do the meeting of the Lord in our town?”

The revival, the end revival of the Lord is very massive, is very enormous. We did not know how it is going to manifest. These days it is the mayors of cities, the leaders of government, just this week a leader of government came to me and said, “Please I am inviting you to my city. Can you come and do the Lord’s meeting in my city also?” So you will see a lot of millions of people, buses, we are worried—traffic, how are we going to control traffic. So you will see millions of people lift up their hands to receive Jesus Christ of Nazareth. But listen to this when I come to Sweden in Gnarp, this is bigger than millions of people. You know why? Because this is new territory for the Lord; the Lord is making gains; He’s gaining because it’s the first time I’m saying these things here. So I want you to understand that for me this is of extreme gravity that I am here. But now what is the message from the Wedding Rings—the vision of the Wedding Rings?

Number 1 we know it too well; we know it so well; we know it too well that the Bible when Jesus had finished with the Cross and He came back to the disciples and He talked to them about the Holy Ghost and then He went with them to the eastern slopes of the Mount of Olives, the eastern slopes. And when He was standing there, then He was raptured into heaven. And when He was raptured into Heaven, immediately at that time, the disciples were shocked. They were gazing. The Bible says they were looking intently at the skies in very big shock because the Bible says, “The cloud took Him and the cloud covered Him.” At that time the Bible says 2 dressed in white appeared to them and said, “Hey, men of Galilee why are you looking intently like that?” And he says they told them don’t you know that this very Jesus who has been taken this way will come back in the same way? Why am I saying this? Because the Bible promises very clearly; the Bible promised that when Jesus went He would come back.

So that we know very clearly—that the prophecy promised that the Messiah would one day come back. Number 2 and we can read that in the Book of Acts chapter 1. We may not have

to read it because I have other Scripture to read. But the Book of Acts precious people, read with me very fast. The Book of Acts chapter 1 only a few verses, verse 7 anyway. Acts chapter 1 from verse 7; I am just laying a foundation for the revelation of the Lord. This is beautiful because at the end of this all, we will all be in the same page, in the same understanding in the unity of the faith, right.

Acts chapter 1 verse 7, if you are there you say amen. This side is in amen. How about this side? Ha, ha. Thank you. I am so excited because I know that next year we are going have a healing service in Sweden. This is the last end of series of conferences. And then next year we are going to a very big revival meeting here before we do in Norway. Hallelujah; and so Acts chapter 1 verse 7 and he says, *"He said to them: 'It is not for you to know the times or the dates that the Father has set by his own authority.'" And He goes on to say, he says, "But you will receive power when the Holy Spirit comes on you;" Again, "...you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."* That is very powerful what I just read. We don't have time to dwell in this right now. But you could see that Jesus was telling them that, "Nobody can be my witness except he receive the Holy Spirit."

You see some things there that are very important we could have spent the whole day handling today. But you see among those things is the fact that the Lord says, "Nobody can ever be His ambassador; His witness except you have been touched and Anointed and empowered by the Holy Spirit." *"After" verse 9, "After he said this, he was taken up before their eyes, and a cloud hid him from their sight." Verse 10, "They were looking intently into the sky as he was going, when suddenly two men dressed in white stood beside them. 'Men of Galilee,' they said, 'why do you stand here looking into the sky? This same Jesus, who has been taken away, taken from you into heaven, will come back in the same way you have seen him go into heaven.'"*

So the Bible promised among the prophecies concerning the Messiah, if you looked at the prophecies concerning the Messiah, they were those prophecies that spoke about His first coming; the prophecies that proclaimed that the Messiah would come to redeem men from death, they were spoken by prophets in the Bible. But even after He came and then He was taken up in their eyes, prophecies still said He would now come back. So we know that there is this promise.

John chapter 14 verse 1 to 3 I'm just setting a foundation really very fast; John chapter 14: 1 to 3 and I am reading, just join me there if you get there. John 14 verse 1 to 3 if you are there say "amen" so I can read. And He says, you are there right? Thank you; and He says, *"Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms;"* in other versions of the Bible, He says, *"in my Father's house there are many mansions; mansions."* And He says, *"In my Father's house there are many rooms; if it were not so, I would*

*have told. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.” He says, “You know the way to the place where I am going.”*

Listen precious people, why am I reading this to set up the foundation for you; for this message of the Wedding Rings? I am emphasizing the fact that the Bible promised that the Messiah would come back. Hallelujah; and there are many other Scriptures that we can read. Matthew chapter 24; Luke chapter 21, many other Scriptures we could read. So we see very clearly that the Bible promised that as the Messiah went He would come back. Listen precious people; then what is the message in that tremendous vision of the Wedding Rings? If the Bible promised that He would come back, how would He come back? That is the next question.

I want us to make a clear distinction because many times there has been confusion in the church, but I want us to clearly distinguish 2 events. There is a coming back when the Messiah would come back like a thief. Hallelujah; and there is another coming back when He would come back openly when everybody would see Him coming. There is one coming back where only a few will see Him. Hallelujah; I want to walk you step by step so you may be able to understand the message behind this.

Let us read very carefully the Book of 1 Thessalonians chapter 4; 1 Thessalonians chapter 4 verse 16 and 17; 1 Thessalonians chapter 4:16 and 17 in the Name of Jesus. And I am very blessed to be here. We are very, very blessed. 1 Thessalonians chapter 4 verse 16 and 17; ‘Are you able to read, the light is good there or you want to move there? You are alright, you can read right? Thank you so much.’ 1 Thessalonians chapter 4 verse 16 and 17 he says; he says, *“For the Lord himself will come down from heaven, with a loud command, and with the voice of the archangel and with the trumpet call of God,”* 3 things—the loud command, loud command, the voice of the archangel and the trumpet of God. Hallelujah; and he says; he says, *“and...the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever.”*

You see precious people? He is describing the coming where Jesus will come like a thief. And he says that the Lord Himself, He will not send anybody. The Lord Himself will come down into the sky and He says there will be a loud command, the voice of the archangel, the trumpet of God. And he says when He comes down, the dead in Christ meaning the dead Christians, they will first resurrect. Hallelujah; I have another message. There is another vision. I have seen; I have another message; there is another vision; I have seen, in fact after the vision of the Wedding Rings on November 25<sup>th</sup>; November 1<sup>st</sup> is the Wedding Rings; November 25<sup>th</sup> at 5 in the morning, the Lord showed me how the dead Christians will resurrect and the tombs will open and they will be pulled up by the Glory of God.

So there is another message I; it's a very mighty message I teach on the rapture of the dead; what is the message to the church? But listen very carefully here: He says when the Lord comes like a thief, there will be a trumpet call, the voice of the archangel, the command of God and he says the dead will be the first to resurrect and then they will be caught up with Him in His Glory as He comes into the sky. They catch up with Him in the sky and then after that the living Christians will also be caught up with them in the sky. But let me explain to you something, Revelation 16 verse 15 describes this coming; listen to what He says, Revelation 16:15, he says, *"Behold, I come like a thief!"* Revelation 16:15, *"Behold, I come like a thief! Blessed is he who stays awake and keeps his clothes with himself,"* clothes, *"so that he may not go naked and be shamefully exposed."*

You see that? *"Behold, I come like a thief!"* he says. Hallelujah; I am using this time to build a foundation for you for this message. What a beautiful way to bring it to you; that behold He comes like a thief. Which means you will not see on your television in Sweden, an announcement saying that in the next 5 minutes the Lord is going to come. It will be like a thief. And we all know that the thief normally waits, when you are least expecting, you're most unalert—when you are not alert.

So that the thief normally comes to steal when you least expect and the thieves in Africa at least; I don't know about the thieves in Sweden; but the thieves in Africa, they like to come at night. Ha, ha, ha, ha! Hallelujah; when the thief comes at night you are least expecting and again at least the thieves in Africa, when they enter the house, they don't always come and say, "Look they cooked a good food, I want to this sauce pan. Look this is a good sofa set; I want to take it. O this is a good fridge; I put it in my back." They don't take everything. The thieves when they come, they always rush in; rush in; quickly check the drawers of the bedroom, pull find Gold—take the Gold! They take only that which is precious.

Ah...! So you can begin to understand. He says, *"Behold I come like a thief and blessed is he who stays awake and keeps His garments, his clothes on that he may not be put to shame so I may take them."* So right away you can already begin to get the message why I am in Sweden. You can already understand the message of the Golden Wedding Rings; Gold; Gold, which means the Lord is saying there is a Golden Church. There will be a Golden Church that He is going to come and steal.

And I am going to mention many things. Don't let me go too much into this. I don't want to jump ahead because I was just about to say that just like the gold is highly purified, so should that church be. But anyhow, the Lord in the Bible, how does He describe, what is the nomenclature given to that coming; what is the name given to that coming? The Bible says that when Jesus comes for the church, it has been coined, it has been named, it has been named—the Wedding of the Lamb. It is called the Wedding of the Lamb of God. And that's why I am

here. I am here to invite the church in Sweden—to tell the church that, “Hey! Hey! Precious Sweden I can see that you have lived so well. I can see that the prophecy I gave about the Global Famine; about the Global Famine—Famine, no food, hungry; I have come to say, ‘Hey Sweden, I can see that the prophecy I gave about the Global Famine, did not touch you.’ I can see that none of you went very hungry today. Hey Sweden, I can see that the prophecy I gave on the Global Economic Crisis, I can see it has not yet touched you; if it did but not properly yet. Hey Sweden, I can see how beautiful your nation is. But are you aware that the Kingdom of the earth is coming to an end? But are you aware that the Messiah is coming?”

That is why I am here. Hallelujah; but you see the Bible says that when the Lord comes back, He calls it the Wedding of the Lamb of God. And so you now understand the following points. I’m going to walk through some points here. You now understand that for a long time in the church there has been confusion and lies, deception, misunderstanding and I want to lay down these points about this vision here.

Number 1: You can now see that every time God speaks; ha, ha; I need to repeat that. Every time Jehovah speaks you must find it in the Bible. Hallelujah; to the extent that if someone comes and says, “Hey, look the Lord has spoken.” (Don’t kill my voice because I have 7 days to preach; don’t kill my voice, raise me a little bit. Thank you so much. Thank you. That will help me. Thank you so much, so I can do the 6 days, right?)

Listen precious people; to the extent that if somebody comes and says look the Lord has spoken and you don’t find it there, then God has not spoken. So the first thing I want to lay down is the unchanging Word of God—that if God is going to speak, you must find it in the Bible. And that’s why when He showed me the Wedding Rings, then I found it in the Bible. I found that there is a day which is declared the Day of the Wedding of the Lamb.

Number 2: Every time the Lord sends you a servant, a messenger that messenger must always centralize the righteousness of God in the church. I know that’s a little bit up there, I have to say it, right? Every time the Lord sends you a messenger that messenger must always bring the holiness of God in the church. Why? Because God is holy! Number 2 because He loves you and if you are going to fellowship with Him because He loves you, then you too have to be holy. Another point, every time the Lord sends you a prophet, a messenger or a message; a prophet, a messenger, a message that message will always do this, look: Will say, “Hey look the coming Messiah. Look, look He is coming.” That message must always point at the coming King—in other words prepare the people.

Hallelujah; there are many things I could have wanted to say on that; listen precious people, so you see that out of the Wedding Rings, now we see that indeed there is a day that is decreed in the Bible. There is a day that is decreed in the Bible; a day that is declared in the

Bible as the Day of the Wedding of the Lamb. And that's why I am here. In other words, God has loved Sweden. He has sent me to invite you into the Wedding of the Lamb. He has revealed to me certain requirements, certain bench marks, standards that you must achieve to be part of that Glorious Wedding. Now I am ready to give the message now.

After this background here now I am ready to give the message. And listen to me before I give you that message. Listen: You are soon going to realize that time is out! You are also going to realize that Heaven is moving so fast and today I said that this conversation here was in 2006. So you can imagine how late the message has come to you. And that emphasizes urgency. That means for you in Sweden you have no time to play with it like Kenya played; the way Kenya did; playing with it a bit. For you, you are supposed to take it, prepare and enter because you don't have much time.

But listen to this very well. I am going to read to you a special Scripture that describes the Wedding of the Lamb of God and inside that Scripture as I read, you will see the message to Sweden. Hallelujah; I am so excited, I'm so happy because what a beautiful message God has sent me with, to come and tell you people that the Wedding is here let us prepare; the time of joy; the time of celebration. Turn with me to the Book of Revelation chapter 19; Revelation 19 and we are going to read from verse 6; Revelation chapter 19 from verse 6. This is a glorious message; a powerful message, an eternal message; an everlasting message, a pure message, a mighty message, an endless message—that is the impact of this message.

Now once you are there say "amen." Revelation chapter 19 I am reading from verse 6 but let's stop there first. Don't read. Focus on me now. I said there is urgency. I said there is urgency in this message. Recently, on August 23<sup>rd</sup> 2011, the Lord spoke with me about midday; midday; midday—12 o'clock in the day; midday. The Lord spoke with me; "You are doing very well. Thank you my daughter." The Lord spoke with me about midday and I was preparing to live for a meeting to meet some few people who had come for prayer, but as I went to the door I felt so tired I almost collapsed at the door. And again I stood up; I sat a little bit to rest. Then I stood up again, I went, because I had to go to the meeting, so I went to the door to open the door. I almost collapsed again. Then I quickly understood that the Lord wanted to speak with me. So I went straight and fell on the bed and began to sleep.

Then immediately, He showed me, He lifted me to the other side of the Ocean—the Atlantic Ocean and He took me across the United States and He took me to this hospital and you know, I don't know whether you are aware the way the Lord speaks. I am going to say it here; I will share this here. In that hospital He made me lay on one of the beds there—the hospital beds. And then He also took me to the high, the cities with the high scappers. And then when I was there the earthquake took place; earthquake; a huge earthquake.

In fact I was in the hospital so I could see through the window of the hospital how the land was rotating anticlockwise. And I saw this lady doctor she was seeing her patients there; she was seeing her patients some were black, some were white. And so I saw a huge earthquake. So when I woke up from that dream I immediately told the radio station, the director is here, Pastor Michael Nieswand, I called the radio August 23<sup>rd</sup> this year, 2011. I called the radio station and I said, "Prepare the listeners."

I said, "Prepare them because the Lord has spoken. So because it's a global radio, right now a lot of nations; people know that the Lord speaks through that radio, so a lot of people began to prepare with a pen and a paper from 2 o'clock afternoon. And so by the time I went and finished the meeting I had, at 5:15pm, 5:15pm East African Time; that is about 10:15am across the ocean in New York and so that's when I took the phone and I walked out of the office to get a good network. And then I called the hotline of the radio because they were waiting. And then I said, "Listen to me the people of the earth; listen to me the nations of the earth." And I said, "There is a humongous, a huge earthquake that is coming across the ocean." And I said the western hemisphere and I mentioned the tall skyscrapers of New York and those cities down there. And I mentioned the hospital and I said "temblor" because it's so big it's called temblor, temblor, temblor. When the earthquake is so big they call it temblor. And I warned there is an earthquake coming and I said these are some of the signs of this hour that the Lord is asking the nations to prepare for the coming of the Lord.

5:15pm, 10:15 the other time—AM; we were living for another conference in Switzerland the next day in Geneva. So after giving the prophecy I went to the supermarket to buy a small toothpaste for travel you know they need less than 50ml—so small things for travel. When I came back at about 9pm the radio station after I gave the prophecy it went global, they put it also on the youtube. But then, the video team after I recorded it in our small studio with our slow Internet in Kenya, but now we have fiber Optics, anyway, but it's a little bit slow also, they were still trying to load it up on the web. When I came back 9 pm that earthquake took place at 9:22pm; less than 5 hours. I gave the prophecy, less than 5 hours happened. And just the way I said a huge, huge earthquake. It was so huge it shock New York City all the way down to Virginia, Washington D.C. It cracked the Washington, the Washington Monument was cracked. The national cathedral was cracked. The White House where the US President is, they were evacuated in a hurry; the Pentagon was evacuated; New York City, Manhattan people were evacuated from tall buildings. Everybody ran out.

Less than 5 hours, August 23<sup>rd</sup>, listen, I did not know which this hospital was. Later in the news when I watched CNN I saw it was Johns Hopkins Hospital. People were evacuated running for their lives. That's why I said before I give you the revelation on the Wedding Rings, I want you to understand one thing—there is some urgency here. There is urgency here. And it was

2006 that message of the Wedding Rings. Many nations have taken this message. They are preparing the church and so on. But for you it is coming late. I just want you to understand the urgency, the sense of urgency.

Having said that, so what is the message out of this vision of the Wedding Rings? Revelation chapter 19 I'm reading from verse 6; Revelation chapter 19 from verse 6, and He says, *"Then I heard what sounded like a great multitude, like the roar of rushing waters and like loud peals of thunder, shouting: 'Hallelujah! For our Lord God Almighty reigns.'" Verse 7, "Let us rejoice and be glad and give him glory!"* And he says, *"For the wedding of the Lamb has come, and his bride has made herself ready."* Verse 8, he says, *"Fine linen, bright and clean, was given her to wear."* And he says, *"(Fine linen stands for the righteous acts of the saints.)"* In other words the righteousness of the church; what a beautiful message; and he says, verse 9, *"Then the angel said to me, 'Write: 'Blessed are those who are invited into the marriage supper of the Lamb!' and he added, that 'These are the true words of God.'"*

Ha! Ha! Ha! Let me share this message to you precious people. It is so much love for me to be here, to bring this message to you; just focus on me now. Now we have seen in this post-modern era; post-modern day that God is deliberately and openly speaking to the church. And when in this conversation He spoke, listen to what He says. He presents 2 Wedding Rings and He provides the details of the Wedding Rings. And He presents them as complete; that they have been completed. And listen precious people; inside the Scripture we have just read, we have just read, inside the Scripture we have just read, He describes a special day; when I listen to the way He describes that day, He calls it thank you; that's powerful; thank you my son, that's very powerful. Thank you. He calls it the Day of the Wedding of the Lamb.

He calls it the Day of the Wedding of the Lamb. Look, look at me here. When I see the way God describes the Day of the Wedding of the Lamb, in the Book of Revelation chapter 19, He first says that when that day arrives there will be thunderous celebrations; celebration like thunder. There will be felicitation, jubilation and it's as if it is; it's too much for you? Ok, then I turn it away. I turn it away. Please, please just help me. Don't change it. Don't change it.

Listen, it is as if the entire Heaven comes to a complete stop when that day arrives. It's as if the whole Heaven comes to a stop. And he says and they begin to celebrate. And if you look at why they are celebrating, he says, *"for the Wedding of the Lamb of God has come."* And that should tell you, the church in Sweden, very fast you can understand the message the Lord has sent me with. He is saying that if you look at the calendar of Jehovah in Heaven; if you were given a chance to look at the calendar of Jehovah and you look at the days, you will find one day which has been marked as very important; very significant, very critical, very crucial, very enormous, very classical, very historic, whatever the name. There is one day which has been marked and that day is called the Day of the Wedding of the Lamb of God.

That is the message I get from that Scripture. Because he says when that day arrives the entire Heaven will celebrate like they have never celebrated before. Number 2: Inside that Scripture, there is a message for Sweden. There is a serious message there; there is a message I call, 'Responsibility to the church.' And he says that the reason Heaven celebrates is because the Day of the Wedding of the Lamb in other words, they Day they have been waiting for has finally come. And if you read further on to get the true reason why there is such a celebration, you find him saying, that because the Day, because the Wedding has come and the Bride has also made herself ready. That is the real reason for celebration.

Did you understand the message Sweden? In other words, the Lord has sent me to Sweden; number 1—to invite the nation of Sweden into the Wedding of the Lamb. Number 2—to tell the nation of Sweden that, "Hey, just the way you prepare for weddings in Sweden" in Sweden, weddings are very big things. In this land when people want to wed it's a very big thing. Families are involved. Buying of things; there is shopping; there is the wedding gown; there is preparing the feast, preparing the drinks, the food, everything for celebration. There is a preparation in this land of Sweden.

There is a specific order. The preparations must be in a specific way in this country if you want to wed; the preparations have been well established. You ask anybody they will tell you, "You buy this; buy this; buy this; prepare this; prepare this." And you normally prepare. Sometimes some of you even prepare for 2 years, 1 year; a long time trying to get the protocols ready, the implements ready, the system ready, the church ready, the parents ready, the bride ready, the groom is ah! Ha, ha, ha! Listen to me, you prepare for weddings. So the Lord has sent me here to tell you that just as you prepare for your weddings in Sweden, but now there is another wedding coming up in Sweden; Ha, ha, ha; Coming up to the church, coming up to the earth, coming up to Heaven, the Wedding of all Weddings. Hallelujah; listen to me very clearly.

The Lord is saying that go to Sweden and invite my precious people; invite them into this very precious Wedding. And so the Lord knew I was going to come here and He knew I was going to stand here and start describing the vision, the Wedding Rings they are similar. He was doing them like this, to describe everything here. But He knew that underneath that there is going to be a message because He says in this Scripture; He says that the reason there is celebration in Heaven is not just that the day has arrived, but also most importantly that the Bride has made herself ready. That is the reason and that's why I am here. And that's why I thank the Lord for using Pastor Peter to invite me here because Kenya has heard this; Kenya have heard this, such that today there is a very big revival; historic, the biggest revival in the history of the church is taking place there. They come in millions to prepare for the Wedding of the Lamb.

But for Sweden this is more important for me because I am reaching people that had not even known that the Lord has sent this message. This is what we mean making new grounds; gaining new grounds, making exploits for the Lord, exploits. So what is the message? In other words when the Lord told me to come and invite you, He is also saying that your preparation is key. He has sent me to tell Sweden, the nation of Sweden, to tell you that the time to prepare for the Wedding of the Lamb is now! Why? Where does that come from? Listen; because every time there is going to be a wedding, you make preparations and if you are going, you must wed in the church. The only weddings are church; me I'm talking about church weddings only, nothing else. That's all I know. I don't know another one. Yeah, I am blind unto the other. I am deaf to the other. I don't know. I am talking about Jehovah.

Yeah, so every time there is going to be a wedding and the preparations are done here and the Pastor teaches you the Biblical basis of weddings, the Biblical basis of marriage; what does the Bible say about your responsibility as husbands, as wives; the pastor announces the wedding in the church. He will normally announce the wedding in the church and first announcement, second announcement, the third and final announcement, if anybody has anything to say it about this wedding say it now. The third announcement, when it's finished after the church service you see the pastor calling the groom, calling the young man in the office and ask him, "Tell me, the wedding will take place next Sunday; it is going to take place next Sunday. Are you ready?" And the young man normally will look, will look a bit and say, "I am ready." And the next question the pastor will ask, "Do you have the rings?" In other words, "If you are ready, where are the rings?" And immediately the young man touches his pockets and says, "Look." The pastor takes them and tell him this wedding must now take place. Ha, ha, ha! This wedding cannot stop now.

Once the wedding rings are ready; once the wedding rings are ready, let me tell you the message what it means; once the wedding rings are ready and the pastor has taken hold of them, now that wedding must take place. Nothing can stop that wedding anymore. Listen to this; so it is in the Kingdom of God. Why did Jehovah show me the Wedding Rings? The Bible says in Matthew 24 verse 36 on, He says, "*No one knows the day or the hour.*" Did you understand me? He says, "*Nobody knows the day or the hour.*" And He says, "*Like it was during the time of Noah, so will it be at the time of the coming of the Son of Man.*" Now listen to this, "*Nobody knows the day or the hour.*" And then He shows the Wedding Rings. He says, "Go tell them. Go, go, go, go all over the world. Go all over the world. Don't stop. Run! Run! Run!"

And I tell you we are running. When I live Sweden and I arrive in Kenya, I have only 3 days to book my tickets, get the visa and rush to a big meeting in Nigeria. 3 days like this; when I come back, straight to Argentina; when I come back, straight to Rwanda; come back India, Australia; Canberra, Australia, and Australia; many cities want to hear this. We have to cancel

Melbourne and it is true I am running. When He showed the Wedding Rings, He said, "Now run! Don't get tired. Run! Please run. Don't get tired. Just run everywhere."

Listen: He shows the Wedding Rings and you have just heard that when the rings are ready that means all the preparations for that wedding have been finalized. But we know that He that comes to Wed, He is the darling of Heaven; the sweetheart of Heaven; the darling of Heaven; the sweetheart of Heaven; the darling of Heaven. He is the Son of God. He is the King; He is the King, the King of Glory. We know that He that is coming to Wed, He is very mighty. Listen to this: We know that He that comes to Wed is the one who died for mankind; the one that paid the ultimate price.

Precious people, He is the Son of Jehovah, Elohim. Listen to this: Listen to this: Nobody, nobody even the Bible says, they say that even the Son of Man Himself does not know the day. Even the angels don't know. In that Scripture of [Matthew 24:36](#) onwards; listen, when I look very carefully at this conversation, I say, "O now I understand; because He is the Son, the Son of God; the first-born of Heaven" it's like your son, your first-born. When your first-born is going to wed, do you say, "Let, ah... John prepare for me that wedding, me am busy." Do you say like that? Do you say, "Peter, Peter I am very busy. My first-born is going to wed prepare a wedding for him." You get involved yourself.

If it is your first-born, you are running up and down. You want everything to be right. So now I understand this conversation. This conversation is between God the Father and the church. Who prepares the Wedding Rings? Only God the Father can prepare the Wedding Rings. Only He knows the day. This is a mighty conversation here; tremendous conversation because God the Father Himself is involved in preparing the Wedding of His First-Born. So you begin to understand the gravity of this conversation. And now, He that knows the day or the hour, He says, "Hey! Hey! Hey! Look the Wedding Rings are ready. Run and tell the whole earth that the Rings are ready."

That means the preparations in Heaven have been completed for that Wedding. And that also means that any minute now, any moment now, this Wedding will take place. Did you understand the message? There is gravity and urgency. Listen precious people; I want to share some key features. When God speaks it is very enormous. This message is what has brought the biggest revival in Kenya. Now it is in Venezuela; and now it is coming to Argentina and many other nations, even it is coming to Sweden. There is going to be a very big revival meeting here next year, and also Norway. But anyway listen to this: God the Father shows the Wedding Rings but I want to walk through some of the key features of this conversation because we have already seen very clearly that the reason Heaven celebrates is because the Bride of Christ has made herself ready.

And if you read the Bible in the Book of Isaiah 54 verses; Isaiah 54 verse 5 to 7, read fast, very fast, precious people; Isaiah 54 verse 5 to 7 this is what he says, Isaiah 54 verses 5 to verse 7; this is what he says; listen to this: Are you there? Amen, thank you. He says, *“For your Maker is your husband—the LORD Almighty is his name—“Ha! Ha! Hallelujah; and he says, “...the Holy One of Israel is your Redeemer; He is called the God of all the earth. The LORD will call you back as if you were a wife deserted and distressed in spirit—a wife who married young, only to be rejected,’ says your God.”* Again, *“a wife who married young, only to be rejected,’ says your God. ‘For a brief moment I abandoned you, but with deep compassion I will bring you back.”* Hallelujah; you see that?

Israel; Israel is the wife of Jehovah and the church you are the Bride of Christ. So listen to me here: I want to walk through some key features. He says that the reason that there is historic celebration is because the Bride of Christ, the church has made herself ready. But when you read further on, you see that she is wearing a garment and he says, *“The finest linen; the finest linen, bright and clean; bright and clean”* and he says that that fine linen, He says that that is the righteousness of the church. The fine linen is the righteousness of the church. So I know that you people now understand why I am here. If I am coming here to prepare to tell this nation, *“Please prepare for the coming of the Wedding of God.”* And now we see that the only day you will be prepared; the only way to prepare is for the church in Sweden to wear finest linen, bright and clean; bright.

And He says that the fine linen that is the righteousness of the church. In other words, I have come here to stand here and announce that right now, right now according to the Clock of God; and I know I am going to share the vision of the Clock He showed me in the dream. But listen to this; according to the time of God, in Heaven, the only one that knows the day and the hour, according to Him and His clock, time is over! The Wedding is going to take place. But the church in Sweden is been called upon; He’s saying, *“Hey! Come up on! Come on now!”* And He’s saying that now is the hour. This is the moment for the church in Sweden to also prepare the finest linen. The nations are preparing.

Today, when I was here I was sent a program from Nigeria. They sent me a program from Nigeria. They told me that you are going to begin at this time; you’ll at this time the first day. Second day is starting this time, this time; third day like this, like this. They are preparing and they said please post it to the world. And I told you I am running to Argentina, to many other nations. That means the nations are preparing the finest linen and for Sweden this is your hour that you too may come on now and begin preparing the finest linen. But he says that that linen is righteousness; righteousness. That that linen is the righteousness of the church which means the Lord is saying that the reason He has sent me here is to call Sweden to the righteousness of the Lord; is to call this nation to return to righteousness.

Did you understand now? I love Sweden. I have great friends here in Sweden. I have great friends. But listen to me. There is a bigger message here. The Lord is saying that the times of playing church; of playing church; the times of just saying, "Eh..I'm a Christian at times I don't even feel it." Are you born-again? "I don't know what to tell you because at times I almost don't feel it." The Lord is saying that that time is over. The Lord is saying that the hour has come when the nation of Sweden must also prepare for the coming of the King. I know you are a wealthy nation; you are a wealthy nation; a rich nation.

There is no question about that. But listen to me properly; sometimes people have come to you and they have said, "You know I am an apostle and so bring money to the feet of the apostle." That time is over. There is no more time for games in the church. The time for playing money in the church, "No, let me no" I am jumping ahead of myself, but listen to this, so the Lord is saying that you are the generation; this is the generation that will prepare the glorious garment of the Lord. That means I have come to announce the hour of the garment. I have come to announce the hour of righteousness in the church.

Let me begin from here; let me begin from here; focus on me. Look at this; ever since some of you became Christians, you received Jesus; some of you became pastors; some of you just Christians in the church, leaders in the church, deacons in the church. But listen to this, the more Sweden walked, the more Sweden is walking and counting the years, the years, the years, the more modern Sweden became; Ha! Ha; listen to me now; listen to me properly now: The more Sweden was walking, the more Sweden became modern and the more Sweden became modern is the more the church in Sweden lost her moral value.

I am beginning to engage you now. I think we are beginning to talk now, right? Can we have this conversation here? I must, I must have this conversation. If I don't God will remove me and send another person to Sweden because in Sweden there MUST be a Bride; a perfect Bride. It's a lot of love. Listen, the more the people in the nation of Sweden became modern and post-modern, the more the world started entering the church. When you received Jesus in Sweden here, you received a glorious fine linen from God. In [Isaiah 53](#); [Isaiah 53](#) Jesus paid the price; the price that gave you a glorious garment for entering Heaven.

Everybody gets a free garment. Everybody receives a free glorious gown. But have you kept your garment, fine linen, clean and bright. Have you kept your garment, fine linen, bright and clean because that is what you must ultimately wear on the day of entry? Let me explain to you, the more Sweden has been in Christianity, technology, everything; it's good it's from God by the way, from the Lord to help your life only that man has changed it. The more Sweden has developed the more there have been stains, stains, stains, stains on the gown.

So if you look at the church of Christ the Bride of Christ in Sweden, she is dressed in her garment, you don't need to be a Christian to know that she has so many stains in the garment; one of the stains is homosexuality in the church. That is sin! Did somebody hear me properly? I am saying in Sweden that homosexuality is sin! But how different is homosexuality, ha, ha, I want to catch you now; how different is homosexuality from somebody coming here dressed in miniskirts and short skirts? They are the same. Hello. Welcome to the Kingdom of God. If you come here and you are dressed in a miniskirt and as you are dancing here, the men are lusting at you, that is sexual sin!

And the Bible says in the Book of Matthew chapter 5 verse 27, 28 read it; Matthew chapter 5, today we must get down to the bottom of the issue. O did you hear me properly? I said today we must get down to the bottom of this issue? I told you the Lord loves you, that's why He sent me here. If I don't say this, He will slap me and throw me out and send another one to Sweden to say it correct. This is God loving the nation; the nation of—the beautiful nation of Sweden. You have everything beautiful, so the only thing you need is to enter the Kingdom of God. Then you will do what we call win-win; win-win. Double win; you win on the earth and you win in Heaven. Yes, I did not find people on famine, hunger here; I did not. I did not find little babies dying from Malaria. No I did not find here. There is love of God here so let us capture it and use it to enter. Otherwise what is the point having the whole earth and miss the Kingdom of God?

Matthew chapter 5 verse 27 real fast; this is what He says; He says, *“You have heard it said, ‘Do not commit adultery.’ But I tell you the truth anyone who looks at a woman lustfully has already committed adultery with her in his heart. If your right eye causes you to sin, gouge it out; if your right hand causes you to sin, take a knife and cut it out. It is better for you to enter Heaven with one hand than to go to hell with both hands.”*

What is the Lord saying to Sweden? The Lord is saying that this is the hour for Sweden to disconnect from certain things. You don't have to be a Christian to be here and see the Bride of Christ in Sweden dressed, and you look and say, “Hey, look, look there is a big stain there. There is another stain.” One of the main stains in the church in the land of Sweden is sexual sin. And so I have come here to proclaim repentance. I have come here to say that the only way to return to righteousness is by repentance. It is free of charge. It is free, free of charge. You don't have to pay any money. You just have to repent and then the Lord will clean you. And repentance means you were walking in this direction and you realize you were going in the wrong direction. You are convicted and you stop and repent and turn back this way; opposite direction.

The Lord is saying if the church in Sweden is going to prepare a Holy Bride, then the church has first of all to repent from sexual sin. When you stand here and you look at the Bride

of Christ in Sweden, you see many other stains that have, they have made the garment dirty. One of them is called complacency, compromise, not, "I don't care. At times I wonder if I need God or I don't need Him." That's what they say. "Everything I need I have." The church in Sweden has lived in complacency which means has lived in complacency which means the world came and the church did not care to reject the world. That; that calls for repentance! And repentance in the church in Sweden must begin with the pastors in Sweden; the priests of God; they must repent in Sweden for allowing sin to enter the House of Jehovah. There MUST be repentance in Sweden.

Now you understand when the Lord showed me the Wedding Rings, the message the Lord is bringing forth. He is saying that when you want to prepare rich gold, 20 karat, 1000 karat, 1 million karat you have to take the gold, the impure gold; maybe it is the size of this beaker here and you have to pass it through fire. And when you increase the fire, the silver will get out. Aluminum get out; the bronze out; selenium out; all the impurities will get out. And when you increase the fire you will have a very high karat, but it will be small like this. The pure gold; so if somebody gives you impure gold, impure, the size of this beaker and then I came to you, I came to you and asked you what is the true worth of that gold? What is the true value of that gold? It is impure gold; impure; it's not pure; this size; I know the answer you will give me. You will tell me, "Man of God, I don't know the worth of that gold yet, because it is just impure" until you pass it through fire. And when you pass it through fire and all the impurities, the soil, the rocks, the what, aluminum, bronze, silver, everything comes out and you have a small piece like this phone, the size, then you can now come to me and say, "Hey, now I know the true worth of that gold. This is the true worth of the gold."

Listen to me: When you look at the church of Christ in Sweden right now, you cannot see the true worth. If somebody asked you, "What's the true value of this church?" The answer is I don't know. And the Lord is saying until you pass that church in Sweden, you pass her through the fire of the Holy Spirit; and what will the Holy Spirit do in the church? The Holy Spirit, He will begin to convict your hearts. He will begin to infect your hearts and He will begin to tell you that, "Hey, Bride of Christ, are you aware that you are the ambassador of Christ, ambassador?" Are you aware that you are the envoy, ambassador of Christ?"

The Holy Spirit will tell you, "Hey, are you aware that you are the light of Sweden?" The church is the light of the nations. He says, "Hey, are you aware that Jesus is waiting for you? Are you aware that you are the treasured one of the Lord?" And then when the Holy Spirit begins to convict you like that listen to what will happen, then immediately if you were going home and you are watching a TV program, let me say it in front of the camera; so once the Holy Spirit convicts you if you were going home and there is a TV program you love, you really love it, the

Holy Spirit will start speaking to you, say, “Hey, ambassador of Christ; are you aware that you are the image of Christ, the Son of the Light?”

And then He will ask you, “If you are the Son of the Light, the image of Christ that means if you put a mirror here on you, we should see Christ, would Jesus have sat here and watched that TV program?” The Holy Spirit will start asking you that. “If you are really the image of Christ, do you think Jesus would also sit here and watch it?” And most of the TV programs are full of immorality; immorality; immorality is very clear right? Yes, most of the TV programs are full of immorality because they have to sell it. When they put immorality they get many viewers. So you will soon say, “I don’t know why my heart has left this program. I don’t even want it anymore.”

When the Holy Spirit begins to purify the church, there are certain TV programs that He will first disconnect you from; there are certain friends that He will first disconnect you from; the friends of drinking beer on Friday and pizza; beer and pizza; wine, disco friends for disco dancing. He must separate you from those friends because God is holy. And then He will clean out pornography from your video library. And then you might change your SIM card, the SIM of your phone because there are certain people that you will not want to talk to unless you are going to evangelize to them.

The Lord will send the Holy Spirit to purify the church in Sweden. Only the Holy Spirit can reveal to you that “Look, you are a married man; you are married! Why are you calling that girl and the relationship is not pure is as if there is lusting going on? Hey!” You like that? Ha! Ha! I like that. The Holy Spirit will tell you, “Disconnect from that woman! You are a married man; respect your marriage!” “Disconnect from that man; you are a married woman!” The Holy Spirit will tell the church; the youth of the church; the Holy Spirit will tell them, “Hey! If you want to get married, you don’t have to go to the disco to look for a husband, to look for a wife. You don’t have to go to the bad places,” to the, you know sometimes Internet, what many things are happening today; Internet dating, what. There is a lot of immorality going on, on the earth today. And in the process the Lord will purify the church and then we will be able to know what’s the true value of this church.

When the church is mixed with sin, it’s difficult to know. It is not easy to know. But when the church is purified, we can know the value of the church. The Wedding Rings that the Lord showed me, those are Spiritual Wedding Rings. They are not physical. And the Lord put them at the entrance to Heaven. If you listen very carefully to that conversation, the Lord is saying that, “Look, these are Spiritual Wedding Rings and they are identical. One is for the Groom and the other one is for the Bride.” And He is saying that even you the church, you need to be a Spirit-filled church.

The Lord is saying that the church in Sweden needs to receive the Holy Spirit and walk in the Holy Spirit. In order to wear one of those rings; in other words I have come to announce 3 things: I have come to announce that the Messiah is Coming. I have come to love the nation of Sweden and tell them that, "Hey! The Messiah is Coming. Prepare!" Number 2: I have come to tell her that you MUST now begin to repent. I have come to announce the revival of repentance. The Bible says that only a repentant heart can enter. I have come to tell you that this is the time for the nation of Sweden to go into a repentance revival.

Let pastors call each other; let pastors meet together and discuss and say, "Precious people, the Lamb is coming; the Lamb is coming. The Messiah is coming. Precious people are we ready?" And then one pastor will lift his hand up in a pastors meeting and he will say, "For me my church is not ready because recently I found out that there is sexual sin in the worship." Another one, "For me my church is not ready because I found out that the Christians are lying to one another. They can even lie to me on the phone also," and many other problems. Then the pastors will agree. They will say, "Let us begin to preach repentance in our churches that the Holy Spirit may clean up the church; that we may return the church to Isaiah chapter 35 verse 8."

Isaiah 35 verse 8 and verse 9; let us return the church to Isaiah 35 verse 8 and verse 9, (*"And a highway will be there; it will be called the Way of Holiness. The unclean will not journey on it; it will be for those who walk in that Way; wicked fools will not go about on it. No lion will be there, nor will any ferocious beast get up on it; they will not be found there. But only the redeemed will walk there"*). Hallelujah; the Highway of Holiness.

Today in Europe the moral value in the church has been lost. And the Lord has sent me here to appraise the church; appraise; to raise you people, exalt the church in Sweden. How? To tell the church that "Look! Don't worry about what has happened in the church, you are still the Royal Bride. You are still the Royal Bride and Heaven is depending on you in Sweden. Jesus the Messiah is depending on you in Sweden." Don't worry about what has happened in the past. You can now repent and prepare because you are the one God is depending on. Jehovah is not depending on some Hindus; He's not depending on some Muslims, Buddhists, new age; Jehovah is depending on the church of Christ in Sweden.

So the Lord has sent me to appraise the church, to tell the church, some of you may have aborted; some of you may have stolen, they have lied, adultery, it does not matter now; it does not matter now. What will matter now is that the church go back to repentance and turn away from sin and prepare a glorious garment; prepare righteousness for the King of kings. The Lord is saying you are still the Royal, ha, ha, you don't understand me; nobody understands me here. You are still the Royal Bride.

When there is a wedding in this community here, in Gnarp, Gnarp, Gnarp; when there is going to be a wedding you will always hear the rumor. You will always here the rumor; the word normally spreads like a bushfire. People say, “O there is a wedding. Are you aware there is a wedding? Are you aware there is a wedding?” And at times in Sweden if the wedding is going to take place in the Royal Family; Ha! Ha! If the wedding is going to take place in the Royal Family in Sweden, then the whole nation must know; must, must know because you will see preparations, you will hear about preparations, if you tune on your TV you will see some talk shows going on about it; some commentaries on TV and radio. If the wedding is taking place inside the Royal Family in Sweden; but Sweden listen to me now; everybody focus on me now, I have come here and all of you, everybody even if you have not listened to my prophecies; when I gave the prophecy of the Global Economic Crisis, August 19<sup>th</sup> 2008 before it happened until it happened. And I gave the Second Economic Crisis, the second bout when I was in Australia August 1<sup>st</sup> 2010 the one that you see consuming Greece, the one that you see that is about to destroy the Euro Zone, the Euro—it’s about to scatter the Euro Zone; the debt crisis in Ireland, Spain, that is in Italy, many other places in Europe, the debt crisis, the second prophecy I gave from Brisbane, Australia.

Look at what it is doing to the US Economy. They have downgraded. The French banks, the banks have been downgraded. You don’t have to have listened to me give that prophecy. You don’t have to have known that I am the one who went to Haiti to warn about the earthquake before it happened—November 22<sup>nd</sup> to 29<sup>th</sup>, 2009, one month before it took place. When it took place on January 12<sup>th</sup>, 2010, you don’t have to have known that I am the one who warned about Hurricane Irene; Hurricane Irene; Hurricane Irene; you don’t have to know that—many other prophecies.

All you have to do; everybody focus on me now; all you have to do is to watch your news and you know that something has changed in the Globe—Global Economic Crisis, the earthquakes and tsunamis, and the earthquakes, earthquakes and tsunamis, floods, draught, the prophecy I gave on the famine. You don’t have to be a Christian, you just need to seat and watch your news in Sweden and you will know that something has changed very much on the earth. And if you are in the church, then you will know that surely the Messiah is coming.

But listen to me, if there is going to be a wedding in the Royal Family of Sweden, the whole nation must prepare—must know; must prepare—must know. But when I came, I reached the airport, I tried to listen; I don’t hear nothing. I listen again, I did not hear anything. I said, what? What’s going on in Sweden? This is such a beautiful country. It cannot be so quiet because if there is going to be a wedding in the Swedish Royal Family everybody in the nation must prepare—must be aware. How much more if there is going to be a Wedding of the King of all kings—the King of all the kings of the earth; I expected that when I enter here, at the airport

I would see people in groups talking, "Are you aware about the wedding?" in groups, groups, groups, on radio, on TV.

I expected that if I turn on TV I should see the talk shows they are discussing the wedding gowns. They are asking have you seen how expensive the wedding gown is? We are told it is very expensive. You are the Bride of Christ. Now you are going to wed into the Royal Family. Why are you quiet? Why is the nation quiet? In Kenya, I can now tell you this; there is a big conversation, a national conversation going on in Kenya. Everybody is aware that the Bride is getting ready. Even in Sweden in this land everybody must be aware. The Lord has sent me here, the whole nation must be aware. They will know that the Bride of Christ in Sweden, she is preparing her garments; She's all the ah...Let me tell you one thing; in the Jewish wedding, I lived in Israel, I did my doctorate in Israel; I studied my doctorate in Israel so I lived there for 7 years.

When my friends, the Jewish friends were wedding they shared with me the stories and they invited me. And what amazed me was the amount of time that the bride always took to prepare for the wedding. She was always standing by the mirror. She even never ate. She did not eat. The mother has to call the groom, "Please speak to her she is not eating." She was always checking, "Is it fitting me or what? Do I need to cut down or what? Why is it that this gown does not look white anymore? When I bought it, it was white, now I see as if it was not white?" She was disturbed.

But for the church, you know that your mirror is the Bible; why are you not looking at your life, and your garment through that mirror? If you are the Bride of Christ and you stand next to the mirror which is the Bible everyday looking at yourself, "Am I really? Is it ok? Mummy is it ok?" Then you will see the stains. If anything is wrong you will be able to see. Why? There is no conversation. In Kenya, there is a big conversation; I have invited you people; how many it does not matter; come, come all of you to December. We have a big meeting in December. When it is happening, these days I see top government leaders, they come to me, they first call they say, "Can I meet the man of God?" And when they arrange for, Bishop Dr. Onjoro does that and then brings them. And they sit down with me. I say, "How can I pray for you today?" Then he says, "Pray for me but I have come to invite you into my city that you may do the Lord's meeting in my city also."

It is beautiful. It is a national conversation. The whole nation knows she is preparing; even in Sweden since the Lord has send His slave, His slave here, then now the slave will begin the work. My work as a slave is to look at the way of the Lord. If I find some potholes, holes, I will get a spade. I want it to be smooth for the King. If I find some part of the road with a small mold, a small mountain which can make the vehicle do like this, I will cut it down and I will grind it. I will make it level.

This work has begun here, so there is going to be a national conversation in Sweden. The nation will now know that “Look the Bride is preparing.” It’s a beautiful time, precious people. It is so beautiful. I want to see your smiles. This is a beautiful time. This is the most beautiful message from the Lord. The Lord is saying that begin by teaching your children to turn away from sin. Teach them the way of righteousness. Change your messages, the pastors; inside repentance, there is a very big revival, the revival of the Holy Spirit. Precious people, I cannot tell you; let me tell you of one story, beautiful story and its God’s story.

In this meeting we just finished, the DVDs I gave you, the meeting in Kisii, last week, the weekend, last one but one; 16<sup>th</sup> to 18<sup>th</sup> of this month, listen; when I was praying in another meeting in Nyeri, I stood at the Altar of God before millions of people and I said that “Today, I curse HIV AIDS; I curse, I curse, I curse HIV AIDS from your blood with my prophetic tongue.” And I said, “In the Name of the Lord Jesus, I now decree that your HIV AIDS status is changed.” And I told them go back to your doctors, the doctor that gives you ARVs; the doctor that has your file.

This past meeting the patients who were healed in the other meeting, it was a very serious situation because one of the patients was actually a research patient; a research patient; research patient, was a patient in research. What they normally do when they test for HIV AIDS if you are number one in the list, they take your blood aside for research. When they reach number 10, they also take for research; number 20, so it is number 1, number 10, 20, 30 those ones are put away for research—random sampling, random. They call it algorithm. That’s the way they do their research. The Lord did a big miracle. When I was praying this young man is a university student and he is HIV positive and in fact they have begun him on the medications, the symptoms. So the Lord did a big miracle. The Lord made him number 10. So that means they have to take his blood for research. This young man did not have money for bus fare to come to the meeting. He sat at home and when he heard me saying, “I am going to pray for HIV AIDS” by radio because the meetings are live; when he heard me saying, “I am now going to pray for HIV AIDS,” he knelt down on his feet like this. And then next to the radio and when I decreed that “I curse you HIV AIDS,” the power of God touched him and he trembled and fell down. And he was sweating.

So when he woke up later he realized “something has happened to me.” And he tried. He went to examine. When they tested him, he turned out to be negative. Ha, ha, ha. You did not understand me. Ha, ha, ha. You did not hear me. You did not hear me. Listen to me; the medical practice, there is a book—a big book. It is called the Principles and Practice of Medicine; Principles and Practice of Medicine; that book says if you are HIV positive you will be HIV positive forever, until you die.

So when this young man came and tested negative, 5 institutions were scared. 5 institutions were shocked. One of them is called, "Centers for Disease Control based in Atlanta Georgia." Centers for Disease Control—CDC; Centers for Disease Control; Centers for Disease Control; Centers for Disease Control; again Centers for Disease Control based in Atlanta, Georgia. They have centers in Kenya. They have set up centers. So they became interested. Another one is KEMRI; KEMRI which is the Kenya Medical Research Institute. Another one is the NASCOP. NASCOP is the national organization that deals with HIV AIDS—the statistics, the medications, everything nationally. Another one is the Ministry of Health of the Government of Kenya. Another one is the Walter Reed Project; Walter Reed Project; Walter Reed Project, yes; Walter Reed is a special project by the US army that has been established in many hospitals. Another one is called AMPAC; AMPAC which is Academic Model of Treatment of HIV. These are some professors in the US. They have combined with professors in the Universities in Kenya. They are doing research on HIV.

All of them became interested and they began to take the blood of this boy. They said, "How can you turn negative. You have been our patient." And they tested and tested and tested and tested and tested and tested. He still came negative. Now until listen, listen to me everybody, watch me, watch me here: The revival I'm bringing to you, the Lord has sent me to bring this revival to you. When we did the meeting in Kisii 2 weeks ago, the doctors came out. They said, "Can we come to the meeting of the Lord. That was our patient we need to explain this."

One of the leading doctors came to the meeting and he said, "I have been a doctor for so many years but I have never seen somebody who is my patient, HIV positive turn negative." And they tested up to the DNA PCR; DNA PCR; DNA PCR and so he came and he said, "Precious people we did not know what to say but when he told us that it was from the meeting of the Lord, we have now come to tell you that even us doctors now we want to declare to the whole world that Jesus has healed somebody here." And then they gave the phone number; their phone numbers and their email and the website and they wrote the comments there, they said "If anybody, anywhere in the world has any questions regarding this patient who has now been healed please call us this is our number."

Listen and then the government gave me one copy of the results. They gave; these days they give me one copy. So it is a beautiful revival; a historic revival. They whole nation is talking, "Look, the Bride is preparing herself. Look! She is preparing. Look, look at her. She's been appraised. She's been healed, restored, purified, glorified, anointed, blessed." Hallelujah; she's been anointed. Precious people, this is the revival the Lord wants to bring to Sweden, but it must begin with repentance.

Hallelujah; I don't have time to continue. I will continue tomorrow because it is coming to 10 o'clock and you know in Sweden you are very strict about time. I know that. Thank you for giving me a lot of time. But listen to this; listen to this; let us begin by repenting. The Bible says very clearly, He will come like a thief and if you are not prepared, you will be left here. I have seen the Wedding of the Lamb. I have seen the rapture of the church and it's such a tremendous event. It changes the whole earth, irreversibly. It changes the whole earth, irretrievably; cannot be retrieved back.

Precious people listen very carefully; the way the church in Sweden is behaving, you cannot see the Kingdom of my Father, unless you repent and you choose holiness. The Book of Hebrews chapter 12 verse 14 he says, "Make every effort to leave in peace with all men and to be holy." And then he says, "...for without holiness nobody can see the Lord; nobody will see the Lord." And so the message I bring you here is a message of life and death.

If you will choose repentance, O precious people, I have seen this revival. It is too big. I cannot write it on a paper and give to you. It is too big to describe by man. People with radios very far away listening and they are healed. I remember recently I was telling them there is a crippled boy with knee problem going to be healed, crippled. And I told them when I walk into the stadium he will walk up and walk away. And I announced it more than 2 months ago; when I entered the stadium that was the first person to be healed.

When I was coming yesterday, on the flight from Copenhagen to here I slept like this on the chair and the Lord showed me healing coming to this land, to this nation. Again, when I was on the flight from Copenhagen to here I saw a tremendous healing revival coming to this land of Sweden. Listen precious people; God is no respecter of persons. He only respects nations that can receive Him. He can only respect a repentant nation. There is sexual immorality in the church. Please clean up the immorality from the church. Pastors in Sweden, for many years you have feared to rebuke sin, but the hour has now come for you to rebuke sin in the House of Jehovah.

When you rebuke sin, you love the church because you are helping them to enter the Kingdom of God. But when you don't rebuke sin, you don't love the church; you don't love the sheep. Remember the nation of Sweden is waiting for the pastors to rise up and announce to the nation of Sweden and say, "This is a special announcement. This nation is in sin. We need to have a national day of repentance." And you need to organize that day in Stockholm and people come from all over Sweden that the whole Sweden may go before Jehovah and the pastors may lead the nation into repentance that the church may lead the nation into repentance; that the church may begin to prepare and harvest the non-Christians.

Let me finish, very, very fast in less than; can you give me 5 minutes only, 5? Who can give me 5, only a few? Some of them have 5. Do this; hold on put it up. I want to see who does not want to give me. Ha, ha, ha. Listen to me precious people; if you look at the details of this conversation; number 1, Heaven opened and when Heaven opens, you see that the Glory of God comes out and begins to change the darkness into light. We all know right now that the whole earth is in darkness now.

We are in the night time. The Bible says the Messiah comes at the midnight hour, in the middle of the night. Right now we are in the dark night, the pitch darkness. That's why you can hear of stories of sexual sin in the church between the worship teams. After sexual sin they come and stand there and just worship. They don't fear the Lord. They don't fear anything because we are in darkness. Number 2, listen to this; when the glory comes out some light begins to consume the sky. The Bible says that in the last days the Lord would send a Holy Ghost revival to prepare the nations. What does the Holy Ghost do? The Holy Ghost outpour, the type we see in Kenya, the type that is coming here, it will point for you sin like this, so you will know clearly what is sin and repent from it and turn away from it.

But when the glory came in advance; in advance, then came the Wedding Rings and He placed the Wedding Rings at the entrance. Which means the Lord is saying that right now as we speak here we are standing in a time that is called the Dispensation of Open Heavens. We are in a season, a season of Open Heavens, which means the glory of God can now visit; which means when the church repents the Holy Ghost can visit; which means there is going to be an outpour of the Holy Ghost at this hour. And then you saw the 2 Wedding Rings and they are very identical. That means that the righteousness of the church must be equal to the righteousness of the Groom; identical.

The Bible tells us in the Book of 1 Corinthians I think it's chapter 5 verse 21; 5:21 he says, that the Lord He purchased for us the righteousness of God. Now the church can wear the righteousness of God. And you see the Wedding Rings at the entrance which means the Lord is saying, "Please enter through this Wedding; don't fail to enter through this Wedding." You can see the prophecy I gave on July 29<sup>th</sup>, 29<sup>th</sup> of July 2009. When I was traveling to Venezuela, I fell asleep on the floor in South Africa waiting for the flight with my suit case as the pillow; on the floor. And then I saw the visions of God right there is the middle of the airport. I was not in Intercontinental Hotel, Presidential Suite. I was not in Hilton Hotel, Ambassador Suite. In the middle of the airport on the soil on the floor and I gave the prophecy of what you see now happening in the Arab world; when I said I see the Pale Horse coming; when I see the Pale Horse coming. And you see how it has consumed the Libya, Egypt, Tunisia, Syria, Yemen and counting, Bahrain and counting, Chile.

Precious people the Lord is saying the Wedding Rings are at the open, the entrance. He is saying, "Please enter through this open. Enter through these Wedding Rings. Don't worry about what will happen to the earth post rapture. Don't worry about that. You just make sure you enter through the Wedding of the Lamb." If we can see the whole world like this right now, how terrible is the world after rapture? Precious people, prepare for the Coming of the Lord. I am running with an invitation card; invitation card for the Wedding of the Lamb. I have brought the invitation card to Sweden. Every nation that the Lord sends me to, they are preparing now. And for you Sweden this is your hour.

And I want to summarize this here and ask you the following question: If the Wedding of the Lamb of God took place today, tonight, would you have entered? You see. And this conference is free of charge, right? You see; other people come and charge you money at the door—registration fee and they come and say anything and everything they want. But this is a very critical message about the eternity of this nation and it is free of charge. And the Lord is saying, "If you know that you are not right" I have only 2 minutes before I step out; only 2 minutes, I'm going to step out and go. And tomorrow, I will come here and finish and leave the town and go all the way to Stockholm and never come back here.

So this is the opportunity; this is the blessing you have; is there anybody here; if you know that you are not ready, let us begin by repenting here. Hallelujah; 2 minutes, the altar is open, you can come to the Altar. You can walk to the Altar; those of you who are not right with the Lord; this for the pastor? This is a blessed opportunity; thank you my daughter, thank you my daughter for kneeling down; thank you so much; thank you so much my daughter. The Kingdom of God belongs to people like you. I come in the Name of the King
