

01.Charter Hall Nov 7 2010 Oil And Wine Church

End Time Prophet of GOD ALMIGHTY

Lift up your hands everybody let us pray right away. MIGHTY FATHER, the GOD of Israel, the Redeemer and Savior of all men, FATHER be Glorified here tonight that these people in their ears, they may be alert. JEHOVAH be Glorified that in their eyes they may see in the spiritual realm and prepare the Way for the Glorious Coming of the MESSIAH. FATHER teach them your ways; establish righteousness in their hearts beginning this moment on. You who is the GOD of Abraham, the GOD of Isaac, the MIGHTY GOD of Jacob, the GOD of Elijah and Moses, JEHOVAH, ELOHEENU, JEHOVAH EL ROI, EL SHADDAI, MIGHTY FATHER in Heaven now you can establish your HOLY SPIRIT in this service in the MIGHTY Name of JESUS and minister to their hearts in the MIGHTY Name of JESUS. AMEN.

Let us clap unto the LORD. What a blessing. Clap unto the LORD; what a blessing to be before the LORD this morning at this very, very important time in the history of the church of CHRIST. This generation is a blessed generation that you may live to hear this that you may live to hear these pronouncements regarding the Coming of the MESSIAH. I looked at the most important conversation that the LORD has ever had with the church. That conversation I went very wide and deep and I said that the Mount of Olives Prophecy, the Prophecy that JESUS gave when He was sitting on the Mount of Olives when He spoke to His disciples about His own return, about the sign of the Coming of the MESSIAH. And I said that that is the Most Central Prophecy in the whole BIBLE combined; the whole BIBLE put together.

Why? Because in that prophecy the LORD gives out, He confides in the church and releases the secrets of Heaven. And now we know that surely what He released on the Mount of Olives was the hidden secrets of GOD ALMIGHTY in Heaven. Why? Because I told you that the Mount of Olives Prophecy how powerful it is, how glorious it is, is found in the Glorious Gospels. And I said that in Matthew, we found it in Matthew chapter 24 and yet in Mark, we found it in Mark 13. But in Luke he recorded it in Luke 21. And I said that it was very shocking that John did not record it.

But later we understood why John left it out because John was put apart, put aside, separated by the HOLY SPIRIT that he may receive the revelation regarding that prophecy. So it was no mistake that you don't find it in the Book of John. John eventually we saw received the revelation on the Olivet Prophecy and he recorded it in Revelation chapter 6. The summary of the Book of Revelation that Revelation chapters 1, 2 and 3 they speak repentance; Revelation 1, 2, 3 you see the LORD speaking to the church—return to your first love; repent and do the things you used to do at first!

He says in Sardis there are those who have not soiled their garments and they will walk with the LAMB of GOD. Revelation chapters 1, 2, 3 repentance and then we went to Revelation chapter 4 I'm just touching base then I will take off, you understand? I'm just touching base. Chapter 4 we saw that it discusses the THRONE of GOD. And that around the THRONE of GOD there are 24 other thrones with 24 elders. And we saw their worship before the FATHER that when they worship they lay down their crowns. And then I asked, I said the church has many crowns today. And then I asked, "Je, has she laid down her crowns as she worships the LORD?" Then the answer was no. She is worshipping with crowns. I said there is an import—there is

something we can borrow from there to refine our worship of the LORD, right? Now listen to this: Then I went to [Revelation chapter 5](#) and I said it talks about the Scroll of GOD. And I went a little deeper on the Scroll of GOD when I took you back to when the LORD spoke and asked Jeremiah to write in the Scroll—[Jeremiah 36](#) we saw yesterday. And then, I told you that the Scroll of God is a Precious Document of GOD in which He puts His decrees, His Covenant with man. And then I went to [2 Corinthians chapter 3 verse 3](#) where now we see a spiritual kind of Scroll.

[2 Corinthians 3:3](#) where we see that this other Scroll now in this dispensation is not written by ink and pen—but now it is written by the ink of the HOLY SPIRIT and you are the letters of that scroll; ha, ha, ha, nobody heard me. You are the letters of that scroll that God is writing using the HOLY SPIRIT! And I said because the HOLY SPIRIT is Eternal Life, Hallelujah; He is Eternal Life for HE saw that because the HOLY SPIRIT He bestows life into the church, He brings life to men.

So if the HOLY SPIRIT is going to be the ink for writing the scroll of this hour of this dispensation, then that means that writing, that scroll has writings that are permanent. Ha, ha, nobody heard me! You know when you write with ink and water drops on the ink, it blots out. But when you write by the HOLY SPIRIT, they don't blot out! And He said that the writing of the HOLY SPIRIT of the Scroll when He writes the Scroll that He does not write on the papyrus, on the stone tablet anymore, but He writes on your hearts.

Hallelujah! I'm just laying a foundation. We've not started. Then I said that in [Revelation chapter 5](#) there was a crisis because there was need to find somebody who could open the Scroll. They searched in Heaven, above the Heaven, under the Heaven, on the earth, under the earth and no man was found that could open the Scroll of GOD. And there was weeping and distress—angustia, anxiousness until one of the elders stood up and said, "Stop weeping because now the Lion of the tribe of Judah, the Root of David, the Son of the Living GOD, Immanuel, the Son of Man, the Prince of Peace, the LORD of lords, the KING of all kings, Wonderful Counselor, Redeemer, Savior, Master, now He has triumphed! So don't weep."

They said He is able to open the Scroll. That is I said that is what saved me—that the Scroll of GOD can be opened. It saved me; otherwise I would have no salvation—nothing. Listen to this now: When we move to [Revelation chapter 6](#) where now John deposited the transcripts, the translation of the Mount of Olives Prophecy then at that place we saw that the Scroll has 7 seals, 7 seals.

Again I want to repeat this. The Scroll of GOD in Heaven has 7 seals. The Scroll is like this something like this, a piece of paper like this—Scroll. And it has 7 seals and when each one of the seals is broken there is a prophecy that is fulfilled. And I said that out of the 7 seals only the first 4 are important for you the church. Hah! You didn't hear me! I said that out of the 7 seals only the first 4 define the Prophetic events that lead to rapture. And so I started giving you some of the prophecies the LORD has given me which I have prophesied and come to pass.

I mentioned the earthquakes; you can see how the LORD sent me there to warn them about the Haiti earthquake before it came—November 22nd, 23rd I was in Puerto Plata; November 24th I was in the City of Santiago; November 26th, 7th and 8th I was in the City of Higwe. And I said a historic earthquake is coming here if they don't repent. Repent from what? Sexual sin, sexual lust, immorality, homosexuality, witchcraft, the gospel of prosperity in the church, the lack of holiness in the church, the false prophets in the church, false apostles, the

falsehood in the church, I said. And we saw that in less than 2 months that prophecy was fulfilled. The Haiti earthquake same thing! South Korea and I warned them that there is going to be a shootout at the border because I have come now and you see what happened from the 29th, gun fire at the DMV of South Korea—many prophecies I gave.

But, I gave you the prophecy of the rider of the Black Horse. I'm just laying a foundation really. I began by giving the prophecy of the Global Economic Crisis that I gave and in less than 2 months—fulfilled. The vision of August 19th night 2008 and then I went on to give the vision of July 29th 2009 when I was sleeping on the floor in Johannesburg with my bag as my pillow for 24 hours. The Black Horse—Global Economic Crisis; we are going to dwell there today. The Global Recession that you see happening now fulfilled then until now.

When the LAMB opened the first of the 7 seals, let's read it; Revelation chapter 6 as I begin to take off now; Revelation chapter 6 that's where I'm dwelling today and I said you will now be able to read the Book of Revelation and teach it. You can literally teach it to anybody. Verse 1 of Revelation chapter 6 he says, he says, *"I watched as the Lamb opened the first of the seven seals. Then I heard one of the four living creatures say in a loud voice like thunder, 'Come!' I looked, and there before me was a white horse! Its rider held a bow, and he was given a crown, he rode out as a conqueror bent on conquest."* We came from the Olivet Prophecy, Matthew 24 when the LORD said He was giving the secrets of the things that will happen right before He returns. And He said there would be deception and I explained to you who the rider of this White Horse is. And I said he brings deception to the church because JESUS is in Revelation chapter 19 verses 11 to 21. That White Horse is the MESSIAH. And I shared with you the Vision of the Golden Wedding Rings of November 1, 3am in the morning, which speaks about the Wedding of the LAMB of GOD.

I also told you about how the voice told me, "Look and see who is sitted on the White Horse" that White Horse you see in Revelation chapter 19:11 to 21. And so you see that when the LAMB opened the first of the 7 seals, the White Horseman released is not JESUS because the LORD JESUS has many crowns. This one has one crown! The LORD JESUS He comes with a sword, a Flaming Sword from His mouth to strike down the nations that are rebellious, rebellion, sin.

But this rider of the White Horse of the apocalypse, he comes with a bow which means he has arrows though they are not mentioned there. The deception you see in the church today is the fulfillment of that prophecy. The love of money you see in the church of CHRIST today comes from his release. Make sure you get the message, really. The love of money you see in the church today emanates from the falsehood that has now been established in the church by this Horseman, by the breaking of the first seal—*pa nakufungua*. And that's why I said everything JESUS released on the Mount of Olives were secrets because now we are seeing that they are hidden inside the Scroll of GOD in Heaven.

So let me read for you just to compare the 2. We read from Matthew 24 which is actually the Mount of Olives Prophecy and we saw that when JESUS gave that prophecy it became the Most Central Prophecy in the whole BIBLE combined; the whole BIBLE put together. We saw that all the other prophecies actually just circulate, revolve, rotate around this Central Prophecy.

So let us read Matthew 24 that you may be on the same page. He says, Matthew 24 verse 1, *"Jesus left the temple and was walking away when his disciples came up to him to call*

his attention to its buildings.” And I said in that calling of attention, they were trying to emphasize on the architecture, the beauty, the gifts of gold used to adorn it, to beautify it. Then He broke their hearts when He said, *“I tell you the truth, this building will be brought down with this other building and no stone will left on another;”* that’s what you see there. And then He went on. They asked Him because they understood He was talking about the signs of HIS Coming and the end of the age.

So they asked Him, “LORD what will be the sign of your Coming and of the end of the age?” Then He revealed the secrets. Verse 4 He says, *“Jesus answered: ‘Watch out that no one deceives you. For many will come in my name, claiming, ‘I am the Christ,’ and will deceive many.”* And I said that is the first key—the first part of the Most Important Prophecy that JESUS ever gave. That is the first important Prophecy Key in the Olivet Prophecy—deception.

The LORD said that right before He returns there will be a lot of deception in the church. Why the church? Because the disciples had come to Him privately, verse 3, they came to Him privately when He sat on the rocks. So He was talking to the disciples. And at that time they represented the Pastors. They represented the priesthood. They represented the church. So the LORD was warning that lies, falsehood, deception would come to the church.

So that is very critical. So when you see that the first seal is broken in the Book of Revelation the first seal is broken, Revelation chapter 6 and you see that he who wants to look like CHRIST, who wants to deceive that he’s CHRIST, when he comes now his name is Deception—he fulfills this prophecy. And I said he unleashed lies in the church. And I asked a question, “Why would GOD send then such a man to the church?” And I said when the House of GOD in Israel refused to listen to Jeremiah, when the House of JEHOVAH refused to listen to the Prophet of the LORD Jeremiah they were in evil, falsehood; they were sleeping with women at the door of the Temple.

The House of GOD had false prophets! They were coming to take women from the church—take to their homes. Women were coming to take men. Then God asked Jeremiah to tell them to repent. Jeremiah was standing in the Valley of Ben Hinnom and when they failed to repent the LORD, He raised up Nebuchadnezzar. He raised him to attack and destroy the House. That is the nature of the GOD we serve.

That’s why He is able to send the deceiver to deceive the church because her ways are deceptive—“You want deception, have more of it.” And it’s also a test on the faith to know who are those faithful ones. Hallelujah! And then we see that Jesus in Matthew 24 again gave another prophecy. Verse 6 He says, *“You will hear of wars and rumors of wars,”* and down there He says, *“...nation against nation, kingdom against kingdom.”* All these prophecies I prophesied them.

The first 2 I prophesied on the other side of the Atlantic. The next 2 when now I am on this side. And it has been such a shock to watch the fulfillment unfold and I said the prophecy of the release of the Red Horseman which is now the second revelation John gave in Revelation chapter 6 when the second seal is broken a Red Horse is released. His rider is given power to take away peace from the earth and a large sword is given to him. And I published in the streets of Kenya.

I said, “I see the Red Horse.” And I said that explains the bloodshed red; red means bloodshed. That explains the bloodshed you see going on, on the earth. Look at the war in Pakistan! Look at the war in Afghanistan! Look at the bloodshed in Mexico right now! Look at

the war in Iraq—everyday 72 have died. When you are still shocked about 72, tomorrow 51 have now died; the next day so much blood. The war in Mexico, Colombia; the post-election violence in Kenya, xenophobia in South Africa, the war in DR Congo, the war in Somali, name it!

So now when you watch your news, you have spiritual eyes. You cannot watch news like the heathen. These things are fulfilling prophecy and there is a zero-countdown. There is a prophetic timeline been accomplished towards the coming of the MESSIAH. And now we entered yesterday on the prophecy JESUS gave Matthew 24 when He said verse, part b of verse 7 He said, *“There will be famines and earthquakes in various places”* that the LORD tells me to go prophesy and they take place. Even Kenya you ran for your lives here one time.

Now you understand the Biblical basis of those prophecies because every time the LORD speaks you must find it in the BIBLE. If you don't, the LORD has not spoken. And I said the following, I said the DVDs I've given you of the earthquakes, they bespeak, they reflect this fulfillment. And the famine that is the prophecy of the Global Recession I gave. I gave 2 prophecies; I said Global Economic Collapse and Famine. And I mentioned in that prophecy Revelation chapter 6 at Nakuru on August 23rd Saturday, 2008 before it happened and August 24th Sunday, 2008.

One and a half months after that all the Global Markets crashed until today. Some of the leaders in the world are finding it too difficult to be reelected because of that economic collapse. And you see in Kenya we have seen a horrendous famine. We have seen people eating mice and dogs and wild berries. That is the famine! Hallelujah! And so let me read that fulfillment again so I can take off from there. That's where I want to take off from.

Revelation chapter 6 now precious people; but listen to what he says Revelation chapter 6 what we are handling today; he says from verse 5, *“When the Lamb opened the third seal, I heard the third living creature say, ‘Come!’ I looked, and there before me was a black horse! Its rider was holding a pair of scales in his hand.”* Ratili, mizani. *“Then I heard what sounded like a voice from among the four living creatures, saying, ‘A quart of wheat for a day's wages, and three quarts of barley for a day's wages,”* remember that wheat is over higher nutritional value. For only one quart for the whole day's work! And we know that when you go to work, you work to feed your family—the whole family not just your stomach! And we know by the Hebrew definition of a quart that is just enough wheat to feed one man for one day.

But we normally go to earn to feed the whole family for a day's wage. And I said it can only mean that there would be scarcity of food. You see why I prophesied the famine? That can only mean that there will be inflation of food prices—increased price. The money was enough to buy for 10; now it's only enough to buy for one. Inflation! And I said that that means the demand must be higher than supply; supply has gone down; may be draught, plague, what. All these things GOD can use to fulfill prophecy. But listen to this: 3 quarts of barley, less nutritional and then he says but when you meet the *Oil and the Wine*, do not damage it.

That's where we are going to be today. I want to look at the Oil and Wine Church. So today, I want to look at the Oil and Wine Church. What is this church that the LORD so much celebrates? Listen, He celebrates the Oil and Wine Church. What is the meaning when the LORD says to the rider of the Black Horse that when you find Oil and Wine don't damage it? What is the message? That's where I want to dwell today. And it will get very deep and again like I said you will never, ever find this anywhere else! Only the LORD can download this to me. After He gave me the prophecy, I prophesied you can only be sure that He will open it further for me.

Why; for me? No, for you that I may transmit; Hallelujah! What a blessed church that is going to enter. But listen to this now: He says when you find Oil and Wine do not damage it! In other words, don't destroy it and yet he is coming to destroy the Global Economy. Why? Because he is riding the Black Horse and I saw the Horse running all over the earth and then he's carrying *mizani, ratili*, a balance in his hands. What is the meaning of balance? The balance is when I go now to buy sugar; if I go to buy sugar in a kianda or a small store, I will ask the person, I will say, "Give 2 kilograms of sugar; 2 KGs" right? When I say so, I will stand here and then he will take 2 stones.

He will put on the balance, right? Then he will take and start pouring bit by bit until it balances. You see that? So I will pay, then I will get the sugar, right? So when the LORD says that the rider of the Black Horse is carrying a scale in his hands He means buying and selling. The LORD has taken buying and selling of the earth and put it in the hands of the rider of the Black Horse. And then buying and selling, what does it mean trade; trade? Buying and selling, what does it stand for? Commerce! Buying and selling what does it stand for? Economy; economic activity!

You see how GOD speaks? That's why I was able to stand before the crowd before it happened and say, "There is a Global Economic Crisis coming;" economy—buying and selling. It is all in the BIBLE. Now listen to this precious people: While he is bringing famine, the LORD if you listen very carefully, He speaks a dual prophecy, a double prophecy in this field—the breaking of the third seal, the third and most important.

GOD uses it to bring a double prophecy; dual prophecy. One is the famine—one quart of wheat for a day's wages. The other one is the Oil and Wine which must be protected. Wow! That is something good now. I'm beginning now to move properly because that's where I want to dwell today. The Economic Crisis we have seen. The Famine we have seen. Now who is this Oil and Wine person? Who is this Oil and Wine church that the LORD so much celebrates? When a crisis is coming, He says, "When you meet them, don't damage them" meaning protect them.

That's where I want to start today. Listen precious people: Listen to this very simple analogy. You will understand the Oil and Wine Church. You will understand why these things are happening right now as I continue preaching this. Listen to this: In Israel in the Hebrew setting there were the affluent and the poor. You are going to tell me, "But that happens in every society right?" Yeah; no that does not cancel this point, right?

In Israel, I thank GOD that the LORD allowed me to stay there for 7 years I lived there and I learned these things and now I can understand better. There are the rich and the poor. When you go to the dining table of the rich, what do you see? They take *siagi*, cheese and they dip in olive oil. And the margarine, the cheese sucks the oil until it is drenched, fully drenched with oil—the cheese. Then they serve it on the plate—so it comes with oil. And they take hot bread; they use to eat it.

So you are eating cheese and oil together and at the side there is always a choice wine. So when the LORD said, "If you see the Oil and the Wine don't destroy it!" He meant surplus, affluence, plenty. No one heard me. Let me try it this way. "If you see the Oil and the Wine it represented plenty—having more than you need, surplus, wealthy." You'll understand why I am saying so in a very short while; while the poor they were on a quart of wheat for a day's wages,

famine. So when JESUS said, “There will be famines and earthquakes in various places, this was the prophecy.” Some people will have much, some people will not have—various places.

It is true! If you look at even the global economies now, the US economy is in a very, very bad place—extremely bad. She is treading gingerly, almost falling. If you look at the Korean economy, South Korea, it’s one of the best on the earth. It has hit the sky, India, China, they have surplus. Even the economies it’s like that! But I’m talking about this eating behavior. Some people have plenty including wine, oil and wine. Others have nothing—“A quart of wheat for a day’s wage.”

But if you look in the spiritual realm, when GOD speaks about Oil and Wine, Oil is the flow of the Anointing of the HOLY SPIRIT and Wine is the power of that Anointing of the HOLY SPIRIT. Now we are beginning to talk. You see, I am building for you all the bases that you may understand it best. So the LORD was saying to the rider of the Black Horse that if you find a church that is operating in the new Oil, the new Anointing of the HOLY SPIRIT don’t touch her!

The moment has come. *Kumbe* He celebrates the Anointing of the HOLY SPIRIT. And He says if you find any church operating in the HOLY SPIRIT, don’t touch her. Don’t damage her! Listen to this carefully: Which means the LORD was saying that right before He comes the latter Anointing will visit the church and when the latter Anointing of the HOLY SPIRIT visits the church it will be in various places.

Some people will have plenty and surplus. Some people will have nothing. Do you understand this? Listen to me: When the LORD allowed me to walk in here yesterday, what happened? The flow of the Anointing came down! Today, also when the LORD allowed me just to walk in here, then the flow of the Anointing of the HOLY SPIRIT came down. You see they are still here undergoing deliverance—massive.

He said there would be a visitation in the church. But be careful some churches would not have the visitation. That’s why today I want to look at, “What is this Oil and Wine church so we can be like it.” That’s why I said, “No we have to focus on this” because He tells the rider of the Black Horse to protect this Oil and Wine. JESUS in [Matthew 25](#) we are going to see, He says the wise virgins had that Oil and they entered. Hallelujah!

He meant that there would be an end time revival of the HOLY GHOST but not everywhere. Look at how people are full outside, look! They are squeezed, they cannot enter. Every door is full, full, full, full even the stairs outside is jammed! A unique hunger, hunger for GOD, a revival! And yet when you go to other countries you find only 2 rows. No, no, no let me begin it properly.

Let me say it better. Even just in Kenya when you go to other churches you find just a few doing some very, reading from the program today. One minute worship, two five minute worship and then just read the program and then the projects. “We need money here. This is for the Pastor’s vehicle. This is for the Pastor’s house. This is now for the, what church, whatever, whatever!” And then after that they go and then you end up with 3 rows, 4.

Even in Kenya alone, you’d find some places would have overflow—revival. Some places would have scarcity—desolation. Look at this revival! The Shekinah Glory of GOD visited here. That is not a simple thing. GOD came from Heaven and He visited here. But some have not seen it. I want you to understand the contrast why it was a dual prophecy. And that’s why today I want to focus on the Oil and Wine church. Now listen very carefully, very, very carefully precious people. Some places would see surplus of revival—plenty of revival and also it would

be the revival of the HOLY GHOST of the Oil and Wine. Some places would see nothing—scarcity. And that is true! In some churches today they are teaching, *“Panda mbegu ubarikiwe. Run with money to the feet of the apostles. Let us buy an aeroplane for the Pastor.”* All that kind of stuff is going on. Another gospel not the Gospel that JESUS gave us.

He gave us the Gospel of repentance and turning away from sin and the KINGDOM of GOD and Righteousness and Holiness. Listen: I want us to begin from here. Turn with me to the Book of [Amos chapter 8](#); [Amos chapter 8 verses 11 and 12](#), you will be shocked today. Catch everything. *Shika kila kitu leo, Hallelujah! [Amos chapter 8 verses 11 and 12](#) he says, “‘The days are coming,’ declares the Sovereign LORD, ‘when I will send a famine through the land—not a famine of food or a thirst for water, but a famine of hearing the words of the LORD. Men will stagger from sea to sea and wander from north to east, searching for the word of the LORD, but they will not find it.’* Now you can imagine staggering from north to east.

That’s really wondering—just anything, haphazard. But let me explain something about this. Listen to this: The LORD was saying that at this moment when the window in Heaven is open; ha, ha, let me repeat this. The LORD is saying that right now when the WORD is available, the Righteous WORD, the Holy WORD catch it; catch it! He was saying when it is still available catch it! Catch it now!

Don’t miss it because He was warning that later you will try to look for it, you will not find it. *“O...how awesome is this;”* that when it is available now catch it and use it for entering. When the Day comes you enter because He was warning that time would come when you will look for it, you will not find it. Let me give you the deeper level of that; now let’s move here; let’s move to the next level.

Already you can see the implication of when it is here catch it—the WORD. That also implies that when you will begin to search for it, you will not find it. He will not release it, HE. Let us read and see. Let’s move on. [2 Kings chapter 19](#); [2 Kings chapter 19](#) very fast precious people we are going to explore this. This prophecy is very big. Then I’m going to enter with you now into the Oil and the Wine. [2 Kings chapter 19 verses 1 to 4](#) what does he say? When it’s here catch it!

Now I am reading [2 Kings 19: 1 to 4](#) he says, *“When King Hezekiah heard this, he tore his clothes and put on sackcloth and went into the temple of the LORD. He sent Eliakim the palace administrator, Shebna the secretary and the leading priests, all wearing sackcloth, to the prophet Isaiah son of Amoz. They told him, ‘This is what Hezekiah says: This day is a day of distress and rebuke and disgrace, as when children come to the point of birth and there is no strength to deliver them. It may be that the LORD your God will hear all the words of the field commander, whom his master, the king of Assyria, has sent to ridicule the living God, and that he will rebuke him for the words the LORD your God has heard. Therefore pray for the remnant that still survives.’”* Ha, ha, let me just give you this understanding here. Let me explain bit by bit as we move on.

Listen to what happened. A distress ensued. A distress appeared and when the distress appeared they did the following: The King Hezekiah, he mobilized his officials, officers and he sent them, *“Run and go inquire of the LORD what is the way out.”* There was distress and the King sent people to inquire from Isaiah. When that distress will befall your life and you’ll run left and right to the Urim, to the priests, to the prophets to look for the words, there will be none. There will be no revelation. There will be no revelation. Hallelujah! There would not be any

revelation. If you can catch it now, catch it when it is still available. What does that mean? That when the door is open, it is open; but a time is coming when the door will be shut; I will read for you those Scriptures.

Genesis chapter 7 verse 16 I have many, a lot of Scriptures today. But just listen to me if you can write them down it's ok. Genesis chapter 7 verse 16, *"The animals going in were male and female of every living thing, as God had commanded Noah. Then the LORD shut him in."* In Spanish it's very beautiful. In Spanish they say, *"Y el Señor cerrar la puerta"* which means and the LORD shut the door, not and the LORD shut him in—and the LORD just shut the door. You see that? Not the door was shut—and the LORD shut the door, the LORD. And He says like it was during the time of Noah so will it be at the coming of the MESSIAH, the Coming of the Son of Man.

If the door was shut at the time of Noah, which means when the MESSIAH comes the door will be shut. Excuse me, now I understand it; it will be shut. *Kumbe* this door will be shut. That means let me catch it now while it is still open and yet the BIBLE says no man knows the day or the hour. Nobody knows right? You see that Nairobi; Nairobi you see what you've been missing? You have been missing the little warnings of GOD, the most important warnings that you need to buffet yourself with, so you can refine yourself and walk sensitive to the Voice of GOD; that now you don't take things for granted.

Matthew chapter 24 verse 36 is where He talks about, "Nobody knows the day or the hour. Like it was during the time of Noah so will it be at the Coming of the Son of Man." But let's move one precious people. I need to move on. There is quite a bit to do. Verse 14 same Scripture, 14, and 15 only 2 verses, *"Hezekiah received the letter from the messengers and read it. Then he went up to the temple of the LORD and spread it out before the LORD. And Hezekiah prayed unto the LORD: 'O LORD, God of Israel, enthroned between the two cherubim, you alone are God over all the kingdoms of the earth. You have made heaven and the earth. Give ear, O LORD, and hear; open your eyes, O LORD, and see; listen to the words Sennacherib has sent to insult the living God.'" Ah....why, why should the LORD listen? Why?*

What is your bargaining chip that you can present it? You can cry from this way to that way. Excuse me, the door will shut. I have seen the door shut. They will wonder from the Mediterranean Sea to the Red Sea; from Sea to Sea and globally from the Atlantic Ocean to the Indian Ocean; from church to church. Why? Why haven't you taken the WORDS? Let us read on.

Jeremiah 21 before we go to the Oil and Wine; I am reading Jeremiah 21, *"The word came to Jeremiah from the LORD when King Zedekiah sent to him Pashhur son of Malkijah and the priest Zephaniah son of Maaseiah. They said: 'Inquire now of the LORD for us because Nebuchadnezzar king of Babylon is attacking us. Perhaps the LORD will perform wonders for us as in the times past so that he will withdraw from us.' But Jeremiah answered them, 'Tell Zedekiah, 'This is what the LORD, the God of Israel, says: I am about to turn against you all the weapons of war, everything on you.'" Why should He listen? Why you He listen? There was reproach. They had abused GOD.*

I am amazed; I am amazed by this. You know for me this is beautiful because there was distress, serious distress. They sent to inquire of the LORD. There was distress so they sent some people to inquire of the LORD and then listen to what the LORD said, "I am going to turn my hand against him and kill you." This is what I'm trying to get to. That time when the LORD

said there would be a famine and a hunger and thirst for the WORD and you will wonder and never get it, the LORD meant that there will be an awful silence from GOD. There will be a shocking silence from GOD. There will be no answer from the LORD. No I'm just please I'm just warning you people. Yes, I'm just warning you people that you may be able to enter. Let us put money aside, *sindio?*

Let us put money aside that we may first enter into the KINGDOM of GOD. What the LORD is saying is that right now when the WORD is here take the WORD. I am just describing the famine. I have not started talking about the Oil and Wine Church; I have not! What is the magnitude of this famine? What is the gravity of this famine? That's what I'm saying. And he is saying that at that time there will be a shocking silence from GOD, no answer. Ah! You want everything else to shut down but not GOD, right?

"I am about to turn against you the weapons of war that are in your hands which you are using to fight the king of Babylon and the Babylonians who are outside the wall besieging you. And I will gather them inside this city. I myself will fight against you with an outstretched hand and a mighty arm in anger and fury and great wrath. I will strike down those who live in this city—both men and animals—and they will die of a terrible plague. After that, I will hand over the King to Babylonia." Precious people catch it now; catch it now when it's available.

Saa hizi wakati mlango hili mlango la Bwana bado limefunguliwa na hili Neno lake la toba, Neno la dhamana la utakatifu bado linaendelea kuenea, kutuzwa inchini hapa ata Kanisani. Jameni shika hili Neno. Usichezee magira hili, hili magira kwa maana anasema wakati waja, wakati unakuja ambalo litakua na ugumu sana. Watu wengi watuungua sana, na njaa—njaa sio ya chakula ama kiu ya maji mbali njaa na kiu la kusikiza Neno takatifu la Mwenyezi Mungu. Kwa hivyo anazema vile alikua wakati wa Noah ndio yatakua wakati wa kurejea Yesu Kristo Mwana wa Binaadamu, Mwana wa Mungu; ya kwamba wakati wa Noah alituma mjumbe ambaye alihubiri utakatifu na uhaki lakini mambo vile yalikua yanaendelea watu hawakupenda utakatifu. Wakampiga sana. Wakachapisha kwenye magazeti, ama matelevision, manini, maredio, mambo machafu kuhusu huyo mtume kwa maana nyakati hizo hawakupenda utakatifu. Wakamuudhi Mungu; wakatenda machukizo zote mbele zake Mungu. Na anasema sasa, "Vile yalikua wakati wa Noah ndio vile vile itakua wakati wa kurejea kwake Mesia. Wakati wa Noah lango siku moja walishutka wakapata lango tayari limeshafungwa." Hata nyakati hizi lango bado limefunguliwa na Neno la dhamana bado linaendelea; Neno la toba; Neno la acheni dhambi ya ngono; Neno la acheni uzinzi; acheni ufidiaji; acheni pombe; acheni madawa za kulevya; acheni pornography; acheni masturbation; acheni dhambi zote; acheni inji ya ufanisi, uongo. Anasema ya kwamba hili Neo bado linaendelea na je mbona hamuichukui hii? Anasema magira zinakuja, wakati utafika, utatimizwa ambalo lango litafungwa vile iletendeka wakati wa Noah na mtatafuta sana ili Neno—hamtalipata kwa maana Bwana atanyamaza kimya, kimya kama maji baridi ya mtungi.

There will be a silence from GOD. Catch it now! I know there is a lot of politicking around this; don't politic on this one. "O...he is a prophet in our land we have to abuse him." No don't worry about those things; please just enter. Make sure you enter. Don't worry about those things because never ever has the devil ever sent somebody to prepare the church in Holiness, to prepare in righteousness, to prepare for the KINGDOM of GOD; never ever. So there is no question, let us just prepare and enter. He says there will be a hunger.

In fact today's message is on Oil and Wine. I don't know why I'm spending some time on the Door to Rapture. This message is called "The Door to Rapture." It will shut down. But today is Oil and Wine so I am just browsing around but I know I have a target—the Oil and Wine Church. Make sure you enter!
