

## **Deeper Massive Devastating Effects of the Release of the White Horse**

29<sup>th</sup> August 2009 Night Vigil

Prophet Dr. Owuor

We left at a place where I was talking about the effects of the White Horse, the White Horse of the apocalypse and I'd said the tremendous effects of the White Horse has conquered the church and that's why the church is where she is today and she may not even be able to recognize that she is drifted away. And the LORD is asking that she allows Jesus, the church may allow Jesus to unlock for them the secrets of the first seal so they may understand what has happened to the church is really a result, the result of the release of the White Horse. And so the White Horse even as I have discussed it with you today, even the Red Horse, even the Black Horse, the Pale Horse at this time in the history of the church.

We saw very clearly that the great deception that has entered the church is the direct effect of the White Horse and even the great deception in the gospel that the church is preaching today, the gospel of prosperity is a very sad fall of apostasy. And so the Lord is asking the church to get her bearing back to Him.

But one of the major effects of the White Horse I want to share now is actually the Scripture that we find in the Book of Matthew 24 verse 36 on; again Matthew 24 verse 36 onwards; He says, "*... no one knows about the day nor the hour, not even the angels in heaven, nor the Son, but only the Father.*"<sup>37</sup> *As it was in the days of Noah, so it will be at the coming of the Son of Man.*"<sup>38</sup> *For in the days before the flood, people were eating and drinking, marrying and getting in marriage, up to the day Noah entered the ark;*<sup>39</sup> *and they knew nothing about what would happen until the flood came and took them all away. That is how it will be at the coming of the Son of Man."*

I want to share just a little bit again on the effects of the first seal, when the first seal was broken. We see here the Lord talking about the time of Noah in this tremendous prophecy He gave the church. And He says that, "Like it was during the time of Noah, so it will happen to the church in the last days." And that worries at this point; it creates a lot of fear in the church today because we know that the Bible must be fulfilled. And if you look at what happened at the time of Noah, many people did not like righteousness, many people did not like holy living, they did not love godliness and so they lived a life full of sin and evil because everybody else seemed to love evil. And the Lord talks here about eating and drinking and marrying and giving in to marriage.

It's very important to realize that the same thing is happening today in church. The church, most of the churches Christians do not like holiness today, righteousness they don't like. And so the Lord was absolutely right that that would be one of the signs of the time. And we see today also that Christians are busy eating and drinking; and here you see eating also means they are not fasting. And so the church is living a life which is far from the life in the Spirit because we know only fasting can enhance a spiritual Christian life.

But when Christians like we see today do not fast, we are very much aware that there is a perpetual conflict between the flesh and the spirit and so where there is no fasting the flesh becomes bigger than the spirit. As a matter of fact the flesh overcomes the spiritual life of the Christian. And unfortunately because of that conflict between the flesh and the spirit one today sees a lot of Christians who don't fast; one sees Christians that are lovers of pleasure in the church. But these things were prophesied by the Lord.

And what even worries most is that at the time of Noah only a remnant was saved. At the time of Noah, the animals came in and then Noah's family went in. And going by that then we quickly understand that surely the church that will enter is a remnant church—and very remnant. The Lord is speaking very, very clearly, to the church and warning the church at this moment in time. He's telling the church to be careful because He will not shift His standard of holiness however much holiness is unpopular among the Christians in the church and we see today Christians not caring about holy living and yet the Bible says, "Just as He who called you is holy, so be holy in what you do."

He says, "Be holy in all that you do" remember **all**. And Hebrews chapter 12 verse 14 centralizes holiness as the only way to see the Lord at the end. And so anything that comes to the church and removes the holiness of God from the church that has come from the enemy. And that always will cause the church not to see the Kingdom of God. And so you see that people would love pleasure in the church; giving in to marriage; no fasting, no prayers and today you see exactly that in the church. You see that people love pleasure, they just love you know to eat and to drink and fasting is something of the past—without even being awakened to the fact that without fasting they will not see the Kingdom of God.

It is very, very critical and important that you will catch this because this is what will help you as a Christian to understand the 4 horses that I have been prophesying as they happen. Listen precious people at the time of Noah the people that entered were very few; and in fact so few that insignificant and if the Lord said at the time of the coming of the son of man it will be like that, then that can only hint to you that very few will be taken. And there is a lot of work that the church needs to do between now and the rapture.

The Lord is using this broadcast today to provoke the church to preparing for the Coming of the Messiah that the church may be awakened to the fact that things are very bad; that she may be aware that if at the time of Noah very few people came in then every Christian needs to work very hard now by receiving the Holy Spirit. But at the time of Noah there was so much love for evil. What does that tell you about this dispensation we are in now?

In other words the Lord is saying that the release of the White Horse will cause Christians to drink, giving into marriage and all those things; he will delude Christians with those kinds of activity and that the Christians may forget the most important benchmark of the Lord—the holiness of the church. And also remember in the Book of Genesis chapter 7 verse 16; again Genesis chapter 7 verse 16 this is what he says: he says, *“The animals going in were male and female of every living thing, as God had commanded Noah. Then the LORD shut him in.”* “Then the LORD shut him in.”

Precious people the same thing you see in the Book of Matthew chapter 25 verse 10 when Jesus was talking about the Wedding of the Lamb of God and He equated it in that parable to 10 virgins. And He said that the day of the Wedding of the Lamb of God would be like 10 virgins—5 of them being wise and 5 foolish. And He said the wise virgins would carry a jar of oil and you see that when the midnight hour comes the foolish virgins their lamps are burnt out. Precious people and then they attempt to go buy some oil, but Matthew 25 verse 10 says, *“But while they were on their way to buy the oil, the bridegroom arrived. The virgins who were ready went in with him to the wedding banquet.”*

And listen to what He says there, *“And the Lord shut the door.”* In fact, here he is says, *“And the door was shut.”* And during the time of Noah he said, *“And the LORD shut the door.”* *“And the door was shut”* means the Lord shuts the door. That’s why when the foolish virgins come and knock on the door, the Lord is the one that comes and answers them, *“To tell you the truth I do not know you.”* The time of Noah, the Lord shut the door after the remnant had entered.

The time of the coming of the son of man also the Lord will shut the door. And the message I bring to you today even in this revelation of the Pale Horse is that be careful the door is still open now. You can prepare for the Kingdom of God. But be careful because time is coming when the door will be shut. And so it is so important to understand that because of the effects of the White Horse, now there will be only a remnant church that enters that the church that will enter into the Wedding of the Lamb will be a separated church. But listen to how the White Horse even split the remnant church: Verse 40 of Matthew 24, He says, *“Two men will be in the field”* again, *“Two men will be in the field; one will be taken and the other left.”* And the Lord is speaking this so we may understand the massive effects of the White Horse that because of the great deception that he brings into the church there will hence be a false Christianity.

And that's why you see that 2 men will be in the field working: What is the meaning of being in the field working? That means doing the work of the Lord; evangelism and all these things. But then God Almighty will take only one man. The 2 men you see described here in Matthew 24 verse 40 that are working in the field, they represent those who are working for Christ; the remnant of Christ in this age. But it's amazing that even that remnant the effects of the White Horse are such that that remnant is split into half because one part of that remnant will be in false Christianity by deception and the other half is the one that will be walking righteously with the Lord. So the White Horse even splits the remnant church into half. *"Two men will be in the field; one will be taken and the other left."*

And that calls for a wakeup call in the church that the church may examine the gospel under which she is operating right now, otherwise there is a false doctrine that is sweeping into the church that God will not accept on that day. Only those in the false Christianity will fail to enter. And then you see that finally the White Horse has split the remnant church into half; and "working in the field" means evangelism, doing the work of God. Verse 41, He says, *"Two women will be grinding with a hand mill; one will be taken and the other left."* I want you to understand that when the Bible speaks about women, the woman it always refers to the church of Christ. And when He says, "they will be grinding with a hand mill," milling, milling, essentially means be teaching and preaching the Word and so even working and evangelism and many of these things. But He says, *"Two women will be grinding with a hand mill; one will be taken and the other left."* And that is only because of the massive devastating effects of the horrendous White Horse.

Precious people the great deception that the first seal ushered into the church; again I say that the great deception that the first seal brought into the church, the breaking of the first seal, it is horrendous devastation to the church because even 2 women working in a hand mill, one will be taken the other will be left. It is very, very critical for the church today to re-examine herself that she may be able to see this tremendous effect of the White Horse that the church may now turn back to true faith and the true gospel.

That is the only reason the Lord sends me to give this unfolding to the church; this revelation to the church that is the only reason that He sends me—that the church may be quickened to waking up. And so you see that the White Horse is coming as a conqueror, he conquers the church and then the remnant that is left, he splits into half.

It is very, very critical for the church. But Revelation chapter 12 verse 13 precious people; again Revelation chapter 12 verse 13, listen to what He says here: He says, *"When the dragon saw that he had been hurled to the earth, he pursued the woman who had given birth to the male child. <sup>14</sup> The woman was given the two wings of a great eagle, so that she might fly to the place prepared for her in the desert, where she would be taken care of for a time, times and half a time, out of the serpent's reach. <sup>15</sup> Then from his mouth the serpent spewed water like a river, to overtake the woman and sweep her away with the torrent. <sup>16</sup> But the earth helped the woman by opening its mouth and swallowing the river that the dragon had spewed out of his*

mouth. <sup>17</sup> Then the dragon was enraged at the woman and went off to make war against the rest of her offspring.”

Precious people it's very critical to understand that when the dragon was sent down, his work began immediately to pursue the children of God. But what amazes me now about the breaking of the first seal and the release of the White Horse is that even as the White Horse brings such devastation to the church he is able to reduce the number of Christians that will enter into the Kingdom of God using one thing—a great deception. Precious people may those who have ears listen. Let us see what happens with the Red and with the Black Horse.

Revelation chapter 6 verse 3, “When the Lamb opened the second seal, I heard the second living creature say, “Come!” <sup>4</sup> Then another horse came out, a fiery red one. Its rider was given power to take peace from the earth and to make men slay each other. To him was given a large sword.” I have prophesied the coming of the Red Horse until finally the Red Horse came across the entire earth and a lot of blood flowed until today. The Red Horse represents blood flow; no peace.

Verse 5, “When the Lamb opened the third seal, I heard the third living creature say, “Come!” I looked, and there before me was a black horse! Its rider was holding a pair of scales in his hand. <sup>6</sup> Then I heard what sounded like a voice among the four living creatures, saying, “A quart of wheat for a day's wages, and three quarts of barley for a day's wages, and do not damage the oil and the wine!” I prophesied this that I have seen the Black Horse released from Heaven and less than 2 months we saw that all the financial markets crashed; until today every government on the earth is struggling with the Global Economic Crisis. Many people have lost their jobs and homes because of the effects of the Black Horse.

And now I want to handle the Pale Horse. That is the final and most important now. And when I finish with this precious people it will be very clear to you at what place the church is today towards the rapture. I am going to handle the Pale Horse. And again I have said the first horse, the White one is Deception; the second horse is war; the third one is famine. Again the first one represents deception—the great deception in the church. When the first horse is released he speaks about deception. And when the second seal is broken, the second horse is released which represents war; when the third seal is broken, the third horse is released which represents famine.

Je, what does the Pale Horse stand for that at the end you will be able to understand why the 4 horses of apocalypses are the most important to the church for rapture? There is a worship song that says, “Kila goti litapigwa” (Every knee will bow) it says “kila ulimi litakiri” (every tongue will confess). Precious people, only the Christ based on the merit of His own Blood; based on the merit of His work on the Cross at Calvary, only He, the Messiah can unlock the secrets of the scroll in Heaven for the church. And today, the Lord is loving the church with deep understanding of Revelation that after this you may understand why He has caused me to preach these horses one after the other—to prophesy them before they happen and they are being fulfilled specifically and sequentially.

And in the next segment I'm going to look at "What does the Pale Horse stand for?" We have seen that the White Horse stands for the great deception that will come into the church; we have seen that the second, which is the Red Horse stands for the war that was coming, the bloodshed and we have seen now that the third horse stands for famine. And all of them I have prophesied them and they have happened very, very accurately. And now you see that on July 29<sup>th</sup> 2009 He sends me after the mighty visitation of the Lord, He sends me to prophesy the coming of the Pale Horse.

What does the Pale Horse stand for; and put together, where is the church sitting now towards the rapture? At the end of this, then I will wash my hands.
