**The Mighty End-Time Prophet of the LORD GOD ALMIGHTY**

We ask you to take authority in this place and lead this meeting by the power of the HOLY SPIRIT. Please open their spiritual eyes and their spiritual ears that they may see this in the Mighty Name of JESUS. AMEN.

HALLELUIYA! HALLELUIYA! Yesterday we saw a very important conversation between the LORD and the church and we saw that the LORD is speaking to the church right now and directly and yesterday we saw the conversation on the Wedding of the LAMB of GOD. Yes, and we saw that the LORD presented the 2 Wedding Rings in the sky and we saw very clearly the message therein that this is a message of repentance. And I said every time the LORD speaks the BIBLE becomes the reference, the point of reference. And we saw very clearly in the Book of 1 Thessalonians chapter 4 verses 16 and 17 when the LORD describes the events that will consummate during the rapture and He describes how there will be the loud command, the voice of the archangel, and the trumpet call of GOD ALMIGHTY. And then after that He says the dead Christians will be the first to resurrect and to catch up with the LORD in the sky.

And after that He says the living Christians will be translated to catch up with them in the sky and Heaven will open and they will all enter Heaven into the Wedding Feast of the LAMB. And in the Wedding Feast of the LAMB, the church will be given the opportunity to present herself before the Judgment Seat of CHRIST. I'm talking about the church that is raptured.

And the LORD says you will account for everything you ever said, everything you ever heard, everything you ever saw with your eyes, everything your heart ever contemplated, the schemes of your mind, even the things you have not yet done, but you thought about doing. And so we see that that raises the bar for the church because there will be a reward ceremony at the Judgment Seat of CHRIST.

In the Book of Revelation chapter 16 verse 15 He says, "Behold I come like a thief. Blessed is he who stays awake and keeps his clothes with him so that he may not go naked and be shamefully exposed." That is a very serious wake up call to the church because we already saw in Revelation 19 verses 7 and 8 that when the church is dressed in fine linen, then she is ready before the LORD.

When the church is wearing righteousness of the LORD then indeed she is clothed before the LORD. That means when the church is not wearing holiness, then the church is naked; is nude before the LORD. How tremendous is that bar that when the church is not holy she's naked before the LORD and before the nations. And that's why it's important that the church prepares right. And yesterday I said that right now the LORD is calling the church to revival; but that revival the LORD says it is a holiness revival. It's a revival of righteousness and so there is need for the church of CHRIST to return to the LORD.

We have heard every single moment of darkness in the House—the sexual scandals that have entered; that have consumed the church in the recent past, pastor and worship leaders;

pastor and members of church; members of church between one another; members of the worship normally are in their own sexual sin. And so and yet they worship before the Holy JEHOVAH and you see that that kind of situation bespeaks darkness in the church.

That kind of situation does not honor the work that JESUS did at Calvary. We have also seen that in the recent past the church has become the place to go pick some women. All these things the heathen know. And so it does not offer well to the reputation of the Blood of JESUS. And I said very, very carefully yesterday that there are 2 days that you want to make sure you mark very importantly—the day of rapture; the Day of the Wedding of the LAMB; that that day He comes like a thief and He takes a holy glorious church. But after the rapture, after 7 years—3 ½ years of tribulation and another 3 ½ years of great tribulation then the LORD comes to Jerusalem with the raptured saints. And that becomes the day of the LORD.

And so we need to mark this very carefully because many times you hear people saying, “I’m waiting for the Day of the LORD. I’m waiting for the Second coming of the LORD.” Make sure you enter into the rapture of the church. I have seen the LORD has shown me already what the earth will look like after the rapture. And I saw a tremendous darkness cover the earth and I also been shown some of the personalities involved in the tribulation.

I’ve never preached them; the LORD has not allowed me yet. But I’ve seen some of the personalities that are involved in the tribulation. I know even which countries they live in and every time at times when they are going to be on the news the LORD tells me, “Look, look tomorrow he’s going to be on the news.” So the rapture will take place and it’s a real day that will transform the earth forever.

In fact when it takes place it is totally irretrievable. You cannot reverse it back. So that’s why this hour is the most important because this is the moment you can prepare and be ready to enter. And in the conversation of the Wedding Rings in the sky, you see the message of the LORD and the LORD is telling the church at this hour in [Revelation 19 verse 9](#) He said, “*Then the angel said to me, ‘Write: ‘Blessed are those who are invited to the wedding supper of the Lamb!’ And he added, ‘These are the true words of God.’*” So you see very clearly that the blessing of GOD is not measured on earthly terms.

When it comes to the LORD if you say, “I am blessed; I am blessed,” the LORD talks about eternity. Whatever blessing the LORD gives you on the earth here, if it does not lead you to the KINGDOM of GOD, then that blessing is not important to you. Then that blessing has not come from the LORD. Every blessing is meant to lead the church, to lead the Christians, lead mankind into the KINGDOM of GOD.

Then the question becomes, “Have you reviewed your life and looked at your blessings? Is there a blessing that is acting as a stumbling block between you and GOD?” If there is such a blessing in your life, I want to just cover this base before we go to the next message; if there is such a blessing in your life then that blessing has not come from the LORD because when the LORD blesses you, it is meant to draw you closer to the LORD.

Any blessing that moves you away from the LORD that is not the LORD’s. Every blessing is meant to draw you closer to CHRIST. How does it draw you closer to CHRIST? Every blessing is meant to lead you to righteousness and holiness. That’s how you draw closer to the LORD. And I said yesterday that every time the LORD speaks, He will always emphasize the holiness of the LORD into your life. And then I said that the events of rapture, they are so critical to the church. But before we go there turn with me to [Revelation chapter 1 verse 7](#); [Revelation 1:7](#) says,

*“Look, he is coming with the clouds, and every eye will see him, even those who pierced him; and all the peoples of the earth will mourn because of him. So shall it be! Amen.”*

Now this day is different from the day of rapture. This is the day when JESUS comes with the raptured saints. You remember in that conversation of the LORD He showed me the 2 Wedding Rings at the entrance to Heaven the gate He opened. And that means He’s saying, “Look! You can only enter through this Wedding. Look! Please enter through this Wedding. Look, for you to enter Heaven you must be involved in this Wedding.” And the reason the Wedding Rings are very identical, is because the same HOLY SPIRIT who delivered JESUS from the grave and resurrected Him before the FATHER, right hand side that same HOLY SPIRIT, He is available to you. And that’s why the BIBLE says He’s coming for a mature Bride. And so that means you are expected to wear the full righteousness of CHRIST. You are expected to be the mirror image of CHRIST at the time the rapture takes place.

Let’s put it another way. The LORD is not coming to wed a baby. He’s not coming to marry a baby. He’s coming to marry a perfect Bride; a mature Bride. So we must make every effort towards spiritual growth. And the only food that will grow the church is holiness and righteousness. The BIBLE says “Seek ye first the KINGDOM of GOD and His Righteousness and everything else will be added unto you.”

So surely your lives and your salvation should be centered around the KINGDOM of GOD. And that’s why I said this message is so terrific; it’s so incredible because this is talking about the eternity of the church. And the LORD spoke yesterday about the glorious Wedding Gown. But before we go to the glorious Wedding Gown, what was the price of purchasing that Gown for you?

What was the price for the LORD to admit you into the Righteousness of GOD? I want you to turn with me to the Book of Isaiah; Isaiah chapter 52 so we can touch base and be on the same level before I take off. Isaiah 52 verses 13 to 15, and he says; Isaiah 52 verses 13 to 15, write these things they will help you at home when I leave. Ok Isaiah 52 verses 13 to 15 he says, “*See, my servant will act wisely; he will be raised and lifted up and highly exalted.*” And He says, “*Just as there were many who were appalled at him—his appearance was disfigured beyond that of any man and his form was marred beyond human likeness*”—you see the kind of price JESUS paid for your salvation.

And that’s why it’s very heartbreaking to realize today that the church has forgotten the price. And He says, “*so will he sprinkle many nations, and kings will shut their mouths because of him. For what they were not told, they will see, and what they have not heard, they will understand.*” And He says very carefully here: The sprinkling that He’s talking about—the sprinkling of many nations is in fact the consecration of the church.

Unfortunately the church has become desecrated again. But this is what the LORD did at Calvary. And He’s asking that you may never forget the big consecration that He did to the church. In the Old Testament you see that every time Moses was told to tell Aaron to take some blood and sprinkle on the Israelites, so he may consecrate them. Moses was also told to sprinkle some Blood on Aaron and his sons that they may be consecrated. And so it’s very critical that we don’t lose the mighty consecration that the LORD gave us at Calvary. But what is heartwrenching is what you see happened to Him on the Cross. The price He paid for the righteousness that you now need to wear.

And He says; they say He was totally disfigured beyond human recognition—human likeness. In other words the face was so damaged you could not even imagine He's human. He had no human likeness. They said you see He says, "His appearance was disfigured and His face was marred beyond human recognition." In other words they tortured the LORD; in other words they abused the MESSIAH. And He paid a horrendous price for you to wear the righteousness of GOD and that's why it's very heartbreaking to see that at times the church, most of the church on the earth today has forgotten about Calvary and they are now focused on the blessing.

But let us remember what happened to Abraham. Abraham was given the mightiest blessing, the final blessing, the greatest blessing, the blessing of Isaac; the blessing of Isaac and that blessing was the biggest. Why?—because He told him and the MESSIAH from your lineage—from the lineage of Isaac; the Redeemer of all the nations; the Redeemer of all mankind, He would come from Isaac—the lineage of Isaac.

And so that became the biggest spiritual blessing a man has ever received on the planet. But what is amazing to me is that in the Book of [Genesis chapter 22](#), the whole of it there, you see that the LORD now He tests Abraham after He had given him this blessing. And He wants to know from Abraham, "The big blessing I have given you, are you able to still love the Blesser with this big blessing?"

Essentially what the LORD was asking Abraham to do is to lay down the blessing and use it to worship JEHOVAH. And you see that Abraham was able to get rid of the blessing; to lay down the blessing for the sake of JEHOVAH the Blesser. And then when he did that the LORD said, "Stop it. Don't touch the boy." And He said, "Abraham, now I have seen that your heart fears the LORD."

In other words He was testing the fear of the LORD—"Do you love the blessing more or you love the Blesser more?" And then the LORD provided the LAMB of sacrifice and on that Mountain Abraham saw the vision; he saw the day CHRIST was crucified. And so you see that the LORD is saying the same to the church today that "I know I have blessed you. I know that when you proclaim the Name of JESUS the blessings come." Some of those blessings are so big you might never know the amount. But the issue is some of that type of blessing we cannot even equate with money.

We cannot know that that type of blessing that means 2 million dollars or 2, 3 million dollars. We cannot equate it with money. And that's why I am saying that when the church proclaims the Name of JESUS the LORD bless her. And some of the blessing is so tremendous, so mighty, so big that you cannot even know how much it costs. But the LORD at times will ask us; He will test the church, "Did you come to me just because of the blessing or you came because you love me?" But I'm saying let us be careful with the blessing. Let us make sure that at the center of the blessing is JEHOVAH.

Then He will bless you more, more, more. He loves you. He will shock you. He will give you more. HALLELUIYA! And so that's why we need to make sure that as we walk in the blessing of the LORD we are still sensitive to the requirements of the LORD. And you see in that vision let me finish with the glorious Wedding Gown—[Isaiah 52](#) is the price at the Cross. [Isaiah 53](#) is also the price at the Cross. You don't know people; one time when the LORD showed me how JESUS was crucified on the Cross, I broke down and wept for 3 months and became totally dysfunctional. I used to drive and almost have an accident and pull at the side of the road and

weep until I lost my voice. The price that JESUS paid at Calvary you cannot equate in words. You cannot put it in words. You cannot even put it in a movie or in a novel. I was very shocked. So [Isaiah 52](#) is the price; [53](#) is the price. You see in one place in [Isaiah 53](#) look at what He says.

He said, “He had not beauty” [verse 2 section b](#) right, He said, “*He had no beauty or majesty to attract us to him, nothing in his appearance that we should desire him. He was despised and rejected by men, a man of sorrows, and familiar with suffering. Like one from whom men hide their faces he was despised, and we esteemed him not;*” A Man of Sorrows and familiar with suffering. He was abused; He was beaten until He fell down with the very cross He was using to deliver you. And they broke His shoulder; they broke so He could not even carry the Cross. They beat Him so hard until He fell down. And so you see that He suffered rejection and then He was resurrected and raptured before the LORD.

But what is most amazing now is that before the Cross He was abused. But after the Cross He has also being abused by now the church because He thought that after delivering the church she would walk in righteousness for all her days eternal. But when the church went back to sin we see that it is as though the church is telling CHRIST that “Look, you must go back to the Cross. The first Calvary is not enough for me.” And that’s why we read yesterday from [Hebrews chapter 6 verses 4 to 6](#) where He was saying if we continue sinning deliberately, it is impossible to be delivered by the LORD because the price at Calvary was the eternal price.

The sacrifice that JESUS gave at Calvary was the ultimate sacrifice. There is no other. So let us make sure we understand that there is no other if we abuse this one. Precious people we also looked at the Book of [Matthew 22](#) how the LORD is emphasizing the gravity of that righteousness. And we saw that whether you are His friend and you don’t wear that righteousness the LORD will judge you; because we saw Him meet a friend, He said, “Friend how did you come without wedding clothes in here?” That emphasizes the need for us to walk righteous because at the last moment it is that righteousness that will matter most.

In [Zechariah chapter 3](#) we saw the importance of wearing the image of CHRIST—the righteousness of CHRIST. And we saw very clearly that when the church stands before the LORD it signifies worship—she has appeared to worship. But we saw the gravity of coming to worship when you are in right standing with the LORD that the enemy may not claim any right over your life; that you may now be able to worship right.

The Wedding Gown is a Priestly Garment because as we worship Him we are ministering before the LORD. That when we minister before the LORD correctly the other nations they will see and then they will say, “Hey, look they are ministering correctly before the LORD.” And when you minister correctly before the LORD, then the LORD uses you to draw them to Himself. So we see the importance of wearing a clean Priestly Garment.

That is the righteousness the LORD gave us. The Book of [Deuteronomy chapter 10 verse 8](#) before we move to the conversations for today. [Deuteronomy chapter 10](#); [Deuteronomy chapter 10 verses 8 and 9](#) listen to what He says here. And He says, “*At that time the LORD set apart the tribe of Levi to carry the ark of the covenant of the LORD, to stand before the LORD to minister and to pronounce the blessings in his name, as they still do today.*”

He chose Levi and He told them that they shall always stand before Him in His Presence. I’m just using that to make you understand the conversation in [Zechariah chapter 3](#) when he said when Josiah came to stand before the LORD; he appeared and he was standing before the

LORD—that means He was ministering before the LORD. And again I said let us be in right standing with the LORD as we minister to Him at this hour.

I want us to read the Book of Genesis chapter 1 verse just focus on me. Don't read it I will tell you what it is. He says, "And GOD said, let us" not me, "let us"—God the FATHER, GOD the SON and GOD the HOLY SPIRIT—"Let us make man in our image and likeness." And so you see very clearly that when the LORD created the church He created the church in His very image. When He created you as the church there's a blueprint, the original architectural plan of the creation of man is that you be in the image and likeness of GOD. But we know that the image and the likeness of GOD does not die.

It is not mortal. It is immortal. But we know that the image and likeness of GOD is not corruptible. It is incorruptible. But we know that the image and likeness of GOD is not perishable. It does not perish. It is imperishable. That tells you very clearly what the original plan was that when we receive the redemption at Calvary, we would step by step begin walking in righteousness; step by step begin experiencing spiritual growth.

And that as we walk with the HOLY SPIRIT, remember the purpose of the HOLY SPIRIT in the church is to reveal more and more of the person of CHRIST to the church. And when He reveals more and more of the person of CHRIST to you, then you will quickly realize the Holiness of the LORD more and more, the requirements of the LORD over your life more and more. It is as though you want to replace this. You have purchased this house and you want to replace the seats of this house. You have purchased this hall and now you want to replace the seats. And so you begin step by step. You begin with the first front seats.

You push out and you put new ones. You move them when you get enough you move to the next and change. Next and you change until the whole house has brown seats. That then you'll have changed the whole house. So is your salvation. That's why you were meant to walk in spiritual growth step by step that the more you grow in the knowledge of CHRIST, the more you are getting rid of the black seeds, the more you are getting rid of evil—sin because you might be watching; when you receive the LORD you might be watching your popular TV program. Everyday you drive at home very fast because it's time for that program.

I know the people of Sweden. I know your lifestyle. There are certain programs you must watch, some of you. When it comes you are fully seated your cup coffee is there. You are now nothing should move. You have to come from work in good time because today that program is the second series. But this is what the LORD is saying, "The more you know CHRIST more and more, you will find out that some things about this program are not holy." And you'll begin questioning the program, which means the HOLY SPIRIT is whispering to you as you are sitting watching your loving; beloved program.

He says, "Bride of CHRIST; Royal Bride of the LORD; the image of CHRIST; Ambassador of CHRIST, I see you are sitting watching this program. But I want to ask you Royal Bride; Ambassador of the LORD, "Would JESUS have sat here and watched this program?" And then you begin to understand that if you are the image of CHRIST then there is evil in this program. They are showing how this man in Hollywood is cheating on his wife with his secretary and it is evil and you are watching; you are feeding on evil then the HOLY SPIRIT tells you, "No, no, no stop it." He will begin to remove your heart from certain things to clean up your life.

Even some people; some people who like calling you let's say you are a lady and there's this man who always calls you and the relationship is evil—is lust and every time he rings you

pick and there is really nothing he's saying. Maybe he's a work mate, a neighbor, a man you met at the gym, at the bar and you know that this man is lusting at me. Why do you sustain that? And the HOLY SPIRIT will teach you how to disconnect with anything that compromises your salvation. So the church was meant to grow perpetually, continually. He says the reason He called them the servants of the LORD is that they may be able to grow to the full stature—to grow the church to the full stature of CHRIST.

Let us read [Ephesians chapter 5](#) as we finish with this and get to the new message today. [Ephesians chapter 5 verses 25 and 27](#) just 2 of them. He says, *“Husbands, love your wives, just as Christ loved the church and gave himself up for her to make her holy, cleansing her with the washing with water through the word, and to present her to himself as a radiant church, without stain or wrinkle or any blemish, but holy and blameless.”* We can see the image of the Bride of CHRIST—blameless, stainless, wrinkleless. HALLELUIYA! So let us strive to that so we may not—that day you may not be found with blame.

I want to finish with one thing and then we go to today's message. The Book of [2 Corinthians chapter 5](#) ohhh; also the Book of [Philippians](#). I can read. You don't have to go there. Let me read for you in person. [Philippians chapter 2 verse 12 to 15](#) he says, *“Therefore, my dear friends, as you have always obeyed—not only in my presence, but now much more in my absence—continue to work out your salvation with fear and trembling.”* The key words there is [fear](#) and [trembling](#). We cannot make JESUS look like our elder brother; elder brother so the relationship is very abusive—elder brother.

He is the LORD! He is the Redeemer. He is the Savior. He is GOD the SON! So once we see Him as the KING then there will be reverence, the fear. Otherwise if like an elder brother it becomes abusive. We can do anything and think we can get away with it. [Verse 13](#), *“for it is God who works in you to will and to act according to his good purpose.”* [Verse 14](#), *“Do everything without complaining or arguing, so that you may become blameless and pure, children of God without fault in a crooked and depraved generation, in which you shine like stars in the universe.”* For me that's incredible because of the conversation I'm going to share next.

But He talks about the radiance of the church and He still describes the expectation of the Bride of CHRIST, what she should look like. HALLELUIYA! And then the Book of [2 Corinthians](#) where I wanted to go [chapter 5 verses 1 to verse 10](#) this is what He says: He says, *“Cloth yourselves with CHRIST JESUS.”* And he says when you have clothed yourselves with CHRIST JESUS, then that which is mortal will be converted into life.

He said if we are comfortable here in the earthly house—the earthly dwelling, then we should know that we are absent in the Heavenly dwelling. And he says we should long to be clothed with our Heavenly dwelling that the mortal in us may be converted into immortality. And then he says further on live your lives as strangers. That to me is amazing because JESUS did not say, *“I have enjoyed the world.”*

But He said, *“I have overcome the world,”* which means there is a conflict going on here. There's a fight going on between the flesh and the spirit. And so you need to overcome. Once you overcome the pressure of the flesh; the flesh exerts a lot of pressure into your salvation. The flesh for example says, *“Saturday wow! Before the winter let us go to the North Sea with our boats. Let us enjoy fishing and staying in the boat house. These are the last days of the winter what are you wasting time doing here. You should be by the beaches; look at how the*

weather is gorgeous; eating barbecue with a beer, a cold beer, eh with friends. This is the time you should be enjoying.”

That is what the flesh will be saying. And yet the SPIRIT of the LORD is saying, “You go to this conference because what this man is going to say has eternal value. You will not hear it again when he goes. You go there for the KINGDOM of GOD is near.” HALLELUIYA! So there’s a lot of conflict between the flesh and the spirit. And you must make sure that the spirit subdues the flesh; wins over the flesh; that you inner person may be built up.

I have always given the example of a mango; a mango when you eat a mango and then inside there is a seed which is hard. So you will always eat the flesh of the mango but not the hard part. But when you take the WORD of GOD more and more and the revelation like this kind, the Holiness of GOD more and more and righteousness, then He will build your inner person. And so when someone tries to come and bite that mango he says, “It’s so hard. How come there’s no flesh in this mango? The inside part is so big. The seed is so big. The skin is barely on the seed.”

They will say, “I don’t like these types of mangoes they can break my teeth. And there’s nothing to enjoy in them because I am barely scrapping on the surface. The seed is too big. Who breeds these types of mangoes? I don’t like them.” And I will say the HOLY SPIRIT breeds that type of mango that when you grow more and more, the inner person there’s nothing for the devil to eat in you. So you resist the devil and he will flee from you in the Name of JESUS. So I want to move to the second level—the second conversation. But before I move to that second conversation I want to share a little bit on what the LORD spoke to me this past night about the nation of Sweden.

The other night, the night before yesterday, He showed me a massive earthquake—shaking that is coming here and I spoke to you about it yesterday. Now this night, yesterday what did I see? I see some buildings have collapsed and I saw dead bodies being pulled out of the rubble. I see dead bodies being pulled out of collapsed buildings from an earthquake. The earthquake hit so strong that buildings collapsed. And I saw dead bodies being pulled out.

It was very difficult task. And then I also saw I don’t know why He showed me dogs; a dog. There was a dog that the building collapsed and crashed all these down. And this part was also alive. I saw it also being rescued out. I see dead bodies in this nation. The same way I saw in Haiti before it happened. I see the judgment of the LORD coming to Sweden and I see an earthquake that collapses buildings.

And the buildings collapsed on people and there was a big panic, the digging of the dead bodies from the rubble. Don’t be careless with this message. Haiti was careless and I warned them; I pleaded with them. Because the problem is this: The LORD normally takes His Prophet and puts him already in that day and he lives that day. He has seen that day. He has already; even me I ran for my life in that vision.

I ran for my life when the earthquake took place. He put me there. I was running for my life. I was running going to be finished. I have seen that horrendous day myself. And then I see dead bodies being pulled out; pulled out from the rubble even a dog that is crashed from one side and one side is alive which means even the cats will be killed. This past night I see an earthquake coming to strike this land, which means the LORD is crying for repentance.

In Haiti when I talked to them, now there are thousands of people amputated; amputees. And I warned them at that time. 300,000 people died! Dead bodies were rotting and

the smell of death covered the land. I see that coming to this land. Please tell these people to repent. Let me share with you the faithfulness of the LORD. The Island of Hispaniola, it has a border—human border, boundary. One side is Haiti—the nation of Haiti; the other side is the Dominican Republic. When the Dominican Republic received this word, that the earthquake was coming to strike the Island, they began to repent in fear and trembling. And they did for me meetings that were televised live from the stadium across their country. And there were radio FM transmitters in the stadium. And the whole Island was listening. The whole nation was listening. People were inclined to the LORD. All the bishops sat like this.

The Bishops Council sat behind me like this as I delivered the message—the top leadership in that church; in the church of that nation. And I went to Puerto Plata, Santiago City and the City of Higüey and I told them, “Even if you have repented the earthquake must still happen even in Dominican Republic?” because if it does not happen how will they know that this is the Prophet of the LORD? Because anyone can come and say, “Earthquake, earthquake,” and then say, “Ah, look you repented that’s why it did not come.” And I told them, “Even if you repent the earthquake must still come for GOD to confirm that that was my Prophet.” And so when the earthquake came, ha, He shook the Dominican Republic violently—Santo Domingo the capital city, the tall buildings were shaking violently, people were running evacuated from all tall buildings. But not even one person broke a foot—the faithfulness of the LORD.

But on the other side where they abused this prophecy, where they refused to accept it 300,000 dead bodies lay in the land and the smell of death covered the land—horrific, terrible! One side; same Island one side repented and He shook them violently but not any one person broke a foot. The other side He demolished; He demolished the nation until today. So that’s why tonight what He showed me again is of gravity.

Let me repeat again what I have seen this night. I have seen a massive earthquake again. That’s the second time the LORD now speaks about it in 2 days and I see dead bodies being pulled out of rubble in this land of Sweden. And I see dogs also one of the dogs in the buildings crashed and one part is dead. They were also removing them out still alive.

The LORD is asking for repentance in Sweden and when all these things come to pass then it shall be known that the Mouth of the LORD, He has spoken.

HALLELUIYA! Let’s begin today’s message. I want to share 2 conversations. I’ll begin with number 1. The LORD GOD ALMIGHTY, He came again and spoke with me about the coming of the MESSIAH. What did the LORD say? I describe the vision and I want you to pay attention to the visions because the LORD has allowed me to describe all the details of the visions to you; then nobody can ever lie to you again. If anyone comes here and says, “Look the LORD has spoken with me; the LORD has spoken with me,” ask them—put them to task; “Excuse me sir. Can you describe to us that vision?”

Because the vision is not his; the visions the LORD gives me are not mine they are for you. They are for you that’s why—the vessel, just a vessel to transmit. But in that vision the LORD, He lifted me up above the earth and I could see the earth and as I continued looking at the earth then all of a sudden I saw what looked like an earthquake struck the earth. How did I know it’s an earthquake?—because I saw the surface of the earth shaking and breaking and dust and soil jumping off the surface of the earth. A lot of dust and soil jumping up then I said, “That’s an earthquake.”

I knew that's an earthquake that has hit the earth. And then later I realized it was not an earthquake because as I continued looking at that event then I saw; I saw people in their glorious bodies. They were coming out of their tombs and they were going up. But as they came out of their tombs in their glorious bodies with the GLORY of the LORD, the GLORY was at first mixed with the dust; I saw. And then later the more they went up into the sky the more they went into the pure GLORY of the LORD. And I saw them join the GLORY of the LORD and Heaven opened and they entered and the cloud came and covered that entrance.

Then the Voice spoke and He said, "And the majority have remained in the dust of the earth!" What is the message? I want to begin from there today. What is the message that the LORD was presenting to the church in that conversation? Listen very carefully precious people. What the LORD presented there is the rapture of the dead—the rapture of the dead Christians. And yesterday we saw that means the dead holy Christians because holiness is still the common denominator; the common benchmark. It was amazing; it was amazing to me that when I went into the BIBLE then I found that the LORD had shared this same vision with Daniel the Prophet.

So in there we are going to mine the revelation; the message to the church in Sweden. Turn with me to [Daniel chapter 12](#); [Daniel 12](#) and you'll see what the LORD is saying. Isn't it beautiful to sit here and hear about the secrets of GOD ALMIGHTY when the weather is beautiful like this and everybody is on their bikes they put the boats on the car they are heading to the North Sea to lie by the beaches and enjoy the good weather before the winter? And yet for you, you said, "No let me go there and hear about the LORD's coming." That is wisdom. Anyhow [Daniel chapter 12](#) I found out that the LORD had shared this conversation with Daniel the Prophet.

[Verse 1](#) of [Daniel chapter 12](#) He says, "*At that time Michael, the great prince who protects your people, will arise. There will be a time of distress such as has not happened from the beginning of nations until then. But at that time your people—everyone whose name is found written in the book—will be delivered.*" I want to stop there first. That is a very big revelation; very big revelation. Listen to this. [Verse 1](#) of [Daniel 12](#) right before Daniel sees the rapture, the vision I saw which is in [verse 2](#) listen to what Daniel sees. He sees a tremendous distress; a historic distress visit the nations of the earth. And he says the distress was such that nations have not seen it before. And that makes me understand why the LORD sends me to prophesy such earthquakes. I know that in [Matthew 24](#) we are going to see today the LORD said that when these things happen then those are the beginning of birth pains. That means He is about to come. I know in [Matthew 24 verse 7](#) it's already there. But for now I want to focus on this.

[Daniel 12 verse 1](#) and he says the distress that would consume the earth would be so heartwrenching as it would be historic. And so for example when I have come to Sweden I have announced the earthquake that is coming here. Who is this man? We have been in peace, stable and settled and now he's saying we are going to run; the earthquake is going to tumble the buildings on us.

I understand now why He sends me to prophesy earthquakes across the earth. I just came from Australia where again I prophesied an earthquake and there also He made me run for my life in the earthquake and the buildings collapsed on me. They were trying to dig me out with other people and Haiti, Yushu China, tsunami, Katrina, the Great North Earthquake, many of them all over the globe, the Great North Earthquake, Katrina, all these things.

Listen to me. Is anybody watching news? Are you seeing the floods in Pakistan? The greatest distress as nations has not seen before. The earthquakes you watch in your news, the floods that you see cover the whole Pakistan, just cover the whole nation and at the same time it is covering China and is covering India on this side. “There will be a great distress such has not happened before.” And He says, “But anyone whose name will be found written in the Book, they will be delivered”—the Book of Life; the Book of Life of the LAMB of GOD! He says, “But at that time your people” if I were you and I read my BIBLE now, when I meet your people I would highlight it with a marker or underline it like this because I want to know who are these people that the LORD loves so much to the extent that He calls them His people? And He says however distress; however horrendous the distress is He will deliver them from that distress.

I am sure you want to know the identity of that people called my people. You want to be like them. Look at on August 19<sup>th</sup> 2008 before more than 1 ½ million people; we could not fit in the stadium. We had to get an open ground at the Nakuru Girls High School; Nakuru Girls High School; Nakuru Girls High School. August 19<sup>th</sup> 2008 that night the LORD speaks to me in a vision. And He lifts me up above the earth and I find myself standing before the THRONE of GOD.

And the GLORY covered the THRONE of GOD. And then out of the THRONE of GOD came out one of the living creatures around the THRONE of GOD. And I was scared in the vision because I did not understand why the LORD made that creature—the living creature come very, very close to me; very close and I was very terrified! Only later is when I understood. That face, the LORD wanted me to identify the face—his face that once I identify his face, the LORD knows that when I wake up I will go to the BIBLE and know more—he’s number 1 or he’s number 2 or he’s number 3 or he’s number 4. And once I know what number he is then I will get the message; what is the message to the church.

But anyhow when the third; I’ve already said it; the third he had a human face he came so close to me and then he went back to the GLORY at the THRONE of GOD. When the third living creature went back to the THRONE—the GLORY at the THRONE, now listen to what happened: Then the LORD opened my eyes further in that vision and I saw a little bit inside the GLORY of GOD and I saw that third living creature release a Black Horse; Black; a Black Horse. And the Black Horse came out and he ran around Heaven like this and then he came very close to me. Now I’m sharing with you the secrets of GOD’s KINGDOM.

That is the beauty of sitting here today. Now I’m sharing with you the secret things that are declared by the secret wisdom of GOD. The Black Horse came very close to me and he stopped. And listen to what the Black Horse did. I did not know that the Black Horse of GOD; first of all I did not know that there was a Black Horse in Heaven. To begin with I did not know. It was shocking to see. I said, “Hey, but how will I tell people Black; Black Horse—Black Horse in Heaven?” I did not even know that there was a Black Horse in Heaven. But anyhow I did not know that the Black Horse in Heaven actually he has; listen to this everybody: The Black Horse in Heaven he has long-white mane; exactly you got it—mane.

That is the hair that runs from here—from his shoulder to somewhere here. It was terrific to watch, a scene to behold. Listen to this. When he came to me I think the LORD wanted me to see the white glorious mane—glorious by the way; it’s glowing. Look at what he did. Then he stopped and he stretched out his mane.

Then he stretched them back on himself. And when they were fallen on himself then I saw him released. And I saw him running all over the earth. And when I woke up August 19<sup>th</sup>

2008 that night then of course as usual went to my BIBLE right away. “What has the LORD said?” Then I found that actually there is a Black Horse in Heaven and he is in the Book of Revelation chapter 6. Let us read it.

Revelation chapter 6 I think it's verse 5 to 7; yes verse 5 to 6; Revelation chapter 6 we are beginning from verse 5. Then you will know; I can now release to you the hidden secrets of the KINGDOM of GOD the FATHER. What a love! What a blessing for those sitting in this house! Listen to what he says Revelation chapter 6 verse 5 and 6. We are going to handle this whole thing extensively later. But for now listen to this.

He says, *“When the Lamb opened the third seal, I heard the third living creature say, ‘Come!’ I looked, and there before me was a black horse! Its rider was holding a pair of scales in his hand. Then I heard what sounded like a voice among the four living creatures, saying, ‘A quart of wheat for a day's wages, and three quarts of barley for a day's wages, and do not damage the oil and the wine!’”* We can stop there; I'll explain.

How come I went because the weekend coming after that vision that was August 23<sup>rd</sup> and 24<sup>th</sup> 2008; August 23<sup>rd</sup> was Saturday; August 24<sup>th</sup> was Sunday. We had a big meeting with more than 1 ½ million people, tremendous. We don't know how many people there were anyway. What made me go before them and say, “Look, there is a Global Economic Crisis coming to the earth—before it ever came in your radar screens?”—Because of this Scripture.

The Bible always contains the revelation. I know a lot of you go to theological colleges. Let me tell you. There's no better Teacher than the HOLY SPIRIT. He is the ultimate Revelator of the WORD of GOD! Listen to this now. You see that the rider of the Black Horse, he is carrying a balance; a weighing scale on his hands. Balance means I put here put for me equivalent here until it balances.

When you go to buy meat in Kenya, I want to say about Kenya and you tell them, “Give me 3 kilos of beef steak.” And then so they put 3 stones and they keep putting the meat and until it starts to balance like this. Many a times that is when your heart gets broken. You tell him, “Ah just out that last piece; just throw it in.” It's a very heartbreaking experience because it's coming from your pocket and you want the worth, the value; you want it. You want more for your value. “Ah just throw that in now. Just throw that in. You see it's already; just throw it's ok.” Then the guy looks at you and says, “Because of you ok it's alright.” He throws it in.

So the balance; it talks of buying and selling; it talks of trade. It talks of commerce. It talks of buying and selling. It talks of trade. It talks of commerce. It talks of economy; economic activity; economy; economic activity is buying and selling. And the rider of the Black Horse carrying the buying and selling on the earth, carrying the Global Economies, the Global Trade, then I was able to go and tell them, “Look there's Global Crisis coming” because the rider of the Black Horse will carry the Global Economies in his hands. That means there is a Black Day; there is a Black Day coming to the Global markets.

It took less than 2 months like this. In fact from there we went to Toronto, Canada to bring a big conference there to bring the message there. They wanted this critical message—“Come please; come. We hear the LORD has spoken in the villages of Africa. Now come to us please.” We also want to enter. We hear that you are rebuking sin. Come rebuke us also. So I went, October that year 2008. And as I was still talking about it in Canada I was still giving the prophecy, October 7<sup>th</sup> all the Global Financial Markets, they crashed from east to west; north to

south. People ran to try withdraw their money from the banks; people were holding stocks they found that those stocks were useless.

Banks said, “No, no we don’t have money. We are bankrupt.” The Citigroup; first of all let me begin from the beginning. The Lehman Brothers; Lehman Brothers; the Lehman Brothers is one of the largest investment banking on the earth—very stable and people were holding their stocks in London, in Hong Kong, wherever, of course the globe. If you looked at the health; the health of the Lehman Brothers, it was financially sound and stable with a huge capital base and a huge capital, capital which means steady reserve, very good; huge capital reserve, capital base and then with a great liquidity ratio; liquidity; with liquidity.

But all of a sudden one morning, they wake up and checked and they said, “Hey, we have to file for bankruptcy.” That is what triggered everything else. And the stocks crashed in London; they crashed in New York; they crashed in Hong Kong; they crashed in everywhere they crashed. People ran to banks, banks closed. The Citigroup ran bankrupt. They had to look for aid—Citigroup.

The AIG, the big Global Companies; AIG—American International Group; big companies, airlines were affected; planes were packed; people lost their homes in mortgages. People lost their homes because they could not pay mortgages. That means all of a sudden people became homeless. There was a big unemployment that hit the earth and you see until now the unemployment in very huge in the US and globally. And then the crisis is still going on even today because the Greek economy you see how it crashed. In Dubai; Dubai has been the big financial market of the world. And all of a sudden Dubai debt crisis; they crashed!

Everybody is in fear. Japan is saying that if they don’t understand; if they don’t fix their debt they will be second Greece; Japan! Japan! That they will be Greece number 2! Tourists stopped flying. People lost jobs. I think among the prophecies I gave, this was the most robust that covered the whole face of the earth; every nation until the US they say, oh they have to inject a stimulus package again because they think it’s going to crash again!

It is very tight—the airline industry. When you travel these days they give you just a small thing like this; no food at all; something small. It is very tight. The economy is tight. They used to give you a big tray; good food they gave you lots of it. Now the tray size has gone small. I saw. The economy the Global Economy is tight. Everybody is trying to save cost—cut cost. Daniel said there will be a distress such has never happened from the beginning of nations until then—earthquakes; Pakistan is covered with floods now. The whole world watched Haiti 300,000 dead bodies rotting on the land; they bury and one hand is up.

They bury and the leg is out. It was very bad carcass. Chile until the earth tilted! The one coming to Sweden, the earthquake that is coming to Sweden, the earthquake; the earthquake that is coming to Sweden! “There will be a distress such as has not happened before until, from the beginning of nations until then. But at that time your people” that’s why I said when you meet your people you ought to underline it.

You want to know, “Who are these that GOD lavishes so much and calls your people?” The wars of the globe; the wars; the war in Iraq; the war in Afghanistan; the war in Somali; the war in DR Congo; the war in Colombia; the war against drugs in Mexico; war, war, war, war, war, war, war, war—distress! Daniel saw and then Daniel verse 2; chapter 12:2 he now sees the rapture. He sees the rapture then. Listen to what he sees.

Daniel 12 verse 2, HALLELUIYA! And then says; Daniel chapter 12 verse 2, he says, “Multitudes who sleep in the dust of the earth will awake: some to everlasting life, and others to shame and everlasting contempt.” You see that? After the great distress, so now in your spirits you can already figure out how close we are to CHRIST’s return. You can now begin to figure out because he says, after the great distress, Daniel now sees the coming of the MESSIAH—the rapture of the church and he sees that multitudes that sleep in the dust of the earth will awake. When you die the LORD sees that you are sleeping.

He does not see that you are dead. That’s why when they told Him, “Look, Lazarus is dead, your friend go.” He said, “No he is not dead. He’s just asleep.” So multitudes that sleep in the dust of the earth will awake and when they wake up which means resurrected, Daniel saw 2 groups. He saw one group that resurrects to eternal life and the other one to eternal condemnation—eternal judgment. He saw 2 groups. I’m going to explain to you.

Don’t worry; 2 groups. Now look at one group. Verse 3 he says, “Those who are wise will shine like the brightness of the heavens, and those who lead many to righteousness, like the stars for ever and ever.” Isn’t that amazing? Daniel saw 2 groups. Focus here everybody. Focus on me. He saw 2 groups resurrected and he saw one group for rapture. They wake up—eternal life; they are taken into eternal life and another group for eternal judgment.

But among those that were resurrected for eternal life, Daniel again saw 2 subgroups. He saw those who are wise, they shine like the brightness of the Heavens. Let’s begin with those. Who are these people? Who are these people that are wise that shine like the brightness of the Heavens? First of all focus here. Look here everybody. When the rapture is near the LORD shows me only the fraction that is resurrected for rapture.

When Daniel saw he saw 2 visions like one. He saw those resurrected for rapture and those resurrected for judgment. But I want to tell you that between those 2 resurrections there is 1,007 years. Why 1,007? Listen here; after the first resurrection when now they are resurrected for rapture, there would be the first 3 ½ years of the tribulation and the next 3 ½ years of great tribulation—that is 7 years total. And then after that JESUS will come to Jerusalem with the raptured saints and He will inaugurate; He will institute the 1,000 years—the Millennium of peace when the devil is bound before the final day comes for judgment—1,007 years. At times when the LORD speaks it’s very interesting.

Many times when the LORD speaks with you be careful. He might show you 2 visions at the same time and only the HOLY SPIRIT can now help you to separate out; to discern them out carefully; to apportion you in their respective place. When Daniel saw he saw like it had happened at the same time. But when the rapture is near the LORD now shows me only those who will be resurrected for rapture.

Then the Voice said, “And the majority; majority have remained in the dust of the earth.” Listen precious people. But among those who are resurrected for rapture, Daniel sees 2 subgroups. Let us deal with the first subgroup. The first subgroup are those who are wise will shine like the brightness of the Heavens. Who are these? I’m sure you want to be like them so you can enter.

Turn with me precious people; you can write down before you turn there, you can write down the Book of Proverbs chapter 1 verse 7; Proverbs chapter 1 verse 7. But turn with me to the Book of Job chapter 28. Who are these people that the LORD celebrates as wise? Job 28 you can read the whole chapter at home but for the sake of illustration I’ll choose only a few verses

here. And He says, let's say verse 20, *"Where then does wisdom come from? Where does understanding dwell?"* They were looking for wisdom. They were saying, "Where can we go and find him and take him because the LORD celebrates him?"

The LORD celebrates wisdom so which means He says, "Anyone with wisdom that is the most precious. So we are looking for wisdom so if we find where he is we will take him so we can now be the LORD's people." Where then does wisdom come from? Where does understanding dwell? Verse 21, *"It is hidden from the eyes of every living thing, concealed even from the birds of the air."*—because you might think if it is not here on the earth it must be in the sky here. And He says it is hidden even from the birds of the sky which means it's not even in the sky. And He says, *"Destruction and Death say, 'Only a rumor of it has reached our ears.'"*

Destruction and Death that means even them they cannot tell where wisdom is. Ha, Destruction and Death! That means that when you have wisdom; those who have wisdom, Destruction and Death cannot even find them; cannot even reach them. They are hidden from him. They are hidden from Destruction and Death.

Then I have to get that wisdom. Even Death does not know where those with wisdom hide. He cannot reach them. Even Destruction cannot reach them. Then He says, *"God understands the way to it and he alone knows where it dwells, for he views the ends of the earth and he sees everything under the heavens. When he established the force of the wind and he measured out the waters, when he made a decree for the rain and a path for the thunderstorm, then he looked at wisdom and appraised it; and he confirmed it and he tested it. Then he said unto man, 'The fear of the Lord—that is wisdom, and to shun evil that is understanding.'"*

Do you see now the people Daniel was talking about? Wow! Wow! He says they are the Christians that walk in the fear of the LORD. Ha, ha, ha even Death cannot reach them. Even Destruction cannot touch them—does not know where they live. So now you understand what the LORD has sent me to tell the nation of Sweden. The LORD has sent me with a message to tell the people of Sweden and the nation of Sweden to return to the fear of the LORD because behold that is wisdom. The LORD, He has sent me to Sweden to ask a question, that "In your salvation, ever since you received the LORD, JESUS as LORD and Savior, have you really walked in the fear of the LORD?"

See now, I did not come to tour around. I did not come to slap your hands high 5 and then go away. I brought a most great message—a message of gravity; a message of life and death. The LORD is asking the church in Sweden, "In your salvation have you been wise? Have you lived in wisdom?" Because He says when the rapture comes, those who are wise they will shine like the brightness of the Heavens. Wow!

What are the hallmarks of wisdom? And He says the hallmarks of wisdom—the central hallmark; the most central characteristic of a people walking in wisdom is the fear of the LORD in their lives. I have brought the message of the fear of the LORD. If I look at the church in Sweden I see that there's no fear of the LORD. When I look at the church in Sweden I can summarize it in Europe but for now He's speaking to me about this church.

Now He is talking about Sweden. When I looked at the church, I almost cried. When I arrived here, I almost cried. Ohhh, it is very sad. I think we need to go back to basics of salvation. And you know because when I looked it looked to me more like sheep without a shepherd. Everything and anything under the sun goes in the church! There is a price that I think is paid when we get post-modern.

We become numb to the basics of the LORD because I think at times we may not even be sensitive to the LORD. Probably because everything is working so you don't see the place of GOD in your lives—the immorality, alcoholism, prostitution, drug addiction, all these happening. Then the question becomes, “Where are the shepherds?” In fact the LORD will not blame the sheep. He'll ask, “Where are the shepherds of the land?”—because the shepherds are the teachers of the LORD; when you teach you can lead the sheep in the right direction. So when I saw I wanted to weep in the public.

There is no fear of the LORD in the church. And the LORD has sent me to ask you this, “Ever since you became a pastor; ever since you began to minister before the LORD, have you presented the fear of the LORD to the church?”

How I wish the whole Sweden would be seated here listening to this. They would have made up their minds tonight. They would have followed Him tonight because I have seen the MESSIAH coming; coming for the glorious church—the church that lives in the fear of the LORD.

Ever since you became a Christian when you look at your life have you grown in the fear of the LORD?—because the BIBLE promises spiritual growth. If you look; instead if you look at the church of CHRIST in Sweden because for me it's different my heart breaks and I want to cry. I'm crashed and the burden is heavier for me because I have seen what the end revival looks like in Kenya! I told you we are now going to a big meeting 2 weeks from now and 1 week before the meeting you'll see people flocking into the stadium. We have to go in advance. We have to start security. We have to get the police force in the field.

We have to get everybody there, prepare for foods, to give food to the widows, with the babies. We have to rush in advance otherwise we'll be overtaken. When revival enters the land people enter the place of worship in the stadium and they don't leave. They simply don't leave. What shocks me because the LORD normally brings me to the meeting on Saturday and Sunday; but they have been there for 1 week; others 5 days and when you enter on Saturday, when the service begins, those people have already been worshiping from Thursday. So when the service begins they begin now to worship. And they worship the whole day standing because there is no space to sit; standing space; standing space!

At times you are amazed. Only GOD can keep His people like that—shoulder to shoulder. In fact they are pushing each other. Each one wants space and they are worshiping from morning to evening. And when we do the midnight service—the night service they are standing worshiping the whole night. And when I come on Sunday to do the final service they are worshiping from morning until the service ends.

In fact when the service ends we have to go there send a team to tell them, “It's over now. Go back home everybody. Hello it's ok now. Now it's over. It's over. Next time again.” It's as if you have to push them out. Blind baby eyes have opened, deaf born deaf ears have opened, crippled baby has walked, everything has happened already. The end revival is beautiful. You cannot touch. That's why we cannot even ask one offering.

No offering at all is taken in the meeting because that GLORY belongs to the KING. Only the KING can take that GLORY. You have to push them out. Then you find so many have no fare. You have to give them fare—“Where are you going? 500 is enough?—take. 200 is enough?” You have to; you have to; you have to help them. Some of them will be stranded there like 500. You have to find a church where they can sleep, put mattresses and begin cooking for them

until tomorrow take them to the bus so they can go. So for me the burden is great! When I walk in Nairobi and then people come large numbers, they stopped; they stop the streets.

The street is flooded. They say, "Salvation; salvation." I ask them, "How can I pray for you?" "Salvation; lead us to salvation." From one corner of the street to the other everybody comes, "Please come; only salvation. Lead us to salvation." So when I look at Sweden for me the burden is bigger because I've already seen what revival looks like. And when I see the country—the young men are walking around looking for beer in large groups, looking for sexual sin in large groups, going to pornography, going to drugs, what, alcoholism, everything under the sun, ohhh it breaks my heart because I say, "These are the daughters of the LORD! These are the precious sons of JEHOVAH! But where is the shepherd?"

There's a very big harvest that is happening now. I told Kenya, "If you receive this WORD, I see you breaking the walls of the church." And the bishops laughed at me until their teeth became whiter than white. "Ha, ha, ha, what kind of prophecy is that? Do you know how much it cost us to build this house?" The pastors laughed. "Do you know for how many years this house has been standing here and you are saying that you see us breaking the walls?"

Right now they broke the walls; those who followed repentance that prophecy was fulfilled. Today if you hear them talking you will laugh. Me when I hear I laugh because now I see the LORD's fulfillment. I said, "Tell me pastor how is it?" "No, you know I was preaching then the church was so full. There was nowhere. People were sitting even down by the altar; also on the altar. Then I found out that there are more people than inside—outside standing listening out, from through the windows. So we have to break the wall and we are just using the tent now so we keep stretching."

You cannot do any wall anymore. For me the burden is bigger because I have seen the end revival. I have seen the cripples stand and walk and fall; standing and learning and walk and fall and crying and laughing at the same time. It's incredible sight. It's incredible sight—standing, walking and falling and crying and laughing at the same time until they are stable and then they walk and they do like this as they are walking and they are walking and walk away and run. Ha, ha, ha! Doing 2 things—2 antagonistic things at the same time—crying and laughing; walking and falling and just coming back and trying again; the legs have never walked before. The end revival no man can envisage; no man can imagine; yes, can imagine, right? That's why when I see Sweden my heart is broken because the end revival all the millions of people gathered receive JESUS of Nazareth until I began to train pastors. And listen to this. One time I attempted to do baptism of the new Christians. I was in water for 3 days; 3 days and tumors dissolved in that water, cancers dried in that water; the deaf ears opened in that water.

It was incredible; incredible; incredible; incredible; incredible—5 times! I was in water until my skin started becoming totally pale; whitish skin—water bleached; until the time we finished the other buses were arriving. They said, "We have just arrived." Then I said, "No, no we have to; I have to go now. I have to leave." The hunger for righteousness, the hunger for holiness, when the LORD GOD ALMIGHTY opens Heaven in a land and that is what is promised in the end revival in [Haggai chapter 2 verse 6](#); [Haggai chapter 2 verse 1](#) onwards. In fact what you need is [verse 6](#) to [10](#) but for [verse 1](#) you see the disparity.

He says from [verse 1](#), "*On the twenty-first day of the seventh month, the word of the LORD came through the prophet Haggai: 'Speak to Zerubbabel son of Shealtiel, governor of Judah, to Joshua son of Jehozadak, the high priest, and to the remnant of the people. Ask them,*

*'Who of you is left who saw this house in its former glory? How does it look to you now? Does it not seem to you like nothing?'* Listen precious people.

When they worshiped the GLORY came down. When they worshiped the GLORY always visited Mount Moriah, when they sacrificed. In fact the GLORY would be so immense on the Ark of the Covenant of the LORD that at times visibility would be reduced. And then they fell to sin—compromised. When the sanctuary of the LORD began to face decay; decay; decomposition and then when He came to ask those who had seen the house in her former GLORY, “Who of you is left here that saw this house in its former GLORY?” And they wept. The elders of Israel wept. That is when they realized, “Oh we have fallen. We’re sacrificing and the GLORY is not coming in.” I am asking the church today: The first sanctuary church I saw. The first sanctuary church you know where Paul was an Apostle; Peter was an Apostle; Apostle John was in that church and all the other servants.

That church we know; we see it here. And they walked from place to place. And they walked listen; they walked CHRIST JESUS of Nazareth. When they walked they walked CHRIST JESUS crucified. When they preached, they preached JESUS crucified and resurrected. They were CHRIST centered church. When they went to eat they ate CHRIST JESUS crucified. When they went to sleep they dreamt CHRIST JESUS crucified and resurrected.

When they woke up they woke up CHRIST JESUS crucified and resurrected. The testimony of their tongue was CHRIST JESUS crucified on the Cross and resurrected. “Hey, give me some things. Give me some coins for porridge. I have not eaten porridge since morning.” And he said, “Hey, gold and diamond have I not. Silver have I not. But the CHRIST JESUS I have I give you. Rise up and walk.” And he stood up and walked home.

That church I can see. Paul was going from Thessaloniki to Jerusalem and he passed through Caesarea Philippi and he found a meeting like this. And there was a prophet sitting in that meeting. He was sitting at the place. Immediately Paul came he had seen the vision. He took Paul’s hands and he tied him. And he tied him very well. And he asked him; people were shocked. But he asked Paul, “Jerusalem, are you still going?” And Paul laughed.

He laughed. It was funny to him. He said, “When I was leaving Thessalonica, I have seen that dream. I saw that when I’m going to Jerusalem I’m going to be imprisoned for CHRIST JESUS.” And he said, “Jerusalem, I am indeed going. If it is jail let me enter jail for the LORD. If it is suffering let me suffer for the LORD. The LORD suffered and died for us.” That church was willing to die for CHRIST.

But at times for you here, “Hey don’t mention homosexuals. They will do bad things to you. Don’t do that,” you say like that here. Who will stand for CHRIST? If it is death, let me die for CHRIST. That is worth dying for. How beautiful to die for Him! “Oh, oh, oh, don’t touch those people. Don’t touch them. Don’t mention anything about them as you are preaching” instead of telling them homosexuality is sin!

“Jerusalem, I am still going.” The first church I saw. What happened to this church in Sweden, in Europe? Now you find that, “Oh you see we cannot pay the bills so during the week we have to rent the church to the bar and on Sunday we use it as a church.” You break my heart. What is wrong? What is wrong? What is up in the House of the LORD? Excuse me! What is up in the House of the LORD? What is wrong?

They cannot pay the rent. They cannot meet the rent; they cannot pay and so during the week they come they have to rent as a bar. And the devil will make sure it is a bar. “And on

Sunday we will meet there.” What has happened to the House of the LORD? How very sad! I told you my heart is broken when I look at Europe. I’m shocked! And some; some of them they even sold the church and those people rented the church and turned it into a bar. They bought it and then they left the Cross and when you ask them they say, “No this we left as a souvenir.” I told you my heart is crushed. How very sad! What happened to the church here? Christianity began from Europe and went to Africa.

The LORD used you to bring light to Africa. But now who has bewitched you? Why do you leave the Cross? They are drinking bars with women and alcohol. In Netherlands for example they say, “No we left the Cross because we wanted to leave a message that in the beginning JESUS chased the businessmen from the church, but in these last days we have chased JESUS from the church!” Excuse me!

What happened to Europe? You brought salvation to Africa. You brought the light, the GOSPEL. They were worshipping the sun, the moon, the trees, the mountains and then finally you told them, “No, no there is GOD. His Name is JESUS.” But finally what has happened to Europe? Who bewitched you finally? When the grand finale is near; the entry now you are bewitched.

The first church I can see. They were centered on CHRIST. Look how they are sitting here and yet the LORD has sent such an important message—“Return to holiness; prepare the MESSIAH is coming.” The church cannot even receive the message of the coming of the MESSIAH. “No, no, no we are so busy we have other programs in the church.” She’s so busy she cannot even; with the program she cannot even listen to GOD. And that’s why the LORD has sent me. He showed me that vision that I may come and speak to you and ask you, “Have you really walked in the fear of the LORD?” And if you walk in the fear of the LORD, the fruit of your salvation; the fruit of your salvation becomes the light of CHRIST in your life.

So people can see and they are looking for solutions everywhere today. They will come to you and say, “Please can you help us. Our sons are committing suicide every now and then. But for you I see your sons are happy. In fact they are so joyful everyday. They are not even with HIV AIDS. They are not in sexual sin. Help us. Then they are always successful, your sons. What is your secret?”

Then you will tell them; you’ll ask them a question, “Have you heard about the JESUS of Nazareth? He is the one inside us. We by ourselves we cannot manage.” And in that way they say, “You mean JESUS helped you? Then I want that JESUS you are talking about.” In that way you will evangelize. And then Daniel says, “Those who led people into righteousness they were brighter than the Heavens. They were like the stars forever and ever. They were like stars forever and ever.” What is the meaning of that? In [Daniel 12](#) that we just read that vision when the LORD showed me how the dead will rapture on that day listen to me.

[Revelation chapter 22 verse 12](#) He says, [Revelation 22:12](#), as you are there we read. [Revelation 22:12](#) He says; the last Book in the Book of Revelation—the last chapter, [verse 12](#) He says, “Behold, I am coming soon! My reward is with me, and I will give everyone according to what he has done.” You see that those who are wise, they enter the KINGDOM of GOD into the rapture of the church—into the Wedding Feast of the LAMB.

But those who lead people into righteousness, they are even brighter like stars forever and ever. So the LORD has sent me here to ask you, through this vision there is a message. There’s a message to Sweden through this vision. What is the question the LORD is asking? The

LORD is asking the people, the Christians in Sweden, listen: “Ever since you became Christians, have you led people into the righteousness of GOD?” Ah ha! There you go!

Ever since you became a pastor, have you really people into the righteousness of the LORD? Sometimes when you look at the sons and the daughters of pastors, they are like the sons of Eli. They don’t reflect the priesthood. In fact at times they are worse than the other normal children until people say, “Wow! I don’t know which GOD he preaches but I don’t want that GOD because look he cannot even deliver his own sons.” Some times when you see the way pastors behave; when the non-Christians see, they see the way pastor is behaving with girls in the church, they don’t want to receive JESUS.

They say, “That man we hear his stories with women in that church.” The LORD has sent me to ask you a very important question, “Ever since you received JESUS in your life, in your salvation, have you led people to the righteousness of the LORD?” You do crusades or you go in the streets to evangelize, people receive the LORD, where are you taking them? At times you bring them to the church and then they are confused. They say, “Oh, I was running from the world because my husband went to immorality and divorced me. And I said let me come here to find peace. But now I found immorality here!”

They become confused. The way you evangelize is by receiving the WORD and living the WORD; doing the WORD that when people see the works of CHRIST in your life they will want the GOD you serve. That is true evangelism. They call it, “Walking the talk.” Please this is a wake up call to the church. Let me finish with that conversation when the LORD showed me how the dead will rapture.

Isaiah 26 turn with me there precious people. I found out later that the LORD had shown the same vision to the Prophet Isaiah and what does it say? Isaiah 26 verse 19; Isaiah 26 verse 19 Isaiah saw the same vision of rapture of the church. Verse 19 he says, “*But your dead will live; their bodies will rise. You who dwell in the dust of the earth, wake up and shout for joy. Your dew is like the dew of the morning; the earth will give birth to her dead. Go, my people,*” again my people; again my people, “*Go, my people, enter your rooms and shut the doors behind you; hide yourselves for a little while until his wrath has passed by. See, the LORD is coming out of his dwelling to punish the people of the earth for their sins. The earth will disclose the blood shed upon her; she will conceal her slain no longer.*” What is the message to the church in CHRIST of Sweden? Listen precious people.

When Isaiah saw the same vision the LORD showed me, how the dead will be raptured, he advances a message to the church in Sweden, the church in Europe, in Netherlands, in Belgium. He advances a very critical message. Number 1 Isaiah celebrates the morning dew. “Your dew is like the dew of the morning.” You know the way the morning dew is fresh. When you walk through the garden and you see the big leaves of vegetables and when you look at the dew, the big drops of dew on the leaves, you feel like drinking it. It’s so fresh and cold and clear, clean water.

It is so fresh—the morning dew, very fresh. He says, “Your dew is like the dew of the morning. Shout for joy.” What is this dew that Isaiah celebrates? This is the latter anointing that was to visit the church. This is the latter outpour, the latter rain of the HOLY SPIRIT that was promised to visit the church of CHRIST and I’m so amazed at the value of that latter rain. That rain is not for Hollywood show “Hey, look, look what I can do.” It’s not for that!

That latter dew; that morning dew; the morning is midnight. The morning comes at midnight. Right? The morning comes at midnight. The morning has arrived. So the LORD is talking right before the midnight hour when the MESSIAH comes; but when you look at the value of that dew He says when the morning dew comes, the earth cannot conceal her slain any longer. The earth cannot hide the people that were killed on her any longer.

The earth cannot conceal any blood that ever dropped on her. Any blood that dropped when the morning dew comes will expose and say, "Look, look someone was murdered here. Look, blood dropped here. Look, look someone was murdered here." The earth cannot conceal her dead any longer—her slain any longer when the morning dew comes. Every blood that ever dropped must be exposed. What is the meaning of that?

That means the purpose of the latter visitation of the HOLY SPIRIT in the church is meant to expose sin; to expose all and every sin! When sin has been exposed, when you have called it by name, when you say, "Homosexuality is sin! Lesbianism is sin! Drunkardness is sin! Prostitution is sin! Drug addiction is sin! Lying is sin! Witchcraft is sin! The eastern religions are sin!" Then the people will see the need for repentance.

So the latter GLORY is meant to ignite, to fire the spark, to spark up the massive end-time repentance revival. *Pia!* To open up like a spark, *pia* to spark up, to ignite the end time revival of repentance because all of a sudden you say, "Oh, I've been naked. I cannot go to church like this anymore. I did not know I've been naked. I did not know I was inappropriately dressed before the pastor." And then you will begin to repent and it will help the church to rare itself towards the coming of the LORD; even the pastors when the latter GLORY comes, you cannot hide sin!

A member of the church will come and say, "Pastor yesterday I saw a dream. In that dream I saw that you were walking with gumboots with mud and you entered here with mud and gumboots; gumboots with mud, soil, muddy soil and you entered here and you walked like this, like this and then you walked away." Joel chapter 2 verses 28 to 32 He says, "Afterward, I will pour out my SPIRIT on all men even your sons and daughters they will see visions and they will dream dreams; even unto my servants both men and women, I will pour out my SPIRIT in those days." What are those days?

These are those days. Why? Listen to me because I have seen the earth after the rapture. The LORD showed me the earth after the rapture. And after the rapture, the earth was covered with complete darkness. And then I woke up and asked the LORD in a prayer and said, "LORD why was it so dark?" Listen to me. Why?—because you the church, you are the light of the world. The church that is holy and righteous you are the light of the world.

So if you walk on the earth, then there is light on the world; on the earth. Your light shines to the dark world. Listen to this. At rapture the church, the light of the world is taken away. Then darkness has to befall. That's why JESUS said, "Let me do the work of He that sent me because the night is coming when I will not be able to do this work." But listen to this. When the church is taken, the Book of 1 Corinthians chapter 6 verses 12 to 20; 1 Corinthians chapter 6 verses 12 to 20 he says; he talks about sexual sin. But later on verse 18 to 20 he says, "Don't you know that your bodies are the holy temple, the holy tabernacle of the HOLY SPIRIT" which means your bodies are the holy dwelling of the HOLY SPIRIT.

That means when the church is taken away, the light of the world is taken away. That means also the holy habitation of the HOLY SPIRIT is taken away. And that means even the

HOLY SPIRIT is taken away. So when He says, “In those day I will pour; I will pour my SPIRIT,” those days are these days. These are the days when the LORD is preparing the church for the KINGDOM of GOD and He is using the mighty works of the HOLY SPIRIT.

And when you see Isaiah celebrating the morning dew that morning dew is for purposes of preparing the church for the coming MESSIAH; for restoring the church; reforming the church; rehabilitating the church; renovating the church and appraising the church and validating the church; validate her. When that GLORY comes, then you see the church taking her watch adjusting the time say, “Hey, hey let me validate my time now. I did not know time is gone”—validating the church! That’s why he says when the morning dew comes the earth cannot hide any blood that ever dropped on her.

She cannot hide anyone that was ever slain here—the morning GLORY; the morning dew. But I want to celebrate something else. When Isaiah saw the same vision the LORD showed me on the rapture of the dead, listen to this precious people. He saw some doors. He saw some doors and some rooms. Turn with me to [John chapter 14 verse 1 to 3](#).

[John chapter 14 verse 1](#) when JESUS Himself talked about the rapture of the church, before you read it look at this revelation. Look at this revelation. This was a very distressful time for JESUS. This was the time now when He was bidding farewell to His disciples telling them, “Thank you so much. Thank you for being with me. Thank you for the good work.” And they were very worried. But what amazed me that time Judas was not here in this room.

Judas was not here in this room. He had gone to prepare to come back with those guys. That is when the LORD spoke about the rapture. Be very careful. You can walk with the LORD, walk with the LORD but if your heart is evil, the moment you step out to do that evil He releases the secret eternal to His KINGDOM because He says, *“Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.”*

“You know the way to where I am going.” You see how the LORD talks about the rapture? He said, “I am going but I will come back and take you. I am going to prepare some rooms for you.” These are the rooms Isaiah saw in that vision. When he saw the rapture, he saw them entering—the, [my people](#), “Go [my people](#)” enter your rooms; [my people](#); if I were you I meet my people I underline. So he said, [my people](#), “Go, [my people](#) enter your rooms and shut the doors behind you; [my people](#). Go and shut the doors behind you.” Isaiah saw the raptured saints, the elect—the holy elect of GOD entering their rooms.

Isaiah; Isaiah saw the holy saints the holy saints entering their rooms; he saw the holy elect of GOD—“[my people](#)” entering their rooms and shutting the doors for a little while—7 years. Be careful. These are the rooms JESUS went to prepare for the church. [Matthew 24 verse 36](#) on we are going to read it later; I’m just; mark it. He says; He starts by saying, “No one knows the day or the hour; not even the angels or the son of Man.”

And then He says, “Like it was during the time of Noah, so will it be at the coming of the Son of Man.” The time of Noah [Genesis chapter 7 verse 16](#); the time of Noah [Genesis 7 verse 16](#) that is how it will be at the coming of the Son of Man. He says [Genesis 7:16](#), *“The animals going in were male and female of every living thing, as God had commanded Noah. Then the LORD shut him in.”* I like the Spanish version the way they put it in Spanish because in Spanish they

say, “*El Señor cerró la puerta.*” Isn’t it? Which means they even mention, they say, “The LORD shut the door;” they mention the “door.”

They say, “And the LORD shut the door.” Everyone entering in after that the LORD Himself shut the door, not Noah. Noah did not shut the door. The LORD Himself shut the door. When you look at [Matthew 25](#) we are going to handle that in the next few seconds; [Matthew 25 verse 11](#) when JESUS was talking about the rapture, JESUS Himself [Matthew 25 verse 11](#) and He says [verse 11](#); [verse 10](#) He says, “*But while they were on their way to buy the oil, the bridegroom arrived. The virgins who were ready went in with him into the wedding banquet. And the LORD shut the door.*” You see what Isaiah saw?

There is the shutting of the door. Like it was during the time of Noah, so will it be at the coming of the MESSIAH. At the time of Noah there was the shutting of the door. At the time of the coming of the Son of Man, there will be the shutting of the door. Precious people do you understand this? If you know that the door will be shut, then now when the door is still open, you need to prepare very well such that when the rapture comes you are taken and the dispensation of the grace disappears. The dispensation of grace will be taken away. If you want to know the characteristics of [my people](#); you know He celebrates [my people](#) all the time. He celebrates [my people](#) all the time.

The Book of [Zechariah chapter 13 verses 7 to 9](#) He describes the “[my people](#);” [13 verse 7 to 9](#) and He says “[my people](#)” is a remnant church that the LORD passes 1/3; it’s left 1/3 remains, the remnant church. Only 1/3 remains. Then that remnant 1/3 the LORD passes through the fire of the HOLY SPIRIT. And He says, “And I will refine them like silver and I will test them like gold.” The “[my people](#)” is a remnant church.

I don’t have time to read the whole of Zechariah. I’m just summarizing for you because there is something deep. I want to discuss the vision of the Clock of GOD. Now I know the people the LORD is fond of saying “[my people](#); [my people](#); but [my people](#) I will deliver. That [my people](#) enter the rooms while the judgment comes” that church that is a purified church; [2 Corinthians chapter 6](#) that church is a separated church.

When you say saints, what does that mean?—the sanctified ones; saints—sanctification means being separated for the LORD. I’m already giving you the little understanding about whom the LORD calls [my people](#). [2 Corinthians chapter 6 verse 14 to 18](#); [verses 14 to 18](#) you’ll never forget this day in your life.

[2 Corinthians chapter 6:14 to 18](#), “*Do not be yoked together with unbelievers. For what do righteousness and wickedness have in common? Or what fellowship can light have with darkness? What harmony is there between Christ and Belial? What does a believer have in common with an unbeliever? What agreement is there between the temple of God and idols? For we are the temple of the living God. As God said: ‘I will live with them and walk among them, and I will be their God, and they will be [my people](#).’” And He says further on, “‘Therefore come out from them and be separate, says the Lord. Touch no unclean thing, and I will receive you.’ ‘I will be a Father unto you, and you will be my sons and daughters, says the Lord Almighty.’” You see that? How awesome! How beautiful! So now we know the church that will enter; now we know.*

That church is going to be a separated church, consecrated by the Blood of JESUS and set apart. She is not mixed with the world—the things of the world. And He says that church

she cannot mix righteousness and wickedness. She cannot. Righteousness and wickedness she cannot mix together.

She says that church she cannot mix light and darkness. But when I look at the church of CHRIST in Sweden, there is a problem in Sweden. There is a big problem in Sweden. Listen to this. Why is there a problem?—because the church has become lukewarm. They are not hot; they are not cold. And the LORD says, “I will puke you. I will spit you.” The church has taken a bit of the world’s things and a bit of GOD so she has mixed them and she’s comfortable now.

How can you mix righteousness and wickedness? If you want to enter the KINGDOM of GOD make up your mind today that you are going to perpetually walk from today in complete righteousness, period and the HOLY SPIRIT will help you. He will really help you precious people. When you choose to; let me tell you the beautiful thing about CHRIST, oh He makes me smile. The beautiful thing about the LORD we serve—that once you are willing, He does the rest. Once you are willing that I want to choose holiness, then JESUS will send the HOLY SPIRIT to help you now. Everything will fall in place.

The same thing I was telling the people of Kenya. You know when I came there they said, “No, no, no, no that GOSPEL he’s preaching is very difficult.” And I said, “Repent the judgment of GOD is coming. Repent.” “No that GOSPEL he’s preaching is too hard because it’s too holy. We are not JESUS; how does he expect us to walk like that?” They said, “We are just mere human beings. But how can you resign to sin?”

The same HOLY SPIRIT who helped JESUS is available. So once you are ready the same HOLY SPIRIT will help you. He will teach you which dresses to wear, which not to wear. I’m not talking about dress. I don’t want to talk about dress in Sweden. I don’t want. I don’t want to talk about clothing. Let the HOLY SPIRIT help you. I don’t want to get there. But I am saying He will tell you even what TV programs you cannot watch.

He will even tell you what friends you cannot have because some friends will pull you away and away from the LORD. Once you are willing GOD ALMIGHTY will always complete the work because He promised the HOLY SPIRIT. Precious people the church that is called “my people” is a separated church. I want you to interrogate your life today—your salvation and ask yourself, “Am I living a separated life? Am I living a righteous life or I have mixed the world with light?” You may think that that one beer every night does not do harm. But let me tell you. I know of something called addiction.

The devil uses addiction a lot. He creeps into your life very slowly—incognito and the other moment you are shocked you are addicted to that beer. Even pornography the devil uses addiction. You start slowly then you find he has caught you there. Even drug abuse the devil uses addiction. Let me tell you this. When a thief is going to enter this house, he comes and then he tries this door at night.

He tries at night and says, “Eh.” He says, “Eh, they left it open.” So he enters through the door and he goes slowly to look for gold or good things in the house. And then he steals and goes away. Listen. Listen to me. When the thief comes back a second time he will always check the same door. “Have they still left it open?” If he finds out, “Hey they have left it open” and he will always come back through the same door.

If you know that these 2 beers is a problem, shut that door. Once you shut the door when the devil will come says, “Eh, it is shut. He shut it. He’s wise. This one is wise. Let’s leave him alone. Let’s try another one.” When you shut that door then the devil he will always try the

same door that he used to enter in your life. But when he finds you have closed it, he says, “Ah, this one is wise now.” Always close that door!

It may be a TV program showing pornography. In Europe pornography; pornography in Europe is a very big thing. Alcoholism is very big. Drug addiction and depression you can close that door and the devil will flee away from you. Resist the devil and he will flee because you have the HOLY SPIRIT and so what I’m saying is that you can live in holiness because the HOLY SPIRIT can help you. You can be young men with fire for CHRIST.

You can be the young men that are saying, “No we will maintain our purity for the LORD. For us we will maintain our purity for the LORD.” And all the other young men, their parents will tell them, “Why are you not like those young men?” That’s what their parents will tell them because somehow they will see that you are upright young men; upright. You are not perverted. And you are helping the community.

You become a role model for the children. You meet children you counsel them. You meet them you say, “No, no, no you people. Let us live Christian lives—holy lives. Let us be righteous.” And the neighborhood will know about you and many parents will tell their kids, “Why are you not like those kids? They are righteous. They are just upright. They are not perverted. In those bad places you don’t find them. You cannot find them in bad places” because you will be walking in the wisdom of GOD. You can do it as young men. The hottest revival church is the youth church. But today the youth church in Sweden has become a place to go meet girlfriends.

So we can change it around by the help of the HOLY SPIRIT and give the zeal and the fire for the LORD in the hearts of our children; the zeal for the LORD. So you’ll dress right. You will not allow tattoos on your bodies. I don’t want to talk about things. And then you will not punch your ears and what. I don’t want to talk about these things please. I don’t have time. Right? But you will not allow punching youth, tattoos here, earrings, what.

I worked in Chicago for sometime. I know what happens on the south side of Chicago; on the south side of Chicago and what each of those things mean. So please I don’t want to go into these things. All I’m saying let us preserve ourselves unto the LORD. And when you want to get married if the LORD tarries to come, you go to the pastor and say, “Pastor, I feel I want to get married now. Can you help me? I don’t have a girlfriend. Can you help me to find the right girl?” And the pastor will be so blessed because the devil has not led you to that marriage. He will give GOD a chance in the church and you will meet other parents and they will meet your parents. And the pastor will counsel you people and teach you the Biblical basis of marriage, the holiness of marriage, the holy matrimony and when the 2 like each other, they will be let me tell you—holy and right before the LORD.

But if the church does not step in to help the youth, the devil will step in to help them. And you’ll find them running around with boys, with girls. They say they are looking for husbands, wife but they will be towards the path to death. Precious people you have a very big role in the society. You can teach the real example. And such marriages GOD blesses. And then you can help other young couples, the youth in the church; so we don’t end up with this massive drug addiction in the church, so we can refuse this massive prostitution and violence that’s going on among the youth, so we can help the society.

The church is supposed to be the light of the society. Even the youth have a role. And you know it is beautiful to see a young—the youth who have the zeal for CHRIST. Every

Wednesday you see he carries his guitar. He's going for worship. It's beautiful to see that. It's awesome; absolutely beautiful. And you see him coming from there on Monday he goes to university and his life is together.

HIV AIDS cannot find him. Drug addiction cannot find him. No danger, alcoholism, you don't find him there. You become a citizen of great standing in society. That is what JESUS can do. So the time for revival is now. I have seen the MESSIAH coming. Can I read for you 10 points quickly and I run out; right; just reading, reading, I'm not going to do Scripture; just reading, right? I read; those I read.

The first point "How you'd be able to live as a wise church?" How do you live as a wise church? The elect of GOD, the youth this is important for you and everybody else. Number 1: **Seek first the KINGDOM of GOD**; and there are many Scriptures I can give there if you want. If you are writing I'm going to give them. Again what I'm saying, "How do you turn your life from here until you make sure you are the raptured church?" Number 1: Seek first the KINGDOM of GOD—Matthew chapter 6 verse 32 and 33; 1 Corinthians chapter 2 verses 6 to 16; Luke chapter 12 verse 41; Deuteronomy chapter 4 verse 24; Jeremiah chapter 29 verse 13. Now I am spoon feeding you. Hebrews 11:6.

Point number 2: **Love the LORD your GOD with all your heart, your soul, your mind, and your strength**. Look at number 2. Love the LORD your GOD with all your heart, your soul, your mind, and your strength. The following Scriptures—Deuteronomy chapter 6 verses 1 to 9; John 14 verse 15 to 21; Nehemiah chapter 1 verse 5 to 7; Daniel chapter 9 verse 4.

Number 3: **Give the LORD your GOD your first fruits**. That is not financial. That is not money. Remove money out of this. Give the LORD your GOD your first fruits. For example the youth when you are just you are growing up now you have your first strength. You have the strength of the youth; the BIBLE talks about your youthful strength; the strength of the youth, do you give it to the devil first?

I thought you give it to the LORD your GOD by worshiping and serving the LORD with your youthfulness, your strength, your first fruits, your first energy, your first **eminent, (3:12:40)** your first mind, everything. When you have just become aware as a youth you are now strong, the first place you are in the House of the LORD. You see that? Give the LORD your GOD your first fruits. It does not matter what it is.

It might be your first project you want to do and you say, "Let me go to the pastor and ask him if he can allow me. I want to paint this wall is not good. That's my first effort. My first effort I have just come back from college and I am in vacation before I go to another level and I'm in vacation waiting for results my first effort I want to take a mower and be mowing the church compound."

That young man is absolutely awesome. You find him cutting the—preparing the grass, the flowers of the church. He's mowing. He's collecting the grass and in the evening he's on his bike going home. When the mother sees him she cries; she says, "Oh my son." She looks and cries. Or maybe just cleaning working with the pastor to clean up the church. Every weekend you have a part you clean. You wax it. You move on until you finish or whatever it is.

Give the LORD your GOD your first fruits. Never give the devil your first fruits. And the Scriptures for that is Exodus 34, yes verses 19 to 22; 1 Samuel chapter 1 verse 9 to 11. Me, I remember when Hannah gave to the LORD, Samuel. She cried for a baby for many years and when she got, she just gave it to Him and then the LORD blessed her with other kids. And look

at what a mighty blessing he became. And so the other Scriptures [Numbers chapter 6 verse 1 to 21](#); [Numbers chapter 6: 1 to 21](#); [Matthew 3:8 to 10](#); [Matthew 7:16 to 20](#); [Colossians chapter 1 verse 10 to 15](#); [Ephesians chapter 5 verse 11](#).

Point number 4: **Serve the LORD your GOD wholeheartedly before taking up more responsibilities, the youth.** For the youth serve the LORD your GOD before you take up bigger responsibilities in your lives because later you have marriage, you have what, you cannot serve the LORD your GOD the way you want.

But for the other people number 5 is yours. **Be totally available to the LORD your GOD.**

Number 6: **Don't seek the approval of men but of GOD.** Don't seek the approval of men but only of GOD. What a beautiful church you can become/person you can become seeking the approval of only GOD. You will become a citizen of good standing in the nation because everything you do, you'll be doing in the context of righteousness; right. "I want to do what is right in this society;" right, all the time right. No breaking the law. Again number 6 he says "Don't seek the approval of men but of GOD." [Galatians chapter 1 verses 6 to 10](#).

Number 7: **Learn to stand alone even within the church.** Ha, ha! Learn to stand alone even in the church. When you come to the church and find that there's sexual sin in the church, should you also fall to sexual sin? No! You stand alone. Be able to detect things that are right even in the church because at rapture you will not be taken up as a church. You'll be taken up as a person. So learn to stand alone even in the church. In that way you are not swayed by the wind, the peer pressure. When you ask the youth, "Why did you go into drugs?" "But you know my friends were also doing drugs."

Make sure you learn to stand alone. At times the friends will reject you, but you'll stand with the LORD. Look at me. When the LORD called me, He made me stand alone because I cannot get into the other ways of the pastors. They are corrupting. They are looking for money. The other ways of the pastors they are corrupt. They are involved in a lot of immorality and everything else—the other pastors. Instead the LORD tells me, "Greet, tell them to repent." I see a lot of things globally. So learn to stand alone even inside the church. If you are standing on righteousness and some people are trying to force you by peer group pressure to do other things just resist and stand alone. Rather you disappoint all men but you please the LORD!

That means you can spend time reading your BIBLE when you are alone, modest dressing in the church and outside. You can just stop dating if that dating is immoral dating, dating, just shut it down. Stop it because you'll jump on one boyfriend today; next week you have another boyfriend. You will get disease. You might die. Just stop dating and say, "LORD I am waiting for a husband." And the LORD is always faithful. When the time comes He will say, "This is the right man because he is GOD fearing." Choose your friends wisely. Spend some time in prayer and fasting.

I want to go to number 8: **Fellowship with people going in the same direction;** fellowship with people heading in the same direction. What is the point fellowshiping with people who are leading you in another direction? Always make sure when you are heading towards the KINGDOM of GOD all your friends are heading with you that way not one of them is pulling you this way. You are drinking getting drunk on Friday and you feel bad on Sunday and yet on the other day you are crying to the LORD you want to head this way. It tears you; immorality, whatever it is. So number 8 [Proverbs number 13 verse 20](#) is very good for you.

Proverbs 13:20 can you read it; 13; 13 verse 20: Fellowship with people going in the same direction. Read it very loud. HALLELUIYA!

Number 9: **Maintain an eternal perspective and value system by setting your hearts on the things above.** Maintain an eternal perspective and value systems by setting your heart on the things above. Remember the children of Israel when they were walking in the wilderness and they were lost. And when the LORD raised above them the cloud at night it was fire and when they set their eyes and their hearts on that—above the manna came from Heaven, they ate. They walked for 40 years they never needed a dentist. They walked for 40 years their clothes never got torn. They walked for 40 years their shoes never got torn.

They walked for 40 years they never needed to see a doctor, just examination or whatever because they set their hearts on things above and also that led them into the Promised Land. Now the 2 Wedding Rings are right above you here.

Focus your heart on the Wedding. There is an outpour here. Heaven is open and the GLORY is coming out in clusters. Focus your heart on this GLORY that is pouring right now. You'll never miss the KINGDOM of GOD. And He says, Matthew chapter 6 verse 19 to 21, *"Don't store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moth and rust can not destroy, and where thieves can not break in and steal. For where your treasure is, there your heart also will be."*

I'm finishing there in the next point. For example some of the things you need to do under that point you go to hospitals you help the sick people; you go to elders homes. You wash them. You read them a BIBLE. You clean their rooms. You arrange their rooms. You bring fresh water there. You clean out their glasses and their cups. You sterilize for them. If it is in the villages of Kenya, and Nigeria or Congo—go fetch the water for them and clean up the house and mow the grass that the snakes may not enter and hurt the elderly and when the house is leaking—the widow, climb up get fresh grass thatch it very well for the widow.

Even in Sweden you can grass thatch for the widows. When you enter there maybe she has a broken chair that she wanted to take for repair and she did not know how. That is grass thatching for that widow. Maybe she wanted one day to paint her house, but she did not know how; she did not have the money. That is grass thatching for the widow and the poor person in Sweden and then go to prison and read the BIBLE to them. And you see because the LORD said, "When I was in jail you did not visit me." The LORD says, "When I was hungry you never fed me." I can tell you openly what the LORD does.

Normally the LORD shows me very poor people in the streets of Kenya before I leave the country I go to the streets. I don't know why every time when it's one day to go out of country He shows me a dream of this very poor children trembling like this in the cold of the night and no food, no nothing. So I weep. When I woke up I wept very hard until I looked for them and I found the baby; the exact baby. Maybe you don't have homeless people here. Maybe you have but you can prepare some soup—hot soup and start serving them with bread. You can go and get some baby, dress them and give them some warm food. You never know whom you are serving.

Number 10: **Be an example others can follow.** Be an example that others can follow. That is responsibility which means you want to make sure you do things right because others are following you. If the church had done this; if the church had become an example that the

nations can follow how big would be the revival! Diligently seek and serve the LORD your GOD; talks about serving diligently.

If you are given work in the church—diligently; diligently; diligently serve the LORD your GOD. That means have the fear of the LORD reverent as you serve Him. The current state of apostasy in the church is because the servants of GOD have not feared the LORD. If they had feared the LORD all the pastors of Sweden would be sitting here. The pastor of every church in Sweden would be sitting here now.

They would be saying, “The GOD I serve, He has sent a messenger with a message either I fear my GOD. I have to be there and hear, ‘What is the GOD of Heaven saying?’” But look they are not here. And when they are not here I am so happy because my reward in Heaven remains the same because I faithfully came to Sweden and I delivered the WORD and I went away. When they are not here, then I know surely the church in Sweden has fallen. They cannot even listen to the LORD when the LORD speaks which means they have fallen away from the LORD to the extent that they don’t even care about the LORD. They are busy with other programs.

Listen to this now, the last one says—Let JESUS CHRIST be the perfect example. Again, let JESUS CHRIST be the perfect example of singular focus; singular focus; singular on GOD the FATHER. So let us learn the way JESUS focused on doing the work of GOD. Always He said, “My FATHER; I don’t say Myself. I do what My FATHER says. I do My FATHER;” All the time, “My FATHER; My FATHER;” if the church learnt that the church will be a glorious church.

Stand up let us pray. I think those things will help you because for me I am finishing my visit into your precious nation and I’m beginning to develop my bearing—my direction towards the airport—Arlanda Airport and then I’ll live the land. I am beginning to prepare to leave that’s why I am giving you these points that when you catch these points you will enter the KINGDOM of GOD please.

FATHER in the Name of JESUS nobody has spoken to these people about the coming of the MESSIAH even what they need to do to inherit the KINGDOM of GOD. Precious FATHER thank you; thank you; thank you in the Name of JESUS. AMEN.
