

Vision of the Raptured Saints

29th August 2009 Night Vigil

Prophet Dr. Owuor

Halleluyah. What a mighty blessing tonight. Before we start this mighty program tonight all of you, the millions of people tuned in by radio and those that want to receive Jesus for the first time and those that want to receive Jesus by renewing covenant tonight remember that the window is still open; the door is open for you to enter the Kingdom of God Almighty; the door has not yet been closed by the Lord. But we know that when the church will have been taken into rapture then the door will be closed because the Bible says, it says, "Like it was during the time of Noah so will it be at the coming of the Son of man."

And so for all those that want to receive Jesus for the very first time and those that want to renew covenant with the Lord having fallen to sin; all of you wherever you are, the Bible says that when you confess, when you speak it with your tongue, and you believe that Jesus, He died for you on the cross and He rose again on the third day, seated on the right hand side of the Father and you declare immediately that you have rejected sin; the Bible says on that day you are born-again and your name is written in the Book of Life of the Lamb of God.

So wherever you are, repeat this prayer even in Tanzania and Uganda, say, "Mighty Lord Jesus, I love you precious Jesus. And today I choose you Jesus because you chose when I was a sinner. Precious Lord Jesus today I repent of all sin and I ask you my Lord and Savior to forgive my sins. Precious Lord Jesus, I welcome you into my life as my Lord and Savior. Precious Jesus transform my life tonight and fill me with the Holy Spirit and establish your Word in my heart. Keep me away from the curse and remember me during the rapture of the church; in the Mighty name of Jesus, I am born-again—Halleluyah; Halleluyah."

If you have said that prayer; if you have said that prayer, that mighty prayer; that tremendous prayer, wait for the following instructions.

Halleluyah; Blessings and honor be unto our Lord Jesus. For those of you that have received the Lord, now listen to the following instructions even before we begin this mighty *kesha*: Now make sure you find a Bible teaching church. Right now there are many Bible teaching churches in this land. Find a church that is far removed from the preaching of money and prosperity; find a church that preaches the salvation of Jesus; find a church that can baptize you, not by putting a cross on your face using water, but by complete immersion in water that you may fulfill all righteousness just like our Lord Jesus showed us. And make sure you read your Bible every day.

When a child is born normally there is a recommended diet for the child and when you follow that instruction the child will grow and become a normal adult. And so the Lord has instructed that the diet of holiness and the diet of righteousness, which means the diet of the Word of God written in the Bible, the Holy Bible is the only food that can grow the young Christian; Halleluyah. What a mighty night precious people. Wherever you are there is something very critical the Lord is going to say here.

I want to share with you this tremendous revelation. When I was traveling to the nation of Venezuela when the Lord, He spoke with me about the nation of Venezuela and pastors there, they mobilized big meetings; they mobilized meetings across 6 cities. But on the way to Venezuela I traveled through South Africa, but when I arrived at Johannesburg, at the airport and then we did not have money to go to the hotel because we realized it was 24 hours we have to wait there to get the next flight across the Atlantic Ocean.

In other words we arrived there at 10 in the morning and the next flight would be tomorrow at 10, the next day at 10. That is about 24 hour's right there. And because we did not have money to go to the hotel, I pleaded with the people around the airport, the people that have the cafes that sell coffee there. And I asked them to allow us to sleep on the chairs. And so the chairs are there, but they are for sitting.

So I pleaded with them if they could allow me and my team (to) sleep on the chairs until the next day. And then, of course the chair is as hard as the floor. And then there were small cushions they were using on their chairs that their clients sit on when they are taking their coffee there, buying their food there. But we could only afford some ground nuts and a bottle of coca cola, half liter. But we were very blessed and happy because I reminded the team that what is most important is the flight ticket. Once you get the flight ticket, you cannot care about everything else because then now you can go and take the gospel.

But as we were there, they allowed us to use the small cushions. And so as I put it on my head and I slept on the chairs I also realized that Jesus did not have a home when He (was) walking this earth; I realized that Jesus slept on a hard rock - the Mount of Olives - every time He was tired and He was caused to withdraw from the public. So I loved it and then I was so tired so I went to sleep in the middle of the day. And people were sitting there near me, pushing my legs sitting there; others were talking; a lot of people; the airport was busy in the middle of the day.

That is the busiest hour. But that is the time at which the Lord spoke with me there. And what did the Lord say? Immediately I saw the vision of the Lord; and the vision I saw was the rapture of the church. And I saw the church that had been raptured and she had just entered into Heaven, into the Kingdom of God. And when the church entered into the Kingdom of God,

they were celebrating, they were worshipping the Lord in a very mighty way with both hands lifted up and taking it to the left; taking both hands to the right, very awesome worship. And as I continued looking at that mighty vision of the Lord I realized that not only were they wearing glorious bodies but their glorious bodies appeared as though they had gowns with long trains— in English it is called the train of the wedding gown. And the gown was very, very brilliant glorious white.

And so when they worshipped and swayed their hands very slowly towards one side, then their gowns gave flashes like lighting, flashes of brilliance; they were radiating. They were glorious - like flashes of a camera when someone is taking a picture. They were flashes of - like lighting. And they were very, very glorious gowns (that) they were wearing. And they were very, very happy to be in the Wedding Dinner of the Lamb of God. And they were worshipping the Lord and the Lord was with them there. They were worshipping Him.

They worshipped Him in such a tremendous way, I cannot describe; and then after that the Lord asked me to look towards my left hand side in that vision. And when I looked towards the left I saw a humongous horse with his rider and that horse was so big that I was so shocked. I have been telling people that if you consider the Hilton hotel how tall the Hilton hotel is, the height of that horse was like half the height of Hilton hotel. That is how humongous that horse was. And when I looked at that horse, I realized that that is the Pale Horse. But from his eyes towards his mouth down here, from his eyes to the mouth, slightly below his eyes at the cheeks coming down to his mouth is glorious white.

And I saw him coming with tremendous power and behind him was a thick darkness coming like it was going to storm. And then at that time I looked up and looked at the raptured church in Heaven, and I noticed something else also, I realized that that church was a remnant church. And then immediately the Pale Horse came with his rider and darkness covered the earth.

Precious people that is where I want to begin the conversation tonight; what is the Lord saying tonight? What is the Lord saying today to the church of Christ in Kenya; to the church of Christ in the four corners of the earth? What is the message of the Lord brought to you, to the church by the Holy Spirit in that mighty conversation about Jehovah; in that tremendous conversation about our precious Lord Jesus, the Coming of the Messiah.

Remember the last time I gave a prophecy on the horse; that was after the vision of 19th August, 2008, after the vision of 2008 19th August and then I gave the prophecy on the 23rd and the 24th of August at Nakuru Girls High School ground standing before more than 2 million people and I gave that prophecy on that Saturday and Sunday; August 23rd Saturday, August 24th Sunday the year 2008. And then the Lord took me to take this message to Canada Toronto;

October 7th, 2008 that prophecy was fulfilled and all the financial markets crashed all over the earth and a Global Famine that I also prophesied on that prophecy came to pass. Less than 2 months that prophecy was fulfilled. And now comes another prophecy regarding the release of the Pale Horse from the Throne of Jehovah God Almighty.

What is the message to the church? We are going to take a short break and then I will give the revelation. But this will be very, very deep tonight. We are going to worship—holy, holy is the LORD God Almighty. But on the other side of the short worship break make sure you write everything. Make sure you write this that I may wash my hands; may the Lord bless you.
