

#20 KU Vigil—The Youth and The

Laying Down the Foundation for

Prophet Dr. Owuor

We have seen a very deep revelation and I bless the Lord for this—the 2 changes of government in Israel and now we are in the second change. And I preached it along in Nairobi all the way in 2005, 2006, 2007, 2008 and I said there is going to be another change, the second change of government and it will be a right wing government. And you see now; I kept saying it must be Benjamin Netanyahu 1 and Benjamin Netanyahu 2 and then behold the Lamb of God. And He came all the way from the Glory. Those who have ears let them listen.

The Book of Romans chapter 8; how ought you to prepare before you go into this next mighty message? Romans chapter 8 I am reading verse 9 and this is what he says: verse 9 on “⁹ *You, however, are controlled not by the sinful nature but by the Spirit, if the Spirit of God lives in you.*” Again, “⁹ *You, however, are controlled not by the sinful nature but by the Spirit, if the Spirit of God lives in you.*” And this is the elect the Lord was speaking about when He said, “When you see the oil, don’t damage it. And when you see the wine, don’t touch it” when the rider of the Black Horse left towards the earth “*And if anyone does not have the Spirit of Christ, he does not belong to Christ.*”

That tells you if you are not a spiritual Christian, you don’t belong to the LORD Jesus. That’s why when Jesus was talking about the Wedding of the Lamb of God in Matthew 25, those who did not have the Holy Spirit, they went to buy oil. They came with fake oil burning and then they dared to knock on the door because as they went for oil the Bridegroom came and the church entered. But when they came back they had the courage to knock on the door, burning that bought oil.

Who can buy the Holy Spirit? And they said, “Sir! Sir! Please open for us.” And He said, “To tell you the truth, I do not know you.” And so He says here, “*...and if anyone does not have the Spirit of Christ, he does not belong to Christ.*” But now listen to this: “¹⁰ *But if Christ is in you, your body is dead because of sin, yet your Spirit is alive because of righteousness.*” That is what He meant when He said, “When you see the Spirit, please don’t touch it. Don’t damage it.” Because to them that walk in the Spirit in this dispensation, the flesh is dead; the body is dead; dead to sin and the spirit is alive in righteousness, in holiness. How can you touch them? They are the elect of God.

Do you understand the revelation the Lord was giving to the church? Everything is here in the Bible; that when you will operate in the latter Anointing of the Holy Spirit, your spirit will

be fed by the righteousness of God; you will be alive in righteousness of God; you will be alive because of the righteousness of the Lord; the holiness of the Lord, then you qualify to enter the Kingdom of God. It is very important the church understands this.

The church of Christ in Kenya they are selling bottles of Anointing Oil; the church in Kenya has bought the oil. And yet what I prophesied and I said it will be a right wing government; they did not understand I had seen it. Listen precious people. Time is over! Prepare for the Coming of the Messiah. When the flesh is dead, the spirit is alive; alive because of the righteousness of God.

And yet the church in Kenya, you are still walking in the flesh—“*Panda mbegu hapa utabarikiwa hapa; if you sow a seed here, you will be blessed here; if you want to be healed, you sow a seed here.*” Before I went to Chile we saw a lame person stand up and walk at City Hall. Did they pay any seed? In City Hall a lame person stood up and walk in the eyes of everyone

(This portion was not clear audibly from about 7 minute mark until about the 9 minute 30 second mark)

The body has to be dead for the spirit to live. The church in Kenya is in flesh and He says, “To tell you the truth the flesh and the blood will not inherit the Kingdom of God.” What are you teaching the church here? *Ati* they love the things of the world. They want the church to be like the discos. And it’s written in the secular newspapers! What a sick church! I have never seen such a sick church and I have traveled everywhere.

The land of revival here now has deep spiritual sickness. How can the secular papers write about it? And you think you can rebuke corruption! First of all remove the log from your eye before you poke someone’s eye. The church has no authority right now. You must kill the flesh. You must kill that flesh.

And He says, ¹¹ *And if the Spirit of him who raised Jesus from the dead is living in you, he who raised Christ from the dead will also give life to your mortal bodies through his Spirit who lives in you.*” Listen precious people. This is very, very important. That’s why Jesus said the wise virgins who had oil, they are the elect. They enter into the Wedding Supper of the Lamb of God.

Revelation chapter 19 verses 7 on, He says *“Let us rejoice and be glad and give him glory! For the Wedding of the Lamb has come, and his bride has made herself ready.”* *“For the Wedding of the Lamb has come, and his bride has made herself ready.”* And listen to what He says, verse 8, *“Fine linen, bright and clean, was given her to wear.”* And the Bible says *“(Fine linen stands for the righteous acts of the saints.”* And here he says that *“But if Christ is in you,*

your body is dead” that’s Romans chapter 8 verse 10, “But if Christ is in you, your body is dead because of sin, yet your Spirit is alive because of righteousness.”

So you begin to understand the big solicitation and celebration in Revelation 19 verses 7 all the way to verse 9; the big jubilation when the Wedding of the Lamb of God arrives, it is not because of anything else, but because the church is now wearing the fine linen, bright and clean. And he says it is because the fine linen stands for righteousness which means the church is now wearing the righteousness of the Lord. To put in other words, even better—that means the flesh in the church has been killed.

He said, *“If the Spirit of Christ lives in you, then the body is dead”*—dead to sin. There is jubilation in Heaven when the body is dead to sin and righteousness is what the church now wears. Righteousness now gives life to the spirit of the church. You begin to understand the opposite of what is happening right now in Heaven; that now that the church is in the flesh, there is so much sadness in the Kingdom of God. But the church has to get rid of this flesh first?

Why do the pastors in Kenya fear holiness? Why do they love money more than the holiness of the Lord? Why do they fear to walk in holiness? Because holiness will edify the heart of God; will bring the church of Christ into the Kingdom of God—you begin to understand the reason why people were called to be pastors and all these other callings. They were not called to walk around here and start saying things, “What, what” and just start doing things here, everything like the world. They were called to separate themselves and kill the flesh. You cannot preach that which you have not lived. Pastors in Kenya don’t even fast. When someone wants to bring for them a pastor’s conference, they say, “If you provide lunch, then more will come.” How can you work for the stomach when you are a servant of the Lord? And he says the flesh must die; that the spirit may be alive because of righteousness.

The Book of Philippians chapter 3; Hallelujah; so you understand the solicitation in Heaven that is celebrated in the Book of Revelation chapter 19 because of the Wedding of the Lamb—now you understand that that celebration is because the flesh has been crucified in the church. And that means when Jesus went to the cross He showed the church where she should go. He told her you must crucify the flesh like I’m doing then the Spirit will be birthed out.

And Heaven has been waiting for when the church will allow her flesh to be crucified by the Holy Spirit. There is fear that the Lord Jesus may be humiliated if the church that He redeemed fails to enter. Then where is the fruit of the cross? And that’s what the devil wants in this church here in this country that they may continue enjoying *panda mbegu*. And we are sitting very close to the rapture. And then finally they miss the rapture because you saw what happened to the souls under the altar that refused to worship the beast—they were beheaded

for the testimony of Christ. How many of you Christians can stand (in) that the way you fear pain? Then make sure you enter the rapture because it will be very hard in the tribulation.

Philippians chapter 3 verse 17 precious people, he says verse 17 on, ¹⁷ *Join with others in following my example, brothers, and take note of those who live according to the patterns we gave you.* ¹⁸ *For, as I have often told you before and now say again even with tears, many live as enemies of the cross of Christ.* Whom was He talking about here? The Holy Spirit is talking about the church. “Many live in the church as though they are enemies of the cross.” They don’t want to crucify the flesh. They don’t want to get rid of the sinful desires of the flesh—sexual lust, sexual immorality, the eating, eating—you can’t fast.

When you crucify the flesh on the cross by the works of the Holy Spirit you will be set free; you will never be in that prison again. Verse 19, ¹⁹ *Their destiny is destruction, their god is their stomach.* You see that somebody? That food is related to sexual lusts; even when you go to the Book of 1 Corinthians chapter 6 when he talks about sexual immorality; he says, “Food for the stomach and the stomach for food. But God will destroy them both.”

Why would he be attaching the sinful desires to food because the flesh and the Spirit are always in this constant conflict, constant battle and whoever wins reigns. And you see that food actually builds and feeds the flesh; it feeds and builds the flesh. That’s why when the Spirit of the LORD descended on the Lord, on Jesus after being baptized by John the Baptist, the Holy Spirit led Him straight to the wilderness to pray and fast. And the Spirit was edified. And He came like Lion of the desert of Judah; the Lion of the tribe of Judah.

And He came and He triumphed over the devil. And that means there is always a conflict between the flesh and the spirit. And that’s why you see there is so much about the stomach that relates to the sinful desires of the flesh—¹⁹ *Their destiny is destruction, their god is their stomach, and their glory is in their shame.* And he says, *Their mind is on the earthly things.* And He says, ²⁰ *But our citizenship is in heaven.* ²⁰ *But our citizenship is in heaven. And we greatly await a Savior from there, the Lord Jesus Christ,* ²¹ *who, by the power that enabled him to bring everything under his control, will transform our lowly bodies so that they will be like his glorious body.*”

Halleluyah; and from verse 21 there he’s talking about the power of the Holy Spirit. And that’s why the Father says, “If you see anyone operating in the new wine and the new oil, don’t touch them; don’t touch them; don’t damage them; leave them alone” because they are operating by the power that enabled Jesus to bring everything under His feet. And that power transformed their lowly bodies so that their bodies will be glorious like that of Christ?

Isn’t that amazing? Isn’t that such a big miracle here? Isn’t that the main preoccupation of the servants of God? Isn’t that what their main occupation is supposed to be? Isn’t that not

what your obligation is supposed to be as a Christian that you may strive to make sure that you are completely consumed under the Power of this oil and the new wine; that when you are under the Power of the Holy Spirit, your body will be destroyed and dead and your spirit will be alive because of righteousness.

But righteousness is a choice; a deliberate choice. You have to choose righteousness and then the Holy Spirit will help you to live in that righteousness. And He said the same Holy Spirit, He helped Jesus; the Jesus of Nazareth. And he says that same Holy Spirit, He is available to transform your lowly bodies into the glorious body like that of Christ at rapture.

O let us go back to the Holy Spirit. Let us get out of all that you hear being preached all over across Global Christian TV. That is something else. Here I'm talking about the Kingdom of God Almighty in Heaven and how you the church can enter. But how to sow a seed; how to understand that Global Economic Crisis means a Global Financial Transfer is coming to the church—that is something else. That this is the year of plenty; that kind of false hood, that I don't know—that's something else. But about the Kingdom of God it's very clear here. I bless the Lord that every revelation He gave me is in the Bible and very much aligned to the Word; everybody can pick the Bible and read it and enter.

Philippians chapter 2 I'm reading from verse 12: and he says, *"Therefore, my dear friends, as you have always obeyed—not only in my presence, but now much more in my absence—continue to work out your salvation with fear and trembling."* Isn't that the way to enter the Kingdom of God? When you look at the way Christians are dressed in the city of Nairobi and all the towns of Kenya, does it reflect fear and trembling? Why are they living out, away from the Word? Only those who live by this Word will enter into the Most Glorious and Most Holy Kingdom of God Almighty.

Verse 14, *"Do everything without complaining or arguing, so that you may become blameless"* isn't that the Bride of Christ, blameless? *"...and pure, pure children of God without fault in a crooked and depraved generation in which you shine like stars in the universe."* You see the fine linen, bright and clean; you see what the righteousness can bring to the church? She becomes the light of the universe in this crooked and depraved generation. This crooked and depraved darkness in this generation; Halleluyah; that *"... you may shine like stars in the universe as you hold out the word of life—in order that I may boast on the day of Christ that I did not run or labor for nothing."*

The church needs to walk in the complete righteousness of the Lord because our God is the God of light; He's the God of righteousness. I want to read a little bit to finish up with this before I move on. In the Book of Leviticus chapter 24 God was speaking to Moses; God Almighty in Heaven, He was talking to Moses about what He wanted in the House. But then, inside that

conversation the church can discover the nature of God that she needs to understand; that she needs to understand, the nature of God that she needs to understand.

Leviticus 24 verse 1, ¹*"The LORD said to Moses,* ²*"Command the Israelites to bring you clear oil of pressed olives for the light so that the lamps may be kept burning continually.* ³*Outside the curtain of the Testimony in the Tent of Meeting, Aaron is to tend the lamps before the LORD from evening till morning, continually."* And you see very clearly, the nature of God that the church needs so much to know right now; the Lord was sending Moses to speak to Aaron. And the instruction was very clear that Moses may tell Aaron that Aaron may tell the Israelites to bring some olive oil made out of pressed olives—clear olive oil.

He's talking about clear olive oil that Aaron may use it to tend the lamp of the LORD in the Holy House of God continually. If you want the key phrases from this Scripture is that to *"...tend the lamps continually."* And you see very clearly that he tells Aaron from evening till morning, the lamp of God must be tended.

What is the meaning of tending? If you have people that attend to you at a restaurant and so maybe you are drinking some orange juice here and when they see it's going low, they will ask, "Do you need another glass? Can I add you another glass of orange juice?" They attend you. That is what the LORD was telling Aaron to do that when the evening comes until morning, start tending my lamp; that means keep checking the oil; if it's not enough, add; if the oil is not enough add more, add more—keep it burning; keep the level well—"Tending the lamp continually."

The key word there is continually. Don't stop in other words. Don't stop. There is a hidden nature of God here that the church can borrow from in these instructions that was meant for Israel. Anyhow the church worships the God of Israel. And here you see that from morning till evening the lamps have to be on and tended. What happens at that time in that interlude? That is the time when darkness comes. And you say from that time on the lamps must be well, continually tended.

That tells you of the hidden nature of God—that our God is a God of light and He hates darkness. He cannot stand darkness. He cannot accept darkness. He cannot tolerate darkness especially in the House. Look at the church today: what the papers presented in this nation about the church of Christ that is a gross darkness that has entered the House and the only way to get rid of that darkness is when the church will continually tend the lamp.

"You are the light of the world"—Christians; and we have reached the 11th hour—the 11:59 PM and at that time the thick, pitch darkness is reigning. And then you need the Holy Spirit to light up your Christian lamps. And only the Holy Spirit can enable you to keep light burning in your lamp during this dispensation of darkness. This is when the devil has arrayed his

schemes of seductiveness to the servants of God; to the Christians in the church. And he is using everything under the sun.

He saying, “Ah...no you know we need money for ministry.” He says, “Ah...no you know we are a modern church people are allowed to drink beer.” He says, “Ah...no you see we are a modern, post modern so we have to be inclusive and include gays as bishops.” He’s using everything seductively to win the church. It’s very difficult on your own to be able to keep burning the Light of Christ; the Lamp of God in your life. So you need the clear oil made out of pressed olives—the oil of this dispensation. That is the latter Anointing of the Holy Spirit.

But to go to Uhuru Park and then buy one bottle for 50 bob or 500 bob—that is blasphemy! You cannot buy the Holy Spirit just ask Him and then He’ll release the Holy Spirit. He promised. He promised the Holy Spirit will come to help; your helper; help you now you need help. This is when the church needs help. Listen precious people the church needs to keep the lamp of God burning continually in other words tending the lamp.

Do you know how you tend the lamp? In the Book of Ezekiel chapter 47 the tending of the lamp continually, verses 1 to 6 Ezekiel 47, he says, “¹ *And the man led me through water that He measured of a thousand cubits and then led me through water that was ankle deep. He measured of another thousand cubits and he led me through water that was to the knee, knee-deep. He measured off another thousand and led me through water that was up to the waist.* ⁵ *He measured off another thousand cubits, but now it was a river that I could not swim.*” That means flow in the direction of the current of that river.

That means when you flow in the direction of the current of that river. That means in your own Christian walk when you received the Lord your lamp was lit. But the Lord, He built you that you may grow in faith from glory to glory. Listen to me precious listeners: he is saying, that you may begin growing from the ankle level, the knee level, the waist until you are fully consumed by the Holy Spirit.

That means you reach one level of the Anointing, it’s not enough, you want the next, you want the next; that means you keep adding; you keep tending that lamp that was lit in your heart until it shines so bright like a star in the universe. Then it will not matter what amount of gross darkness consumes the earth, but the power of the Holy Spirit through the righteousness of God O will light you up like a star in the universe because our God is a God of the light. We are children of the light.

We cannot continue walking in darkness like you see in the churches in Kenya here. They are walking in darkness and yet they are all blind. Nobody can even stop the other and say, “Hey, Guys; this is wrong. We are heading in the wrong direction.” Nobody can even come and say, “Bishops, this is wrong. We cannot continue praying with Hindus like this. God is going

to judge this country worse. How can we agree with their god? Aren't we making our God very jealous and His wrath increased?" But all are blind. Nobody can stand up and "Hey, guys this is wrong. We've done it wrong, let's repent."

Halleluyah; precious listeners, this is very critical. I hope you've now understood the revelation of the Black Horse from Heaven even when the LORD He released that Horse in August 19th 2008 and I started running from country to country prophesying the release of the Black Horse and the Global Economic Crisis that was coming. Listen to me precious listeners, time is over. Time is finished for games in the church. Let the church return to righteousness. Only the righteousness of the Lord will transform the church by killing the body, the flesh and then giving back to the spirit. The Church of Christ must return to repentance.
